FOREWORD

The County Annual Development Plan (CADP) for the FY 2023/2024 was prepared in accordance with Article 220(2) of the Constitution of Kenya and section 126 of the Public Finance Management Act, 2012. It contains priority development programmes and projects that have been identified for implementation during the FY 2023/2024 aimed at providing solutions to the development challenges facing the County in order to achieve its medium-term vision of "A wealthy County with healthy and secure people for shared prosperity."

The process of developing this plan was consultative, all-inclusive, and participatory and has been aligned to the National Governments Bottom Up Economic Transformation Agenda, Medium Term Plan IV of the Kenya's Vision 2030, Nyeri County Integrated Development Plan (2023-2027), respective Sectoral and Strategic Plans as well as Sustainable Development Goals (SDGs). In this regard, the ADP has identified county development objectives in all sectors and proposed programmes which are designed to meet the respective sectors development objectives.

Through review of the performance of the previous year, this plan provides a critical analysis of the gains that needs to be consolidated and how the challenges experienced will be addressed in subsequent plans. This plan has been prepared during transition to a new administration after a general election and will therefore be aligned to the aspiration of the new government.

This document will guide the Medium-Term Expenditure Framework budgeting process for the financial year 2023/2024 which will include the preparation of the County Fiscal Strategy Paper, 2023 and ultimately the budget estimates for the FY 2023-2024. It is imperative to note that the county government's resource basket has remained inadequate to finance all the projects and programmes proposed in the ADP. Therefore, to bridge the funding gaps so as to achieve the development aspirations of the people of Nyeri, there is need to identify and approach development partners and other stakeholders. We are also called upon to use the limited resources prudently for maximum benefits to our people.

The Annual Development Plan provides stakeholders with important information on projects and programmes to be implemented which is necessary to carry out participatory monitoring and evaluation. The proposed projects are meant to address the felt needs towards sustainable development. As a government, we value the feedback obtained through participatory monitoring of projects and programmes and this will be used to make evidence-based decisions at both the County and National level. The resources available for development will be applied in the most prudent way so as to achieve value for money.

1 -

Robert Thuo Mwangi, County Executive Committee Member, FINANCE AND ECONOMIC PLANNING.

ACKNOWLEDGEMENT

The Annual Development Plan has been developed through a consultative process involving the county leadership and other stakeholders. This Plan has been prepared following general elections held on August, 2022. It is the first ADP to actualize the third generation CIDP and it enlists the proposed projects and programmes to be undertaken in the FY 2023-2024.

Article 201(a) of the Constitution of Kenya, section 125(2) of the PFM Act, 2012 and section 87 of the County Governments Act, 2012 calls for public participation on all matters affecting the public. It was for this reason that the preparation of this County Annual Development Plan was done through a participatory approach where professionals, technical officers and the public were involved. The collaborative approach provides the required collaboration to guide the development agenda of the County.

I wish to sincerely acknowledge H.E. Gov. Mutahi Kahiga for his continued political leadership and support in developing this Annual Development Plan. Special recognition goes to the County Executive Committee Member for Finance and Economic Planning, Mr. Robert Thuo, under whose direction, support and guidance enabled the County Treasury to successfully accomplish the exercise.

A lot of valuable and credible information, in this document, was obtained from the County Government departments and entities and we are grateful for their inputs and support. Special thanks go to all the County Executive Committee Members, the County Secretary, all the Chief Officers/Accounting Officers, County Directors and other County Officials who dedicated their valued time to ensure the successful completion of this important policy document.

I wish to register my appreciation to all those who have been working relentlessly in collating and analyzing the data and information provided by the technical departments. In particular, I would wish to thank the Director of Economic Planning and his entire team for working tirelessly round the clock to finalize the plan within the requisite timelines.

For the members of the public who participated in the process, their efforts were not in vain as they have greatly enriched the policy direction in planning of resource allocation over the medium term. Through this process the citizens are more aware of their community needs and how government responds to them.

Finally, the achievement of the set objectives in this plan, requires greater transparency, effectiveness and efficiency in public financial management in order to ensure maximum benefits from the limited resources.

F.A Stephen M. Mwai Ag. CHIEF OFFICER - ECONOMIC PLANNING, BUDGETING, M&E

CONCEPTS AND TERMINOLOGIES

Programme: A grouping of similar projects and/or services performed by a Ministry or Department to achieve a specific objective; The Programmes must be mapped to strategic objectives.

Project: A project is a set of coordinated activities implemented to meet specific objectives within defined time, cost and performance parameters. Projects aimed at achieving a common goal form a programme.

Green Economy: The green economy is defined as an economy that aims at reducing environmental risks and ecological scarcities, and that aims for sustainable development without degrading the environment.

Indicators: An indicator is a measure that can be used to monitor or evaluate an intervention. Indicators can be quantitative (derived from measurements associated with the intervention) or qualitative (entailing verbal feedback from beneficiaries).

Outcomes: The medium-term results for specific beneficiaries which are the consequence of achieving specific outputs. Outcomes should relate clearly to an institution's strategic goals and objectives as set out in its plans. Outcomes are "what we wish to achieve". Outcomes are often further categorized into immediate/direct outcomes and intermediate outcomes.

Outputs: These are the final products, goods or services produced for delivery. Outputs may be defined as "what we produce or deliver".

Performance indicator: A measurement that evaluate the success of an organization or of a particular activity (such as projects, programs, products and other initiatives) in which it engages.

Outcome Indicators: Outcome indicators measure the quantity and quality of the results (change) achieved through the provision of services. An outcome indicator answers the question: "How will we know success when we see it?" Examples: Percentage decrease in child mortality; Increase in productivity for small farmers; Literacy rates in a given primary grade; etc.

Flagship/Transformative Projects: These are projects with high impact in terms of employment creation, increasing county competitiveness, revenue generation etc. They may be derived from Kenya Vision 2030 or County Transformative Agenda.

Capital Projects: Can be defined as a group of related activities that are implemented to achieve a specific output and to address certain public needs. Projects should therefore be based on a comprehensive needs assessment and must have a time frame for completion and realization of the desired results. Capital projects shall be all activities meeting the above definition with a cost of at least Kshs. 5 million (*Treasury Circular No. 14/2016 dated July 13, 2016*).

LEGAL BASIS FOR THE COUNTY ANNUAL DEVELOPMENT PLAN (ADP)

126. (1) Every county government shall prepare a development plan in accordance with Article 220(2) of the Constitution, that includes—

(a) Strategic priorities for the medium term that reflect the county government's priorities and plans;

(b) A description of how the county government is responding to changes in the financial and economic environment;

(c) Programmes to be delivered with details for each programme of-

(i) The strategic priorities to which the programme will contribute;

(ii) The services or goods to be provided;

(iii) Measurable indicators of performance where feasible; and

(iv) The budget allocated to the programme;

(d) Payments to be made on behalf of the county government, including details of any grants, benefits and subsidies that are to be paid;

(e) A description of significant capital developments;

(f) a detailed description of proposals with respect to the development of physical, intellectual, human and other resources of the county, including measurable indicators where those are feasible;

(g) A summary budget in the format required by regulations; and

(h) Such other matter as may be required by the Constitution or this Act.

(2) The County Executive Committee Member responsible for planning shall prepare the development plan in accordance with the format prescribed by regulations.

(3) The County Executive Committee Member responsible for planning shall, not later than the 1st September in each year, submit the development plan to the county assembly for its approval, and send a copy to the Commission on Revenue Allocation and the National Treasury.

(4) The County Executive Committee Member responsible for planning shall publish and publicise the annual development plan within seven days after its submission to the county assembly.

EXECUTIVE SUMMARY

The County Annual Development Plan (CADP) for the financial year 2023/2024 provides the basis for and marks the first year of the implementation of the third generation CIDP (2023-2027). It provides a road- map for execution of County projects, programmes and initiatives for each department/entity and thus, guides resource allocation to priority projects and programmes as identified in the CIDP for the period 2023-2027

Chapter one provides an overview of the county, its location, and highlights of the various administrative and political units. The chapter further provides an analysis of important demographic, ecological and socio-economic factors that have a bearing on the county's growth and development. It also presents the linkage with the CIDP III and finally highlights the preparation process of the Annual Development Plan.

The second chapter provides a review of the implementation status of ADP 2021/22 in terms of what was planned and what was achieved by departments/entities. The section indicates the overall budget in the Annual Development Plan (ADP) versus the actual allocation and expenditures as per department/entity during the financial year 2021/2022. It also provides an analysis of the capital and non-capital projects, payment of grants, benefits and subsidies. The chapter also provides challenges experienced during the implementation of 2021/2022 ADP, lessons learnt and recommendations on how to address the challenges.

Chapter three provides a summary of what is being planned by the county which includes key broad strategic priorities of projects, programmes, performance indicators and mainstreaming of crosscutting issues such as climate change; environmental degradation; Disaster Risk Management (DRM) HIV/AIDs; Gender, Youth and Persons with Disability (PWD) and Ending Drought Emergencies (EDE). It also indicates the overall resource requirement in the Annual Development Plan.

Chapter four presents a summary of the proposed budget by programme per sector and sub- sector. It also provides a description of how the county responds to financial and economic environment. It covers the possible risks, assumptions and mitigation measures.

Chapter five provides an overview of the County's Monitoring and Evaluation framework. Monitoring and Evaluation forms part of a results culture in the public service that is meant to provide value and services for all citizenry. In the planning and implementation of development efforts, Monitoring and Evaluation ensures that intended targets are achieved, remedies are taken when projects are offtrack, and that lessons learnt are used to promote efficiency and effectiveness.

The plan also provides a list of the ongoing and the proposed projects and programmes in annex I and II. This provides a snapshot of the activities being undertaken during the current financial year and what will be implemented during the coming financial year 2023/2024.

In conclusion, the successful implementation of the County Annual Development Plan 2023/2024 will majorly depend on timely disbursement of funds from the National Treasury, contribution of development partners and the performance of the County's own source revenue. The requisite legislation and reforms must be undertaken so that the sector programmes, projects and other activities are implemented within the specified timelines.

CHAPTER ONE

INTRODUCTION

1.1 Introduction

This chapter gives a summary of the socio-economic and infrastructural information that has a bearing on the development of the County. It describes the County in terms of the location; size; demographic profiles; administrative and political units. It also presents the linkage with the CIDP 2023 -2027 and finally highlights the preparation process of the Annual Development Plan.

1.1.1 Overview of the County

Nyeri County is one of the 47 counties of the Republic of Kenya as provided for under the first schedule of the Constitution of Kenya, 2010. The County lies between Mount Kenya and the Aberdare ranges with Nyeri town as its headquarters. Nyeri County is divided into 8 sub-counties and 30 wards. The sub-counties include; Tetu, Kieni East, Kieni West, Mathira East, Mathira West, Mukurweini, Othaya and Nyeri Central. According to the KNBS population and housing census report, 2019 Nyeri County has 9 urban/market centres with a population of more than 2000 residents, they include; Nyeri, Karatina, Othaya, Mukurweini, Chaka, Kiganjo, Mweiga, Endarasha and Naromoru.

Majority of the people living in Nyeri County are from the Kikuyu Community. However, the county hosts other Kenyan communities though in small numbers. Farming is the most predominant economic activity in the county. The most common cash crops in the region are coffee, tea, macadamia and avocados while major food crops include maize, beans, assorted vegetables and sweet potatoes. The County is also renowned for horticultural farming. Other agricultural activities which act as a source of income include dairy farming and fish keeping. There are also a number of light industries, tea and coffee factories providing a market and employment to the residents. The presence of the Aberdare ranges and Mt. Kenya as well as the rich cultural and historical heritage make Nyeri a major tourist destination.

1.1.2 Location and Size of the County

The county is located in the central Kenyan region along the equator between longitudes 36°38" east and 37°2°" east and latitude 0° 38° south. It covers an area of 3,325Km² and borders Laikipia County to the north, Kirinyaga County to the east, Murang'a County to the south, Nyandarua County to the west and Meru County to the northeast as depicted in the map in **Figure 1**. below.

Figure 1:Location of the County in Kenya

is not not an authority

1.1.3 Demographic Information

According to the KNBS Kenya population and housing census, 2019 report Nyeri County is home to 759,164 people out of which 374,288 are male, 384,845 are female and 31 are intersex. The population is distributed across 248,050 households with an average household size of 3. The county has a population density of 228 people per square kilometres. In regards to distribution of the population across rural and urban centres, 80.14% of the people reside in rural areas, while 19.86% of the people live within the county's urban areas.

Additionally, approximately 23.97% of the county's population is within the youthful age bracket (15-29 years) while 50.23% is within the reproductive age bracket (15-49 years). The county also enjoys a huge labour force with about 62.98% of its population being within the working age bracket of between 15 and 65 years. Further, the population of children under five years accounts for about 10% of the population while those within the preschool age bracket of between 3 and 5 years of age make up 6% of the County's population. On the other hand, individuals within the primary school and secondary school age brackets (6-13 years and 13-19 years respectively) are about 29.84% of the County's population. This demographic profile calls for concerted efforts between the different levels of government towards improvement of educational and health facilities and creation of more employment opportunities.

1.1.4 Ecological and Climatic Conditions

The county has four major agro-ecological zones these include; the tropical alpine zone, the upper highlands, lower highlands and upper midlands. The tropical alpine zone is mainly located at the peak of the two major mountains in the county, Mount Kenya and the Aberdare Ranges. The upper highlands on the other side are steep and heavily forested. This ecological zone is ideal for grazing and growth of pyrethrum, wheat and barley. The lower highlands and the upper midlands have the greatest agricultural potential due to the fertile soils. These zones also support dairy farming.

The county experiences equatorial rainfall due to its location within the highland zone of Kenya. The annual rainfall ranges between 1,200mm-1,600mm during the long rains and 500mm-1,500mm. The long rains occur from March to May while the short rains come in October to December with the highest precipitation levels being recorded in the month of April and the lowest in the months from June and September. Temperatures within the county range from 15°C to 18.2 °C. However, there have been occasional changes in the rainfall and temperature patterns, this calls for preventive, mitigative and adaptive measures to deal with the negative side effects of climate change

1.1.5 Administrative and Political Units

Sub County	Area (Km ²)	Divisions	Locations	Sub-locations
Mathira East	130.4	4	16	44
Mathira West	162.3	3	9	31
Kieni West	517.8	2	6	26
Kieni East	448.7	2	10	33
Tetu	216.5	2	8	35
Mukurwe-ini	179.1	4	15	32
Nyeri Town/Nyeri Central	167.6	3	8	26
Othaya/Nyeri South	169.2	4	14	29
MT. Kenya Forest*	611.4			
Aberdare Forest*	722.0			
TOTAL	3,325.0	24	86	256

Administratively, the county is divided into the units shown below in Table 1;

 Table 1:Area of the County by Administrative Sub-Counties

1.1.6 Socio-Economic Analysis

Roads and Energy

The County currently has 3,378.93 Km of classified roads with 479.75 Km of bitumen, 2,777.55 Km gravel and 121.63 Km earth surface. Nyeri County is traversed by one major highway; Thika-Nanyuki highway (A2 road) and B5 road with other several class C, D and E roads connecting through the centers within the County. Majority of the roads within the major urban areas are tarmacked and are of good condition while feeder roads within the rural areas are of gravel, murram and earth status. The major source of energy for lighting in the county is electricity while most households use firewood as a source of cooking energy.

Given that Nyeri is an agricultural county, there is need for continued improvement of the road networks to ensure access to markets for agricultural products. Furthermore, in a bid to conserve the environment it is important to introduce, among the households, alternative sources of cooking energy such as biogas.

Agricultural Activities

Nyeri County is largely an Agricultural Economy where agriculture provides a source of livelihood for majority of the population and contributes to approximately 41% of the Gross County Product. The County has an agricultural potential of 987.5 Km2 of arable land while 758.5 Km2 is non-arable. About half of the county total area is classified under Arid and Semi-Arid Lands (ASAL). The average farm holding size is 0.8 hectare for majority of the small holder farmers. Small holder farms are the most predominant despite the fact that there are medium and large-scale institutional farms, mainly in form of the ranches and conservancies, in the northern parts of the County in Kieni East and Kieni West Sub-Counties. The larger part of the available land is under food crop production, while the rest is used for cash crop farming, livestock rearing and farm forestry. The total area under food production is about 80,943 ha while approximately 18,521 ha are under cash crops.

Total area under irrigation in the County is estimated at 2,600 Ha and the total no. of households practicing irrigation is 10,400. The irrigation potential in the county is 20,620 Ha from 87 proposed irrigation schemes which would benefit 80,600 households. Currently, there are only 22 complete irrigation schemes in the County.

The main livestock enterprise found in the County includes dairy farming, poultry and piggery. Other livestock reared in the County includes goats, sheep and donkeys. The land carrying capacity (Livestock per hectare) is five. Bee keeping and other small stocks such as rabbits; guinea pigs are also on the increase. Aquaculture farming has also picked up well and the department has been

assisting farmers in desilting their ponds, lining and restocking them and stocking of public dams with fingerlings to enable them diversify their economic base.

The County Government in an endeavor to improve the economic status of the people of Nyeri has also undertaken several projects to capacity build individual farmers, farmer groups and their organizations. Some of these projects include improvement of livestock breeds through provision of Artificial Insemination services, provision of certified seeds, milk coolers amongst others. To address environmental concerns, the department of Agriculture has also given out avocado and macadamia seedlings to farmers to enhance tree coverage in the County as well as help them enhance their income. To improve agricultural productivity, the County Government has been providing lime and manure to farmers.

Tourism Development

The strategic position of Nyeri between two major tourist attraction sites, the Aberdares and Mt Kenya, makes it an ideal tourist destination. These two ecosystems have rich historical heritage and diversity in Flora and Fauna. In addition, Nyeri has a rich cultural and historical heritage. There are over 30 mapped and documented heritage sites within the county which include historical sites, religious sites, Mau Mau sites, caves, falls such as Paxtu cottage at the Outspan Hotel, Baden Powell graves and Historical Gardens, Kimathi Trench at Kahiga ini, Mau Mau caves in Narumoru, Italian War Memorial Church, Ndomboche Mau Mau Caves, The African Native Court, Kiandu Mass Grave, Kariba Caves, Kangubiri Detention Camp, Blessed Sister Irene Stefani, Treetops Lodge, The Ark Lodge, Dedan Kimathi Tree Post Office among other attractions in addition to the rich kikuyu culture. Some of these sites are protected by law as they are gazetted under the National Museums Heritage Act 2006.

The county has a total of 11 star- rated establishments namely: Three 4-star- White Rhino Hotel, Aberdares Country Club and Fairmont Mt. Kenya Safari Club; Five 3-star- Green Hills Hotel, Outspan Hotel, Serena Mt. Lodge, Giraffe Ark Camp Lodge and West Wood Hotel; Two 2-star -The Ark Lodge and Ibis Hotel Nyeri; One 1-star- Ibis 2000 Hotel. There are also many other unclassified establishments (hotels, resorts, bars, restaurants and lodges).

Trade and Industry

A significant proportion of trade in Nyeri County is driven by privately owned agriculturally based Micro, small and medium enterprises (MSMEs). Nyeri has various markets ranging from open airmarkets, closed markets, roadside markets and periodic markets. The County has a total of 56 fresh produce markets spread across all the wards as well as clothes and livestock markets. Karatina Market, the biggest open-air market in East and Central Africa, is located in Nyeri County. Other major markets include the newly constructed Chaka Market, Othaya Market, Kiahungu Market, Kamukunji Clothes market and Pakoni clothes market.

Most of the industries in Nyeri County are privately owned. The major industries in the County are flour milling, soft drink processing, tea and coffee processing and milk processing. However, the County is yet to maximize on its industrial potential and thus there is need for more investment in this sector.

Health Facilities

Health facilities in the County includes: 1 County Referral Hospital (Level V); 4 Sub County Hospitals (Level IV); 31 Health Centers (Level III); 90 Dispensaries (Level II); 251Community Units (Level I). There is also a Beyond Zero mobile clinic and a Hospice for care of the terminally ill. The County

also hosts 4 Private Level IV Hospitals; 1 Nursing Home; 3 Faith Based Organization Hospitals; 16 FBO Health Centre's and dispensaries; 224 private clinics. In addition, the County hosts the Kenyatta National Hospital Annex at Othaya which handles referral cases from the central region.

1.2 Annual Development Plan Linkage with CIDP 2023-2027

The CIDP 2023-2027 is based on the following broad strategic objectives.

- Improve productivity in agriculture and overall food and nutrition security.
- Promote shared economic growth and job creation.
- Enhance good governance and active citizenry.
- Enhance basic infrastructure for effective service delivery.
- Promote climate action, environmental protection, and sustainable use of natural resources.
- Improve financial sustainability and resilience.
- Provide accessible, affordable, and quality health care services.
- Scale up institutional development, transformation, and innovation.
- Promote access to quality and affordable housing.
- Enhance the use of information and communications technology (ICT) and other innovations.

1.3 Preparation Process of the Annual Development Plan – 2023/2024

The Nyeri County Annual Development Plan (ADP) 2023/2024 was developed in an all-inclusive and consultative process where all county departments and units prepared their respective sections in line with the CIDP (2023-2027) and then consolidated as one document. The ADP contains the strategic priority development programmes/projects that will be implemented during the financial year 2023/2024.

Further, the 2023/2024 ADP has identified county development objectives in all departments and proposed programmes which are intended to meet the County development agenda. However, it is good to note that the priority programmes identified and included in the 2023/2024 ADP are also geared towards the realization of the County's Vision of "A wealthy County with healthy and secure people for shared prosperity."

CHAPTER TWO

REVIEW OF THE IMPLEMENTATION OF THE PREVIOUS ADP

2.1 Introduction

This chapter provides a summary of what was planned and what was achieved by the departments in the implementation of the Annual Development Plan for the FY 2021-2022. It also indicates the overall budget in the ADP versus the actual allocation and expenditures by department.

2.2 Analysis of Allocated Budget Versus Actual Performance in FY 2021/2022

Analysis of the performance by departments and other county units indicates that all departments spent 95.36 percent of their recurrent budget. Office of the County Attorney spent the lowest at 79.88 percent while the Office of the County Secretary has the highest absorption at 99.49 percent as shown in Table 3 below

Head/Department	Allocated	Actual Performance	Deviation	Percentage
	Budget (Kshs)	(Kshs)	(Kshs)	performance
Office of the Governor and Deputy Governor	157,083,962	141,238,216	15,845,746	89.91
Office of the County Secretary	323,191,828	321,544,822	1,647,006	99.49
Finance and Economic Planning	1,006,751,850	887,542,445	119,209,405	88.16
Lands, Physical Planning, Housing and Urbanization	60,179,640	54,026,224	6,153,416	89.77
Health Services	2,615,080,164	2,561,439,978	53,640,186	97.95
Gender, Youth and Social Services	67,164,024	58,500,643	8,663,381	87.1
County Public Service and Solid Waste Management	113,185,107	107,705,028	5,480,079	95.16
Agriculture, Livestock and Fisheries	244,766,843	241,676,544	3,090,299	98.74
Trade, Culture, Tourism and Co-Operative Development	58,245,025	52,581,226	5,663,799	90.28
Education and Sports	441,445,927	417,034,834	24,411,093	94.47
Water, Irrigation, Environment & Climate Change	75,931,854	66,582,843	9,349,011	87.69
County Assembly	734,500,292	716,501,123	17,999,169	97.55
County Public service Board	43,548,187	43,256,732	291,455	99.33
Transport, Public Works, Infrastructure and Energy	115,155,887	111,803,529	3,352,358	97.09
Office of the county Attorney	41,233,480	32,937,881	8,295,599	79.88
TOTAL	6,097,464,070	5,814,372,068	283,092,002	95.36

Table 3: Performance of the Recurrent Budget in FY 2021/22

The analysis of the development outlay indicates that the County Public Service Board attained the highest absorption rate of development budget at 85.38 percent while the Office of the County Secretary had the least at 18.32 percent as shown in Table 4 below.

Table 4: Performance of the Development Budget in FY 2021/22

Head/Department	Allocated Budget	Actual	Deviation	Percentage
	(Kshs)	Performance	(Kshs)	performance
		(Kshs)		
Office of the County Secretary	24,500,000	4,488,125	20,011,875	18.32
Finance and Economic Planning	268,252,577	107,733,503	160,519,074	40.16
Lands, Physical Planning, Housing and Urbanization	347,077,991	216,167,008	130,910,983	62.28
Health Services	339,186,218	136,168,312	203,017,906	40.15
Gender, Youth and Social Services	67,850,000	35,942,065	31,907,935	52.97
County Public Service and Sanitation Management	69,000,000	45,046,606	23,953,394	65.28

Transport, Public Works, Infrastructure and Energy	702,725,159	497,537,204	205,187,955	70.80
TOTAL	2,635,804,411	1,403,365,763	1,232,438,648	53.24

2.3 Department's Achievements in The Previous Financial Year

2.3.1 Executive Office of the Governor and Deputy Governor

Strategic priority

To ensure smooth, efficient and effective delivery of services to the public

Key achievements

- Coordinated county affairs.
- Created intergovernmental liaison mechanism.
- Ensured effective and efficient service delivery.
- Enhanced information collection and dissemination.
- Ensured compliance to the constitutional and legal requirements.
- Ensured effective response to unforeseen happenings.
- Ensured seamless County administration activities.
- Developed policies and followed up on implementation.

Summary of Department Programmes

Programme Name: Management of County Affairs									
Objective: To ensu	Objective: To ensure smooth, efficient and effective delivery of services to the public.								
Outcome: Smooth,	efficient and effect	ive delivery of servi	ices to the put	olic for social	economic development				
Sub Programme									
	outputs	performance indicators	Targets	Targets					
Management of County Affairs	Public Engagement forums	No. of forums	310	318	The target was met. The relaxing of Covid-19 protocols and prevention measures allowed for more public engagement forums. H.E The Governor had numerous forums which brought to his attention the needs and aspirations of the citizens and at the same time brought about citizen ownership of government programmes and projects.				

2.3.2 Office of the County Secretary

The Mandate of the Office of County Secretary is to coordinate and facilitate the business of the County Government of Nyeri generally and to support the effective functioning of the Executive Committee specifically.

Strategic priorities

- To facilitate efficient and effective organization of Government business and communication of policies and other decisions of the Executive Committee
- To lead the public sector in delivering government's priorities in a responsive, timely, efficient and effective manner through creation of an enabled and robust Public Service.
- Establishment of effective administrative units for efficient service delivery;
- Operationalizing the County Performance Management System.
- Develop county legislation for alcohol control and drug abuse control policy.
- Establish civic education units and coordinate the civic education activities.
- Develop public participation policy
- Construction of sub county and ward offices.
- Facilitate public communication and access to information.

- To ensure safety of county assets and easy retrieval of information
- To coordinate the provision of responsive and effective services to the public
- To prevent and control alcohol, drugs and substance abuse
- To facilitate public participation as provided for in the Constitution of Kenya 2010
- To promote ethics and integrity in public service delivery.
- To ensure good working relationship between national and county government.
- ICT Infrastructure Development

Key achievements

- The Office has been effective in organizing and preparing the business of the Executive Committee, setting up management systems for these meetings and spearheading implementation of recommendations from the Executive meetings
- Office provides stewardship to the overall County performance and related county-wide governance systems.
- The Office has also continued to organize performance review workshops for the County Executives and the Chief Officers which has been helpful in terms of creating sound systems, policies and strategies for better governance and performance of the County
- Construction and equipping of Ward offices
- Public participation and Covid-19 sensitization forums in all Sub-counties
- Sub-county and Ward Administrators performance review meetings.
- capacitated its units by repairing grounded vehicles, which has gone a long way in improving service delivery, enforcement activities and routine operations both at the headquarters and Sub Counties.
- Facilitated the control, regulation and licensing of alcoholic drinks outlets to enhance revenue collection.
- improved ICT infrastructure by installing Local Area Network at Sub County Offices and constructing a perimeter fence around the Wide Area Network Tower at Nyeri Hill to secure it.

	Infrastructure	,		

2.3.3 Finance and Economic Planning

Strategic priorities

- To ensure efficiency and effectiveness in service delivery
- To ensure prudency in management of public funds
- To link economic planning to budget preparation and implementation

Key achievements

- Preparation and submission of the Finance Bill, 2021
- Preparation of the Annual Development Plan for the FY 2022/23.
- Preparation and submission of the County Budget Review and Outlook Paper, 2021.
- Preparation and submission of the County Fiscal Strategy Paper, 2022.
- Preparation and submission of the quarterly Budget Implementation and Financial Reports:
- Preparation and submission of financial statements for 2021/2022
- Preparation and submission of quarterly financial statements for the FY 2021/22
- The county treasury has also procured and customized two containers to increase office and storage space
- Installation of CCTV Cameras at cess collection points which will be configured with Nyeri pay for surveillance and report real-time activities in the field. This is expected to reduce corruption and loss of revenue.

Summary of Department Programmes

2.3.4 Lands, Physical Planning, Housing and Urbanization

Strategic priorities

- To provide spatial planning strategies for promoting sustainable rural and urban management and development.
- To promote and facilitate the development of decent housing in sustainable environments.
- To provide efficient land and property management for effective county land documentation and land taxation.

- To achieve timely delivery of planning decisions on private sector and community development initiatives.
- Enhance security of land tenure through land surveying and mapping.
- To improve existing physical and social infrastructure within the Municipality.

Key achievements

- Completion of the county spatial plan.
- Completion of the Nyeri town main transport terminus.
- Training Redeployment and training of traffic marshals.
- Completion of Naromoru and Mukurwe-ini Local Physical and Land Use Development Plans.
- Approval of Marua and Ihururu Local Physical and Land Use Development Plans.
- Planning and survey of Ngooru, Githakwa, Ruthagati and Hubuini villages.
- Picking of Ihwa village.
- Preparation of a Base Plans for Ihwa, Warazo, Mutonga, Mutathiini, Munungaiini, Ruthagati, Ngorano, Ngandu, Iruri and Muirungi village.
- Planning and Survey of Thunguma, Gakanga, Kiamwangi, Ihururu, Kiandere, Uaso- Nyiro, Chieni, Ngaini, Witima, Karundu, Kihome, Waraza, Njigari, Gikoe, and Githiru villages.

Management Achievements

- Cabinet paper done on replacement of staff for purpose of succession
- Redeployment of the staff to the Sub counties
- Conversion of single cab pickup to a 10-seater vans

2.3.5 Health Services

Strategic priorities

- To Strengthen administrative, general logistical and other support for efficient service delivery
- Strengthen health services towards piloting of Universal Health Coverage (UHC)
- Reduce incidence of preventable illnesses and mortality in Nyeri County
- Provide equitable clinical services emergency and referrals.

Key achievements

- Purchase of an Ambulance to enhance the department's emergency response
- Institutionalizing programs for patient safety and quality of care through trainings and practice. Strengthening the rollout of safecare quality model in hospitals
- Equipped Health Centres and dispensaries with assorted medical equipment i.e., 130 infrared thermometers, 75 BP machines, 13 MVA kits, 22 pulse oximeters from KEMSA among others.
- Strengthening operationalization of the ICU and HDU at the County referral hospital
- Operationalization of 3 new dispensaries i.e., Gatiko, Karogoto, Gaikuyu.
- Provided mothers delivering at health facilities with mama packs at health facilities across the county.
- Launched and implemented the covid-19 Emergency response project funded by European Union.
- With support from MOH implemented the Hypertension Care Closer Home Project.
- Continued Vitamin A supplementation of children across the county.
- Launched and implemented the Wheels of life project aimed at assisting pregnancy related emergencies during curfew hours with the aim of reducing the mortality rate of pregnant mothers and newborn.
- In collaboration with the department of gender, counselled 22 pregnant teenagers (From Kieni, Tetu, Wamagana). They were issued with mama packs and dignity packs
- Some key service delivery indicators (Fully Immunized Children Coverage 99%; 4th ANC Coverage 70%; Skilled Deliveries 99%; HIV patients on ARVs 99%; and HIV patients achieving viral suppression 97%. (KHIS 2020/2021)
- As of 28th March 2022, a total of 341,320 persons had received Covid-19 1st dose vaccination, while 273,731 persons are fully vaccinated across the County with 15,557 receiving booster Dose.
- 187,000 Community members were screened for diabetes and hypertension by CHVs. This by extension will play a key role in reversing the trend of non- communicable diseases and other ailments.
- 38,513 clients screened on Cervical Cancer
- Construction of Naromoru Level 4 Hospital
- Construction of Mt Kenya Hospital Isolation Ward.
- At the county referral hospital

- Renovated part of the Outpatient department and with support from partners renovated 2 wards.
- Renovated the oncology unit and received 5 chemo chairs from the national government
- Increased ICU beds by 100% and added 2 more renal units
- Distributed Wheelchairs to 189 clients through collaboration of the Nyeri County Governor, Tumaini Children's home management and the department of health services
- In collaboration with AMREF health Africa the department constructed hand washing facility in major towns and distributed waste pedal bins to hospitals.
- The department Constructed and rehabilitated over 50 health facilities across the county.
- Construction and installation of bulk 3 Oxygen plants at Karatina Hospital (ongoing) and Mt Kenya Hospital (complete) Mukurweini Hospital (Complete).
- The Department operationalized the 6 Intensive care Unit beds from the previous 3 making it 100% operational
- Construction of waste management plant at CRH.
- The department scaled up the number of skilled health professionals as part of the UHC health systems strengthening during the period under review, 472 Health care workers were recruited and deployed.
- Preparation and operationalization Nyeri County Health Services Fund Act, 2021
- Preparation and operationalization Nyeri County Health Services Fund Regulation, 2021
- Preparation and operationalization Nyeri County Emergency Medical Care Plan (2020/21-2024/25)
- Preparation and operationalization Nyeri County Nutrition Action Plan (2020/21-2024/25)
- Preparation and operationalization Nyeri County AIDS implementation Plan (2020/21-2024/25
- Preparation and operationalization Nyeri County Community Health Services Bill, 2021- Draft
- Preparation and operationalization Nyeri County Universal Health Coverage Sustainability Strategy
- Operationalization of amenity health services in the County health sector.
- Operationalization of a County Emergency Operations Centre (EOC) Unit that has been key in coordinating Covid-19 pandemic.
- 5 Hospitals boards were gazetted
- 124 primary health facilities Management Committees gazetted and inaugurated.

Summary of Department's Programmes

V	systems Planning and Su en health systems, gener	al logistical and other support for efficient service delivery	y		
	d effective health system				
Sub-Programme	Outcome	Key Performance indicators	Planned Targets	Achieved Target	Remarks
1.1 Health administration,	Efficient and effective health care system	Preparation of annual Signed Performance Contract	1	1	Done
Planning and general support services		Proportion of Health facilities providing immunization services-% reached	93	93	
		Malezi bora outreach in (Oct and May), Number	1	1	
		Active covid-19 case finding and teasting in 5 hospital,- No. of hospitals conducting	5	5	
		Proportion of Health facilities providing immunization services-% of immunizing facilities	127	127	
		Support supervision to hospitals and rural health facilities.(No. of support supervision visits)	3	3	Done
		Annual updating of the IHRIS-updates done	2	2	Done
		Employment of health care workers(Number employed)	178	0	
1.2 Quality	1	% of targeted Health facilities visited for DQAs	100	100	
assurance, monitoring and evaluation		staff career progression through promotion(promote 30% of the HCW)	30%	30%	Nurses promoted

		No of hospitals (GOK,Private & FBOs) with functional	11	11	
		Infection, prevention and Control Committees Proportion of Disease surveillance weekly report compiled and submitted by sub-counties -% of reporting	8	8	
		GBV Response to PEP senzitization to HCW-HCW	16	16	
		trained Number of IPC teams in 5 County hospitals;3 Private	11	11	
		and 3 FBOs Strengthened through mentorship(IPC meetings)			
		Number of quartely Focused HIV/AIDS integrated supervision in 7 health facilities	3	3	
Programme 2: Prevent	ive and Promotive Health	Feasibility studies done	1	1	Done
		esses and mortality in Nyeri County			
	ulation with increased lif	e span			-
2.1 Communicable	Reduced prevalence	Under 5Yrs fully Immunization	85%	92.5%	
Disease Prevention and Control	of Vaccine- Preventable diseases	Purchase fungicides, insecticides and sprays- Commodities purchased	1	1	
		Food and water quality controls- Quartely food and water sampling reports	1	1	
		Proportion of school going children dewormed in school twice per year Procurement of dewormers to Control intestinal worms in	100% 90%	100% 90%	
		children under 15 years Number of Intestinal dewormers procured	90%	90%	
	Increase TB Treatment	% of TB patients completing treatment regime	80%	80.1%	
	success rate	Increase number of WRA screened for cervical cancer	7900	8412	
		% of newly tested HIV patients put on treatment	90%	99%	
		% of HIV infected persons on ART with viral load suppression	90%	93%	
		% of service delivery points supplied with TB drugs	100%	100%	
		% increase of school going children dewormed	90%	77%	
2.2 Non-	Early detection and	Number condoms distributed	0.5M	1.2M	
communicable disease	treatment of NCDs	No. of people screened for hypertension at the community/Outreaches Celebration of World Health days (World Cancer,	74,000	74,999	
Prevention		World Diabetes, World mental health day.	1	'	
		Number of clients screened for cervical cancer and treated	2500	9000	Achieved and surpassed
		No. of people screened for diabetes at the community / Outreaches	74,000	74,999	
2.3 Reproductive	Reduced maternal	% of skilled deliveries conducted in our health facilities	90%	94.8%	
Health and Family planning Services	mortality	Number of RHF Incentivised through direct transfer to 21 health Centers accounts to support O&M based on	21	0	To THS funds not released
		total number of deliveries per facility Provide monthly Air time for facility phone for RMNCAH	12	12	Airtime
		defaulter tracing and follow-ups @ 500/ per month*12 Months* 130 facilities(Airtime procured)	12	12	procured
		Quarterly Maternal and neonatal mortality audit	4	4	1
		meetings at county level - Transport reimbursement for 35 officers each, (Audit meetings done)			
		Procure pedal bins for 25 immunizing sites and 25 martenity units.	50	50	
		Procure MNCH registers	1	1	
24 Community		% of pregnant women attending 4 ANC visit	60	53.3	
2.4 Community Health; Outreach	Improved community health outcomes	Number of Sub County RH Quarterly DQAs: conducted Purchase and commissioning 2 ideal ambulance	3	3	+
Services;		CHMT RH Quarterly DQAs conducted	2	2	
		Number of functional community units and making monthly reports to the CHEWs	251	251	
	Improved public	Procure engraving machine for branding of THS-UCP	1	0	Not done
	health	projecta and equipments. Quarterly 3 days visits by internal auditor and driver to	3	0	
		health facilities Quarterly Reproductive health (RH) Performance review	2	2	
0.5 Environment l		meeting	1000/	040/	+
2.5 Enviromental health and sanitation		Number of food premises inspected and certified safe Number of 5 days quartelry joint Health Inspections in	100%	96%	
services		Sumber of 5 days quartery joint Health Inspections in selected Rural Health Facilities including Private and FBOs 3 inspectors Conducted	4	4	
		Finalisation of community health bill—Bills passed to law	1	1	
		Develop IEC stardard messages materials for health	10	10	
		education- Messages materials developed			

		Conduct Quarterly community screening for blood sugar and blood pressure- Community Units conducting	251	251	
		screening exercises			
		Train HCW on PHDP package national guideline on GBV	1	1	
		rocure airtime for 16 officers to Scale up Partner	16	16	
		notification through tracing.ie HTS and HCWs			
		counsellors Number of officer provided with airtime Conduct Quarterly data review meetings (CHMT, HMT &	1	1	
		SCHMT):			
		Development of AWP 2021/2022.	1	1	
		Quarterly RMNCAH Targeted support supervision: 5	4	4	
		officers in 8 sub counties			
		Conduct Biannual complains and compliments committee audit visits in selected facilities 4 officers	1	1	
		Bi-Annual County performance Review (APRs) meeting by CHMT&SCHMT	1	1	
Programme 3: Curative	e and Rehabilitative Heal				
Objective: Provide equ	itable and accessible clir	nical services emergency and referrals.			
Outcome: Effective and	d efficient curative and re	habilitative health care services to the county citizens		1	
Sub-Programme	Outcome	Key Performance indicators	Planned Targets	Achieved Target	Remarks
3.1 Curative and	Improved response to	Provision of efficient and effective referal	2	2	
ehabilitative services	medical emergencies	service(Number of ambulance procured) Quarterly meeting of commodity security committee to	1	1	
		review rational distribution and accountability for	'	'	
		commodifies			
		Proportion of Hospitals with laboratory reagents,Medicines,Non pharms.	100%	100%	
		Availability of beddings and linen(beddings and linen procured)	5	5	
	Medicines and supplies for Hospitals	Procure medicines and techonolgies worth 322 million in FY 2020-2021	322	287.9	
3.2 Primary Health Services	Increased access to clinical services	% of Rural health care facility reporting stock outs of essential drugs and supplies	2%	2%	This metric fluctuates. Currently the facilities are fully stocked
		Construction of infrastructure for efficient medical service delivery ie Naromoru Hospital ,Isolation ward,Mukurweini Hospital) (Number of construction done)	3	3	
		Number of hospitals with refurbished infrastructure (CRH,Karatina Hsp) (Number of hospitals Refurbished.)	2	1	Done in Qtr 1,2,3
		Number of sanitation and water facilities provided in 2 RHFs	2	0	On progress
		Number of ward specific projects completed	12	0	Projects initiated and ongoing
		Number of Rural Health facilities refurbished and renovated	0	0	
		Number of Health centers with functional quality improvement and patient safety program	25	25	
		Proportion of RHF with laboratory reagents, Medicines,Non pharms.(Proprtion of RHF with medical supplies)	100%	100%	
	Medicines and supplies for Hospitals	Procure medicines and techonolgies worth 322 million in FY 2020-2021	322	287.9	
		Psychosocial support for Diabetes, cancers, mental health and HIV(meetings done)	3	3	

2.3.6 Gender, Youth, Sports and Social Services

Strategic priorities

- To ensure effective departmental administration, policy development and implementation
- To prevent loss of life and property through prompt response to disasters.
- To assist the vulnerable members of society to access health care.
- To build the capacity of the Special groups i.e., Youth, Women and Persons with Disabilities.

• To harness sports talent and improve sports infrastructure.

Key achievements

- Capacity Building for staff on HIV/AIDS, drug and substance abuse, gender-based violence, road safety and employee's wellness.
- Care and protection of the orphaned and vulnerable children in Karatina Children's Home
- Partnered with Almasi for a youth empowerment programme called Kuza kazi
- Provision of food and non-food items to support vulnerable persons in the County
- Disaster management in the county
- Support for disaster victims with building materials and food rations.
- Empowerment of special groups through provision of merchandise for business startup.
- Construction of Kariki social hall
- Renovation of Chinga community library
- Renovation works at Chinga community hall
- Construction of Mweiga ablution block
- Construction of water hydrants in Mathira East, Othaya and Kieni west sub counties
- Commencement of phase two of Ihururu rehabilitation centre.

Summary of Department Programmes

Programme Name	e: General Administrati	on and Policy Development	and Implementation						
Objective : To ens care for the vulne		ntal administration through p	policy development o	and implementation, prompt response to	disasters and				
Outcome: Efficient and effective service delivery									
Sub Programme	Key Outcomes/Outputs	Key performance indicators	Planned Targets	Achieved Targets	Remarks				
Service Delivery	Disaster response	Number of disasters reported, responded to	None	187	There are no targets set				
	100 % response to reported disaster incidences	No of disaster social responses	None	445	There are no targets set				
	Empowered youth	No of equipment purchased	None	6 tents,8 carwash machines,11 public address systems,4 incubators, 10 shaving machines,1 massage bed,4 barber chairs,3 hair dryers,6 blow dryers,1 barber seat and sink,7 water tanks,2 powesaws,1 spray pump,1 microwave,3 cameras,1 lawn mower,6161 plastic chairs	There are no targets set				
	Educated Children under the Countys Children home	Number of children in the home currently going to school	80	0					

2.3.7 County Public Service Management and Solid Waste Management

Strategic priorities

- Identification and filling of human resource gaps.
- Operationalizing the County Performance Management System.
- Provision of timely and efficient services to county citizens
- To ensure safety of county assets and easy retrieval of information
- Formulate policies and legislative tools for solid waste management
- Establish sustainable solid waste management infrastructure
- Provide efficient and effective solid waste management services
- Capacity building of solid waste management staff on infection prevention and control

• To coordinate the provision of responsive and effective solid waste management services to the public

Key achievements

- Provide and coordinate responsive and effective services to the public.
- Promote ethics and integrity in Public Service Delivery.
- Ensure good working relationship within the county public service.
- Formulation of Solid Waste Management Act 2020 that provides guidance on sustainable solid waste management.
- Enhanced efficiency in garbage collection by gradually shifting from the use of waste chambers and has so far provided 29 skips and 2 specialized collection trucks.
- Adherence to the NEMA regulations on waste management by obtaining licenses for disposal sites as well as garbage collection trucks.
- Managed to curb illegal activities mainly associated with dumpsites by constructing perimeter walls at Karindundu, Gikeu and Blue valley waste transfer station where reusable and recyclable waste is sorted to enhance waste recovery.
- Management of disposal sites by continuously murraming the roads to make them motorable and compacting the waste to prevent spreading of light garbage by wind.
- Established partnership to enhance composition of organic wastes for the production of compost and organic fertilizer.
- Capacity building of staff through trainings
- Coordination and Management of Staff insurance;
- Coordination and Management of Staff final benefits;
- Compliance with statutory obligations.
- County Payroll Management and Training of staff in the unit
- Training employees on Psychosocial Support (Stress Management),
- Management of the County Internship Programme where the Recruitment, induction, Placement, monitoring, and payment of monthly stipend to interns was undertaken;
- Management of Human Resource Record; and
- Integration and Activation of Employees Data.
- Dumpsite management and fencing of dumpsites and proposed waste transfer station to eliminate public health nuisances
- Construction of refuse chambers for solid waste management
- Collaboration and partnership with other stakeholders on key development issues

Summary of Department's Programmes

Programme Name: Ge	neral Administration, policy dev	elopment and implementation					
Objective: To coordinat	te, supervise and manage the pr	rovision of responsive and effective services to the	public.				
Outcome: Fully Operational County Performance Management System							
Sub Programme	Key Outcomes/ outputs	Key performance indicators	Planned Targets	Achieved Targets	Remarks		
Administration and planning services	Fully Operational County Performance Management System	No. of systems	1	1	Well Achieved

2.3.8 Agriculture, Livestock and Fisheries Development

Strategic priorities

- To diversify agricultural production for increased income and enhanced food security through the greening program, enhancement of extension services by staff motivation through promotions and provision of transport facilities in all the sub counties
- To improve soil health for improved agricultural production and productivity
- To mitigate against post-harvest losses through provision of milk coolers, storage facilities for horticultural produce, improvement of other cold supply facilities especially in fish value chain.
- To provide quality agricultural training services and facilities for enhancing agriculture development in the county and beyond by making Wambugu ATC a centre of excellence
- To offer mechanization services to the Agricultural Sector through upgrading Naromoru AMS
- To increase livestock production for increased income through capacity building of both staff and farmers.

- To improve on food and nutrition security by provision of certified seed and establishment of demonstration plots for training purposes
- To manage and control pests and diseases in animals and crops to safeguard human and animal health through disease surveillance, vaccinations, and pest control
- To raise the income from aquaculture through increased fish production and value addition.

Key achievements

- Packaging of climate change resilient technologies through the Kenya Climate Smart Agriculture Project (KCSAP) and funding groups under micro projects and sub projects.
- Enhancing mechanization services in the county by rehabilitating agricultural machineries and procurement of tractor and a trailer for the AMS Naromoru.
- Improvement of livestock breeds by procurement of improved indigenous poultry breeds, pigs and dairy goats.
- Enhanced food and nutrition security through implementation of various ward specific projects i.e., rehabilitation of Njatheini tea buying centre (Ruguru Ward), provision of coffee seedlings and goat manure (Kirimikuyu Ward), construction of a cooler housing and installation of milk pasteurizer for Kairuthi dairy (Iriaini Ward- Othaya), provison of 50 litres milk-can improved dairy sector (Mweiga ward), amongst others.
- Promotion of aquaculture by restocking of ponds with fingerlings and provision of fish feeds for fish farmers.
- Enhancing collaboration and partnerships with all stakeholders in the Agricultural Sector. These incudes world bank and SIDA funded projects that included Kenya Climate Smart Agriculture Project and Agriculture Sector Development Support Program.
- Capacity building on appropriate agricultural technologies, Innovations, Plant clinic and soil testing services.
- Promotion of high yielding breeds and breeding by provision of free artificial insemination services.
- Vaccination of animals against notifiable diseases and provision of acaricides to 22-Community cattle dip
- Maintenance and expansion of fruit tree nursery that has been established at Wambugu ATC to provide disease free seedlings.

•	te enabling environment for improved and efficient	service delivery			
Outcome: Improve	d food and nutrition security				
Sub Programme	Key Outcomes/ outputs	Key performance indicators	Planned Targets	Achieved Targets	Remarks
County	Improved food and nutrition security	% extension coverage	65%	65%	
Agriculture, Livestock and	Procurement of planting high value planting bean seed for farmers,	No. of Kgs procured,	20,000	18,000	
Fisheries	Procurement of Irish potato tubers for farmers,	No. of bags procured,	575	400	
extension	Procurement of tea seedlings,	No. of seedlings procured	10,000	10,000	
Program	Procurement of manure for farmers,	No. of tons procured	262	360.71	
(CALFEP)	Procurement of coffee seedlings,	No. of seedlings procured	7,500	17,500	
	Renovation of Rui Ruiru coffee factory	No. of Factories renovated	1	1	
SP 2 Crop develop	oment				•
Objective: To diver	rsify crop production for increased income and enh	anced food security.			
SP 2.1Enhancement of Crop	Actors adopting Good Agricultural Practices	No. of actors who have adopted Good Agricultural Practices	3,500	4,774	
development	Improved crop productivity	% Increase in production per unit area	20%	15%	This was due deficient rainfal

Summary of Department Programmes

	de quality agricultural training services and facilited agriculture development	les for enhancing agriconore de		e coonty and beyond.	
Farm Development and	Maintenance of fruit tree nursery (50,000)	No. of fruit seedlings maintained	50,000	30,420	
Training	Production of avocado seedlings	No. of seedlings procured	25,000	25,000	
	Technical training for farmers	No. of trainings conducted	550	656	Most of the activities halted due to COVID-19 Pandemic
Programme Name	Agriculture Mechanization Services Naromoru				
	mechanization services to the Agricultural Sector.				
Outcome: Enhanced	d use of modern agricultural machinery				
	Rehabilitation of Plant machinery and farm tractors	No. of machineries rehabilitated	3	2	
	: Livestock Production management				
	ase livestock production for increased income.				
Outcome: Increase					1 =
Provision of extension Services to Livestock farmers	Establishment of fodder	No. of acres established	10	0	Fodder not to be established as the land has an issue that needs to be sorted by the court.
	Completion of Kairuthi pasteurizer housing	No. of houses completed	1	0	Ward specific project. Work in progress at 80% complete
	Procurement of improved Kienyeji chicks	No. of Chicks procured	40,000	36,666	Delivery in progress Direct procurement from KALRO
	Procurement of feed mill	No. of feed mills procured	1	1	
	Procurement of dairy goats	No. of goats	50	41	
	Improved staff and farmer capacity	No. of trainings conducted	18	24	
	Veterinary Services				
	age and control pests and diseases in animals to so	ateguard human and animal hea	alth.		
	free livestock and human		24,000	24000	
Breeding, Disease Surveillance and	Procurement of Semen and liquid nitrogen Procurement of fuel for production for AI and Vaccinations	No. of straws procured No. of Litres procured	24,000 54,000	24,000 54,000	
Control	Procurement of vaccines and vaccination of animals for disease and vector control.	Number of vaccines procured	86,000	86,000	
	Fisheries development and Management				
	the income from aquaculture by 20% through inco	reased fish production and value	e addition.		
Provision of	d standards of living Stocking of ponds with monoeex fingerlings	Number of fingerlings	150,000	80,000	Delivery
extension Services to Fish farmers	Procurement of motorized boats	procured No. of boats procured	2	0	done Procurement process to b initiated
	Purchase and distribution of fish feeds for farmers	Number of bags of fish feeds procured and distributed to farmers	448 bags.	448 bags of fish feeds	

2.3.8 Trade, Tourism, Culture and Cooperative Development

Strategic priorities

- To develop and implement County Trade, Co-operative and Tourism Policy and legislations.
- To develop and promote retail and wholesale markets
- Development of micro and small businesses

- Fair trade practices and consumer protection
- Investment promotion and facilitation
- Carry out cooperative service, audit, education and training
- Promotion of Co-operative Business in the county
- Develop and promote sustainable tourism for increased economic growth.
- To develop and promote cultural heritage, performing and visual arts

Key achievements

Market Management

- Constructed and Improved Markets in the county, Kaheti Market stalls, Marua Market, Mudavadi Market, Kiawara Market, Kamakwa Market, Pakoni market toilet block, Soko Mjinga market, Ex-beer Hall Market Mihuti market and Mweru Market which will provide clean and friendly environment for business.
- In the expenditure period the department of trade has settled 1,272 traders. The Department continues to improve trading environment for traders in markets by providing better roofing, better floors, lighting and providing water.

Fair Trade practice /consumer protection

- The department has continued to promote Investment in the period of expenditure by Reviewing and printing the Nyeri county Investment profile.
- In pursuit for consumer protection through fair trade practices, the weights, and measures unit in the department of trade in the year of expenditure conducted spot checks inspection and verification of 14,116 weighing and measuring equipment within Nyeri County through visiting 188 trading centres and raised Kshs 3,100,000 in revenue.
- For efficiency in ensuring fair trade practices and consumer protection mandate is effective, the department acquired a specialized verification vehicle.

Enterprise Development

• Fully implemented Nyeri County Enterprise Development Fund Act which has unlocked affordable financing to small and medium business in Nyeri County. The Enterprise development fund has benefited 131 loanees in the period of expenditure.

Tourism and Culture

- The department rehabilitated the culture center/ Nyeri Heroes Park by constructing ablution blocks for persons leaving with disability, tile installation in the cinema hall, parking space leveled and murramed, water installation and tree planting around the compound.
- The Department trained 50 animators and Visual artist at Dedan Kimathi University
- The Department has also trained 150 Mountain climbers porters, cooks and guide in Modern Mountain climbing, guest management, Rescue and first Aid.
- The department installed the Field Marshall Dedan Kimathi Monument at Kahigaini Site to celebrate the Mau Mau hero.

Cooperative Development

• Through Co-operative development the department trained 600 co-operative leaders on financial management and good governance.

Administrative Achievement

• Operationalization of Weights and measure mobile verification unit.

2.3.9 Education and Sports

Strategic priorities

- To ensure effective departmental administration, policy development and implementation
- To provide quality ECDE through provision of conducive learning and care environment
- To equip Youth Polytechnic trainees with market driven skills and attitudes
- To assist financially needy students to pursue their studies

Key achievements

- Upgrading buildings of selected ECDE centers.
- Procured ECDE teaching & learning materials and junior seats.
- Recruitment and capacity building of ECDE caregivers and BOM members.
- Held capacity building workshop for 800 ECDE caregivers.
- Levelled one playground
- Acquired an internet server fit to handle huge data in Elimu fund sector.
- Procured sports equipment worth 19.5Million
- Facilitated KICOSCA games held in Embu County.
- Twenty-eight thousand students from vulnerable backgrounds benefit with the 160Million bursary fund.

Summary of Department's Programmes

Programme Name: General Administration and policy development and implementation									
Objective: To ensure	effective departmental administration, policy de	velopment and implementation

2.3.10 Water, Irrigation, Environment and Climate Change

Strategic priorities

- Extension of water management services
- Enhance Water conservation and storage
- Enhance ground water exploitation.
- Enhance Environmental conservation and management
- Mitigation and creation of resilience against the effects of Climate Change.
- Sustainable management of county forest resources and community sensitization in increasing forest cover in the county.

Key achievements

- Procurement and laying of Pipes and Fittings.
- Construction of water treatment works
- Drilling and equipping of boreholes
- Construction and procurement of storage tanks.
- Water pans excavations and construction of water treatment plants e.g Naromoru and Titie
- Conducting environmental audits for operational county projects and environmental impact assessments.
- Spatial data collection of all water works is ongoing to enhance water infrastructure mapping which will enhance resource mobilization and allocation
- The department has also held meetings with other partners like Upper tana (IFAD Project), National Irrigation Authority, IFAD Nairobi fund, TARDA, Tana water works Agency to request for project funding.
- Environmental awareness creation through celebration of environmental days

Collaboration and partnership with other stakeholders on key development issues

•		Policy Development and implementation			
Objective: To ensure	e effective departmental ad	ministration, policy development and implement	ation		
Outcome: Enhanced	l performance and service d	elivery			
Sub Programme	Key Outcomes/ outputs	Key performance indicators	Planned Targets	Achieved Targets	Remarks
Administrative Support Services	Enhanced performance and service delivery	Performance contract signed	1	1	
	Completion of Narumoro and Tittie treatment works	-No of treatment constructed	2	2	
Programme Name:	Water Resources Managem	ient			
Objective: To exten	d water management servic	es			
Outcome: Improved	l standards of living				
	Increased water distribution in Nyeri county	No of Km of pipeline constructed, No of additional water consumers realized.	39	18.5	Contracts were a warded to contractors and suppliers but due to increase of prices of pipes and fittings about 40% were unable to carry out the works.
	Increased water storage facilities in the county	No of tanks constructed/ Rehabilitated or procured. -Amount of water stored for use during the peak demand period.	4	2	Works was a warded but contractors failed to deliver the works.
		No of tanks procured and Amount of water stored at house hold level	140	140	
		-No of Intake completed	4	2	Contractors did not respond on 2 No intakes due to high cost of materials.
	Increase water abstraction and increase water resource	No of boreholes drilled or equipped with renewable energy sources (No of boreholes operational	16	9	Increase in cost of materials after the works awarded affected the rate of works undertaken
Programme Name:	Environment and Natural I	Resources Management and Protection	·	•	
Objective: To enhar	nce environmental conservati	on, protection and management			
Outcome: Sustainab	ole environmental manageme	ent			
Environmental compliance	Increased project compliance to environmental standards	No of audits and EIAs done	6	5	
Environmental awareness	Training of CFA'S and other stakeholders on environment and forest protections	No of CFA'S trained and Management development plan prepared. community sanitizations meeting held	4	4	
	Increased community environmental awareness	No. of environmental days celebrated	2 events	2 events	World Environment day and World Desertification Day
	Increase area under tree cover to improve environment	No of tree seedlings procured, distributed and planted	16,000	16,000	
	Spring protection and development	-No of springs developed	2	1	Construction works for Rare Spring pending
Climate Change mitigation	Reduced wood fuel usage	No of energy saving Jikos issued in institutions	12	12	

f D J'c D c

2.3.11 County Public Service Board

Strategic priorities

• To establish and abolish offices in the county public service;

- Appoint persons to hold or act in offices of the county public service including in the Boards of cities and urban areas within the county and to confirm appointments;
- Exercise disciplinary control over, and remove, persons holding or acting in those offices as provided for under this Part;
- Prepare regular reports for submission to the county assembly on the execution of the functions of the Board;
- Promote in the county public service the values and principles referred to in Articles 10 and 232;
- Evaluate and report to the county assembly on the extent to which the values and principles referred to in Articles 10 and 232 are complied with in the county public service;
- Facilitate the development of coherent, integrated human resource planning and budgeting for personnel emoluments in counties;
- Advise the county government on human resource management and development;
- Advice county government on implementation and monitoring of the national performance management system in counties
- Make recommendations to Salaries and Remuneration Commission, on behalf of the county government, on the remuneration, pensions and gratuities for county public service employees.

Key achievements

- Review of the county staff establishment
- Implementation of the Voluntary Early Retirement Programme.
- Verification, confirmation of claims for staff who worked in the defunct local authorities
- Recruitment of essential workers during the COVID-19 pandemic.
- Strengthening the staff welfare through the adoption of various measures. This included but not limited to.
 - Addressing all pending staff issues within the shortest time possible.
 - Engaging the employee unions
 - Formulation of policies and guidelines addressing the staff welfare.
 - Holding consultative meetings with respective Unions with the objective of handling staff issues.
 - Promotion of eligible staff from the nursing cadre.
- Development of an E-Recruitment portal that will be involved in recruitments.
- Ensured declaration of Income, assets, and liabilities by all staff.
- Recruitment of the Fourth cohort interns
- Infrastructural development of the newly acquired Board Offices
- Constitution of Departmental Human Resource committees

Summary of Department's Programmes

Programme Name:	Coordination of County Functions and Public Service	Management			
Objective: To ensure	e effective departmental administration, policy deve	lopment and implementation			
Outcome: Enhanced	performance and service delivery				
Sub Programme	Key Outcomes/ outputs	Key performanceindicators	Planned Targets	Achiev ed Targets	Remarks
Administration and Personnel Services	Filling of the 200 slots for the fourt cohort internship programme	Recruitment of 200 interns	100%	100%	
	Filling of the declared gaps by the Departments	Recruitment of the right candidates	100%	100% 100%	
	Approve promotion as per the recommendations of CHRAC	No. of Approved promotions	100%	100%	
	Timely handling of disciplinary cases	Timeliness and number of cases handled in time	100%	100%	
	Approve the final list of applicants	Sustainable wage bill in line with PFM Act	100%	100%	
	Translate terms of contract staff who have served	Translated terms	100%	100%	

a complete contract			
Prompt handling of employee queries	Effective customer handling	100%	100%

Handle the incoporation of the ECDE Caregivers in the IPPD	No. issued with payroll numbers	100%	100%
Training	Meeting with the officers	100%	100%
Meet various Unions	Meeting with the three major Unions	100%	100%
Approve eligible redesignation and harmonization requests	No. redesignated/harmonized	100%	100%

2.3.12 Transport, Public Works Infrastructure and Energy

Strategic priorities

- To ensure that public buildings in the county are properly designed, constructed and maintained.
- To ensure accessibility and effective communication.
- To ensure accessibility within neighborhoods (wards, villages).
- To facilitate efficient, running, coordination in service delivery
- To Increase access to electricity services at the household, institution and public areas.
- To promote use of Renewable energy.

Key achievements

- Construction and civil works.
- Road construction and improvement.
- Maintenance of high mast flood lighting
- Installation and Maintenance of street lighting within Nyeri town and environments.
- Upgrading of 0.7-kilometer roads into bitumen standard
- Installation of Biogas plants

Summary of Department's Programmes

Programme Name: Genero	I Administration Planning and Suppo	ort Services			
Objective: To ensure effecti	ve departmental administration, pol	icy development and implementation			
Outcome: Enhanced perform	nance and service delivery				
Sub Programme	Key Outcomes/ outputs	Key performanceindicators	Planned Targets	Achiev ed Targets	Remarks

Table 6: Payments of Grants, Benefits and Subsidies

2.6 Challenges Experienced During Implementation of the 2021/2022 ADP

Effects of Covid-19 Pandemic

The ministry of Health announced various measures and issued guidelines to curb the spread of Covid-19 after the outbreak. These measures negatively affected business enterprises throughout the County which led to massive job losses and an unstable economic environment which has up to date greatly affected the county own source revenue collection. Projects and programmes have since also been affected due to reallocation of funds to finance related activities.

Local Revenue Collection

There has been a resource gap emanating from unachieved revenue target collection which continues to hamper implementation of various programmes and projects in the county. This has consequently contributed to buildup and accumulation of pending bills affecting efficient service delivery as planned activities were not fully paid for on time. However, the county continues to widen its revenue base and to heighten enforcement measures to seal all possible loopholes.

Delay in Processing of Relevant Documents from Collaborating Institutions and Other Government Agencies

Implementation of projects and programmes in the county requires an all-inclusive collaboration with different stakeholders to avoid unnecessary delays in processing relevant documents needed for budget implementation. Some of the stakeholders, for instance are the Controller of budget (C.O.B.), Kenya Revenue Authority (K.R.A.), National Environmental Management Authority (NEMA), Water Resources Management Authority (WRMA), Kenya Forest Service (KFS), Kenya Wildlife Service (KWS) among others.

Downtime in end-to-end procurement process

End to end procurement process continues to pose challenges especially to the suppliers where all activities are system based. Being conversant with and adopting to the new technology requires capacity building on the same, and wide internet connectivity is essential for success of all procurement

procedures. There is need to capacity build all officers who interact with the new system especially procurement staff to ensure they are at per with any emerging changes in the processes.

Lack of a Designated Sanitary Land Fill

Non-existence of a site for county waste disposal has been and continues to negatively affect the waste management process. This poses health risks to the citizens as the county does not have adequate land for disposing waste. Efforts to create citizen awareness on the importance of acquiring land for waste management is being done to gain public support.

Unplanned Settlement Areas

Encroachment of informal settlement areas has greatly hindered delivery of major services to the citizens including road improvement, disease surveillance and campaigns, vaccinations and fire-fighting services. This coupled with vandalism of existing structures remain counterproductive curtailing meaningful development of these areas.

Hindrances to essential service delivery due to offices being located in different areas

There has been a challenge in service delivery to citizens who require service from all departments since most offices are situated in different areas. This has been due to lack of a single service point housing all departments. Adequate budget needs to be provided for construction of a commodious office block for efficient and effective services delivery especially to the members of the public.

Rising County Wage Bill

The county wage bill has continued to grow, this is despite the fact that the resource basket has remained almost constant. Consequently, the county has had to reallocate resources from the operation and maintenance budget since it is mandatory for atleast 30% of the budget to be set aside for development expenditure. This has had a negative impact on County operations and may in the long run hinder project implementation.

2.7 Lessons Learnt and Recommendations

. In the process of implementation of projects and programs as outlined in the Annual Development Plan 2021/22, it was observed that, for meaningful development, there is need to promote and strengthen partnerships and collaboration between the County government and various development partners. This will enhance the capital outlay to substantially bridge the gaps in funding its strategic priorities areas to guarantee social economic development.

Secondly, emerging changes in procurement and project implementation process creates need for continuous capacity building of personnel to update their requisite skills and forestall possible delays in project execution. The high wage bill has continuously led to shrinking allocation meant for development, operations and maintenance. The county government should therefore limit recruitments to only areas with critical needs while exploring other initiatives to further reduce the same. Further, the existing staff should be rationalized in order to optimize their productivity.

Higher amount of local revenue collected would amount to more resource outlay that will in turn be directed to development activities. This will subsequently protect the county against overdependence on National Government exchequer releases. This therefore necessitates the county to put in place all measures possible to increase the own source revenue. Accurate resource mobilization mechanism should be enhanced for sustainability of projects and programmes. Further, the enactment of budget related legislations and timely release of funds from the National Treasury will allow for optimal resource absorption, proper management of cash flows and reduction of the amount of pending bills.

Notably, the available resources are not enough and hence the county government should consider seeking support from development partners to supplement the county budget. Previously, the World Bank has provided funds to construct Naromoru Level IV hospital and the Asian quarters Modern Bus Termini through the Kenya Devolution Support Programme and Kenya Urban Support Programme respectively. Constant engagement and collaborations with development partners will therefore play a great role boosting the already constrained resource basket.

Following the outbreak of the Covid-19 pandemic and the subsequent effect on global economy created awareness on the need for preparing for unforeseen eventualities. The economic slowdown occasioned by its containment measures created the need for economic stimulus package to cushion those affected and consider the possibility of similar happenings in future planning. Citizens should also be equipped with up-to-date information on relevant preventive measures to contain further spread of the virus.

Citizen engagement through civic education and public participation forums are important to ensure project and programme ownership. This will also minimize conflicts in county taxation, revenue collection, legislation and business processes within the county. Therefore, there is need to enhance investment, revenue mobilization while focusing more on development agenda and cost reduction to guarantee value for money to its citizenly.

CHAPTER THREE

COUNTY STRATEGIC PRIORITIES, PROGRAMMES AND PROJECTS

3.1 Introduction

This chapter presents the departments strategic priorities, programmes and projects for the FY 2023/2024. Cross-cutting issues such as climate change; environmental degradation; Disaster Risk Management (DRM), HIV/AIDs; Gender, Youth and Persons with Disability (PWD) issues, Ending Drought Emergencies (EDE) among others will be mainstreamed in the programmes and projects so as to minimize their effects on development and ensure inclusivity.

The chapter also provides a summary of what is being planned by the county including key broad priorities and performance indicators. It also indicates the overall resource requirements in the implementation of the FY 2023/2024 ADP.

3.2 Development Priorities and Strategies

3.2.1 Executive Office of the Governor and Deputy Governor

The Governors' Office is responsible for setting the County's Development Agenda (Policy and Strategic Direction) and ensuring that the agenda is clearly understood and owned by stakeholders (especially the citizenry) and implemented in an efficient, effective and responsive manner.

Vision

A well run and people centred county government.

Mission

Create and Sustain governance arrangements that creates an enabling environment for economic growth and job creation, provides assistance to those who need it most, aid delivery of quality services to all residents and, most prominently provide services to citizens in a well governed and corruption free administration.

Strategic Direction

- Agenda setting in both the legislative and executive functions
- Effective and efficient management and administration of county affairs
- Coordination of engagement with citizenry, including public communications and decentralization agenda.
- Risks and disaster management (identification, mitigation, control and response)
- Intergovernmental liaison and people representation at national and international levels.
- Intra-governmental liaison (Relations between the two arms of the county government; and sectors coordination)
- Coordination of service delivery Improvement agenda
- Compliant service delivery agenda Ensuring compliance with all legal requirements in its pursuit of progressive and sustainable service delivery.

3.2.2 Office of the County Secretary

Vision

To lead the management of a public service able to effectively deliver on the Government objectives.

Mission

To provide the Governor and the County Executive Committee Members with sound policy advice and support and promote a whole-of-government approach resulting in improved governance for the benefit of the County residents.

Development Priorities and Strategies

- To facilitate efficient and effective organization of Government business and communication of policies and other decisions of the Executive Committee
- To lead the public sector in delivering government's priorities in a responsive, timely, efficient and effective manner through creation of an enabled and robust public service.
- Establishment of effective administrative units for efficient service delivery;
- Operationalizing the County Performance Management System.
- Develop county legislation for alcohol control and drug abuse control policy.
- Establish civic education units and coordinate the civic education activities.
- Develop public participation policy
- Construction of sub county and ward offices.
- Facilitate public communication and access to information.
- To ensure safety of county assets and easy retrieval of information
- To coordinate the provision of responsive and effective services to the public
- To prevent and control alcohol, drugs and substance abuse
- To facilitate public participation as provided for in the Constitution of Kenya 2010
- To promote ethics and integrity in public service delivery.
- To ensure good working relationship between national and county government.
- County ICT Infrastructure Development

3.2.3 Finance, Economic planning and ICT

Vision

A leading sector in the monitoring, evaluation and overseeing the management of public finances and economic affairs of the county.

Mission

To provide overall leadership and policy direction in resource mobilization, management and accountability for quality public service delivery.

Development Priorities and Strategies

- Automation of local revenue collection system
- Expansion of office space
- Decentralization of operations at the County Treasury.
- Automation of internal audit services.
- Establish and equip information and documentation centres.
- Formation and actualization of County Budget and Economic Forum and Audit Committee.
- Increase staff capacity in terms of skills and numbers.
- Broadening the revenue base.
- Putting in place monitoring and evaluation framework.

3.2.4 Lands, Housing, Physical Planning and Urbanization

Vision

Functional human settlements that support economic prosperity and sustainable optimal land use

Mission

To promote efficient and optimal land use, through planning and sustainable development.

Development Priorities

- Completion of survey and registration of approved physical development plans for colonial villages and market centres
- Controlled and sustainable land use.

- Develop an integrated GIS land management data system.
- Secure land tenure for public amenities
- Upgrading of Urban physical and social infrastructure services.
- Securing county housing estates from illegal encroachment
- Preparation of operational manuals for affordable housing
- Provision of civil and infrastructure services within planned colonial villages
- Completion and actualization of the new Nyeri Town Transport termini
- Providing secure offices for Nyeri Municipality
- Improved management of solid waste within the municipality
- Capacity development for Municipality administration

Programme Name	Sector	Cross-sector Impact		Measures to Harness or Mitigate the Impact
		Synergies	Adverse impact	
Housing of state officers	Roads and Infrastructure, County Assembly, Finance and Office of the Governor.	Collaboration in determining of sites and development process.	Enormous financial resources required.	Prioritization
Promotion of ABTs	Youth	Provision of skills and jobs for the youth	Low uptake	Intensive sensitization
Urban renewal	State departments of Housing, Directorates of public works and Finance NEMA, Non state actors	Approval, financing and supervision of the projects	-Resistance from the affected tenants and Environmental issues	- Public participation Mitigation measures through EIA
Controlled and Sustainable Land Use	All the County departments	All the departmental programmes will be reflected in the plans	Objection from stakeholders e.g. developers	Cross sectoral approach - Interdepartmental technical committees to address issues touching on their relevant areas.
Secure land tenure for public utilities	All the County departments	Identification of physical boundaries for various project sites.	Displacement from encroached areas Disputes	Public sensitization Establishment of dispute resolution mechanisms

3.2.5 Health Services

Vision

An efficient and high-quality health care system that is accessible, equitable and affordable for all.

Mission

To promote and provide quality integrated preventive, promotive, curative, rehabilitative and palliative services to all Nyeri county residents.

Department's Development Needs and Priorities

- Patient safety, customer care and quality improvement program
- Improved access of health services anchored on UHC.
- Strengthened Health Management information systems through automation and connectivity of all County health facilities.

- Construction of a level 4 hospital in Narumoru to improve access in Kieni East
- Construction of a county isolation ward to mitigate on infectious diseases
- Rehabilitation, refurbishment and expansion of existing hospital and rural health facilities as part of facelift of the old infrastructure.
- Strengthened ambulance, emergency and referral services through replacement plan including support services
- Strengthen community units to scale-up screening of non-communicable conditions
- Improved health care and health financing through Public private partnership (PPP)
- To increase hospitals capacity to handle critical illnesses including oxygen supply and prepare Rural Health Facilities on how to manage infectious diseases following the COVID-19 pandemic.

Cross-sectoral impacts

Programme Name	Sector	Cross-sector Impact		Measures to Harness or Mitigate the Impact
		Synergies	Adverse impact	
Market Developments	Trade	Management committees, NEMA, Ministry of land; Department of public services/ enforcement , Department of Roads	Poor Wastes disposals	Proper waste Management/Disposal. Involvement/inclusiveness of stakeholders
Enterprise Development Fund	Trade	Financial institutions and service providers,	Loan defaults	Clients to provide collaterals before issuing loans. Credit reference bureaus clearance and compliances.
Promotion of fair Trade practices	Trades	Weight & Measures National governments, National Chamber of commerce, Legal department	Non-Compliance with requirements	Prior-notification of traders on verification dates Routine Spot-checks on compliance Create awareness on customer's rights Verifications and stampings trader's equipment's.
Industrial development	Industrializa tion	Ministry of Industrialization, KIE, MSEA, NEMA, Department of Lands	Pollution	Implement NEMA Reports.
Development of cooperative value chains and market linkage	Cooperativ e	Department of agriculture ,Livestock, fisheries, Ministry of Trade(National),Other stakeholders	Poor produce quality. Lack of Support from value chain players -Existence of cartels within the player	-Capacity Building of cooperative Members to have more productions and of high quality to meet the market needs -Involvement and inclusivity of stakeholders -Make policies and information sharing within the sectors.
Maumau caves	Tourism	NMK, KWS, KFS, NEMA	Land Pollution and degradation, community resistance	Responsible tourism initiatives and E.I.A , Environmental Audit, stakeholder consultation
Zaina falls	Tourism	NMK, KWS, KFS, NEMA	Land Pollution and degradation, community, community resistance	Responsible tourism initiatives and E.I.A and Audit, stakeholder consultation
Chinga dam	Tourism	KMA, NMK., KWS, WATER , ENVIRNMENT, NEMA	Community land ownership issues, Land and water pollution	Responsible tourism initiatives and E.I.A and Audit, stakeholder consultation
Cultural and music festival	Culture	KMCF	Culture erosion	To conduct capacity building workshop and seminars

Programme Name	Sector	Cross-sector Impact		Measures to Harness or Mitigate the Impact
Registration of artist and medical traditional practitioners	Culture	Ministry of Sports, culture and Arts KEMRI	Quack traditional medical practitioners	Certifying qualified traditional medical practitioners
Cultural Training	Culture	National Government-Ministry of Sports, culture and Arts KEMRI Music Copy Rights society of Kenya United Nations Educational, Scientific, and Cultural Organization (UNESCO), Kenya National Commission for UNESCO, National Museums of Kenya(NMK), Intellectual property legal team	Culture erosion	To conduct capacity building workshop and seminars

3.2.10 Education and Sports

Vision

A globally competitive education and sporting services for sustainable development

Mission

To provide, promote and coordinate quality education and training, adoption and application of ICT and integration of science and technology for sustainable socio-economic development.

Department's Priorities, Constraints and Strategies

Sub-sector	Priorities	Constraints	Strategies
Early Childhood and Development Education (ECDE)	School infrastructure and equipment improvement; Improved transitional rates and attainment of quality grades	Inadequate teaching staff in ECDE; High costs of putting up ECDE infrastructure and equipping; Dilapidated infrastructure. Cases of child being raped; Orphans	Resource mobilization; Training and recruitment of ECD teachers and care givers; Disability mainstreaming. More sensitization of ECDE Teachers and parents on safety of children
Youth Polytechnics/ Vocational Training Centres	Youth Polytechnics infrastructure, tools and equipment improvement;	Negative attitude towards vocational and technical training; Inadequate teaching staff in Yps; High costs of putting up YP infrastructure; Increase in learners indiscipline and infiltration of hard drugs in learning institutions	Resource mobilization; Recruitment and Training of youth polytechnic instructors; Sensitization on drugs and substance abuse; Disability mainstreaming; sensitizing community on importance of Technical skills; Designing short term courses; Partnerships
	Financial support	Inadequate funding	Sensitize parents and guardians on importance of paying fees; Ensure Yps have IGAs; Ensure prudent use of resources; County financial support; National government financial support

Cross-Sectoral Implementation Considerations

The sector will mainstream HIV and AIDS by encouraging the infected and affected to accept their status and not to be discriminated against. The schools' management (for ECDEs) will continue to work together with the Children Department in targeting the needy cases to benefit from the OVC cash transfer program.

Gender issues will continue to be addressed by ensuring that girls, boys, men and women have an equal opportunity to join available places in ECDEs and Polytechnics. Youth Polytechnics management committees will strictly follow the one third gender rule in ensuring each gender is represented. In mainstreaming disability, YPss will offer friendly facilities and services. There will be an affirmative action in bursary distribution and preference will be given to children and trainees in institutions that are devolved.

3.2.11 Water, Environment and Climate Change

Vision:

Sustainable access to clean, safe and adequate water in a clean and secure environment

Mission:

To promote, conserve, protect the environment and improve access to water for sustainable development.

Department's Development Direction

- To acquire land for four sewerage systems (Karatina, Mukurweini, Mweiga and Naromoru towns) to address liquid waste management.
- To promote green economy by use of solar/wind power energy in borehole pumping systems
- To rehabilitate 20 dams/Pans to increase water supply for domestic, irrigation and power generation.
- To construct 5No medium Dams
- To expand the water coverage from 65-80% for rural and 70- 95% for urban areas.
- To construct 2 water treatment plants and complete 2 plants (MAWASCO, TEAWASCO, NAROWASCO and OMWASCO) to improve quality of drinking water.
- Exploitation of ground water by drilling (3No) and equipping 5 No boreholes in Kieni East Kieni West, Mathira West and East sub- counties.
- Promote strong collaboration with National Government, Development partners, Communities and Private sector.
- Transforming rain-fed agriculture to irrigated Agriculture by 15,000 hectares.
- Enhance project compliance to and mainstreaming of environmental standards in all project phases
- Tree planting targeting 2% cover in the entire county in farms, greening of towns and institutions
- Reforestation and rehabilitation of degraded community forests
- Rehabilitation of quarries
- Promote usage of energy saving Jikos
- Capture data on climate related activities, coordinate their analysis, documentation and dissemination.
- Promote Public education and awareness on climate change.
- Promote forest conservation, sensitize on tree planting and green energy utilization.
- Advise County departments and the County Assembly on sound legislative and policy measures necessary for climate change response and low carbon development pathway.
- Research and information Sharing on Climate Change
- Training and awareness creation

Cross sectoral Implementation considerations

Name of Programme	Sector	Cross –Sector Impact		Measures to Harness or Mitigate the Impact
		Synergies	Adverse Impact	
Water services	Kenya Forest Service Tourism Infrastructure Education Agriculture Health Physical Planning NDMA	Issuance of Easements Supply adequate water to support Hotel industry Collaboration with the roads department since as much as we need the roads water is also important Our children will have more time to concentrate on education than fetching water. Farmers have ample time to work on the farms provision of data on areas prone to water borne diseases management of storm water	Loss of Biodiversity at Intakes, pipelines and Dams Damage to our water systems during road construction. Loading of sewerage treatments works	Reforestation; Provide roads development plans in advance and also mapping out road extents encourage roof catchment; Arrangements can be made well in advance to assist within house treatment methods policy on mandatory construction of drains
Irrigation services	Infrastructure; NEMA; WRMA; WRUA; NDMA Agriculture; Trade; Social services	Improved transportation of food product to markets. Issuance of licenses for the works. The department will work with Water resource users Associations and Water resource management authority to assist in water allocation and abstraction points. Capacity build the farmers on efficient and effective water use Value addition Look for market for Agricultural products Registration of irrigation water users Associations	Increased water conflicts	Community mobilization Regulation of flows Capacity building on Irrigation Water Management Monitoring of adherence to projects By-Laws
Environment and Natural Resources Riparian conservation and protection, County /School Greening, Climate change mitigation,	WRMA; Lands; WRUA's NEMA; Ministry of Interior and National Co-ordination; Agriculture; Trade; Education; Kenya Forest Service; NDMA Energy; Public Administration;	The department will work with Water resource users Associations to map out riparian area in collaboration with Agriculture and Lands. Water resource management authority to assist in water allocation and abstraction points. Look for market for bamboo products	Clear the riparian areas of all trees which are not water friendly and uprooting of arrowroots. Reduced water flows due to high evapotranspiration rates of exotic species.	Sensitize the riparian farmers and plant water friendly indigenous trees and Bamboos. Sensitize the farmers, Teachers and students on the need to plant trees. Sensitize the traders on the need to protect and maintain the flower beds
Beautification, Noise and Air pollution control	Information and Communication.	Provide schools with enough space for tree planting and maintenance Inculcate the culture of tree planting in our children. Assist farmers in Agroforestry Give technical support to the Department Promotion of Energy saving Jikos Enforcement of the county laws, Allocation of flower beds, Assist in prosecution of Noise and Air pollution offenders.		

3.2.12 County Public Service Board

Vision

To be a trend setting, ethical and dynamic institution that enables delivery of quality public service.

Mission

To support and enable Nyeri County Government deliver professional, ethical and efficient services through a transformed public service.

Board Development Direction

- To establish and abolish offices in the county public service;
- Appoint persons to hold or act in offices of the county public service including in the Boards of cities and urban areas within the county and to confirm appointments;
- Exercise disciplinary control over, and remove, persons holding or acting in those offices as provided for under this Part;
- Prepare regular reports for submission to the county assembly on the execution of the functions of the Board;
- Promote in the county public service the values and principles referred to in Articles 10 and 232;
- Evaluate and report to the county assembly on the extent to which the values and principles referred to in Articles 10 and 232 are complied with in the county public service;
- Facilitate the development of coherent, integrated human resource planning and budgeting for personnel emoluments in counties;
- Advise the county government on human resource management and development;
- Advice county government on implementation and monitoring of the national performance management system in counties
- Make recommendations to Salaries and Remuneration Commission, on behalf of the county government, on the remuneration, pensions and gratuities for county public service employees.

3.2.13 Roads, Transport, Public Works, Infrastructure and Energy

Vision

A world class provider of cost-effective physical infrastructural facilities and services

Mission

To provide efficient, affordable and reliable infrastructure through design, construction, maintenance and effective management for sustainable economic growth and development of Nyeri

Department's Development Direction

- Maintenance of existing road network county wide.
- Upgrading of existing roads to bitumen or gravel standards to make them all weather.
- Ensure that all infrastructure including buildings are designed and constructed to standards through enforcement of codes, regular supervision and inspections.
- Develop transport policies, regulations and guidelines to ensure smooth flow of traffic.
- Achieve connectivity and smooth flow of motorized and non- motorized traffic.
- Provide paths for non-motorized traffic in our major urban centre.
- Ensure all the trading centres, public health and education institutions are supplied with electricity.
- Provide adequate lighting along streets and estates in major urban areas.
- Promote production and utilization of energy from biodegradable waste materials
- Research and exploitation of alternative and renewable sources of energy.

3.2.14 County Assembly of Nyeri

Vision

To be an effective, efficient & transformative Assembly

Mission

To provide efficient and effective oversight, representation, and law making functions for the welfare of the people of Nyeri County.

Strategic priorities

- To ensure efficiency and effectiveness in service delivery
- To ensure prudency in management of public funds
- To ensure timely approval of planning documents
- To reach out and educate the public to appreciate the role of the Assembly

Development Priorities and Strategies

- Expansion of office space.
- Provide a secure and conducive working environment.
- Timely approval of budget and other planning documents.
- Capacity building for members and staff.
- Improved governance and social accountability by the political leadership.

3.2.15 Office of the County Attorney

The Office of the County Attorney was established in 2020 pursuant to the assent of the Office of the County Attorney Act, 2020. The Financial Year 2020/2021 was strategically exceptional as it marked the commencement of the Office's mandate and functions.

The County Attorney's office is the principal legal adviser to the county government and has a core mandate to provide timely, objective and reliable legal support to the County Government and all its departments on all legal matters that may arise in the execution of their Constitutional and Statutory mandate.

Strategic priorities

- Provide legal support to the County Government and all its departments
- Attend meetings of the county executive committee as an ex-officio member of the executive committee
- Represent the County Executive in court or in any other legal proceedings to which the county executive is a party, other than criminal proceedings
- Advise departments in the county executive on legislative and other legal matters
- Negotiate, draft, vet and interpret documents and agreements for and on behalf of the county executive and its agencies
- Revision of county laws
- Amendment of County Laws
- Preparation of Legislative proposals and Bills

Summary of Department Programmes

	Programme Name: General Administration, policy development and implementation
ſ	Objective: To coordinate, supervise and manage the provision of responsive and effective services to the public

		background for improved retention and	secondary and tertiary institutions
		completion.	

CHAPTER FOUR

RESOURCE ALLOCATION

4.1 Introduction

This section presents a summary of the proposed budget by programme and sector/ sub sector. It also provides a description of how the county government is responding to changes in the financial and economic environment and further indicates the criteria employed in the allocation of resources per sector and per programme.

4.2 Resource allocation criteria

The resource allocation for the FY 2023/2024 county budget will be based on the county priorities as outlined in this document and aligned to CIDP 2023-2027, the MTP4 and Kenya Vision 2030. The funding of FY 2023/2024 programmes will also be guided by the strategies identified in the County Fiscal Strategy Paper (CFSP), 2023 which will clearly outline the areas of focus for sustainable social economic growth of the county.

The following criteria on resource allocation will be considered;

- On-going programmes/projects;
- Expected outputs and outcomes of the programmes;
- Linkage of the Programme with the objectives of the County Government, the Governor's Manifesto and the CIDP;
- Degree to which the programme addresses core poverty interventions;
- Cost effectiveness and sustainability of the Programme/projects.

4.2.1 Sources of Revenue

The allocation of county resources will be greatly determined by the available county sources of revenue which includes;

Equitable share

This is from the shareable national revenue as provided for in Article 202 and 203 of the constitution. The county receives the constitutionally approved share from the consolidated fund as proposed in the Budget Policy Statement, recommended by CRA and approved by The National Assembly and the Senate.

Additional resources

In addition to the equitable share of revenue, the County Government is also expected to get additional resources from the following sources:

- Conditional and unconditional allocations from share of the national government as contemplated under Article 202(2) of the Constitution.
- Own revenues from specific county revenue raising measures through imposition of property taxes, entertainment taxes, as well as any other tax and user fees and charges as authorized to impose. This is contained in the Revenue Administation Act and annual Finance Acts enacted by the County Assembly.
- Borrowing provided national government guarantee is obtained as well as the approval of the County Assembly. This will only occur if the funds will be applied to development activities.
- Grants and donations from development partners in accordance with section 138 and 139 of the Public Finance Management Act, 2012 and Public Finance Management Act (County Government) Regulations, 2015. There are other grants not channeled through the county revenue funds but helps the county to achieve it development objectives through collaborations e.g. Aquaculture Business Development Programme (ABDP).

The allocation of resources will consider the views obtained from various consultations with the public and other stakeholders as will be identified in the budget making process. The county government has been building capacity of its employees on prudent management and optimum utilization of available resources to improve efficiency in service delivery to its citizenly and guarantee value for money. The county will also collaborate with its development partners to seek funds for boosting the economy.

The County Government will remain committed to strengthening the implementation process as well as monitoring & evaluation of projects and programmes. The county government will continue to implement priority programs to enhance productivity and efficiency for sustainable and inclusive growth.

4.3 Proposed Budget by Programme

The table below indicates proposed budget for the projects and programmes identified in chapter three.

Department/Programme	Amount (Ksh.)
Executive Office of the Governor and Deputy Governor	75,500,000
Administration and Public Service Management	
Office of the County Secretary	45,500,000
Administration and Public Service Management	
Finance and Economic Planning	118,500,000
Revenue Mobilization and Management	
Public Finance Management	
Economic planning and management	
Lands, Physical Planning, Housing and Urbanization	255,321,601
General administration, policy, and planning	
Housing Development	
Land use planning and management	
Roads and transport management	
Solid waste management	
Health Services	475,500,000
General Administration, Planning and Policy	
Preventive and Promotive Health Services	
Gender Youth, Social Services and Sports	116,000,000
Disaster Risk Management	
Sports Development	
Social Welfare and Community Empowerment	
Gender and Youth Development	
County Public Service And Solid Waste Management	99,004,000
Human Resource Management	
Administration and public service management	
Solid Waste Management	
Agriculture, Livestock and Fisheries	322,287,425
General administration, policy, and planning	
Crop Management	
Livestock Production management	
Veterinary Services Development	
Fisheries development and Management	
Agricultural Training and Mechanization	
Trade, Tourism, Culture and Cooperative Development	653,000,000
Trade Development and Regulation	
Tourism promotion and development	
Co-operative development	
Education and Training	286,000,000
General Administration, Planning and Policy	
Vocational Training Centres Development	
Early Childhood Development	
Elimu Fund	
Water, Irrigation Services, Environment and Climate Change	225,750,000
Water, Development and Management	
Climate Change	
Environmental, Planning, Management, and Conservation	
Forest Conservation and Management	
rorosi conservation ana management	

Department/Programme	Amount (Ksh.)	
County Assembly	150,000,000	
General oversight, legislation, and representation		
County Public Service Board	14,000,000	
Administration and Public Service Management		
Human Resource Management		
Transport, Public Works, Infrastructure and Energy	629,000,000	
Roads and transport management		
Energy provision and management		
Office of the County Attorney	5,000,000	
Governance and legal affairs.		
Total	3,470,363,026	

4.4 Proposed budget by Sector/ sub-sector

The table below indicates the proposed budget for the sector/ department and the percentage of its allocation to the overall county budget.

Sector/ Department	New Projects	On-Going Projects	Total	% of Total
	Amount in (Kshs.)	Amount in Kshs		Budget
Executive Office of the Governor and Deputy Governor	75,500,000	20,000,000	95,500,000	1.56%
Office of the County Secretary	45,500,000	45,546,256	91,046,256	1.49%
Finance and Economic Planning	118,500,000	250,229,574	368,729,574	6.02%
Lands, Physical Planning, Housing and Urbanization	255,321,601	234,778,175	490,099,776	8.01%
Health Services	475,500,000	918,212,465	1,393,712,465	22.77%
Gender Youth, Social Services and Sports	116,000,000	55,845,500	171,845,500	2.81%
County Public Service And Solid Waste Management	99,004,000	62,136,499	161,140,499	2.63%
Agriculture, Livestock and Fisheries	322,287,425	355,213,290	677,500,715	11.07%
Trade, Tourism, Culture and Cooperative Development	653,000,000	101,903,199	754,903,199	12.33%
Education and Training	286,000,000	39,600,000	325,600,000	5.32%
Water, Irrigation Services, Environment and Climate Change	225,750,000	183274599	409,024,599	6.68%
County Assembly	150,000,000		150,000,000	2.45%
County Public Service Board	14,000,000	8,000,000	22,000,000	0.36%
Transport, Public Works, Infrastructure and Energy	629,000,000	376,379,010	1,005,379,010	16.42%
Office of the County Attorney	5,000,000		5,000,000	0.08%
Total	3,470,363,026	2,651,118,567	6,121,481,593	

Table 8: Summary of Proposed Budget by Sector/ Sub-sector

4.3 Financial and Economic Environment

In order for the County to achieve the goals set out in this Annual Development Plan (ADP) 2023/2024, there is need to enhance resource mobilization through Public Private Partnership (PPP) investments, grants from development partners and own source revenue. The county has automated the collection of all of its Own Source Revenue (OSR) streams and the results are evident as the amount collected was KShs. 948.31m compared to Kshs. 886.89m achieved in FY 2020/21 depicting a tremendous improvement in collection.

Going forward, the county government will continue to explore innovative ways to further enhance its local revenue and seal all possible revenue leakages. Increasing public awareness on importance of payment of fees and user charges and reduction of default rate, through strengthening of enforcement and compliance mechanism will also enhance revenue collection.

4.5 Risks, Assumptions and Mitigation measures

In the Implementation of the County Annual Development Plan, FY 2023/2024, there are likely risks that may arise. The county government has come up with practical assumptions and reasonable mitigation measures to ensure smooth execution.

 Table 9: Risks, Assumptions and Mitigation measures

Risk	Assumption	Mitigation measures
The instability in the business	The economic situation will	Awareness creation on ways to curb the spread of the
environment resulting from the	normalize and businesses will	virus.
	operate fully	Civic education

pandemic likely to affect revenue collection		
Inadequate revenue to implement the plan	There will be sufficient revenue	Expanded revenue streams Sealing of loopholes in revenue leakages
Erratic weather condition	Favorable weather conditions	Enhance use of climate smart technologies
In adequate skilled staff on budget preparation, implementation and reporting	The county will prioritize capacity building of staff with necessary skills.	Continuous capacity building and training of technical staff to improve efficiency in service delivery
Lengthy and slow procurement process	That the IFMIS system will operate without delays and timely processing of orders.	Cooperation and consultation with the national treasury to ensure timely solutions on emerging issues especially on networks.
Late disbursement and approval of funds	The funds will be released as planned and the necessary approvals for withdrawal will be made appropriately	Ensuring all requirements for funds release are provided to the appropriate offices in timely manner
Bloated wage bill	The wage bill will be sustainable over the medium term	Introduction of incentive for early retirement where the county government has set aside an allocation for voluntary early retirement programme
Prevailing social and economic inequalities within individuals and regions in the county	The county will ensure fair distribution of available resources across the county	The county has come up with affirmative action funding for the marginalized areas to ensure equity in resource distribution.

CHAPTER FIVE

MONITORING AND EVALUATION

5.1 Introduction

This chapter highlights the county monitoring and evaluation framework as outlined in the County Integrated Monitoring and Evaluation System (CIMES). Monitoring and Evaluation forms part of performance for results culture in the public service that ensures intended targets are achieved, remedies are taken when projects are off-track, and that lessons learnt assists in future planning.

5.1 Institutional Framework for Monitoring and Evaluation in The County

At the National level, Monitoring and Evaluation is conducted through the National Integrated Monitoring and Evaluation System (NIMES), whose main aim is to improve the effectiveness and quality of tracking the implementation of various development policies, strategies and programmes.

It is expected that the county will continue to build and strengthen County Monitoring and Evaluation System to serve the needs of the county government. The system will take cognizance of the projects and programmes included in the Annual Development Plan (ADP) for FY 2023/2024.

Monitoring and Evaluation is mainstreamed in all development programmes and projects being implemented in the county. For accountability purposes, the government disseminates information on development programmes and projects on both equitable share and other allocated resources. Citizens are given an opportunity to participate along the various stages of M&E activities. It is envisaged that the M&E process will be guided by the principles of systematic inquiry, integrity and honesty, ensuring accurate, timely and reliable reporting of findings.

5.2 Implementation, Monitoring and Evaluation Reporting Template

The following is the monitoring and evaluation template for reporting on the implementation of the ongoing and proposed projects and programmes during the financial year 2023/2024. Departments and other county entities are required to submit progress reports within ten days after the end of each quarter using the same format as below.

No.	Sector/Department/Enti ty	Key performance indicator	Beginning of the ADP year situation	End of the ADP year situation
1.	Office of the Governor	No. of Public engagement forums held	15	30
	and Deputy Governor	No. of ICT and other equipment's procured	38	38
		No. of Office furniture procured	20	30
		No. of vehicles procured	2	4
2.	Office of the County	No. of Offices constructed/ renovated	2	6
	Secretary	No. of vehicles procured	2	6
3. Finance and Econor Planning	Finance and Economic Planning	Percentage of projects and programmes implemented within stipulated time	60%	62%
		Percentage of projects and programmes implemented	70%	80%
		Rate of projects and programmes implementation and reports presented	60%	70%
		No. of management issues raised	8	12
		Percentage of reports produced on time	90%	98%
		No. of planning documents and policies produced	7	9
4.	Lands, Housing, Physical	Reports on Trainings held -inventory on equipment's and furniture	4	4
	Planning and		100%	100%
	Urbanisation	No of Titles issued	500	0
		Number of kilometer's constructed	28.6km	28.6km
		Completion certificates on business stalls, access roads, street lighting,	100%	93%
		parking bays and waiting bays.		
		Tonnes of solid waste collected	100%	80%
5.	Health Services	Under 5Yrs fully Immunization	85%	92.50%
		% of TB patients completing treatment	80%	80.10%

 Table 10: Monitoring and Evaluation Performance Indicators and Achievements

No.	Sector/Department/Enti ty	Key performance indicator	Beginning of the ADP year situation	End of the ADP year situation	
		Increase number of WRA screened for cervical cancer	7900	8412	
		% of newly tested HIV patients put on treatment	90%	99%	
		% of HIV infected persons on ART with viral load suppression	90%	93%	
		% increase of school going children dewormed	90%	77%	
		Number condoms distributed			
			0.5M	1.2M	
		No. of people screened for hypertension at the community/Outreaches	74,000	74,999	
		No. of people screened for diabetes at the community / Outreaches	74,000	74,999	
		% of skilled deliveries conducted in our health facilities	90%	94.80%	
		% of pregnant women attending 4 ANC visit	60	53.3	
		Number of functional community units and making monthly reports to	251	251	
		the CHEWs	-	-	
		Number of food premises inspected and certified safe	100%	96%	
		% of fully functional ambulances	70%	50%	
		% of hospitals with functional emergency response teams	100%	80%	
		Number of health workers trained on quality improvement and	50	56	
		patient safety program	50	50	
		Number of County hospitals with functional quality improvement and	75	75	
		patient safety program	29/	20/	
		% of Rural health care facility reporting stock outs of essential drugs and supplies	2%	2%	
		Number of Health centers with functional quality improvement and patient safety program	25	25	
		No. of medicines and technologies Procured	322	287.9	
	Gender, Youth and	No of youth whose talent has been identified and nurtured.	100%	75%	
	Social Services	Number of stations constructed	1	1	
		Number of staff guarters constructed	4	4	
		Number of Kitchen, Dining and Multipurpose hall constructed	1	1	
		Number of sanitary towels purchased	22,200	22,200	
		Number of area/items rehabilitated (offices, library, sanitation block,	5	5	
		gate and perimeter wall)	-		
		Number of fire engines procured	2	2

Project/ programme Name Title	Location of the Project	Objective	Target	Key Output	Estimated Budget	Source of Funds	Time Frame	Implementin g Agency
Construction of Incinerator at		To Strengthen health systems,	100% completion of	An operational incinerator	1,433,447	CGN	2022/ 23	Health Services
Gichiche Health Centre		general logistical and other support	planned activities	Incinerator			23	Services
Construction & Equipping Miiri Health Center Phase 1		To Strengthen health systems, general logistical and other support	100% completion of planned activities	An operational Dispensary	3,485,750	CGN	2022/ 23	Health Services
Construction Gitathi- ini Dispensary Phase 11		To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed Construction of the Dispensary	2,336,420	CGN	2022/ 23	Health Services
Completion and other installations at Mbiriri Dispensary - Phase 2		To Strengthen health systems, general logistical and other support	100% completion of planned activities	An operational Dispensary	2,969,867	CGN	2022/ 23	Health Services
Construction Works at Warazo Dispensary Phase 1		To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed constructions works	4,082,052	CGN	2022/ 23	Health Services
Oxygen flow meters at Mukurweini Hospital	Mukurweini	To Strengthen health systems, general logistical and other support	100% completion of planned activities	An Operational Oxygen flow meter	1,523,080	CGN	2022/ 23	Health Services
Extension of laboratory works at Karatina level IV hospital.	Karatina	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed laboratory extension works	4,844,508	CGN	2022/ 23	Health Services
Renovation of Morgue and kitchen works at Mukurweini hospital	Mukurweini	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completion of morgue and kitchen renovation works	3,817,026	CGN	2022/ 23	Health Services
Walkway and waiting bay renovations at Kareminu Health Centre		To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed walkways and waiting bay renovations	1,399,343	CGN	2022/ 23	Health Services
Construction of a walkway at Mt. Kenya Sub-County hospital	Nyeri Town	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed walkways	4,359,257	CGN	2022/ 23	Health Services
Construction of a Septic Tank, Soak Pit, & Placenta Pit at Ruruguti Dispensary.		To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed constructions works	991,904	CGN	2022/ 23	Health Services
Renovation works at Thaithi Dispensary - Toilet Block		To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed renovations	996,602	CGN	2022/ 23	Health Services
Thaithi Dispensary Renovations of Buildings		To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed renovations	986,116	CGN	2022/ 23	Health Services
Renovation and refurbishment at Zaina Dispensary		To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed renovations	1,968,369	CGN	2022/ 23	Health Services
Othaya Hospital Construction of Kitchen	Othaya	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed constructions works	857,391	CGN	2022/ 23	Health Services
Environmental Impact Assessment	Various Facilities	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Projects EIA reports	998,801		2022/ 23	Health Services
Othaya Hospital - Renovation of ward		To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed ward renovations	3,935,410	CGN	2022/ 23	Health Services
Proposed Construction of a Sanitary/Toilet Block at Kiaguthu Dispensary - Phase 1 and Proposed Completion of a Laboratory & Changing Rooms at Kiaguthu Dispensary Phase 2		To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed constructions works	2,425,862	CGN	2022/ 23	Health Services
Electrical works at Mt. Kenya Hospital	Nyeri Town	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed electrical works	304,006	CGN	2022/ 23	Health Services

Project/ programme Name Title	Location of the Project	Objective	Target	Key Output	Estimated Budget	Source of Funds	Time Frame	Implementin g Agency
Construction of Iruri Dispensary – Phase 1	Ruguru	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed construction works	2,431,870	CGN	2022/ 23	Health Services
Supply & Installation (repair) of Morgue Equipment at Mukurweini hospital	Mukurweini	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Morgue equipment supplied and installed	1,987,000	CGN	2022/ 23	Health Services
Supply for production		To Strengthen health systems, general logistical and other support	100% completion of planned activities	Hospital supplied procured and supplied	161,148,73 0	CGN	2022/ 23	Health Services
Purchase of medical and dental equipment's	Various Facilities	To Strengthen health systems, general logistical and other support	100% completion of planned activities	medical and dental equipment procured and supplied	14,000,000	CGN	2022/ 23	Health Services
Purchase of medical equipment for Rural facilities	Various Facilities	To Strengthen health systems, general logistical and other support	100% completion of planned activities	medical equipment procured and supplied	6,000,000	CGN	2022/ 23	Health Services
Construction of kitchen and ablution block at Ihururu Rehab	Dedan Kimathi	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Complted construction works	9,110,396	CGN	2022/ 23	Health Services
Renovation of Wards at NCRH	Nyeri County Referral Hospital	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed renovation works	7,000,000	CGN	2022/ 23	Health Services
Construction of Karatina Emergency Unit	Karatina	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed construction works	18,000,000	CGN	2022/ 23	Health Services
Construction of OPD at Mukurweini Hospital	Mukurweini	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed construction works	7,000,000	CGN	2022/ 23	Health Services
Refurbishment of Non-Residential Buildings at Nyeri County Referral Hospital	Nyeri County Referral Hospital	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Non-residential buildings refurbished	5,000,000	CGN	2022/ 23	Health Services
Refurbishment at Karatina Hospital	Karatina	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed refurbihsment works	5,000,000	CGN	2022/ 23	Health Services
Refurbishment at Mukurweini Hospital	Mukurweini	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed refurbihsment works	3,000,000	CGN	2022/ 23	Health Services
Refurbishment of Building at Othaya Hospital	Othaya	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed refurbihsment works	3,000,000	CGN	2022/ 23	Health Services
Refurbishment of Building at Mt Kenya Hospital	Nyeri Town	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed refurbihsment works	7,000,000	CGN	2022/ 23	Health Services
Provision for refurbishment of various rural health facilities	Various Facilities	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed refurbihsment works	22,281,130	CGN	2022/ 23	Health Services
Refurbishment of Buildings at Rural Facilities	Various Facilities	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed refurbihsment works	1,500,000	CGN	2022/ 23	Health Services
Other Capital Grants (Transforming Health Services)		To Strengthen health systems, general logistical and other support	100% completion of planned activities	Transformed healthcare services	45,711,078	CGN	2022/ 23	Health Services
Other Capital Grants (Provision for Covid- 19)		To Strengthen health systems, general logistical and other support	100% completion of planned activities	Reduced cases of new Covid-19 virus infections	4,170,886	CGN	2022/ 23	Health Services
Pre-feasibility studies (Master Plan)		To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed Master-plan	2,000,000	CGN	2022/ 23	Health Services
Construction of a Kitchen block at Narumoru Level IV hospital	Narumoru	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed construction works	21,692,255	KDSP	2022/ 23	Health Services

Project/ programme Name Title	Location of the Project	Objective	Target	Key Output	Estimated Budget	Source of Funds	Time Frame	Implementin g Agency
Construction of Morgue at Narumoru Level IV Hospital	Narumoru	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed construction works	31,219,260	KDSP	2022/ 23	Health Services
Construction of Laundry at Narumoru Level IV Hospital	Narumoru	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed construction works	16,621,431	KDSP	2022/ 23	Health Services
Supply and delivery of Kitchen, Laundry and Mortuary Equipment	Narumoru	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Equipment procured and delivered	24,578,300	KDSP	2022/ 23	Health Services
Construction of Naromoru Level IV Hospital (Main Works)	Narumoru	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed construction works	334,580,38 3	KDSP	2022/ 23	Health Services
Structured cabling EPABX/CCTV	Narumoru	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed cabling works	13,444,375	KDSP	2022/ 23	Health Services
Supply, delivery, installation, testing and commissioning of medical gas piping	Narumoru	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed piping works	16,715,570	KDSP	2022/ 23	Health Services
Operation theatre, air conditioning system	Narumoru	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Operational air conditioning system	10,301,700	KDSP	2022/ 23	Health Services
Electrical Works	Narumoru	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Completed electrical works	12,993,158	KDSP	2022/ 23	Health Services
Supply, delivery, installation, testing and commissioning of 200KVA Generator set	Narumoru	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Operational Generator	5,194,000	KDSP	2022/ 23	Health Services
Supply, delivery, installation, testing and commissioning of two Lifts at Naromoru.	Narumoru	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Operational lifts	14,858,140	KDSP	2022/ 23	Health Services
Supply, delivery, installation, testing and commissioning of high and low water tank.	Narumoru	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Installed water tanks	9,307,500	KDSP	2022/ 23	Health Services
Supply, delivery, installation, testing and commissioning of sanitary fittings, plumbing, drainage, solar hot water heating systems and fire protection services.	Narumoru	To Strengthen health systems, general logistical and other support	100% completion of planned activities	Installed fittings	24,607,894	KDSP	2022/ 23	Health Services

Gender, Youth and Social Services

Project/ programme	Location of	Objective	Target	Key Output	Estimated	Source of	Time	Implementing
Name Title	the Project				Budget	Funds	Frame	Agency
Proposed construction of staff houses at karatina children home	karatina ward	To Increase access to social welfare services and community empowerment opportunities	100% completion of construction works	Staff houses constructed	20,000,000	CGN	2022/ 23	Gender, Youth and Social Services
Construction of 10 water hydrants	countywide	To prevent and mitigate against disasters and their effects	10 water hydrants	Water hydrants constructed		CGN	2022/ 23	Gender, Youth and Social Services
Proposed Ablution block, gates and rehabilitation of staff houses at Karatina fire station	karatina ward	To Increase access to social welfare services and community empowerment opportunities	100% completion of construction works	Compledted construction and rehabiliatation works		CGN	2022/ 23	Gender, Youth and Social Services
Proposed 2No Staff Houses ,Ablution Block And Septic Tank	countywide	To Increase access to social welfare services and community empowerment opportunities	100% completion of construction works	Compledted construction and rehabiliatation works		CGN	2022/ 23	Gender, Youth and Social Services

Ground water investigation and mapping of aquifers	County	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation	100% completion of planned works	Ground water investigation and acquiffers mapping reports	1,200,000	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Karindundu borehole	Karatina	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation	100% completion of planned works	Borehole completed	4,000,000	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Kinaini water project	DedanKimathi	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation	100% completion of planned works	water project completed	3,000,000	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Njengu Nyaribo water project	Kiganjo Mathari	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation	100% completion of planned works	Water project completed	1,500,000	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Wakiundu water project	Mahiga	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation	100% completion of planned works	water project completed	1,500,000	county	2022/ 23	Water, Irrigation, Environment and Climate Change
ltiati Borehole	Karatina	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation	100% completion of planned works	Borehole completed	621,000	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Giakagina borehole	Magutu	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation	100% completion of planned works	Borehole completed	356,769	county	2022/ 23	Water, Irrigation, Environment and Climate Change

Project/ programme Name Title	Location of the Project	Objective	Target	Key Output	Estimated Budget	Source of Funds	Time Frame	Implementing Agency
Gathathi-ini dam	Thegu	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation	100% completion of planned works	Dam completed	3,000,000	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Sagana irrigation project	Ruguru	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation	100% completion of planned works	irrigation project completed	6,449,631	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Mwea B Water project	Gakawa	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation	100% completion of planned works	water project completed	2,000,000	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Endarasha intake water projects.	Magutu ward	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation	100% completion of planned works	Water project completed	8,000,000	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Water service providers - supply of water	Mukurwe-ini ,	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation	100% completion of planned works	Water project completed	3,500,000	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Simbara Kamatongu water project	Mweiga	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation	100% completion of planned works	Water project completed	3,000,000	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Kirimukuyu projects	Kirimukuyu	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation	100% completion of planned works	Water project completed	1,000,000	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Water service providers - supply of water	Karatina , kirimukuyu	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation	100% completion of planned works	Water project completed	3,500,000	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Water service providers - supply of water	Mweiga and Baraka in Thegu	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation	100% completion of planned works	Water project completed	13,000,000	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Development Energy Saving Jikos	County	To enhance climate change mitigation and adaptation measures	Procurement and supply of energy saving jikos	Energy saving Jikos supplied and delivered	3,000,000	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Preparation of one PFMP- mapping of the forest area, public participation and drafting of PFMP	County	To promote the sustainable use and management of forest resources	PFMP report	PFMP report Completed	2,500,000	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Promotion of environmental management through celebration of environmental days	County	To promote sustainable use and management of the environment	Celebration of environmental days	Environmental days celebrated	1,000,000	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Purchase of tree seeds and seedlings	County	To promote the sustainable use and management of forest resources	Purchase of tree seeds and seedlings	Seedlings purchased and delivered	2,000,000	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Purchase of tree seeds and seedlings	County	To promote the sustainable use and management of forest resources	Purchase of tree seeds and seedlings	Seedlings purchased and delivered	500,000	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Purchase of tree seeds and seedlingIs	County	To promote the sustainable use and management of forest resources	Purchase of tree seeds and seedlings	Seedlings purchased and delivered	500,000	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Environmental and Social Impact Assessments	County	To promote sustainable use and management of the environment	Environmental and Social Impact Assessments Reports	Environmental and Social Impact Assessments condcted and Reports prepared	3,300,000	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Capacity building	County	To enhance climate change mitigation and adaptation measures	Conduct capacity building		22,000,000	county	2022/ 23	Water, Irrigation, Environment and Climate Change

Project/ programme Name Title	Location of the Project	Objective	Target	Key Output	Estimated Budget	Source of Funds	Time Frame	Implementing Agency
Kihuyo Water Project	Kiganjo Mathari	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation	100% completion of planned works	Water projectt completed	775,400	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Gaithuri project	Dedan Kimathi	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation	100% completion of planned works	Water projectt completed	580,035	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Titie treatment work	Wamagana ward	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation	100% completion of planned works	treatment works completed	2,921,415	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Naromoru Treatment	Naromoru kiamathaga	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation	100% completion of planned works	treatment works completed	2,770,660	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Giakagina Borehole	Magutu	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation	100% completion of planned works	Borehole completed	2,643,231	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Ragati Ebenezer borehole	Gakawa	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation	100% completion of planned works	Borehole completed	600,000	county	2022/ 23	Water, Irrigation, Environment and Climate Change
New City Spring	Mugunda	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation	100% completion of planned works	Water project completed	2,000,000	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Gathogorero pipeline	Kirimukuyu	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation	100% completion of planned works	Pipeling completed	48,735	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Kamatongu Water project	Mweiga	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation	100% completion of planned works	Water projectt completed	2,973,190	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Ngonde Water Project	Thegu River	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation	100% completion of planned works	Water project completed	295,500	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Supply and delivery of plastic tanks for mukurweini central	Mukurwe-ini Central	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation	Procure and deliver tanks	Water tanks completed	1,940,030	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Giakagina,Ndimaini and Gakuyu boeholes (Hydrologist carrying out survey and environmental impact assessment for Giakagina in mathira East)	Magutu and Konyu	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation	100% completion of planned works	Survey and EIA completed	465,000	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Mahiga Cattle Dip Area	Endarasha/ Mwiyogo	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation			1,983,220	county	2022/ 23	Water, Irrigation, Environment and Climate Change
Construction of bluevalley fence	county	Extension of sustainable water supply for domestic, livestock, irrigation, and sanitation			4,916,129	county	2022/ 23	Water, Irrigation, Environment and Climate Change

Project/ programme Name Title	Location of the Project	Objective	Target	Key Output	Estimated Budget	Source of Funds	Time Frame	Implementing Agency
Maintenance of Githima Phase II Road	Mahiga	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Road completed	3,398,081	County	2022/ 23	Transport, Public Works, Infrastructure and Energy
Grading and Gravelling of Hotsun Rigaga Road	Gakawa	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Road completed	2,158,586	County	2022/ 23	Transport, Public Works, Infrastructure and Energy
Upgrading of Gathanje Munanda- ini Road	Chinga	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Road completed	1,701,894	County	2022/ 23	Transport, Public Works, Infrastructure and Energy
Maintenance of Maria-Lower Gichira road	Aguthi- Gaaki	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Road completed	999,198	KRB	2022/ 23	Transport, Public Works, Infrastructure and Energy
Upgrading of Mbari ya Hiti road	Karima	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Road completed	3,621,138	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Kangaita- Kiamwathanji	Aguthii Gaaki	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Road completed	1,676,336	KRB	2022/ 23	Transport, Public Works, Infrastructure and Energy
Muite Karoro Road, Wahongo Gura Road	Mukurwe-Ini West	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Road completed	1,966,607	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Bush Clearing of Various Access Road	Mukurwe-Ini West	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Bush clearing completed	400,000	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Kianyaga -Kamuyu	Mukurwe-Ini West	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Road completed	3,997,744	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Kiamwathi-Nyeri	Rware	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Drainage completed	15,354,920	KRB	2022/ 23	Transport, Public Works, Infrastructure and Energy
Upgrading of Storm Water Drainage at Ruring'u Meeting Point	Ruring'u	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Road completed	7,779,134	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Maganjo – Kiahungu	Mukurwe-Ini Central	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Road completed	2,506,030	KRB	2022/ 23	Transport, Public Works, Infrastructure and Energy
Upgrading Of Karifi- Munyange And Munyange Secondary A Road	Othaya	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Road completed	2,205,311	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Grading And Gravelling Of Ciagumba Irima Road, Grading And Gravelling Of Kagicha Thwani Road	Chinga	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Road completed	3,133,726	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Grading And Gravelling Of Chief Mwangi Kiabari Road And Warugongo And Gatangini Forest Road	Gatarakwa	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Road completed	4,699,131	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Grading And Gravelling Of Kwa Njogu Karemenu Road And Ramulia Ihingo Inya	Mugunda	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Road completed	4,934,727	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy

Project/ programme Name Title	Location of the Project	Objective	Target	Key Output	Estimated Budget	Source of Funds	Time Frame	Implementing Agency
Grading And Gravelling Of Kariokor,Steve Wandeto,Kambi Roads And Kiambiriria Roads	Narumoru Kiamathag a	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Road completed	4,739,238	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Grading And Gravelling Of Equator White House,Kiambiriria Roads And Pastor Mutitu,Warachael Bishop Roads	Gakawa	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Road completed	4,563,208	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Grading And Gravelling Of Kahara Road	Konyu	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Road completed	4,979,979	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Grading And Gravelling Of Kanyuira Mbuda, Ndumaini Road	Karatina	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Road completed	1,01 <i>5</i> ,386	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Grading And Gravelling Of Itundu Gachuguina Road	lriaini Mathira	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Road completed	3,040,000	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Grading And Gravelling Of Kaigonde Sec. School Road - 1.5 Km	Aguthi/ Gaaki	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Road completed	2,399,655	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Grading And Gravelling Of Full Gospel, Gatumbiro Pry Road, Wandumbi Junction Road And Nyakahiti Road	Dedan Kimathi	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Road completed	2,334,967	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Upgrading Of Gathambari Kianwe Road	Chinga	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Road completed	2,713,217	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Upgrading Of Kwa Muraya Kiirini Road ,Ndovi Road,Kianjamba Road ,Chief Ruruguti And Kanyange Road	Iriani Othaya	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Road completed	2,960,105	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Upgrading Of Jericho Road	Mukurweini West	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Road completed	948,042	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Upgrading Of Kimondo Road	Mukurweini Central	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Road completed	1,949,044	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Construction Of Lusoi Culvert Bridges	Thegu River	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Culvert Bridges Completed	2,844,600	County	2022/ 23	Transport, Public Works, Infrastructure and Energy
Kianjiru Footbridge Construction	Wamagan a	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Kianjiru Footbridge completed	1,502,764	County	2022/ 23	Transport, Public Works, Infrastructure and Energy
Chania Footbridge Construction	Dedan Kimathi	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Chania footbridge completed	3,949,746	County	2022/ 23	Transport, Public Works, Infrastructure and Energy
Ha Mukira Bridge Construction	Chinga	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Bridge completed	4,498,894	County	2022/ 23	Transport, Public Works, Infrastructure and Energy
Street Light Installation At Jambo And Gatura Shopping Centre	lriani Mathira Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	1,979,192	County	2022/ 23	Transport, Public Works, Infrastructure and Energy

Project/ programme Name Title	Location of the Project	Objective	Target	Key Output	Estimated Budget	Source of Funds	Time Frame	Implementing Agency
Upgrading of power server room amd replacement of backup sytems at town hall	County Wide	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Server room upgraded and backup system installed	1,637,600	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Ihururu Town Feed Roads Extension Street Lights Installation	Dedan Kimathi Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	4,699,368	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Repair Of Street Lights At Karundas	Thegu Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	1,448,144	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Wamagana Area Stand Alones	Wamagan a Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stand-alone lights installed	3,961,632	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Karangia Street Lights	Wamagan a Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	4,952,504	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Hithe, Kiromo, Mbaaini, Kihora, Karangia,Mathakwan i,Gwa Chief Wamagana Field, Hubuini, Kaiguri Kiandu Street Liahts	Wamagan a Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	3,715,248	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Karia Nderi Memorial	Ruring'u Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	3,220,937	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Stand Alone At Kigoka "Mutoigu And Karachuni Street Lights	Ruringu Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	2,723,135	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Mihutii Kiraniro Street Lights	Rugi Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	1,948,104	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Street Lights At Kirachiini	Mahiga Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	4,211,206	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
ltiati And Mathaithi, Rafina Road, Jamaica,Mathua Road And Sergon Stand Alone Street Lights	Karatina Town Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	1,879,200	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Street Lights At Kirathimo Pcea	Kabaru Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	1,944,160	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Street Lights At Chorongi, Kiamunyi	Ruringu Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	2,897,448	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Installation Of Solar Street Lightsat Njuguna Kairu Extension, Ark Junction & Tree Tops	Mweiga Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	1,478,640	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Installation Of Street Lights At Kirurumi, Nyamakuyu	Dedan Kimathi Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	1,964,112	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Proposed Installation Of Ihururu Town Extension-Dedan Kimathi Ward	Dedan Kimathi Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	2,700,596	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy

Project/ programme Name Title	Location of the Project	Objective	Target	Key Output	Estimated Budget	Source of Funds	Time Frame	Implementing Agency
Installation Of Street Lights Atmunungaini, Mumbuini Extension And Kibaara Whispers	Kamakwa Mukaro Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	3,938,200	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Installation Of Street Lights At Karindundu And Grand Kago	Karatina Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	995,326.40	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Installation Of Street Lights At Wakamata, Ngaini And Ruthagati	Karatina Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	1,229,600	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Connection Of 7no Highmasts At Ngaini/Ruthagati/Th aithi/Gatiko- Kirimukuyu Ward	Karatina Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	429,548	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Installation Of Street Lights At Miiri, Kariki, Kagotha	lriani Mathari Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	1,932,746	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Installation Of Street Lights At Gamerock Extension, Berry's Field, Vera Extension Kahawa Campus	Kiganjo Mathari Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	2,258,868	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Street Lights At Ruringu Gachamengo Village	Ruringu Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	1,723,992	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Installation Of Street Lights At Various Junctions	Mahiga Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	1,238,300	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Installation Of Street Lights At Kiamucheru, Kihuri, Kagochi And Ngurweini	Magutu Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	990,640	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Installation Of Street Lights At Gamerock, Ha Mwenji, Kiganjo Shopping Center	Kiganjo Mathari Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	988,320	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Installation Of Street Lights At Kahawa Ridge	Wamagan a Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	989,248	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Installation Of Street Lights At Mutatha Shopping Center Extension	Ruguru Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	3,569,088	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Installation Of Street Lights At Kigogoini, Huhoini And Karunaini Area	Dedan Kimathi Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	3,707,070	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Installation Of Street Lights At Mukurweini Mortuary Behind Equity Stage	Mukurweini Central Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	990,640	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Dedan Kimathi Highmast	Dedan Kimathi	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Highmast installed	1,964,112	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Installation Of Streetlights At Chinga Dam,Iganjo,Kianguru	Chinga Dam	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	2,299,097	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Kangaita Stage,Hanjoro Kiaigi & Kiahiti Market Streetlights	Aguthi Gaaki	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	987,160	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy

Project/ programme Name Title	Location of the Project	Objective	Target	Key Output	Estimated Budget	Source of Funds	Time Frame	Implementing Agency
Installation Of Street Lights At Gachuiro, Karingaini To Gitathini Up To Ha Mathew Shop	Kamakwa Mukaro	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	3,398,679	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Installation Of Solar Street Lights	Rware	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	1,046,784	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Installation Of 20m Highmast At Dedan Kimathi	Dedan Kimathi	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	17,723,697	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Installation Of Streetlight At Kagonye Mutaga	Mahiga Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	728,074	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Installation Of Street Light At Kagere Munyange Gikoe	Mahiga Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	728,074	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Installation Of Streetlight At Narumuro Hospital	Narumoru /Kimathag a	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	784,895	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Services Of 150 Kva Generator At Governor's Office	Rware Ward	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Generator serviced	242,765	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Installation of street lights County Wide		To provide reliable, affordable, and sustainable energy	100% completion of planned works	Stretlights installed	37,300,000	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Transformer connectivity	Dedan Kimathi and Kirimukuyu	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Transformer connected	8,000,000	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Installation of Biogas	Aguthi Gaaki	To provide reliable, affordable, and sustainable energy	100% completion of planned works	Biogas installed	5,000,000	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Refurbishment of office building	Rware	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Building refurbished	3,000,000	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Installation of Culvert at Gathungu Kiagi and Huho-ini	Aguthii Gaaki	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Culvert installed	327,127	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Emergency Maintenance Works of Road At Gakawa Near PCEA Kimuri Church	Gakawa	To develop a sustainable and climate resilient infrastructure and transport network	100% completion of planned works	Road maintenance works completed	1,614,652	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Supply of f electrical items for maintenance		To provide reliable, affordable, and sustainable energy	Procurement of electrical items	Eelctrical maintenance items supplied	4,915,000.0 0	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
County Electrcity bills		To provide reliable, affordable, and sustainable energy	Payment of electricity bills	Electrcity bills paid	80,000,000	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy
Maintenance of machinery/ Fuel		To develop a sustainable and climate resilient infrastructure and transport network	Procurement of fuel and maintenance of machinery	Fuel procured and machinery maintained	30,000,000	CGN	2022/ 23	Transport, Public Works, Infrastructure and Energy

ANNEX 2: NEW PROJECT PROPOSALS

Office of the Governor & Deputy Governor

Project Name	Location/	Target	Description of activities	Estimated	Source of	Timeframe	Implementing
	ward			Cost(Ksh.)	funds		Department/ Agency
Official Residence			Construction of the Governor's Official Residence in line with the SRC requirement	26,000,000	CGN	2023/24	Office of the Governor & Deputy Governor
