## **EXECUTIVE OVERVIEW**

The Programme-Based MTEF Budget Estimates (PBB estimates) for Financial year 2021/22-2023/24 are presented to give budgetary effect to Bomet County's 2018-2022 County Integrated Development Plan (CIDP) and the 2021/22 County Annual Development Plan (ADP) that reflects the CIDP's fourth year priorities. The estimates are further guided by the sectoral/departmental priorities, programmes and resource ceilings reflected in the approved County Fiscal Strategy Paper (CFSP) for FY 2021/22. These budget estimates prioritize projects started in previous financial years and submissions from public participation. The successful implementation of these set interventions will go a long way in achieving the desired social economic transformation of the County. The County Treasury will continue to enforce its mandate as spelt out in section 104 of the PFM Act, 2012, to ensure proper utilization of public finances.

## 1.1 Legal Compliance

These PBB Estimates are prepared in accordance with section 129(1) of the PFM Act, 2012, which states that the County Executive Member for Finance shall submit to the County Executive Committee for its approval: -

- The budget estimates and other documents supporting the budget of the government, excluding the county assembly; and
- The draft bills at county level required to implement the county government budget, in sufficient time to meet the deadlines prescribed by this section.

Section 129 (2) further states that, following approval by the County Executive Committee, the County Executive Committee Member for Finance shall submit to the County Assembly the budget estimates, supporting documents and any other Bills required to implement the budget, except the Finance Bill, by **30<sup>th</sup> April** in that year.

## 1.2. Revenue

The financial year 2021/22 Budget has increased by Kshs. 450 million compared to the financial year 2020/2021 budget. The CFSP 2021 proposed resource envelope stood at Kshs. 7.798 Billion, which comprised of the following; Equitable share Kshs. 6.691 Billion, Own source revenue Kshs.300 million, Conditional grant for leasing of medical equipment Kshs.153 million, World Bank loan for universal healthcare of Kshs.98 Million, HSSF Danida Kshs.12 million, IDA Kenya Climate Smart Programme of Kshs. 350 Million and Agriculture Sector Development Programme(ASDSP) Kshs. 25 million.

However, in the budget estimates, the conditional allocation from donors is likely to increase by Ksh.168 million being Kenya Urban Support Programme(KUSP) funds, which in turn increases total revenue to Ksh. 7,965,578,648.

## 1.2.1 Revenue breakdown

The total estimated revenue for FY 2021/22 amounts to Kshs7.965Billion comprising Kshs. 300,000,000 Own Source Revenue, equivalent to 4% of the total Revenue Kshs. 6,691,099,118 Equitable Share, equivalent to 84% of the total Revenue Kshs. 974,479,530 Conditional Allocations, equivalent to 12% of the total Revenue

## 1.3 Expenditure

Expenditure is broadly classified into recurrent and development. Recurrent expenditure is split into compensation to employees and Operations and Maintenance (O&M).

## 1.3.1 Recurrent Expenditure

Recurrent expenditure is estimated at Kshs. 5.3 Billion which is 68.6% of the budget comprising Kshs. 3.3 Billion and Kshs.2 Billion for Personnel Emoluments (PE) and O&M respectively.

## 1.3.2 Development Expenditure

The total development expenditure amounts to KShs.2.6 Billion which translates to 31.4 % of the total budget.

# VOTE: DEPARTMENT OF EXECUTIVE, ADMINISTRATION AND PUBLIC SERVICE

## Part A: Vision:

Transform Bomet into an economic power house in the South Rift and beyond, fulfilling the dreams and aspirations of the people of Bomet

## Part B: Mission:

To provide a county government that exercises transparency and accountability in the use of public resources and ensures equitable distribution of resources, corruption-free governance and equal opportunities

## Part C: Performance Overview and Background for Program Funding Service delivery and Expenditure Trends

## **Expenditure Trends**

In the financial Year 2019/2020, the department, ICT Directorate included, was allocated a total of Ksh. 2,227,901,850. Out of this amount, Ksh. 1,739,638,552 (80.62%) was allocated to PE, Kshs. 332,153,298 (15.39%) as 0&M and Kshs. 86,110,000 (3.99%) allocated as development. The expenditure for P.E, 0&M and Development was Ksh. 1,735,290,767, Ksh. 379,075,340 and Ksh. 58,083,427 respectively.

In the current financial year (2020/2021), the department was allocated a total of Ksh. 1,895,847,074. From this amount, Ksh. 1,520,380,00(80.20%) was allocated to PE, Ksh. 302,467,074 (15.95%) as 0&M and Kshs. 73,000,000 (3.85%) allocated as development. In the FY 2021/2022, the department proposes to spend Ksh. 2,401,375,666 with Ksh. 1,926,933,665 (80%) allocated to personnel emoluments (P.E) covering all the departments except Municipality under Lands, Housing and Urban Planning and Medical and Public Health department, Ksh. 450,442,000 (19%) proposed for 0&M and Ksh. 24,000,000 (1%) for development.

In view of the above, the O&M for the department will rise from 15.95% in the FY 2020/21 to 19% in the FY 2021/22. This is attributed to the Medical Cover for all staff which was initially domiciled in the Department of Medical Services. On the other hand, development expenditure allocation has decline from 3.99% to 1% in the FY 2020/21 and 2021/2022 respectively since the Directorate of ICT has been moved to Finance and Economic Planning.

## Achievements, Successes and Challenges - FY 2019/2020

During the FY 2019-20, the Department undertook capacity building amongst staff members: These included induction of new County Public Service Board (CPSB) Members, various staff at KSG on various management courses, 50 staff on Sector Working Groups at Exotic Hotel Kericho, County Integrated Monitoring and Evaluation System for Chief Officers and Directors at Brevan Hotel. Also facilitated the Legal staff, Secretaries, Human Resource staff, Medical Staff and ICT officers, amongst others, to attend their trainings organized by their respective bodies. Trainings were spread throughout the period for staff registered with their respective professional bodies – Legal, Secretaries, Human Resource and ICT. Furthermore, the Department through County Public Service Board recruited a total of 1063 staff from the departments of Medical Services (355), Department of Education (663), Department of Executive (24 support staff, 4 COs and 7 CECs), 6 members of County Public Service Board and a CEO, Board Secretariat (3).

Additionally, three (3) MOUs were signed between the County and: Nutrition International – Nutrition matters, NHIF – For reimbursements and Red Cross – Relief Food distribution. The Directorate of communication publicized County Government development projects and programmes in the online, local and mainstream media. These included production of brochures, weekly e-newsletters, handbooks, video documentaries, radio classifieds and newspaper supplements highlighting development programmes and projects undertaken by the county government.

Under Administration, new vehicle was procured for use by Executive, Merigi ward office was Commissioned and sub ward administrators were established as per the County Government Act and recruitment has been done. As part of alcohol and drug abuse control, the department conducted 36 Sensitization barazas across the County thereby reducing alcohol and drug abuse prevalence amongst the general population. Furthermore, 598 alcoholic outlets across the County were inspected out of which 424 were licensed to operate and 174 outlets were closed. A further 324 Liquor outlets were trained on Health protocols and safety during Covid-19 pandemic period.

The department further carried out public participation fora on various development programs/projects including sensitization on COVID-19 in conjunction with department of Medical Services and Public Health. The Directorate of Public Participation successfully supported a Social Audit program supported by FORD Foundation through the CoG where Women, Youth and PWDs were trained on how to conduct social audits. The program culminated in a benchmarking visit to Nandi County with over 50 participants with further sensitization of 1974 citizens on their role in public participation and project management.

The unit of Disaster distributed food and building materials to county citizens affected by floods especially in Bomet East, Chepalungu and Sotik Sub Counties; Carried out flood's awareness campaigns, drainage works, opening up of dams' spillways and banning of mining activities in high-risk quarries to alleviate effects of floods; Acquired Toll free number and emergency number and Trained seven (7) divers and four (4) volunteers in collaboration with Salvage Wilderness, in conjunction with Kenya Red Cross, on Water Rescue, River Crossing and Safety

## Challenges experienced during implementation of the previous Budget

- i. Lack of office space and equipment in most units within the departments
- ii. Inadequate human resource in the directorates affected delivery of services to the public
- iii. Budgetary constraints resulting from previous pending bills affecting procurements and payments of current bills
- iv. Inadequate facilitation which includes vehicles (due to repairs and maintenance issues) thus affecting services delivery due to limited mobility of staff
- v. Inadequate ICT equipment
- vi. Implementation of key programs affected by Covid-19 pandemic
- vii. Lack of civic education, awareness and public participation on good governance

## Recommendations

- i. There is need to build or complete new offices plus equipping
- ii. Encourage more Public-Private partnership approach in implementation of projects
- iii. Prioritize procurement of needed ICT equipment
- iv. Enhance publicity of County Government Projects/Programs by allocating budget.
- v. Recruit and capacity build human resource

## **VOTE: FINANCE, ICT AND ECONOMIC PLANNING**

## Part A: Vision

Efficient and prudent financial management and economic planning while leveraging on information and communication technologies.

## Part B: Mission

To undertake economic planning and effectively coordinate County Government financial operations for rapid and sustainable development through adoption of information and communication technologies.

## Part C: Performance Overview and Background for Programmes

## • Service Delivery and Expenditure Trends

During the financial year 2019/20 the Department of Finance and Economic Planning was allocated a total of Ksh 407million to finance its operations The allocation for development was

Ksh148million while the actual expenditure was Ksh 132 million representing an absorption rate of 90%.

In the financial Year 2019/2020, the Directorate of ICT was allocated a total of Ksh. 42,745,000 out of which Ksh. 24,245,000 (55.7%) was allocated to 0&M and Ksh. 18,500,000 (43.3%) to development. The actual expenditure during the financial for 0&M and development was Ksh. 21,288,865 and Ksh. 17,806,795 respectively.

## • Key Achievements and Successes

In the financial year 2019/2020 the County Treasury prepared various documents in compliance with the PFM Act 2012. These documents include; County Budget Circular, County Fiscal Strategy Paper, MTEF Budget Estimates, County Budget Review and Outlook Paper, County Annual Progress Report, County Annual Development Plan, Finance Bill, County monitoring and evaluation reports, financial reports and financial statements. All these documents were prepared on time and presented to the relevant bodies as directed by the Act.

There has been a considerable improvement in financial management as all departments are currently using IFMIS for all payments. All County Government entities are using E-procurement in procurement of goods and services. This has played a big role in ensuring the transparency and accountability in financial transactions and ensure that the public receive value for money. The county also paid a considerable number of historical pending bills. Local revenue collections amounted to Kshs. 201.51 million against a target of Kshs. 200.92 million in the year under review. This illustrate that the county surpassed the target by Ksh 0.588 million.

During the FY 2019/20, the Directorate of ICT carried out installation of Structured Local Area Network Cabling and fabrication of mini internet mast at five (5) ward offices – Mogogosiek, Ndarawetta, Kipreres, Siongiroi and Merigi; procured and implemented County Integrated Hospital Management Information System (CIHMIS); Carried out ICT Digi truck Training for 100 participants in collaboration with Computer for Schools Kenya and Huawei; procured and implemented Work Flow Management System and various ICT equipment for use in different offices and staff

## Challenges

- i. Delays in exchequer releases has negatively affected implementation of projects and programmes resulting in low absorption of funds in the subsector and thus affecting service delivery.
- ii. Lack of office space and equipment in the directorate
- iii. Budgetary constraints resulting from previous pending bills affecting procurements and payments of current bills
- iv. Inadequate facilitation which includes vehicles (due to repairs and maintenance issues) thus affecting services delivery due to limited mobility of staff

- v. Implementation of key programs affected by Covid-19 pandemic
- vi. Inadequate ICT equipment and lack of unified county-wide communication infrastructure

## Recommendations

- i. There is need to build or complete new offices plus equipping
- ii. Develop county-wide communication infrastructure strategy and prioritize procurement of needed ICT equipment
- iii. Recruit and capacity build human resource

## Challenges

- Inadequate allocation of budgetary resources
- Low productivity of farm produce,
- Unpredictable market dynamics,
- Emerging and re-emerging crop and animal pests and diseases.
- Low staff to farmer ratio.
- Inconsistent crop production due to climate change leading to erratic supply to the market
- Inaccessible disease diagnostic lab facilities
- Low prices for agricultural produce
- Low value addition of agricultural produce
- Market access challenges for agricultural produce.

### Trade, Energy, Tourism, Industry and Investment

Over the years, the Department of Trade, Energy, Tourism, Industry and investment has continued to facilitate the transformation of the County economically through creation of an enabling environment for trade, industrial activities and promoting investment opportunities with increasing access to electricity being an enabler. The overall goal is geared towards employment, income distribution and wealth creation, poverty reduction and achievement of sustainable economic development. Additional enablers realized during the period include providing opportunity for expanded markets and competitiveness.

**Expenditure Analysis**: In the period under review, the budget estimates for recurrent and development were Kshs. 26,801,000 and Kshs. 122,796,006 respectively. The approved supplementary budget and actual expenditures for development were higher than the approved supplementary budget and actual expenditure for recurrent. Recurrent as percentage of the total for approved supplementary budget was 16.39% against 83.61% for the approved supplementary budget for development meaning more money were allocated to development than recurrent. For development, there was a drop in actual expenditures as compared to the budgeted amount. The actual expenditure for recurrent expenditure increase by 4.4% whereas the actual expenditure for development dropped by an equivalent of 4,4%.

The absorption rate for the department was higher for recurrent as compared with development and the rates were 97.91% and 73.09% respectively. The overall utilization of the funds on development projects was very good at 78.11% meaning that a large amount of the allocated funds was absorbed. The absorption rate for Trade development was at 76.32%, Energy Development was at 84.85%, Tourism at 39.5% and Industry division at 83.99%. The absorption rate for tourism was the lowest, however several works were completed and payment not made due delay in treasury releases. In the period under review funds were not allocated for investment division.

## Key achievements during the period are:

- **Construction of** *boda boda* **shades and shoe shiner sheds.** The department aims at increasing investment in infrastructure to support trade development. In the period under review the department has managed to construct 26*boda boda* shades and 21 shoe shiner sheds across the county
- **Consumer protection and fair trade practices through Weights and Measures Programme**. In the period under review the Weights and Measures Division managed to carry out the

verification and calibration of weights, measures, weighing and measuring instruments and equipment in all the earmarked markets centres.

- **Installation and maintenance of floodlights.** The department managed to installation of 64 units on new floodlights and maintained 13 units. Equally the department oversaw the implementation of 6 projects by Rural Electrification and Renewable Energy Corporation under the matching Fund Facility.
- **Development of Iria Maina as a tourist attraction site**. In the period under review, the division undertook the development of Iria Maina as tourist Attraction site. Key projects implemented were fencing, constructions of gate, offices, washrooms, viewpoints, walkways and guard rails,
- **Projects under directorate of Industry.** The Department managed to complete the construction of Jua kali sheds at Kembu and Mogogosiek, fencing of Silibwet and Mogogosiek jua kali sheds and acquisition of equipment for Chebunyo, Bomet town and Siongiroi.

## Challenges

- Inadequate budgetary allocation
- > Delay in disbursement of equitable share of funds from the National Treasury
- > Site identification for projects

## VOTE: LANDS HOUSING AND URBAN PLANNING

## Part A: Vision

Efficient, effective and sustainable land administration, housing and urban management for prosperity

## Part B: Mission

To improve livelihoods through efficient urban development, coordination, and land administration through promoting adequate and accessible housing, optimal land management and urban facilities for all County citizens

## Part C: Performance Overview and Background for Programmes

## C. 1.1 Background

Land, Housing and Urban Development Department is responsible for ensuring rational and sustainable land use, effective land information management and orderly development of urban and rural areas, as well as safe, planned and adequate provision of affordable housing for sustainable socio-economic development of the County. The functions of the department include: improvement of land tenure security; provision and management of urban infrastructure; sanitation, cleansing and effective wastes management; facilitation of access to adequate and affordable housing, as well as ensuring security of public land.

## C.1.2 Priorities

- 1. Empower and restructure Bomet Municipality both in capacity and institutional and infrastructural development
- 2. Improve solid waste management in all urban centres
- 3. Purchase land for public utilities
- 4. Establish housing data base and inventory as well as renovation of residential/non residential government houses.
- 5. Design and develop urban infrastructure and utilities in selected urban areas.
- 6. Implementation of Urban Strategic Development Plan for Bomet Municipality and other towns
- 7. Survey and beaconing of PI land

## Budget Estimates for 2021/2022

The total planned budget estimates for the department for financial year 2021/2022 as per the approved ceilings is Kshs .298 Million. Consequently, Ksh 225.8M will be allocated to development and Ksh.28.2 M will be allocated to Operations and maintenance. A further Ksh.40 million will be used to pay salaries for Municipal staff. This condition needs to be met for the World Bank to be able to grant development funds to the Municipality.

For the *Conditional Kenya Urban Support Programme* Funds to Bomet Municipality, if granted, the entire projected allocation of Ksh.168 million will be used to enhance urban infrastructure projects as per the UDG spending Menu.

- C.2 Key Achievements and Successes
- Ensuring organized business centres and low-cost kiosk allocation in Bomet and Sotik
- Ensuring improved solid waste management and disposal in County urban areas including management of the temporary holding site for waste.
- Conducting surveying and beaconing of encroached public lands thus reverting land to the public for utilization.
- Physical planning activities and clinics across the county thus helping in proper planning and development control especially in major urban areas.
- Complete repairs and refurbishment of some government houses in Sotik town
- Maintenance of urban infrastructure including culverts and drains in major urban areas
- Construction of additional market stalls and market improvement at the Bomet Market
- Construction and improvement to bitumen standards of 1 kilometre road at Chebirir
- Construction and improvement to bitumen standards of 1.2 kilometre selected street roads in Silibwet Market

## C.3. Challenges

- Insufficient allocation of funds for development programmes
- Dynamic aspects in solid waste management e.g. adverse weather.
- Inadequate skilled manpower and facilitation of project technical team to project sites
- Inadequate public land for development
- High cost of acquisition of land and a tedious process of titling due to succession issues
- Out-dated cultural norms on land succession process
- Rapidly growing population leading to uneconomical land subdivision
- Inadequate housing programmes
- Lack of County land legislation and regulations
- Internal migration and rapid urbanisation thus uncontrolled development in the periurban areas

To address the above issues, the following needs to be done:

- Increase the budget ceiling for the department to cater for all the sector priorities
- Employ more skilled personnel e.g. surveyors, planners and civil engineers
- Carrying out faster succession process plan for county lands
- Adopt modern and efficient ways of solid waste management through technology Transfer

## **VOTE: ROADS, PUBLIC WORKS AND TRANSPORT**

## Part A: Vision:

To realize high quality, accessible, sustainable and efficient county infrastructure and other public works.

#### Part B: Mission:

To professionally provide quality, safe and adequate county infrastructure and other public works for socio-economic development.

## Part C: Performance Overview and Background for Programmes

The department of Roads, Transportation and Public Works budget allocation in the FY2019/20 was Kshs. 855,390,443.00. In the FY2020/21 saw the department ceiling reduced to an estimate of Kshs. 733,489,794.00. For the FY 2021/22 the total allocation to the department is Kshs. 483,774,836 which would be shared as follows; Operation and maintenance Kshs. 108,673,772 and development Kshs. 375,101,064

The main programmes in the department of Roads are as follows: -

**Programme 1**, Roads Construction, Rehabilitation & Maintenance, with two sub programmes; Construction of Ward Roads and Overhaul of Roads (RMLF) with a total budget of 156,322,688

and this translated to the construction and maintenance of 450 Km of graveled roads in the county.

**Programme 2**, of Construction, Rehabilitation & Maintenance of bridges. Sub-programme 1, Motorized Bridge construction that aimed to construct five bridges with a budget of Kshs 41,000,00, this saw the completion of Muriasi Bridge and Four others on progress. Nark, Mengichik, Kiplakit and Kapcheluch bridges are at the implementation stages where else Siomo Targambei is at 60% complete. Sub-programme 2, Culvert Installation with a budget of Kshs. 25,000,000 that enabled construction of Twenty-five 900mm ID twin culverts to enhance connectivity on the constructed roads. Sub- Programme 3, Construction of footbridges with a budget of Kshs. 20,00,000 with which Four footbridges are being constructed.

**Programme 3**, Development of County Transport Infrastructure, Sub-programme 1, The county acquired a fleet management system with a budget of Ksh 8,300,00. Sub Programme 2, Construction and equipping of a Mechanical Workshop, with a budget of Kshs 3,000,000.00 the equipping of the workshop is ongoing in the FY 2019/2020. Sub-programme 3, The county purchased a seven motor cycles to help in supervision of roads and other infrastructural projects.

The expenditure trend according to the vote for FY 2019/2020 were as follows; Recurrent expenditure, Ksh **47,443,309 and**Development expenditure – **Ksh. 641,478,956.00** This saw the department absorb over 95% of the budget, a great achievement as seen by implementation of various projects through out the county.

The department had some great achievements during the FY 2019/2020 the roads section managed to implement the construction and maintenance of 450km of road network.

The public works section completed 2 bridges,12 Box Culverts, 1 Foot bridge and 5 twin culverts. The construction and equipping of the mechanical workshop is 98% complete, the fleet management system was installed and the dozer was purchased and opened up roads in four wards and a transport policy was developed and adopted for management of the county transport infrastructure.

# Some of the constraints and challenges faced by the department of Roads, Transportation and Public Works were:

1. Challenges in mobility when it comes to supervision of works in Roads and public works and emergency response for transport.

2. Insufficient funds for development of infrastructure and emergency responses.

3. Shortage of staff members for efficient supervision of works.

## The major services/outputs that are to be delivered by the department are;

Development of road maintenance policy in order to streamline the maintenance of roads that are being constructed every year by increasing their longevity and incorporating the locals in the maintenance of roads, Improved connectivity throughout the county through construction and maintenance of gravel roads and development and maintenance of public infrastructure. Operationalization and maintenance of the Fleet management system to reduce cost of vehicle maintenance.

## **VOTE: MEDICAL SERVICES & PUBLIC HEALTH**

### Part A: Vision

An efficient and high-quality health care system that is accessible, equitable and affordable for every Bomet resident and others.

## Part B: Mission

To promote and participate in the provision of integrated and high quality promotive, preventive, curative and rehabilitative health care services to Bomet residents.

## Part C: Performance Overview and Background for Programmes

## **Expenditure Trends**

The Department of Medical Services & Public Health plays a key role in the promotive, prevention of diseases, provision of curative and rehabilitative health services. The sector composition is Medical Services and Public Health and Sanitation for curative and preventive health services respectively.

The core functions of the department include infrastructure and administration of County health facilities, curative services, preventive and promotive health services and reproductive health services. In the year **2019/2020** the largest area of the County Governments' spending was on Medical Services & Public Health Department amounting to **Kshs. 1,582,004,357** to finance both recurrent and development expenditures. Of this allocation, **Kshs. 1,364,385,271** and **Kshs. 217,619,086** was for recurrent and development expenditure respectively. The allocations for the FY2021/22 budget estimates is **Ksh. 2,031,628,666** comprises personal emoluments of **Ksh. 1,219,500,000** Operation & maintenance of **Ksh. 567,720,903** and development **Ksh. 244,407,763** 

#### Key Achievements and Successes

- 246 community health units across the County are operational with an active force of 2,460 community health volunteers.
- Immunization coverage in the County for children between twelve and eighteen months is 69% which is above national average of 68%

- Bomet County has mounted a response with support of its partners and the National Government in combating communicable diseases such as HIV/AIDS. HIV prevalence (overall) is 1.9%
- Elaborate contingency plan following the advent of COVID-19 cases in the County, geared towards minimizing the spread of the disease is in place. The contingency plan entails stakeholder engagement and sensitization, training of frontline staff, active surveillance and laboratory testing, case management, infection prevention and control, health education, disinfection of contact surfaces, enforcement of compliance, psychosocial support as well as risk communication.
- COVID-19 vaccination for health care workers, security personnel, teachers and people with underlying conditions is ongoing
- The department has supplied medical products, vaccines and technologies to all the county health facilities
- The Ministry of Health collaborated with the County Department of Health in establishing a chemotherapy/oncology unit at Longisa County Referral Hospital
- Expansion on the range of services offered by the department include oncology, ophthalmic, critical care, renal, surgical and radiological services
- The department has procured two more ambulances in addition to the two acquired in the previous financial year to improve effectiveness and response to emergencies
- The county has completed the new dispensaries in Tirgaga, Chebole, Chongenwo, Olng'oswet, as a contribution to the national Universal Health Coverage programme
- Due to the COVID-19 pandemic, Koiwa Health Centre was revamped and designated as an isolation centre with more than 200 beds for infected patients
- Health care workers were trained on the COVID-19 infection to be able to handle the epidemic safely
- Longisa County Referral Hospital was reserved for the seriously ill COVID-19 patients and staff, equipment and medical commodities deployed to the facility
- The department continued to implement The Transforming Health Systems Universal Healthcare Project which is a five-year World Bank funded project aiming to improve the quality and utilization of Primary Healthcare (PHC) in counties with a focus on reproductive, maternal, new-born, child, and adolescent health (RMNCAH) services
- Similarly, the department has partnered with the Nutrition International to deliver joint activities on maternal child health and nutrition in order to reduce the stunting rate in the County currently rated at 36% against the 26% of the national rate (KDHS 2014)

• Development and launching of County nutrition action plan, a guide in the intervention of malnutrition components, focuses on three thematic areas: the nutrition specific, nutrition sensitive and enabling environment to strengthen multi sectoral collaboration approach to improve nutrition

#### Challenges

- ✓ The advent COVID-19 pandemic affected a number of planned activities for the year under review as the available resources were redirected in intervention.
- ✓ Limited health information systems management
- ✓ Inadequate funds to complete infrastructural projects across the County
- ✓ Inadequate medical equipment for new and old health facilities
- ✓ Inconsistent supply of pharmaceutical and non-pharmaceutical commodities and technologies
- ✓ Shortages in human resources for health both in numbers and specialized skills
- ✓ Inadequate financial allocations to run programmes in the health sector
- ✓ Lack of stipend for community health volunteers

# VOTE: DEPARTMENT OF WATER, SANITATION AND ENVIRONMENT

#### Part A: Vision

Sustainable development and management of environment and natural resources.

### Part B: Mission

To develop, conserve, utilize, protect and sustainably manage water, environment and natural resources for improved livelihoods for the people of Bomet County.

### Part C: Performance Overview and Background for Programme Funding

### Service Delivery and Expenditure Trends

The Department of Water, Sanitation and Environment is mandated to provide policy direction and coordinate all matters related to water supply, irrigation and environment. The core functions of the department include planning and designs; water supply, irrigation and sanitation infrastructure development; water service provision, environmental management and protection. The department's total budget allocation was Kshs. 534,427,471 in the FY 2019/20 and the actual expenditure was Kshs. 372,115,650 which is Kshs 162,311,821 less than the allocated budget. Kshs 414,825,082 went to development and Kshs 119,597,389 to recurrent expenditure. A total of Kshs 252,379,231 went to water infrastructure development being one programme out of three programmes during the year and is equivalent to 65.6% absorption rate. A further Kshs 91,900,000 went to Bomet water company which was under recurrent vote head during the year 2019/2020. The allocations for FY2021/22 is **Ksh. 337,285,106** of which it comprises of Operation and Maintenance **Ksh. 122,800,000** and Development allocations **Ksh. 214,485,106** 

### Key Achievements and Successes

- **1.** Total of 170kilometres of pipelines were constructed enabling 15,000 households to access clean, safe water for domestic use.
- 2. Water harvesting and storage was enhanced by the construction of water pans (37 large water pans and 400 small water pans) and supply of 127 number plastic tanks of 5,000litres each and 10 with a capacity of 10,00litres each, thus enabling 1,108,000 cubic meters of water to be accessed by the residents.
- 3. A total of 84 water springs have been protected.
- 4. The following policies and designs have been developed
  - Water Policy
  - Water Master Plan
  - Detailed Design Report for Sotik Sewerage Plant
  - Climate Change Policy and Bill
  - Forest Management and Conservation Policy and Bill
  - Riparian Protection Policy
  - Environmental Conservation Management Policy

## 1. Environmental protection

- 2,000 lowland and highland bamboo seedlings were supplied and planted.
- 6,250 assorted tree seedlings were supplied and planted.
- Construction of a County tree nursery is almost complete in Silibwet Ward, which is expected to produce 200,000 assorted seedlings annually.
- Certified seeds from Kenya Forestry Research Institute (KEFRI) procured and delivered to be propagated at the County Tree Nursery
- Installation of 39 litterbins at Sotik, Ndanai, Kaplong, Mogogosiek, Chebunyo and Mulot towns was implemented to improve solid waste collection.
- Rehabilitation of Kipsegon gully was done as part of soil and water conservation. A total of six check-dams and gabion boxes were constructed

## Challenges

The Department faced challenges during the period under review which included delayed release of exchequer funds leading to pending bills and delay in project implementation; land use conflicts and unavailability of land on which public projects are to be implemented and delays in land succession procedures for private land to be acquired for public water projects. Nevertheless, the Department will prioritize its activities and projects to ensure they are accommodated within the budget provision.

### Service Delivery/Output Priorities for the Forthcoming Period

Major services /outputs to be provided by the department in the 2021/2022 - 2023/2024 period will be the completion of 15 on-water supply projects at various stages of implementation, water harvesting and storage, protection of springs, drilling of boreholes and extension of pipelines to increase the acreage under irrigation. It will also undertake a feasibility study and design for proposed Longisa/Mulot waste water treatment project as well as implement the Sotik sewerage project which has been designed.

Under environment and natural resources protection, the department will implement soil and water conservation activities, riparian land protection, agro forestry, solid waste management and address the vagaries of climate change in the medium-term period.

#### VOTE/DEPARTMENT: EDUCATION AND VOCATIONAL TRAINING

#### Part A: Vision

To become the leading provider of quality, equitable, empowering and ethical educational services and training

#### Part B: Mission

Nurturing every learner's potential and skills within the county

#### Part C: Performance Overview and Background for Programme Funding

The Department of Education and Vocational Training is mandated to provide policy direction and coordinate all matters related to education. The core functions of the department include development of policy and planning, development and management of early childhood development and education and technical vocational educational and training

In the FY 2019/2020 total approved budget was Ksh. 274,419,988.00 while the current budget for 2020/2021 FY is Ksh. 294,270,144. The total allocations for the FY 2021/22 **is Ksh. 305,866,704**, being allocated **Ksh. 132,356,250** operations & maintenance and development of **Ksh. 173,510,454**.

#### **Achievements and Successes**

The key achievements and successes of the department include supervision and capacity building of 2,119 ECD Assistants and also sensitization on the Competency Based Curriculum (CBC) for preschool education. This has resulted in the increased enrolment of children from 43,123 in 2013 to 53,144 in 2020 in public ECD centers, while in the private ECDE centres the number increased from 4,200 to 13,776. The department has constructed 169 ECDE classrooms since FY 2017/2018. Currently, the department is undertaking the completion of ongoing ECD centers programme. The department also provided textbooks and curriculum designs to 996 ECD centres. It also provided furniture to 70 new ECD centres. The department also supported secondary schools to construct toilets and classrooms using ancillary support budget as emergency service and paid bursaries for 7,598 needy students across in the 25 wards. Under revolving fund programme, the department paid Ksh. 30,000,000 to 2,783 college and university students in 2018/2019 FY. The department has also improved infrastructural facilities in all vocational training centers. In the Financial Year 2019/2020, the department has disbursed Ksh. 57,875,000 as National Government Capitation to VTCs and Kshs5,925,000 cash transfers to VTCs for completion of ongoing projects in VTCs.

## Challenges

The department, however, faced a number of challenges which included delays in disbursement of funds due to long procurement processes, delays in the acquisition of ECD lands thus hampering timely implementation of construction works. Delay in inspection of the incomplete projects to ascertain the remaining works for completion due to inadequate works officers is also another challenge. Unforeseen adverse weather conditions hampered timely completion of ECDE classrooms

Transport challenges were experienced, preventing effective monitoring and evaluation of ongoing infrastructural projects both in ECD and VTC sub-sector. Payment of pending bills also distorted the planned budget.

### Service delivery/Output Priorities for the forthcoming Period

- i. Continued provision of quality education
- ii. Improve educational infrastructure
- iii. Provision of modern equipment, tools and learning materials
- iv. Continuous monitoring and evaluation for improved service delivery
- v. Promote lifelong learning opportunities
- vi. Safe drinking water in learning institution
- vii. Increase government subsidy to enhance learners' retention and progression
- viii. Increased allocation for bursary and other support services to enhance transition and retention in learning institutions
- ix. Establishment of ECD feeding programme

### Key achievements and successes

- Creation of new department of Cooperatives and Enterprise Development which was hived from the department of agriculture, livestock and cooperatives
- Implementation of Enterprise Development Fund is on progress with all the documentations ready
- Developed strategic objectives of the newly created department.
- Developed strategic plans for five flagship projects- Chebunyo Dairy Processing plant, Youth Farmers Pack house, Ndarawetta Irish Potato plant and Lelaitich sweet potato processing plant.
- Made great strides in actualization of the flagship projects of Chebunyo Dairy milk processing plant, youth farmers pack house, Lelaitich sweet potato processing plants which are ready nearly completed.

#### Challenges

- a. Inadequate budgetary allocations
- b. Delay in disbursement of funds
- c. Inadequate market access for agricultural produce
- d. Lack of office space and equipment especially in ward and sub county level thus affecting service delivery
- e. Inadequate policy framework which delayed implementation of the projects, especially marketing
- f. Low production and productivity across all sub-sectors in the County
- g. Inadequate access to affordable credit facilities, extension services and inputs
- h. Low levels of processing and value addition abilities
- i. Inadequate access to market information and markets
- j. Governance and leadership in Cooperative societies
- k. Climate change leading to inconsistency in milk supply to cooling plants
- l. Lack of post-harvest handling facilities available for perishable commodities
- m. Effects of Covid 19 pandemic which has affected most sectors of the economy
- n. Inadequate facilitation which includes vehicles (due to repairs and maintenance issues)

thus affecting services delivery due to limited mobility of staff
