FOREWORD

Annual estimates for financial year 2023/2024 have been prepared in line with chapter 12 and Article 220 (2) of the Constitution of Kenya, 2010, section 129 of the public finance management act 2012 and Part IV of the Public Finance Management Regulation 2015.

These estimates are guided by public inputs during the 3rd County Integrated Development Plan, the annual development plan, the County fiscal strategy paper and the annual estimates public participation forums held on diverse dates from October 2022 to April 2023. The county government is focused towards realising the fiscal responsibilities enshrined in the Section 107 of Public Finance Management Act, 2012 and Section 25 of the Public Finance Management (County Governments)

The following objectives will be achieved through implementation of these estimates' objectives:

- a) Improving access to quality and affordable healthcare through investing in medical equipment, upgrading of the county hospitals, enhancing and decentralizing referral and emergency response systems.
- b) Improve agricultural productivity through provision of extension services and supply of subsidized farm inputs in agriculture, livestock and fisheries, promoting modern technologies to increase food production and supporting development of cottage industries for processing and value additions to agriculture produce.
- c) Enhance ECDE and vocational training through establishing, constructing and upgrading of learning and training centers; provision of teaching/learning material and improve the management of bursaries/scholarship award.
- d) Enhancing trade by providing investors with business enabling environment.
- e) Improving the road infrastructure to enhance access to markets, farms and other facilities.
- f) Create an enabling environment for the provision of adequate safe water and sanitation services in a sustainable natural environment.

To realise a fiscal balance as envisioned in the 2023 county fiscal strategy paper (CFSP), the county government shall continue to enhance collection of the targeted own source revenue in addition to prudent utilization of other financial resources from the equitable share and conditional grants.

Samuel Wachira
County Executive Committee Member
Finance, Economic Planning and County Development

ACKNOWLEDGEMENTS

These annual estimates have been prepared in accordance with the Constitution of Kenya, 2010 and the Public Finance Management Act; 2012.

I acknowledge the continued technical and budgetary support from the National Government through the National Treasury and other esteemed stakeholders.

I acknowledge the leadership and guidance from H.E the Governor, the Deputy Governor, the Executive committee in coming up with these estimates. I also recognise the Hon. Speaker and the Laikipia County Assembly Budget Committee for their inputs towards completion of the annual estimates.

I appreciate the efforts of the County Executive Committee Members led by the Executive Member for Finance and Economic Planning and head of County Treasury for providing the necessary guidance and support. I also thank County Government departments and agencies through their respective Chief Officers and CEOs for providing necessary leadership, information and technical assistance during preparation of the budget estimates.

I finally wish to thank the technical staff and specifically the budget, planning and the public participation team for their tireless efforts in guiding the departments and consolidating these supplementary estimates.

Daniel Ngumi
Chief Officer, Finance and Economic Planning

EXECUTIVE SUMMARY

The Annual Estimates for Financial Year 2023/2024 have been prepared in line with the Constitution of Kenya, 2010, Chapter 12 and Article 220 (2), Public Finance Management Act, 2012, Section 129, and Part IV Public Finance Management (County Government) Regulations, 2015. The estimates have adopted a programme-based approach anchored on the County's vision of "An inclusive County with Sustainable quality life" with a focus on improving access to quality and affordable healthcare, increasing agricultural productivity, enhancing industrial capacity and access to ECDE and vocational training as espoused the Third Generation County Integrated Development Plan (CIDP) 2023-2027 and the Annual Development Plan (ADP) 2023/2024.

Chapter one provides a summary of expected county resources (revenues) and overall expenditures under each category. In addition, it covers the sector ceilings/allocations 2023-2024, transfers to County semi-autonomous entities and list of entities guiding appropriation of funds. During the FY 2023/2024, the County expects to receive total revenue (exclusive of grants) of KShs 6,833,246,532 comprising of Equitable share of KShs 5,358,246,532 and, KShs 1,475,000,000 in Own Source Revenue (OSR). The OSR comprises of revenue from local sources (KShs 842,500,000), vocational training centres (KShs 30,000,000) and Hospital revenue of (KShs 602,500,000). Major spending departments being Health, Finance, county administration, Education and Infrastructure at 38.7 %, 13.9 %, 11.9 %, 7.6 % and 7.3% respectively.

The total recurrent expenditures stand at KShs 4,664,366,532 (comprising of KShs 1,417,748,661 as ordinary recurrent and KShs 3,246,617,871 for salaries) while the development expenditures stand at KShs 2,168,880,000 representing 68 % and 32 % respectively. Expected grants amount to kshs, 538,154,389, this includes the non-receivable KShs 124,723,404 for leasing of medical equipment.

Chapter Two provides details of sector vision, mission, and performance overview, major services offered, program objectives, the sector allocations for development and recurrent activities under programmes and sub programs, programme outputs and performance indicators of the following county sectors: Public Service, County Administration, and ICT; Finance, Economic Planning and County Development ; Laikipia Health Service; Agriculture, Livestock, Irrigation and Fisheries Development; Lands, Housing and Urban Development; Education and Social Services; Trade, Tourism and Co-operative Development; Water Environment and Natural Resources; and the semi-autonomous county entities which are: County Public Service Board; Laikipia County Revenue Board; Laikipia County Development Authority; Laikipia Health Services, Nanyuki; Laikipia Health Services, Nyahururu; Vocational Training Centres, Rumuruti Municipality; Nanyuki Municipality and Emergency Fund. This is cognisant of the County Government organisation structure that is geared towards effective service delivery.

Chapter Three provides details of sector programmes, sub-programmes, projects, project location and the amounts allocated for each project. It provides the basis of programme monitoring and evaluation in addition to budget tracking.

VOTE TITLE: INFRASTRUCTURE AND PUBLIC WORKS

A. Vision: ‘To be the leading sector in the realization of the highest quality of infrastructure and sustainable human settlement for socio-economic development.’

B. Mission: ‘To maintain good road network, optimal land resource use and provide infrastructural facilities for sustainable environmental and socio-economic development’

Sector Goals:

- Increase the kilometres of motor-able roads
- Provide an approved county spatial plan
- Provide an approved county valuation roll
- Upgrade local centres to smart town status
- Facilitate titling process/land ownership document
- Enhance use of renewable energy

C. Performance Overview and Background for Programme(s) Funding

The sector was allocated KShs.10,536,000 for recurrent expenditure and KShs.235,000,000 for development expenditure in the 2022/23 supplementary budget. In the financial year 2022/2023 the department has achieved the following;

- 500 km and 120 km of road have been graded and gravelled respectively across all wards
- Opening of new roads and maintaining of existing ones
- Construction of 100 lines of new culverts

D. Major Services/Outputs to be provided in MTEF period /2022/23-24/25

In FY 2023/2024, the department will focus mainly on;

- Land use on planning services
- Mining exploration
- Affordable housing
- Street light development and maintenance
- Road network improvement
- Acquisition of road construction machinery
- Operationalization of leased and county owned equipment
- Urban roads maintenance

Programme Objectives/Overall Outcome

Programme	Sub Programmes	Strategic objective	Expected Outcome	Expected Impact
Headquarters	Administration Services	To improve coordination, administration and operations	Well-Coordinated, Timely, Efficient and professional service delivery	Satisfied public clientele and proper resource utilization thus increased labour productivity
	Personnel Services			
Land and Physical Planning	Land Management Services	To have a well-planned and sustainable human settlement with security of tenure	Increased number of land owners with ownership document, have approved PDPS and RIMS	Elimination of land fraudulent activities and disputes and encourage physical investment
	Survey and Planning Services			
	Strategic project monitoring and interventions	To track, review, and report on project performance.		
	Environment and Natural resources	To protect and preserve the flora and fauna to main the balance in the ecosystem.	Increased protection of natural resources	
Housing and Urban Development	Housing Improvement	Provide quality affordable housing and sustainable urban settlements	Establishment of smart towns and affordable housing	Improved business environment and encourage
