SESSIONAL PAPER NO. 10 OF 1979

(Report of the Standing
Orders Review Committee)

INTRODUCTION

1. This Select Committee was appointed by Resolution of the National Assembly dated 21st March, 1979 to review the Standing Orders.
2. The membership of this Committee is as follows:-
 - The Hon. F.M.G. Mati, M.P. (Chairman)
 - The Hon. G.N. Kalya, M.P.
 - The Hon. M. Kubo, M.P.
 - The Hon. Dr. F.S. Masinde, M.P.
 - The Hon. K.B. Mwamzandi, M.P.
 - The Hon. J. Nyamweya, M.P.
 - The Hon. I.E. Omolo-Okeru, M.P.
 - The Hon. J.C.N. Osogo, M.P.
 - The Hon. C.W. Rubia, M.P.
3. Up to the date of this Report there have been Five Meetings of the Committee.
4. The Committee has considered, in addition to suggestions from its own Members, a Report (Sessional Paper No. 7 of 1974) of one of its predecessors.
5. The amendments of Standing Orders which the Committee recommends are set out in the First Schedule hereto. The minutes of proceedings are contained in the Second Schedule.

6. During the course of its deliberations, the Committee inevitably touched upon matters relating to the operation of the National Assembly Department; hence the necessity for the succeeding paragraphs.
7. To facilitate effective and meaningful implementation of these recommendations, especially with regard to the committee system, and to ensure that the Legislature plays its full part in the complex process of social engineering in a modern state, it is imperative, and indeed a pre-condition, that the Clerk's Department be reorganized and revitalized as a matter of urgency. The Committee particularly notes with concern the feckless and protracted attempts to rationalize the emoluments of parliamentary officers; lack of career structure or scheme of service; inadequate administrative personnel; declining staff morale; and the consequent unsatisfactory administrative services.

The Committee therefore strongly joins hands with the Public Accounts Committee in recommending that the necessary steps to restructure and strengthen this Department as an autonomous institution be taken forthwith. Also to be constantly kept in view is the specialized and unique nature of the staff's functions and the fact that the body which they serve is the supreme legislative body in the Nation and the ultimate repository of the sovereign power which exists in all systems of orderly government. The need for the permanence of their career and recognition of their status cannot be overemphasized.

In the past, the idea of autonomy has apparently been misconceived or deliberately distorted. The term in the present context does not mean secession (with all its connotations!).

On the contrary, experience elsewhere proves conclusively that administrative autonomy in parliamentary parlance is synonymous with efficiency, resourcefulness and durability of parliamentary institutions. It means, in practice, harmonious collaboration with the other organs of State, that is to say, the Executive and the Judiciary.

The survival and dignity of this august body, our Temple of Democracy, lies mostly in the hands of the Honourable Members themselves. Ministers and back-benchers must never forget that they are part and parcel of the institution of parliament. They must ensure that their conduct does not, directly or indirectly, sap the pedestal on which they stand.

The Committee feels that the time is now ripe for changing to electronic voting, and recommends that steps towards this end be initiated. This innovation will ensure expeditious transaction of parliamentary business.

Finally, I wish to thank Members of the Committee and all those who contributed to its work.

Dated this 9th day of May, 1979.

F.M.G. Mati
(Chairman)
