ALL INQUIRIES ABOUT THIS ANNUAL DEVELOPMENT PLAN FOR FY 2019/2020 SHOULD BE ADDRESSED TO: CHIEF OFFICER, FINANCE AND ECONOMIC PLANNING

FOREWORD

The year 2018/19 was an exciting one for the County Government of Bungoma, with the various Departments and Agencies building on past strengths, while driving for change in line with the medium-term programme framework (MTPF) 2018–2022 and its management objective of integration and scale-up. As we embark on the implementation of planned programs, projects and initiatives for FY 2019/20, we shall strive to maintain the same momentum.

Despite the progress, we recognize that a substantial portion of our people are living in extreme poverty and where even more are affected by the adverse effects of climate change. Through this Annual Development Plan for 2020/21, we seek to create the tools and partnerships and step up efforts to attain the ambitious Goals of the 2030 Agenda for Sustainable Development.

As mandated by the Constitution, we are improving our services to further increase the impact of our interventions to reduce poverty and inequality, while safeguarding the environment. With the introduction of "strengthening knowledge and institutions" as a new strategic priority of the MTPF, the County is prioritizing an enabling outcome central to the achievement of sustainable development across the spectrum of all relevant actors. The systematic integration of policy advisory, normative and convening services in technical cooperation programmes is expected to help the County achieve a higher impact of its interventions. The new management objective also requires the best use of capacities and prioritization to scale up the development impact of resources.

With the strong financial and political support from the National Government and our partners, we remain committed to efficiency, effectiveness, results-orientation and transparency. Overall, I am pleased to note that the County Treasury is on a steady path of transformation, moving towards becoming an Organization that maximizes the impact of its operations. Conscious of the need to strengthen service delivery systems and enhance development cooperation, we support H.E The Governor's ambition for reform and his efforts to address the three dimensions of sustainable development in a balanced manner.

The in-depth review of the implementation of the Sustainable Development Goals (SDGs) contained in this annual plan to which the County Executive Committee members contributed substantively, remains important for the linking of our plans to annual budgets. Making use of its convening function, the County Treasury continues to advocate for structural transformation and sustainable development that leaves no one or groups behind. In using participatory approaches to planning, where the views and needs of different stakeholders are considered, we take cognizance of the potential that exists in having a strong empowered society that contributes to quality lives through enhanced productivity and collective wellbeing.

ESTHER N. WAMALWA

COUNTY EXECUTIVE COMMITTEE MEMBER, FINANCE AND ECONOMIC PLANNING

ACKNOWLEDGEMENT

The 2030 Agenda for Sustainable Development recognizes the critical role of inclusive and sustainable development (ISD) and the contribution of the County Government and its partners in achieving the Sustainable Development Goals (SDGs) more clearly than ever before.

Several stakeholders and institutions played critical roles in the formulation of this Annual Development Plan for FY 2020/2021. We fully appreciate the policy direction provided by H.E Governor Wycliffe Wangamati and the entire County Executive Committee members that shaped the programmes and projects contained in this plan.

Further, we thank all the Accounting Officers for providing technical support to their respective sector personnel in narrowing down to development priorities guided by the principles of affordability, strict prioritization and sustainability.

We recognize the input of our technical and PFM staff for providing information and projections that form the bulk of the contents of this plan.

Members of the public and Civil Society Organizations that participated in the deliberations leading to this final product are greatly appreciated. God Bless you all.

CPA CHRISPINUS BARASA,
CHIEF OFFICER, FINANCE AND ECONOMIC PLANNING

EXECUTIVE SUMMARY

In terms of Schedule 4 of the Constitution, County Planning is competence that must be executed to protect human and environmental health. The statutory obligation of county planning is framed by Section 126 of the Public Financial Management Act, 2012.

The Plan recognizes that development occurs either through processes where people, business or industrial entities are coordinated or involved to attain certain goals or objectives and are able to control the outcome. The development processes must be managed through various approaches that will ensure a safe, healthy and a sustainable environment to ensure that the rights of individuals are protected, as enshrined in the Constitution.

The ADP for 2020/21 builds on the on-going high-level events that emphasize the relevance of local economic development, employment and social stability. The County continues to contribute on the global level by sharing its knowledge and expertise at a range of important events, by bringing together relevant stakeholders and serving as a platform of discussion, and by publishing statistics and other knowledge products to advance ISD.

In executing its mandate, the county commits to work closely with its partners within the region and beyond, to contribute to multilateral solutions for the complex challenges of today.

This Plan comprises a one-year extract of the five-year County Integrated Development Plan (CIDP II). The ADP serves as a basis for development of the county annual budget and guides the budget making process for the next financial year, thus serving as a mini budget that is produced earlier in the budget making process. The ADP 2020/21 contains the information as outlined in the foregoing analysis;

a) Medium term priorities for the county and whether they are linked to the County Integrated development plan (CIDP)

The ADP 2020/21 informs county budgets based on programs prepared in medium term structure that is, 3-5 year. The plan details medium term priorities that are to be achieved over that period, that mirror those in the CIDP.

b) County government programmes with performance indicators or targets The ADP 2020/21 covers priorities under programmes in the same format as the County's programme Based Budget (PBB). The Plan is comprehensive enough and captures priority programmes that are to be funded by the County government inclusive of both recurrent and development expenditure while highlighting a set of performance indicators and targets that are essential for Monitoring, Evaluation and Reporting.

c) Descriptions of major capital projects

The Plan highlights all Capital projects and long term investments that require large amounts of money to build, add or improve, including details of their locations, completion timelines and the proposed costs.

d) Explanations for changes made in major projects or programmes in the CIDP

The Plan takes cognizance that due to given emergencies, public input or issues in implementation, the County Executive might be forced to make changes to programmes or projects in the CIDP. This is done in the plan through simple narratives that are explanatory hence making it easy for the public and the County Assembly to understand the decision to make changes.

e) An overall budget and the estimated costs for major projects and programmes

As per the provisions of the Public Finance Management Act (PFMA), 2012, this ADP contains an overall summary budget for the whole county for FY 2020/21. Based on the priorities, the summary budget has indicative allocations for each programme, project or initiative as the case may be.

CHAPTER ONE: INTRODUCTION

1.1 Overview of the County

Bungoma County is approximately 3032.4km² comprising mainly 9 sub-counties: Kanduyi, Kabuchai, Sirisia, Kimilili, Bumula, Mt Elgon, Webuye West, Webuye East and Tongaren.

Table 1: Details the general information of Bungoma County.

1.2 Brief overview of the County

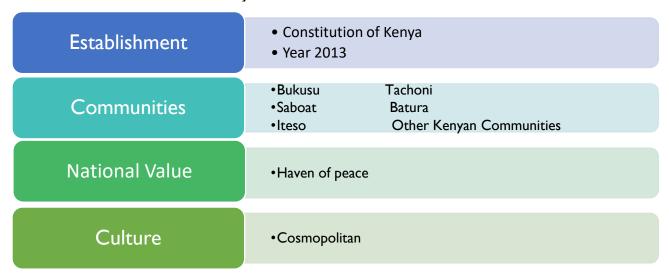

Table 2: Bungoma County at a Glance

S/No	Theme	Description
1.	Geography	Within the Lake Victoria Basin, with an altitude range of 1200 metres to 4321 metres above sea level
2.	Area	3032.4 km ²
3.	Population	Male (883,475), Female (925,835)
4.	Climate	Experiences two rainy seasons, the long rains - March to July and short rains-August to October. The annual rainfall - 400mm (lowest) to 1,800mm (highest). The annual temperature - 0°c and 32°c due to different levels of attitude
5.	Key national resources	Mt Elgon Forest Reserve
6.	Key National trunk roads	A104 (webuye- malaba), A1 (webuye-kitale-lokichogio)
7-	Constituencies	9 (Kanduyi, Bumula, Sirisia, Kabuchai, Mt.Elgon, Webuye East, Webuye West, Tongaren and Kimilili)
8.	No. of Wards	45
9.	No. of Village units	236
10	County Economy	Dominated by micro and small low value businesses
11.	Agriculture and Food security	Overdependence on rain-fed subsistence agriculture
12	Health and wellbeing	Variability in health services capacity, readiness and availability of essential package of services in the County health facilities.
13	Education and skills	Focus of the county is on ECD and Vocational Training Centers.
14	Housing and Urban development	Predominantly semi-permanent with corrugated roofs, mud walls and earthen floors
15	Enablers- Roads and Transport, Financial Services, ICT	Road network is mostly earth surface with weather related consequences
16	Security and safety	Mostly offered by Administration Police at Sub-county headquarters and Chiefs' Centres

17	Natural	resources	and	Land, water and bio-diversity resources damaged by unsustainable farming
	water			practices

1.3 Annual Development Plan Linkage with CIDP and the Annual Budget

1.3.1 THE CIDP 2018 - 2022

As stipulated by Article 220 (2) of the Constitution, "Integrated Development Planning" will govern the preparation of national annual budgets and those of the counties and that no public funds will be appropriated without a planning framework as stipulated in the County Government Act (Sections 102 and 104 (1) of the County Government Act, 2012) and PFMA 2012.

1.3.2 The Annual Development Plan 2020/21

Section 126(3) of the PFMA 2012 provides for the preparation of the ADP to guide the County Budget making process for any given FY. The ADP is an extract from the five year CIDP and focusses on programmes, projects and initiatives to be implemented in one FY.

1.3.3 The Annual Budget 2020/21

The annual budget is a financing framework for programmes contained in the CIDP and ADP agreed upon by the executive and the County Assembly to be implemented in any FY.

1.3.4 The Linkages

All the three documents define the policy of the county government in addressing the felt needs of the people. The response of the government to the needs of the people is through:

- i. Planning (policy documents, strategies, Long/Short term plans);
- ii. Legislation (Bills, Regulations, Proclamations, Contracts, legal opinions, Acts);
- iii. Appropriation (Annual Work plans and Budgets)
- iv. Service delivery and performance reviews (procurement, supply of goods/services/works, service delivery charters, National/County functions)

Note that integrated development concerns all the four response areas since it touches on Economic, Social, Environmental, Legal, Spatial, and Institutional aspects of development. The three documents contribute to addressing development issues contained in these dimensions of development by having;

- ✓ Clearly defined programmes (as in CIDP, ADP AND PBB)
- ✓ Implementation strategies
- ✓ Outputs and outcomes
- ✓ Targets
- ✓ Performance indicators as means of verification
- ✓ Cost estimates

1.4 Preparation process of the Annual Development Plan

The ADP was prepared through Sector Wide participatory processes following a circular issued by the CECM – Finance and Economic Planning in the Month of July, 2019.

Each County Department and Agency scheduled both technical staff and stakeholder sessions to agree on the key development priorities and strategies for inclusion in the plan. Data and information was sourced from County MDAs internal processes and methods, including making reference to the National Vision 2030 and the Third Medium Term Plan. The primary reference document however, was the County Integrated Development Plan 2018 – 2022.

The process of preparing the ADP involved a review of the performance of the previous ADP for each County Department and Agency, followed by prioritization of programmes that worked well in terms of results framework, and a re-thinking of those that fared poorly. In general, the MDAs followed the ADP formulation guidelines that were contained in the Circular referred to earlier.

CHAPTER TWO: REVIEW OF THE IMPLEMENTATION OF THE PREVIOUS ADP

2.1 Introduction

This section provides a summary of what was planned and what was achieved by the specific county sector/sub sector. It also indicates the overall budget in the ADP versus the actual allocation and expenditures as per the sector/ sub-sector.

2.2 Sector/ Sub-sector Achievements in the Previous Financial Year

Energy, Infrastructure and ICT

Programme: Energy access and Investments

Objective: To promote Energy access and Investments

Outcome: Enhanced connectivity of affordable Energy and Industrialization

SDG 7, Target 7.1, 7.2, 7.3, 7a and 7b; SDG 8, Target 8.1, 8.2, 8.5, 8.6 and 8.9; SDG 9, Target 9.2, 9.3, 9.4, 9.5, 9b and 9c

Sub-	Key	Key Performance	Planned	Achieved	Remarks*
programme	Outputs	Indicators	Target	Targets	
Renewable energy management	Renewable energy provided	Number of solar power lights installed	70	О	The target was not achieved due to inadequate budgetary allocation
and development		Number of solar and high flood mast lights installed	10	10	The 10 high flood mast lights installed were funded by CEF funds within the ministry.
		Quantum (MGW) of investments in renewable energy, solar and biogas	200	О	The target was not achieved due to inadequate budgetary
		No. Of consultative meetings on renewable energy held	2	6	The County Government has had several consultative meetings with Virunga power Company with the intention of setting up 3 hydropower stations: middle Nzoia, Silt and Sossio hydro projects
		No. Of potential investors identified	1	1	The department identified Virunga power as potential investor
Connectivity to electricity in urban and rural	Connect electricity within the	No. Of households connected to power	1,000	0	The target was not achieved due to inadequate budgetary allocation
areas	county	No. Of businesses connected to power	70	О	The target was not achieved due to inadequate budgetary allocation

Sub-	Key	Key Performance	Planned	Achieved	Remarks*
programme	Outputs	Indicators	Target	Targets	
		No. Of educational institutions connected to power	100	3	The target was not achieved due to inadequate budgetary allocation. Friends school Kamusinga, Kamusinga Girls and Matulo FYM were among the schools with 20 street lights
		No. Of markets connected to power	10	49	Out of the 52 centres connected with power through KPLC programme, 49 were markets and 3 schools totalling to 493 lights(473 on the markets and 20 along the schools)
		No. Of health facilities connected to power	10	0	The target was not achieved due to inadequate budgetary allocation
		Number of floodlights maintained	15	15	The department has a total of 15 high flood mast lights out of which 7 are solar powered which are maintained despite of the inadequate funds.
MOUs in Energy	MOUs signed	No. Of MOUs signed with Rural Electrification Authority	1	o	Target was not achieved
		No. Of MOUs signed with KETRACO	1	0	Target was not achieved
		No. Of MOUs signed with KPLC	1	1	The department signed an MOU with KPLC to implement 823 street lights across all the wards.

Outcomes	Output Indicator	Unit of Measure	Baseline	Target at end of the CIDP period (example: Target 2022)	Target in review period (Target 2018)	Achievement	Remark
Increased population with access to clean water	Large piped water project constructed	No	О	1	1	1	The project; Terem-Kibabi WP funded by KOICA was a multi-year implementation projects
	Number of medium water project constructed	No		5	5	1	Target was not met due to inadequate budgetary allocation
	Number of small piped water project constructed	No	38	13	13	6	Target was not achieved
	Number of high yielding boreholes upgraded to solar power systems	No		50	10	1	Target was not achieved due to low budgetary allocation
	No of Community Empowerment fund projects constructed	No		-	-	74	CEF projects were implemented by the department.
Population with increased access to sewerage services	No of sewerage systems rehabilitated	No	0	-	-	1	The township sewer line under the CEF program was prioritized
Enhance forest cover	No of tree planted	No		5,000,000	1,000,000	500,000	The community greening service was a success with tree seedling being planted across all the 9 sub counties

2.3 Analysis of Capital projects of the Previous ADP

Provide a brief summary of what was achieved during the previous ADP. Details of the achievements should be provided as indicated in Annex 1 and 2.

Agriculture, Rural and Urban Development

Agriculture, Livestock and Fisheries

The following capital projects were implemented during the previous ADP period: Commencement of Works for the establishment of a milk processing plant in Webuye; Renovation Works at Mabanga ATC; Construction of a perimeter wall fence, a modern dairy and poultry unit at Mabanga ATC; Completion Works at Chwele Chicken Slaughter House; Construction of a coffee bean warehouse at Musese Coffee Milling Plant; Construction of a milk cooler house at Bumula FCS; and purchase of tractor implements.

Lands, Urban and Physical Planning

- Identify government land and survey
- Purchase of Geodetic machines
- Purchase of acres of land for Research Centre, Industrial Park, Tier one market,
 Pit stop and Agri-Business/ Trade Hub
- Register and resolve land disputes
- Constitute Town management committees
- Develop physical plans

Energy, Infrastructure and ICT

Health

The key achievements by the department of health and sanitation under infrastructural development are:

- Completion of Bumula theatre.
- Procurement of 4 ambulances- one by the county and the remaining with support from World Bank.
- Procurement of delivery bed.
- Launching the construction of 300 bed maternal and child unit at Bungoma County Referral Hospital and 100 bed maternal and child unit at Sirisia hospital.
- Completion of Kimaeti dispensary
- Completion of 8 CEF dispensaries Namusasi, Namatotoa, Nabukhisa, Siritanyi, Samoya, Lukhova, Ndengelwa and Myanga .
- Constructed 4 maternity wards at Kamuneru, Lurare, Lunakwe and Chepkitale dispensaries
- Constructed one male ward at Nasusi Nasusi dispensary.
- Completion of 4 door pit latrine at Khaoya and Kamasielo dispensary
- Construction of septic tank at Cheptais market.

The projects at 50% completion include:

- Construction and fencing of Kibingei Dispensary
- Construction of maternity wing at Mihuu dispensary
- Erection and completion of Mukuyuni dispensary and 2 door pit latrine
- Erection and completion of Eluuya dispensary and 2 door pit latrine
- Construction of 4 door it latrine at Kongoli and Sudi market

The projects at the walling stage include:

• Renovation /completion of male ward at Kimilili hospital

- Construction of 1 outpatient room at Mabusi dispensary
- Construction of S 4NO door pit latrine at Sinoko hospital
- The projects whose contractors have assembled materials on site include:
- Erection and completion of outpatient unit at Chepyuk dispensary
- Erection and completion of outpatient unit at Kaimugul dispensary 4 door
- completion of Nurse House at Daraja Mungu
- Construction of Makunga dispensary
- Construction of maternity ward at Karima dispensary
- completion of Namwatikho dispensary
- Erection and completion of a modern dispensary at Mangana dispensary
- The projected that were retendered include:
- Completion of Webuye Health Centre and Kimalewa dispensary
- Construction of commodity store
- Renovation of pharmacy stores
- Construction of public tolets at Lugusi, Lugulu, Froi markets
- Construction of public toilets at Sango Junction, Muchi and Webuye Main market
- Construction of drainage at Mbakalo stadium
- Projects whose contracts have been signed include:
- Completion of Nasaka dispensary
- Construction of maternity wing at Sinoko hospital
- Construction of 1 block kambini dispensary
- Projects whose tenders have been awarded are:
- Renovation of Sirisia theatre
- Construction of public toilets at Wamono, Lwandanyi and Tulienge markets
- Construction of ecosan pit latrines at Ekitale and Ndengelwa markets
- The equipment for the casualty department and laundry machine for Bungoma County Referral is awaiting delivery. This applies to the procurement of generators Mt. Elgon, Bumula Mechimeru, Snoko and Chwele hospitals.

Water Towers EU		80,000,000	0	Community tree planting	Funding was delayed and carried forward to FY 2019/20

2.5 Challenges Experienced during Implementation of the previous ADP

During the implementation of the previous annual development plan, the following challenges were experienced

- a. delayed disbursement of funds from national treasury
- b. lack of appropriate legal framework
- c. inadequate technical staff to undertake departmental activities
- d. changing priorities midway resulting policy changes
- e. lack of logistics e,g vehicle to undertake fieldwork
- f. lack of appropriate offices and support service for effective service delivery
- g. inadequate funds to enable institutions to implement curriculum effectively
- h. poor societal attitude towards departmental programmes especially in vocational training
- i. high poverty level and cultural practices affect effective implementation of departmental programmes

2.6 Lessons learnt and Recommendations

Recognizing the urgency of the situation, the following primary recommendations are addressed to the attention of the County Executive Committee. The County Treasury urges all county stakeholders to fully take into account these recommendations in the on-going discussions about the county's future transformation. We have grouped the recommendations in broad categories that link to the findings on previous ADPs performance.

Positioning, Niche, and Relationship to its Key Partner - National Government

The County must strengthen its cooperation with the National Government in order to influence support for large infrastructure projects which its budget cannot adequately support. Thus it is essential to maintain support to initiatives which have already absorbed a significant amount of county resources such as the High Altitude Sports Complex, provided that the political economy environment surrounding these initiatives is conducive to a positive contribution from the community and county top management.

Enforce a much higher level of oversight from Parliament and the County Assembly of activities commissioned and funded under the County Budget.

To safeguard years of county investments in community initiatives, it is essential to roll out more structured oversight mechanisms for county and development partner funded initiatives to ensure that the public obtains value for resources invested in their communities.

Use County M&E initiatives to monitor progress and evaluate outcomes of project-streams which have not yet produced measurable impacts but which might do so in the future.

Modern organizations are constantly striving to improve their ability to generate and use the knowledge they gain from monitoring and evaluations including experience. For the County MDAs this occurs within both programmes and the evaluation unit. While the county is constantly improving ways to use and share knowledge in each programme area, our evaluation suggests that it still needs to improve its ability to share information across programmes or operational units. This could be done through cross-programme work groups or teams that could distil and share programming lessons and review the approaches used to disseminate knowledge in the field.

Ensure that data collection for future evaluation of County Programmes takes into account the lessons learned from Monitoring and Evaluation reports in order to fully capture its effectiveness and impacts.

The use of verifiable information and data for evidence based-planning and decision making should be strengthened as well as promoting demand and utilization of data for planning.

Effectively monitor and manage emerging needs and demand for development assistance in order to address gaps through its current and future project-streams.

The focus should be on funding programmes based on need and impact.

CHAPTER THREE: COUNTY STRATEGIC PRIORITIES, PROGRAMMES AND PROJECTS

3.1 Chapter Overview

The Chapter presents sector/sub-sector strategic priorities, programmes and projects for the financial year 2019/2020. The programmes and projects envisage a green economy by mainstreaming cross-cutting issues such as climate change; environmental degradation; Disaster Risk Reduction (DRR) HIV/AIDs; Gender, Youth and Persons with Disability (PWD); among others. In addition, the proposed initiatives progressively address the Sustainable Development Goals (SDGs)

3.3 Capital Projects

Provide a summary of the capital projects to be implemented during the plan period. Details of the projects should be annexed as indicated in Annex 3.

Agriculture, Rural and Urban Development

S/No	PROJECT	PROJECT	LOCATION	Cost
1	Establishment of a honey refinery	In order to promote value addition in honey production to increase farmer incomes, the department will construct a refinery building, purchase and install processing equipment and lease out	Mt. Elgon/Kapsokwony	15,000,000
2	Establishment of a	the facility for operationalization This is an ongoing	Webuye	140,000,000
2	Dairy/Milk Processing Plant	project that is aimed at enhancing value addition in dairy and increasing farmer incomes. The amount is for purchase and installation of equipment for the dairy plant.	Webaye	140,000,000
3	Purchase and Installation of solar system for vaccines preservation	For preservation of vaccines, the department will purchase and install solar systems at Sub county Hqs veterinary offices	Sub county HQs	7,400,000
4	Rehabilitation of slaughter houses	This involves expansion of lagoons, fencing, painting, drainage works, mechanical works, renovation of buildings at the slaughter houses	Kimilili, Bungoma, Webuye	30,000,000
5	Construction of artificial insemination (AI) center	This will involve construction of a building, purchase and	Mabanga ATC	35,000,000

S/No	PROJECT	PROJECT DESCRIPTION	LOCATION	Cost
		installation of equipment for storage of nitrogen and semen		
6	Construction of a Veterinary diagnostic laboratory	Construction of a building, purchase and installation of equipment and supplies	Mabanga ATC	18,000,000
7	Construction of Soil samples storage facility and Mobile Soil Lab Shades	Construction of a building to be used a store for soil samples	Mabanga ATC	10,000,000
8	Establishment of Recirculating aquaculture system(RAS) for Chwele fish farm	Construction of a building, purchase and installation of RAS equipment	Chwele Fish Farm	8,500,000
9	Construction and installation of a Feed mill at Chwele fish farm	Construction of a building, purchase and installation of Feed Mill equipment	Chwele Fish Farm	15,000,000
10	Completion and Operationalization of the poultry slaughter house	Construction of an office building, purchase of land	Chwele	25,000,000
11	Farm Input Support	Subsidized fertilizer and maize seed	All Wards	350,000,000
12	AI Subsidy	Purchase of semen, straws and nitrogen	All Wards	30,000,000
13	Aquaculture Input Support (Feeds and Fingerlings)	Purchase of fish feeds and fingerlings	All Wards	25,000,000
14	Establishment of Apiaries	Purchase of bee hives and other equipment	All Wards	45,000,000
15	Establishment of an Animal breeding Center	Construction of structure, purchase of improved breeds (cows), purchase and installation of equipment and supplies, establishment of pasture production units	Sang'alo/Mabanga ATC	180,000,000
16	Installation of Milk Coolers	Construction/ Renovation of cooler houses	Select Wards	28,000,000
17	Rehabilitation of Lutonyi dam	Excavation, Construction of Community Water points, animal water points, sanitation facility, fencing, drainage works	Kimilili	12,000,000
18	Rehabilitation of Wamubukoya dam	Excavation, Construction of Community Water points, animal water points, sanitation facility, fencing, drainage works	Kabuchai	12,000,000
19	Rehabilitation of Wabukonyi dam	Excavation, Construction of Community Water points, animal water points, sanitation facility, fencing, drainage works, equipping	Bumula	12,500,000

S/No	PROJECT	PROJECT DESCRIPTION	LOCATION	Cost
20	Development of Sio Sango Irrigation and Dam Project	Community sensitization, Resource Mobilization, Dam Construction, Piping works, Drainage works	Bumula	4,000,000,000
21	Development of Upper Nzoia Irrigation Project	Community sensitization, Resource Mobilization, Dam Construction, Piping works, Drainage works, equipping	Webuye East &Tongaren	6,500,000,000
22	Development of Chebich Irrigation Project	Community sensitization, Resource Mobilization, Piping works, Drainage works, equipping	Mt. Elgon	100,000,000
23	Development of Chemondi Irrigation Project	Community sensitization, Resource Mobilization, Piping works, Drainage works, equipping	Mt. Elgon	100,000,000
24	Establishment of an Animals Feeds Plant (Dairy, Poultry, Fish)	Construction of buildings, Purchase and installation of equipment		50,000,000
25	Establishment of a maize milling plant	Construction of buildings, Purchase and installation of equipment	Tongaren	300,000,000
26	Rehabilitation of Coffee Factories	Renovation of buildings, overhaul of equipment and machinery	Select factories	120,000,000
27	Construction of coffee factories	Construction of buildings, Purchase and installation of equipment and machinery	Select societies	75,000,000
28	Establishment of Cold Storage facilities for Potato	Construction of buildings, Purchase and installation of equipment and machinery	Chwele	100,000,000
29	Purchase of tractors for tractor hire service	Purchase of 9 tractors and implements	Mechanization center (Mabanga)	54,000,000
30	Upgrading of Mobile Soil Laboratories	Software upgrade, purchase and installation of equipment e,g scanners	Mechanization center (Mabanga)	35,000,000
31	Establishment of a book keeping center for cooperatives	Construction and furnishing of building	Kanduyi	15,000,000
32	Construction of a County MOALFIC Office Block	Construction and furnishing of building	Kanduyi/Township	67,000,000

	Londo Water Project	Spring protection, solar pumping system installation and distribution pipeline	Mbakalo and Milima Ward	10,000,000
	Namamuka Water Project	Spring protection, solar pumping system installation, storage tank and distribution pipeline	Musikoma Ward and Kabula ward	10,000,000
	Luucho Water Project	Spring protection, solar pumping system and distribution pipeline 10KM	West Nalondo ward and Tuuti Marakaru Ward	20,000,000
	Kabera-Kapsokwony- Maeni-Kamenju-Chesamis- Kamkuywa Water Project	Rehabilitation of existing storage tanks and pipeline distribution 25KM	Mt Elgon and Kimilili Ward	30,000,000
	Extension of NZOWASCO pipeline	Extension of NZOWASCO pipeline from West Kenya College to Ranje	Khalaba ,Bukembe West	8,000,000
	West Nalondo Water Project	Installation of solar pumping system at Muyayi Dam and laying of distribution pipeline to Kisiwa Hills	West Nalondo/Tuuti Marakaru	14,000,000
	Construction of Bumula Water Project	Drilling and equipping of a borehole, kiosks and storage tanks	Bumula ward	12,000,000
	Rehabilitation and Augmentation of Namuninge Water Project	Extension of Water Pipelines and Upgrade to Solar Powered pumping system	West Bukusu/South Bukusu/Siboti/Kimaeti	14,000,000
	Operation and Mantainace of existing Community Water Projects	Operation and Mantainace	County Wide	20,000,000
_	Construction of Kimilili- Ndivisi-Makuselwa Water Project	Construction of pipeline , Kiosks and storage tank	Kimilili	11,000,000

Purchase and Installation of GIS Software and CAD systems	Purchase and Installation of GIS Software and CAD systems	County HQ	4,000,000
Construction and Equipping of water laboratory room	Water Laboratory	County HQ	5,000,000
Feasibility study and Engineering design	All water projects	County HQ	5,400,000
TOTAL			260,400,000
2 Department of Natural Res			
WATER Towers project	Development partner funded project. Includes: Capacity building of communities, Establishment of tree nurseries, reafforestation of Mt. Elgon Ecosystem with indigenous trees, rehabilitation of catchment areas, Nature based initiative- fruit trees, institutional/community woodlots.	Mt. Elgon Catchment area, county wide	51,300,000
3 Department of Environmen	,		
Fencing of existing dumpsites	Construction of Perimeter Wall	Sub County	50,000,000
Purchase of land for dumpsite	Acquisition of land 20 Acres	Sub County	20,000,000
Waste Receptacles	Installation of waste receptacles	Major Towns	15,000.000
Waste Recycling		County Wide	5,000,000
Recreational Park	Rehabilitation of existing parks	Webuye, Kimilii, Bungoma Town	15,000.000

Cross-sectoral Implementation Considerations Agriculture ,Rural and Urban Development

This section provides measures to harness cross sector synergies and mitigate adverse cross-sectoral impacts of projects where necessary.

The performance of the sector is dependent upon the linkages between the various sub-sectors in the Agriculture Sector and also linkages with other sectors. Proper land use planning provides for a balance in the growth of crop, livestock and fisheries sub sectors in ensuring food security and increased earnings from marketed produce.

The Agriculture Sector has linkages with other sectors of the economy namely Energy, Infrastructure and ICT; Health; Education; Public Administration and National Security; Social Protection, Culture and Recreation; Environment Protection, Water and Natural Resources; Public Works. The linkages to these sectors is as highlighted below;

Energy is critical to the success of Agricultural production and value addition and this includes renewable and non-renewable energy. Further ICT linkage to the sector is equally essential not only for market information for the Agriculture sector but also for the dissemination of improved and adaptive technologies. In addition, Agriculture sector benefits by using, roads transport to move inputs and outputs to the market.

Human health is important as it affects labour force and productivity in the Agriculture sector activities. Pandemics such as malaria and HIV/AIDS pose a big threat to the supply of labour to the sector. Conversely, the sector provides food essential for a healthy county.

The Education sector works closely with Agriculture sector in terms of capacity building, technology development and dissemination. Conversely the sector supports the Education Sector through provision of goods and services.

Public administration department facilitates resource mobilization for Agriculture sector and the overall county development planning and public expenditure management.

The Agriculture sector is supported by the Social Protection, Culture and Recreation Sector in terms of a working environment which is conducive for the development of agricultural activities. Accurate information on gender imbalance, vulnerable groups, youth talents and viable areas of investment is critical for proper planning of Agriculture Sector.

The sector works with environment, water and natural resources sector for the purposes of environmental sustainability. Sustainable environmental management is essential for maintenance of agricultural productivity, mitigation and adaptation of climate change. Vegetation cover helps in reducing soil erosion and increase water availability. Harnessing the country's irrigation potential, coupled with efficient utilization of available water resources for agriculture through appropriate water harvesting technologies improves food security.

The Department will collaborate with the Department of Public Works in development of Bills of Quantities and supervision of projects in the sector.

3.4 Payments of Grants, Benefits and Subsidies

Table 6: Payments of Grants, Benefits and Subsidies

Agriculture, Rural and Urban Development

4.4Financial and Economic Environment

The application of lessons learnt from past ADPs and the continuous improvement in our development programming coupled by a strong legal framework gives a favorable forecast of the county Financial and Economic environment, within which the development priorities outlined in this ADP will be attained. We forecast an enlarging resource envelope for FY 2020/21 as well as sound support from the National Government and development partners in meeting our development obligations.

4.5 Risks, Assumptions and Mitigation measures

Table 9: Risks, Assumptions and Mitigation measures

Agriculture, Rural and Urban Development

Agriculture

Risk	Assumption	Mitigation measures
Fluctuation in the cost of inputs	Balanced demand and supply	Sensitize producers on use of
	conditions	organic manures
		Provide subsidized inputs
Unpredictable weather conditions	Stable predictable weather	Install early warning systems
		Invest in small-scale irrigation
		systems

Lands, Urban and Physical Planning

Risk	Assumption	Mitigation measures
Political interference	Politics versus development	Separation of roles
Limited funding		Consistence and timely exchequer releases in line with cash flow plans
		will ensure project funding is enhanced.
		Increase in collaborations and partnership with stakeholders and
		other agencies to limit funding issues
		for the department.
Ambitious planning	Plan designs versus available resource requirements	Clear focus on project priorities will mean adherence to departmental work plans and procurement plans.
Inadequate human capacity development	Relevance of human resources to project implementation.	Improvement in human resource development by ensuring human capacity in ICT and technological innovations

Energy, Infrastructure and ICT

Infrastructure

Risk	Assumption	Mitigation measures
Contractor's variation from the BoQ	Construction as per the BoQ	Continuous supervision of all
		projects
Variation in cash flows	Exchequer releases will be available	Timely requisition of payments and
	to fund all payment requests	preparation of work plans

	to fund all payment requests	preparation of work plans
Variation in input costing	There will be no extreme variations	Provision for cost escalations in all
	in input costing	project costs

CHAPTER FIVE: MONITORING AND EVALUATION

5.1Chapter Overview

The chapter covers the monitoring and evaluation framework to be adopted during plan implementation to measure progress and provide information for continuous improvements. The chapter also covers the reporting frequencies and standards expected of the stakeholders

5.2Frequency of Monitoring and Evaluation

The frequency of monitoring strategic goals will be done on a quarterly basis with the operational objectives being reviewed monthly. The overall review of the ADP will be on an annual basis.

5.2.1 Reporting

The County MDAs will prepare monthly status reports on the on progress (or lack thereof) towards achievement of the specified objectives contained in the ADP with recommendations as well as exception reports. The monthly status reports will then be collated to quarterly status reports for the County Executive Committee review and action. This will be done in conjunction with other reports/recommendations due to the County Assembly

5.2.2 Strategic Adjustments

This Annual Development Plan is a guideline and not a strict roadmap that must be followed. There may arise the need to deviate from or realign the Plan, based on the results of the monitoring and evaluation, status reports and prevailing circumstances, e.g. changes in the external environment resulting in different organisational goals, lack of financial resources to carry out the initial Plan, Parliament making changes on the mandate of Counties amongst others.

Any deviations or alterations to the Plan must be informed through status reports and measurable changes in prevailing circumstances, the deviations or alterations should aim to achieve objectives that meet the "SMART" criteria and should be within the available resources. The deviations and/or alterations must be approved by the County Assembly.

5.2.3Linking Monitoring and Evaluation to Performance Management

Performance evaluation will be carried out through Key Performance Indicators (KPI). The monitoring will also be both formative (taking place during the plan period with the aim of improving the outputs and outcomes) and summative [drawing and implementing lessons from strategic objectives already achieved (or not achieved)].

The evaluation will focus on:-

- i. Efficiency (input versus output);
- ii. Effectiveness (measure of extent to which an activity/operational objective fulfils/achieves the Plan) and;

iii. Impact (where or not the strategic goal achieved made a difference to the problem situation it was meant to solve).

Table 12: Performance of Capital Projects for the previous year

Agriculture, Rural and Urban Development

Project Name/ Location	Objective/ Purpose	Output	Performance Indicators	Status (based on the indicators)	Planned Cost (Ksh.)	Actual Cost (Ksh.)	Source of funds
Completion of Chwele Chicken Slaughter House	To enhance Value addition and farmer incomes in the poultry value chain	Chwele Chicken Slaughter House completed	No of slaughter houses completed	Ongoing	40,000,000	12,000,000	CGB
Establishment of a Dairy Processing Plant at Webuye	To enhance Value addition and farmer incomes in the dairy value chain	Dairy Processing Plant completed	No of dairy processing plants completed	Ongoing	250,000,000	128,600,000	CGB
Renovation of Mabanga ATC	To enhance farmers training and revenue	Mabanga ATC Renovated	Number of ATCs renovated	Ongoing	45,000,000	12,760,000	CGB
Construction of a perimeter wall fence at Mabanga ATC	To enhance security at Mabanga ATC	Perimeter wall constructed	Number of perimeter walls constructed	Ongoing	18,000,000	12,000,000	CGB
Construction of a coffee bean ware house at Musese Coffee Mill	To enhance Value addition and farmer incomes in the coffee value chain	Coffee Warehouse constructed	Number of Coffee Warehouses Constructed	Ongoing	12,000,000	8,5000,000	CGB
Construction of a zero grazing unit at Mabanga ATC	To enhance productivity and production in dairy	Zero grazing unit constructed	Number of zero grazing units constructed	Ongoing	5,000,000	700,000	CGB
Construction of a poultry unit at Mabanga ATC	To enhance productivity and production	Poultry unit constructed	Number of Poultry unit constructed	Ongoing	5,000,000	2,000,000	CGB
Purchase and installation of solar water heating appliances at Mabanga ATC	To enhance revenue generation at the institution	Solar water heating appliances purchased and installed	Number of Solar water heating appliances purchased and installed	Complete	10,000,000	7,300,000	CGB

Table 14: Sector/ Sub-sector by programmes for the year 2020/21 Agriculture, Rural and Urban Development

Project Name/ Location*	Objectives	Targets	Key Description of Activities	Green Economy considerations	Cost in ('ooo)	Source of fundi ng	Time- frame	Implementing Agency
Crop Development and Ma	nagement							
KCEP-CRAL	Promote food and nutrition security	1,685	Farmer and stakeholder trainings and field demonstrations	Compliant		NG		NG
ASDSP	To support food security initiatives		Capacity building, Grants	Compliant	100	CGB/ NG/P atners	5 yrs	CGB
Food Security Programme – GIZ	To support food security initiatives		Capacity building, Grants	Compliant		GIZ	5 yrs	GIZ
Establishment of Fruit crops nursery sites	To improve food and nutrition security and incomes	45	Nursery establishment	Compliant	10	CGB/ Partn ers	5 yrs.	CGB/Partn ers
Establishment of tissue culture banana screen houses	To improve food and nutrition security and income generation	2	Establish screen houses	Compliant	3	CGB	5 yrs.	CGB
Production of Tissue Culture Banana seedlings	To improve food and nutrition security and income generation	50	Capacity Building and Seedling Production	Compliant	50	CGB	5 yrs.	CGB
Promote Export crops(snow peas and French beans)	To improve food and nutrition security and income generation	10	Establish processing Unit for export	Compliant	40	CGB/ Partn ers	5 yrs.	CGB/Partn ers
	_	1	Seedling Centre	Compliant	50	CGB/ Partn ers	5 yrs.	CGB/Partn ers
		9	Refrigerated truck	Compliant	45	CGB/ Partn ers	5 yrs.	CGB/Partn ers
Promotion of tomato production	To improve food and nutrition	90	Promotion of new technologies	Compliant	45	CGB/ Partn ers	5 yrs.	CGB/ Partners

Project Name/ Location*	Objectives	Targets	Key Description of Activities	Green Economy considerations	Cost in ('ooo)	Source of fundi ng	Time- frame	Implementing Agency
	security and income generation							
		90	Capacity building/Promote construction of shade nets Capacity, building	Compliant	27	CGB/ GIZ/P artner s	5 yrs.	CGB/Partn ers
		10	Establish collection centres	Compliant	22.5	CGB/ Partn ers	5 yrs.	CGB/Partn ers
		1	Establish and equip of processing plant	Compliant	50	CGB/ Partn ers	5 yrs.	CGB/Partn ers
			Establish and equip fresh produce markets	Compliant	50	CGB/ Partn ers	5 yrs.	CGB/Partn ers
Roots and tubers development	To improve food and nutrition security and income generation	15	Capacity building/potato seed production	Compliant	45	CGB/ GIZ/P artner s	5 yrs.	CGB/Partn ers
		3	Establishment of seed storage facilities	Compliant	5	CGB/ Partn ers	5 yrs.	CGB/Partn ers
Promotion of Rice production	To improve food and nutrition security and income generation	250	Seed provision, Establish 250 ha of Paddy and upland rice schemes	Compliant	10	CGB/ Partn ers	5 yrs.	CGB/Partn ers
		25MT	Training/Capacity, building, supply of rice seed	Compliant	5	CGB/ Partn ers	5 yrs.	CGB/Partn ers
		2	Acquisition of rice Combine harvesters	Compliant	15			
		5	Establishment of rice milling plant	Compliant	2.5	CGB/ Partn ers	5 yrs.	CGB/Partn ers

Project Name/ Location*	Objectives	Targets	Key Description of Activities	Green Economy considerations	Cost in ('ooo)	Source of fundi ng	Time- frame	Implementing Agency
Promotion of other Cereal Crops	To improve food and nutrition security and income generation	1,000	Farmer sensitization/Capaci ty building	Compliant	5	CGB/ Partn ers	5 yrs.	CGB/Partn ers
Tea promotion and development	-To enhance income generation and employment creation	5 m	Seedling production, capacity development	Compliant	10	CGB/ Partn ers	5 yrs.	CGB/Partn ers
		4	Establish collection centres	Compliant	20	CGB/ Partn ers	5 yrs.	CGB/Partn ers
		3	Establishment of processing plants	Compliant	100	CGB/ Partn ers	5 yrs.	CGB/Partn ers
Coffee development	Income generation and employment creation	30	Equip coffee nurseries	Compliant	25	CGB/ Partn ers	5 yrs.	CGB/Partn ers
Agricultural Input subsidy program	Improve access and availability of farm inputs to farmers	100,000 bags	Distribute fertilizer	Compliant	105	CGB/ Partn ers	5 yrs.	CGB/Partn ers
		5,000,0 00	Tea cuttings	Compliant	5	CGB/ Partn ers	5 yrs.	CGB/Partn ers
		50,000 bags	Establish Irish potato bulking	Compliant	10	CGB/ Partn ers	5 yrs.	CGB/Partn ers
Crop protection	Food security and income generation	10	Setting up early warning systems, crop pest surveillance unit	Compliant	5	CGB/ Partn ers	5 yrs.	CGB/Partn ers

Project Name/ Location*	Objectives	Targets	Key Description of Activities	Green Economy considerations	Cost in ('ooo)	Source of fundi ng	Time- frame	Implementing Agency
		Assorte d	Purchase of equipment; pesticides	Compliant	10	CGB/ Partn ers	5 yrs.	CGB/Partn ers
		60	Training/Capacity building	Compliant	0.5	CGB/ Partn ers	5 yrs.	CGB/Partn ers
		45	Training Plant Doctors; provision of plant clinics kits	Compliant	4.5	CGB/ Partn ers	5 yrs.	CGB/Partn ers
		15,000 liters	Procure chemicals	Compliant	45	CGB/ Partn ers	5 yrs.	CGB/Partn ers
Sustainable land use management	Food security and income generation	50,000 acres	Soil sampling, testing and analysis	Compliant	25	CGB	5 yrs.	CGB
			Soil protection and conservation	Compliant	25	CGB/ Partn ers	5 yrs.	CGB/Partn ers
			Purchase of conservation equipment	Compliant	5	CGB/ Partn ers	5 yrs.	CGB/Partn ers
	extension linkage and technologies	20	Organize quarterly research extension	Compliant	1.5	CGB/ GIZ/P artner s	5 yrs.	CGB./Partn ers
		5	Organize Innovation contests	Compliant	2.5	CGB/ Partn ers	5 yrs.	CGB./Partn ers
		5	Organize Technology innovation exhibitions	Compliant	2.5	CGB/ GIZ/P artner s	5 yrs.	CGB./Partn ers
Information packaging and dissemination	Enhance extension service delivery	100	Develop Brochures	Compliant	0.25	CGB/ Partn ers	5 yrs.	CGB./Partn ers
		5	Produce annual news letters	Compliant	0.1	CGB/ Partn ers	5 yrs.	CGB./Partn ers
		2250	Develop Flyers	Compliant	0.2	CGB/ Partn ers	5 yrs.	CGB./Partn

Project Name/ Location*	Objectives	Targets	Key Description of Activities	Green Economy considerations	Cost in ('ooo)	Source of fundi ng	Time- frame	Implementing Agency
		100	Develop Banners	Compliant	0.2	CGB/ Partn ers	5 yrs.	CGB./Partn ers
E-Extension	Enhance extension service delivery to farmer s	1	Install E-extension software	Compliant	12	CGB/ Partn ers	5 yrs.	CGB./Partn ers
	Reduce cost of extension service delivery	45	Purchase eextension kits	Compliant	2.7	CGB/ Partn ers	5 yrs.	CGB./Partn ers
	Improve information sharing	10	Establish Agricultural information desks	Compliant	1	CGB/ Partn ers	5 yrs.	CGB./Partn ers
	J	1	Conduct baseline survey	Compliant	1	CGB/ Partn ers	5 yrs.	CGB./Partn ers
Weather station	Enhance access to information on weather conditions	4	Maintain AWS and main server	Compliant	1	CGB/ Partn ers	5 yrs.	CGB./Partn ers
Agriculture information and data management system	Digitalize agricultural information dissemination.	1	Install an agriculture information management system/Capacity building	Compliant	10	CGB/ GIZ/P artner s	5 yrs.	CGB./Partn ers
		100	Capacity building of staff/ farmers.	Compliant	2	CGB/ GIZ/P artner s	5 yrs.	CGB./Partn ers
			Seed bulking	Compliant	1	CGB/ Partn ers	5 yrs.	CGB/Partn ers
Crop insurance scheme	Food security and income generation	750 farmers	Capacity building	Compliant	7.5	CGB/ Partn ers	5 yrs.	CGB/Partn ers
		100	Train extension officers	Compliant	1	CGB/ Partn ers	5 yrs.	CGB/Partn ers

Project Name/ Location*	Objectives	Targets	Key Description of Activities	Green Economy considerations	Cost in ('ooo)	Source of fundi ng	Time- frame	Implementing Agency
Enforcement of regulations and standards	Enhancement quality and safety of food, crop products and plantings	40	Training agricultural inspectors	Compliant	5	CGB/ Partn ers (KEP HIS,K EBS)	5 yrs.	CGB/Partn ers(KEPHIS , KEBS
		30	Train agro dealers/stockiest	Compliant	1.5	CGB/ Partn ers	5 yrs.	CGB./Partn ers
		250	Registration/licensi ng of agro dealers	Compliant	2.5	CGB/ Partn ers	5 yrs.	CGB/Partn ers
Post-harvest management	Reduce postharvest crop losses	1250	Capacity building of farmers, artisans and staff	Compliant	5	CGB/ Partn ers	5 yrs.	CGB./Partn ers
		Assorte d	Purchase Post harvest handling equipment	Compliant	10	CGB/ Partn ers	5 yrs.	CGB./Partn ers
Promotion of Nutrition Sensitive Agriculture	To improve food and nutrition security and income generation	100	Capacity building/Promote HHs for Kitchen gardens	Compliant	1.5	CGB/ Partn ers	5 yrs.	CGB./Partn ers
		2.5 MT	Produce amaranth seeds	Compliant	2	CGB/ Partn ers	5 yrs.	CGB./Partn ers
		3000	Sensitize farmers on utilization of traditional foods	Compliant	3	CGB/ GIZ/P artner s	5 yrs.	CGB./Partn ers
Agricultural extension service provision	Enhance extension service delivery	100	Capacity building/Conduct Field days,	Compliant	30	CGB/ GIZ/P artner s	5 yrs.	CGB./Partn ers
		5	Agricultural exhibition	Compliant	25	CGB/ Partn ers	5 yrs.	CGB./Partn ers
		2250	Model farm Demonstrations	Compliant	22.5	CGB/ Partn ers	5 yrs.	CGB./Partn ers
		100	Recruitment of extension officers	Compliant	30	CGB/ Partn ers	5 yrs.	CGB./Partn ers

Project Name/ Location*	Objectives	Targets	Key Description of Activities	Green Economy considerations	Cost in ('ooo)	Source of fundi ng	Time- frame	Implementing Agency
		45	Purchase of motor vehicles		202.5	CGB/ Partn ers	5 yrs	CGB./Partn ers
		135	Purchase of motor cycles		67.5	CGB/ Partn ers	5 yrs	CGB./Partn ers
		15	Organize agricultural exhibitions	Compliant	7.5	CGB/ Partn ers	5 yrs.	CGB./Partn ers
Research-Extension Linkages	Strengthening research-	15	Establish varietal trials	Compliant	5	CGB/ Partn ers	5 yrs.	CGB./Partn ers
Promotion of tea production/Tea processing plants	Improve tea value addition and incomes	1	Construct Tea processing plant	Compliant	500	CGB/ Partn ers/P PP	5 yrs.	CGB./Partn ers
Promotion of Climate Smart Agriculture	To mitigate against climate change effects	100000	Capacity building	Compliant	100	CGB/ Partn ers	5 yrs	CGB./Partn ers
Fruit processing plant	Improve fruit value addition and incomes	1	Construct a fruit processing plant	Compliant	100	CGB/ Partn ers	5 yrs.	CGB./Partn ers
Grain marketing ware house	Reduce postharvest loses	9	Construct grain ware houses	Compliant	50	CGB/ Partn ers	5 yrs.	CGB./Partn ers
Policy formulation	To regulate services	1	Civic education	5	CGB	ı year	CGB/Pa rtners	At roll-out stage
Tea processing plants	To improve value addition and incomes	1	Promote production of tea to exceed 600 ha	500	CGB, Partners	5 years	CGB/NG /Partne rs	Need based
Promotion of Sweet Potato Production	To improve food and nutrition security, value addition and incomes	9	Capacity building, Input support, marketing linkages	200	CGB, Partners	5 years	CGB/NG /Partne rs	Need based
National Agricultural and Rural Inclusive Growth Programme	To increase agricultural productivity and	20	Farmer /producer capacity building; grants;	100 0	World Bank	5 years	WB,NG, CGB	Need based

Project Name/ Location*	Objectives	Targets	Key Description of Activities	Green Economy considerations	Cost in ('ooo)	Source of fundi ng	Time- frame	Implementing Agency
	profitability of targeted rural communities and in the event of an eligible crisis or emergency, to		Infrastructural development					
	provide immediate and effective responce							
Fruit processing plant	To improve fruit value addition and incomes	1	Promote production of tomatoes and other fruits	100	CGB, Partners	5 years	CGB/Pa rtners	Need based
World Bank Agricultural and Rural Growth Programme	To enhance food security and incomes	1	Farmer /producer capacity building; grants; Infrastructural development	100	World Bank	5 years	WB,NG, CGB	At roll out stage
Development Partner Support Programmes in Agriculture	To improve productivity across the agriculture value-chains	5	Farmer /producer capacity building; grants; Infrastructural development	200	NG/DPs	5 years	CGB/NG /Partne rs	At roll-out stage
Grain marketing ware house	To reduce post- harvest loses	9	Provision of market information, Establish storage warehouses	50	CGB, Partners	5 years	CGB/Pa rtners	Need based
Integrated Farmer Support Programme	To support food security initiatives	100000	Capacity building, grants	500	CGB, Partners	5 years	CGB/Pa rtners	Need based
Establishment of Agricultural Information and data management System	To improve on information and data management	1	Procurement of software and equipment, Training of users	15	CGB, Partners	5 years	CGB/Pa rtners	At roll-out stage

Project Name/ Location*	Objectives	Targets	Key Description of Activities	Green Economy considerations	Cost in ('ooo)	Source of fundi ng	Time- frame	Implementing Agency
Establishment of e- extension system	To enhance provision of extension services	1	Procure e-extension software and kits, Train users, Maintenance	50	CGB, Partners	5 years	CGB /Partne	At roll-out stage
Promotion of cotton production	To promote the textile industry	10000	Capacity building, grants	100	CGB, Partners	5 years	CGB /Partne rs	Need based
Promotion of Cassava Production	To improve livelihoods	10000	Capacity building, grants	100	CGB, Partners	5 years	CGB /Partne	Need based
Agribusiness Innovation and Incubation Programme	To promote innovation in the sector	10000	Capacity building, grants	100	CGB, Partners	5 years	CGB /Partne rs	At roll-out stage
Rehabilitation of Mutonyi Dam/ Sirisia Sub-County Ward: Namwela	To desilt 20,000m3	1	Conduct EIA, distilling, fencing and community amenities	5	CGB	2017- 2018	CGB /Partne	Need based
Rehabilitation of Menu Dam/ Sirisia Sub- County Ward: Namwela	To desilt 20,000m3	1	Conduct EIA, distilling, fencing and community amenities	5	CGB	2018- 2019	CGB/Pa rtners	Need based
Khalaba'B'Kanduyi/Ka buchai Sub-counties Ward: Tuuti/Marakaru	To desilt 80,000m3	1	Carry out EAI Construction of Sanitation Block Livestock watering trough	40	CGB	2018- 2022	CGB /Partne rs	Need based
Bumula Sub-County Ward: Siboti	To desilt 40,000m3	1	Carry out EAI Construction of Sanitation Block	25	CGB	2018- 2019	CGB /Partne rs	Need based
Rehabilitation of Namuningie Dam/Bumula Sub County, Siboti Ward	To desilt 30,000m3	1	Conduct EAI; Construction of	7	CGB	2019/2 020	CGB /Partne	Need based

Project Name/ Location*	Objectives	Targets	Key Description of Activities	Green Economy considerations	Cost in ('ooo)	Source of fundi ng	Time- frame	Implementing Agency
			Sanitation Block; Livestock watering trough					
Rehabilitation of Sipala Dam/ Webuye East Sub-County Ward: Mihuu	To desilt 20,000m3	1	Conduct EAI; Construction of Sanitation Block; Livestock watering trough	5	CGB	2017/2 018	CGB /Partne rs	Need based
Rehabilitation of Sirende Dam/ Webuye Sub-County Ward: Misikhu	To desilt 20,000m3	1	Conduct EAI; Construction of Sanitation Block; Livestock watering trough	5	CGB	2018/2	CGB /Partne rs	Need based
Rehabilitation of Ndalu Dam/ Tongaren SubCounty Ward: Ndalu	To desilt 25,000m3	1	Conduct EAI; Construction of Sanitation Block; Livestock watering trough	6	CGB	2019/2 020	CGB /Partne	Need based
Rehabilitation of Maliki Dam/ Tongaren SubCounty Ward: Milima	To desilt 25,000m3	1	Conduct EAI; Construction of Sanitation Block; Livestock watering trough	6	CGB	2020/2 021	CGB /Partne	Need based
Rehabilitation of Area Dam/ Tongaren SubCounty Ward: Milima	To desilt 25,000m3	1	Conduct EAI; Construction of Sanitation Block; Livestock watering trough	6	CGB	2021/2 022	CGB /Partne rs	Need based
Kimobo/Kamutiong'i irrigation project/ Mt. Elgon Sub-County Ward: Elgon	To boost food security	1	Feasibility studies; irrigation infrastructure development	50	County and NGs	2017/2 018 To 2019/2 020	CGB /NG/ Partners	Need based

Project Name/ Location*	Objectives	Targets	Key Description of Activities	Green Economy considerations	Cost in ('ooo)	Source of fundi ng	Time- frame	Implementing Agency
Rehabilitation of Khayo Dam/Bumula	To enhance irrigation Agriculture	1	Rehabilitate Khayo dam	Compliant	4	CGB/ Partn ers	1	CGB./Partn ers
Promotion of Drip Irrigation	To promote drip irrigation kits	400	Procure drip irrigation kits	Compliant	40	CGB/ Partn ers	5yeas	CGB./Partn ers
Feasibility studies of dams and irrigation projects	To enable designs for the proposed projects	9	Develop project designs	Compliant	10	CGB/ Partn ers	5year s	CGB./Partn ers
Training in project management	To enlighten them on project management issues	7,500	Trainings for Capacity Building	Compliant	7.5	CGB/ Partn ers	5year s	CGB./Partn ers
Project Supervision and Extension	To ensure projects implemented according to designs	15	Field visits	Compliant	7.5	CGB/ Partn ers	5year s	CGB./Partn ers
Irrigation Technical Staff recruitment	To enhance service delivery	3	Recruit staff	Compliant	10	CGB/ Partn ers	5year s	CGB./Partn ers
Procure motor vehicles/motorcycles	To enhance mobility for service delivery	1	Procurement a motor vehicle	Compliant	10	CGB/ Partn ers	5year s	CGB./Partn ers
Procure Survey Equipment	To enhance service delivery	1	Procurement of the equipment	Compliant	2.52	CGB/ Partn ers	2017/ 18	CGB./Partn ers
Sio Sango Irrigation Development Project	To store 6.2 MCM of water for agricultural use	1	Construction of the dam	Compliant	3.95 bn	CGB/ Partn ers	5year s	CGB./Partn ers
Upper Nzoia Irrigation Development Project	To put land under irrigated agriculture	6,500H a	Develop irrigation scheme	Compliant	10	CGB/ Partn ers	5year s	CGB/Partn ers
Livestock Development and I	Management		·			-	·	
Dairy cattle improvement	To increase production and productivity	2250	Acquisition and distribution of breeding stock	Compliant	225	CGB/ Partn ers	5 years	CGB/Partn ers

Project Name/ Location*	Objectives	Targets	Key Description of Activities	Green Economy considerations	Cost in ('ooo)	Source of fundi ng	Time- frame	Implementing Agency
Dairy goats improvement	To improve dairy production and productivity	180	Acquisition and distribution of breeding stock	Compliant	25	CGB/ Partn ers	5 years	CGB./Partn ers
Pasture development	To improve on feed and pasture availability	900 kg	Purchase and distribution	Compliant	90	CGB/ Partn ers	5 years	CGB./Partn ers
Purchase of milk coolers	To reduce wastage of milk	45	Purchase and installation	Compliant	45	CGB/ PPP	5 years	CGB./Partn ers
Indigenous poultry development	To increase food security	225	Distribute incubators.	Compliant	54	CGB/ PPP	5 years	CGB./Partn ers
Disease control	To reduce disease incidence	45	Build and Rehabilitate cattle dips,	Compliant	50	CGB/ PPP	5 years	CGB./Partn ers
Vector control	To reduce disease incidences	70	Establish communal crush pens	Compliant	20	CGB/ PPP	5 years	CGB./Partn ers
Routine vaccinations in livestock	To prevent and control notifiable diseases	All	Purchase vaccine	Compliant	75	CGB/ PPP	5 years	CGB./Partn ers
Disease surveillance	To enhance early							
	disease detection, control and prevention	100%	Surveillance	Compliant	30	CGB/ Partn ers	5 years	CGB/Partn ers
Establishment of a poultry slaughter house	To promote value addition	1	Promote poultry production	Compliant	100	CGB/ PPP	5	CGB/Parter s
Extension services	To enhance dissemination of extension	9	Recruit field officers/Hold farmers field days,	Compliant	25	CGB/ Partn ers	5 years	CGB/Partn ers
	messages to farmers		Shows and exhibition					
Veterinary public health	To Safe-guard both animal and human health	3	Renovation of and establishment of slaughter houses	Compliant	90	CGB/ Partn ers	5 years	CGB/Partn ers

Project Name/ Location*	Objectives	Targets	Key Description of Activities	Green Economy considerations	Cost in ('ooo)	Source of fundi ng	Time- frame	Implementing Agency
Kanduyi Mini-Tannery	To Safe-guard both animal and human health	1	Completion of Kanduyi mini Tannery	Compliant		CGB/ Partn ers	5 years	CGB/Partn ers
Establishment of AI Centre(Mabanga ATC)	To increase production and productivity	1	Construction of AI Centre	Compliant	25	CGB/ Partn ers	5 years	CGB./Partn ers
Genetic improvement	To increase production and productivity	45	Promote artificial insemination and other emerging technologies	Compliant	70	CGB/ Partn ers	5 years	CGB./Partn ers
Construction of condemnation pit	To improve biosafety and prevent diseases	1	Procurement of BQs, engagement of contractors, operationalization	Compliant	5	CGB/ Partn ers	5 years	CGB./Partn ers
Farm input provision in the whole County	To enhance accessibility of farmers to farm inputs	45,000	Provision of inputs	Compliant	114.2	CGB, Partn ers	5 years	CGB./Partn ers
Dairy cows improvement (Purchase of dairy cows)	To increase production and productivity	900	Mobilization and recruitment of farmers; Acquisition of breeding stock	15	CGB/Pa rtners	5 years	CGB/Pa rtners	Need based
Establishment of County Dairy Corporation	Value addition to livestock produce	1	Mobilization of resources, construction	30	CGB/Pa rtners	5 years	CGB/Pa rtners	Need based
Establishment of Economic Dairy Units	To increase milk production	20	Mobilization of resources, construction	50	CGB/Pa rtners	5 years	CGB/Pa rtners	Need based
Dairy goats improvement(Purchase of dairy goats)	To increase production and productivity	900	Mobilization and recruitment of farmers; Acquisition of breeding stock	10	CGB/Pa rtners	5 years	CGB/Pa rtners	Need based

Project Name/ Location*	Objectives	Targets	Key Description of Activities	Green Economy considerations	Cost in ('ooo)	Source of fundi ng	Time- frame	Implementing Agency
Pasture and fodder development	To improve on quality and quantity of feeds	1800	Mobilization and recruitment of farmers; Inputs for pasture and fodder establishment	10	CGB	5 years	CGB	Need based
AI Subsidy Programme	To improve animal breeds	100000	Establish an AI Centre AI provision	50	CGB/Pa rtners	5 years	CGB/Pa rtners	Need based
Purchase and installation of milk coolers	To improve on milk quality, and hygiene	9	Mobilization and recruitment of beneficiaries; Purchase and installation; Capacity building on operation	15	CGB	5 years	CGB	Need based
Purchase of pulverizes	To improve utilization of farm by products and their conservation	1125	Mobilization of groups Purchase and distribution Capacity building on usage	10	CGB/Pa rtners	5 years	CGB/Pa rtners	Need based
Purchase of mower, baler, and raker	To have quantity and quality feed	1	Logistical meetings Purchase and operationalization	15	CGB	5 years	CGB	Need based
Purchase of silage making materials	To enhance quantity and quality feed	225	Purchase and distribution of materials	30	CGB /Partne rs	5 years	CGB /Partne	Need based
Indigenous poultry improvement(purchase of poultry breeding stock and incubators)	To improve production and productivity	45	Mobilization of groups Purchase and distribution Capacity building on usage	20	CGB	5 years	CGB	Need based

Project Name/ Location*	Objectives	Targets	Key Description of Activities	Green Economy considerations	Cost in ('ooo)	Source of fundi ng	Time- frame	Implementing Agency
Establishment of poultry collection centres	To improve on market access	450	Mobilization of groups Purchase and distribution Capacity building on usage	15	CGB	5 years	CGB	Need based
Bee keeping improvement Purchase of modern bee hives	To increase production and productivity	12,150	Mobilization of groups Purchase and distribution Capacity building on usage	10	CGB	5 years	CGB	Need based
Purchase of honey centrifuge	To improve on quality and hygiene	225	Mobilization of groups Purchase and distribution Capacity building on usage	10	CGB/Pa rtners	5 years	CGB	Need based
e-extension programme	To improve access to agricultural information	Farmers	Resource mobilization, contracting	10	CGB/Pa rtners	5 years	CGB	At roll-out stage
Agent network farming	To support agricultural productivity	Farmers	Resource mobilization, contracting	15	CGB/Pa rtners	5 years	CGB	At roll-out stage
Agro-Franchise model	To support agricultural productivity	Farmers	Resource mobilization, contracting	11	CGB/Pa rtners	5 years	CGB	At roll-out stage
Village-Based Advisor (VBA) Model	To support agricultural productivity	Farmers	Resource mobilization, contracting	20	CGB/Pa rtners	5 years	CGB	At roll-out stage
Resource poor support programme	To support agricultural productivity	Farmers	Resource mobilization, contracting	10	CGB/Pa rtners	5 years	CGB	At roll-out stage

Project Name/ Location*	Objectives	Targets	Key Description of Activities	Green Economy considerations	Cost in ('ooo)	Source of fundi ng	Time- frame	Implementing Agency
Technology shops for agriculture	To support agricultural productivity	Farmers	Resource mobilization, contracting	16	CGB/Pa rtners	5 years	CGB	At roll-out stage
Learnbing visits/tours	To support agricultural productivity	Farmers	Resource mobilization, contracting	15	CGB/Pa rtners	5 years	CGB	At roll-out stage
Agriculture information desks	To support agricultural productivity	Farmers	Resource mobilization, contracting	5	CGB/Pa rtners	5 years	CGB	At roll-out stage
Intensive mixed farming systems	To support agricultural productivity	Farmers	Resource mobilization, contracting	30	CGB/Pa rtners	5 years	CGB	At roll-out stage
Purchase of honey harvesting kits	To improve on safety during harvesting	450	Mobilization of groups Purchase and distribution Capacity building on usage.	10	CGB/Pa rtners	5 years	CGB	Need based
Farmer field school programme	To improve on safety during harvesting	Farmers	Resource mobilization, contracting	10	CGB/Pa rtners	5 years	CGB	At roll-out stage
Exporters/out-growers support programme	To improve on safety during harvesting	Farmers	Resource mobilization, contracting	15	CGB/Pa rtners	5 years	CGB	At roll-out stage
Farmer to farmer extension programme	To improve on safety during harvesting	Farmers	Resource mobilization, contracting	20	CGB/Pa rtners	5 years	CGB	At roll-out stage
Purchase and installation of honey refinery	To increase productivity of honey and bee products	2	Mobilization of groups Purchase and distribution Capacity building on usage	15	CGB/Pa rtners	5 years	CGB/Pa rtners	Need based

Project Name/ Location*	Objectives	Targets	Key Description of Activities	Green Economy considerations	Cost in ('ooo)	Source of fundi ng	Time- frame	Implementing Agency
Sheep improvement(purchase of dopers for breeding stock)	To increase production and productivity	22	Mobilization of groups Purchase and distribution	15	CGB	5 years	CGB	Need based
			Capacity building on usage					
Pig improvement Purchase of breeding stock	To increase production and productivity	12	Mobilization of groups Purchase and distribution Capacity building on usage	10	CGB	5 years	CGB	Need based
Establishment of livestock model farms with all livestock enterprises	To improve farmers capacity on livestock production skills	1	Identification of model farms Acquisition of inputs and breeding stock; Demos and training.	18	CGB	5 years	CGB	Need based
Conduct Livestock census	To improve resource allocation	1	mobilizing resources for data collection and presentation of analyzed data	5	CGB	5 years	CGB	At roll-out stage
Establish and equip livestock auction yards	To create a better business environment	45	Identify existing yards Equip existing yards Construct and equip new yards	10	CGB	5 years	CGB	Need based
Administrative support services (Hiring of new technical staff)	To enhance and improve extension service delivery	1	Conduct staff need assessment Conduct staff training Recruit new staff	20	CGB/Pa rtners	5 years	CGB/Pa rtners	At roll-out stage

Project Name/ Location*	Objectives	Targets	Key Description of Activities	Green Economy considerations	Cost in ('ooo)	Source of fundi ng	Time- frame	Implementing Agency
Administrative support services	To enhance mobility and extension service delivery	4	Procure Motor vehicles Procure Motor cycles	20	CGB/Pa rtners	5 years	CGB/Pa rtners	Need based
Procure E-extension software and Kits	To enhance extension service delivery	1	Procure Software Procure tablets Conduct staff and farmer trainings	25	CGB	5 years	CGB/Pa rtners	Need based
Establish Livestock and Fisheries training Centre	To create a breeding Centre for livestock and fisheries	1	Construction of administration block and training hall; Equip the Centre labs, furniture and staffing	30	CGB/Pa rtners	5 years	CGB/Pa rtners	Need based
Stablishment of a Dairy/Milk Processing Plant	To improve on milk marketability	1	Construct a milk processing plant	50	CGB/Pa rtners	5 years	CGB/Pa rtners	Need based
nstallation of Solar system	County/SubCounty offices	9	Installation of Solar system	inst alli ng sol ar sys tem	CGB /Partne rs	5 years	CGB /Partne rs	Need based
Rehabilitation of Kimilili, Bungoma, Webuye slaughter nouses	To rehabilitate slaughter houses	3	Rehabilitate slaughter houses	Rep airs and fen cin g	CGB/Pa rtners	5 years	CGB/Pa rtners	Need based
Construction of artificial nsemination (AI) center at Mabanga ATC	To upgrade existing sock	1	Construction of artificial insemination (AI) center	Con str ucti on & equ ip	CGB/Pa rtners	5 years	CGB/Pa rtners	Need based
Construction of diagnostic abouratory	To improve on productivity	1	Construct a diagnostic labouratory	As per BQs	CGB/Pa rtners	5 years	CGB/Pa rtners	Need based

Project Name/ Location*	Objectives	Targets	Key Description of Activities	Green Economy considerations	Cost in ('ooo)	Source of fundi ng	Time- frame	Implementing Agency
Construction of a feed store at Chwele Fish Farm	To provide storage and accessibility of farm	1	Construction of the feed store	Compliant	7	CGB	2 years	CGB./Partn ers
Refurbishment of buildings/facilities at Mabanga ATC	To provide conducive and modern boarding facility	1	Preparation of BQs, tendering, procurement of materials	Compliant	50	CGB/ Partn ers	5 years	CGB./Partn ers
Avocado and mango production	To Improve food security	1	Construction of Value Addition Factories	Compliant	400	CGB/ Partn ers	5 years	CGB/Partn ers
Tractor Hire Service	To Improve food security	9	Purchase of tractors and implements	Compliant	50	CGB/ Partn ers	5 years	CGB./Partn ers
Promotion of Soil Rehabilitation	To promote soil conservation	2500	Soil sampling, testing, and analysis Soil amendment and conservation	Compliant	20	CGB/ Partn ers	5 years	CGB./Partn ers
Institution development and management	To improve service delivery	1	Construction,	25	CGB/Pa rtners	5 years	CGB	Need based
Renovation of buildings at Mabanga ATC	To promote effective service provision	15	Preparation of BQs, tendering, constructing 3 buildings	30	CGB /Partne rs	5 years	CGB /Partne	Need based
Construction of new buildings/facilities at Mabanga ATC /AMC/CFF	To promote effective service provision	5	Infrastructure development	25	CGB /Partne rs	5 years	CGB /Partne	Need based
Construction and overhaul of water system and storage facilities at Mabanga ATC	Provision of clean and sufficient water	2	Infrastructure development	10	CGB /Partne rs	5 years	CGB /Partne	Need based
Establishment of Solar Security Lighting	To improve security	50	Infrastructure development	23	CGB/Pa rtners	5 years	CGB/Pa rtners	Need based

Project Name/ Location*	Objectives	Targets	Key Description of Activities	Green Economy considerations	Cost in ('ooo)	Source of fundi ng	Time- frame	Implementing Agency
System and Solar Heating System at Mabanga ATC								
Purchase and Installation of TV sets; Purchase and Installation of Wi-Fi System and related Internet accessories at Mabanga ATC	To improve communicati on	1	Tendering and procurement of TV sets and their accessories and installation	4	CGB/Pa rtners	5 years	CGB/Pa rtners	Need based
Purchase of office Furniture; hotel and conference facilities at Mabanga ATC	Enhance conference facilities	1	Tendering and procurement of dining/conference tables, chairs and curtains	5	CGB. /Partne rs	5 years	CGB. /Partne rs	Need based
Construction of Agroprocessing unit and Purchase of Agroprocessing equipment at Mabanga ATC	To increase the number of demonstratio n facility	1	Preparation of BQs, tendering, Construction and completion,	80	CGB /Partne rs	5 years	CGB /Partne rs	Need based
Upgrading of Main Gate to office road to Bitumen (or its equivalent) standard.	Modernizatio n of the ATC		Construction and completion	10 M	CGB/Pa rtners	5 years	CGB/Pa rtners	Need based
County Subsidized Avocado and Mango Seedlings production at Mabanga ATC	To improve food security	ım	To produce seedlings	250	CGB/ Partners	5 years	CGB/ Partners	Need based
Construction of Modern Livestock Units at Mabanga ATC	Improved food security	5	Preparation of BQs, tendering, Construction and completion	4	CGB/ Partners	5 years	CGB/ Partners	Need based
Renovation of Livestock units and other farm structures at Mabanga ATC	To improve on productivity	1	Preparation of BQs, tendering, Renovation	4	CGB/ Partners	5 years	CGB/ Partners	Need based

Project Name/ Location*	Objectives	Targets	Key Description of Activities	Green Economy considerations	Cost in ('ooo)	Source of fundi ng	Time- frame	Implementing Agency
Re-stocking of Livestock at Mabanga ATC	Improved food security		Tendering and procurement of restocking stocks	10	CGB/ Partners	5 years	CGB/ Partners	Need based
Grading and Gravelling of Farm access roads at Mabanga ATC	Improve access to farm plots	3.3km	Preparation of BQs, tendering, procurement of construction materials	3	CGB/ Partners	5 years	CGB/ Partners	Need based
Commercial production of Hay at Mabanga ATC	To increase milk production	cs	Planting and field management, Bailing, Sell of hay and seed	2.5	CGB/ Partners	5 years	CGB/ Partners	Need based
Promotion of Conservation Agriculture (CA)	Improved food security	1	Establishment of Conservation Agriculture (CA) demonstration plots	5	CGB/ Partners	5 years	CGB/ Partners	Need based
Construction and Furnishing of office block for AMC	For improved service delivery	1	Preparation of BQs, tendering, and construction	2	CGB/ Partners	5 years	CGB/ Partners	Need based
Construction and Equipping of workshop for AMC	Well serviced machineries	1	Preparation of BQs, tendering, and construction	12	CGB/ Partners	5 years	CGB/ Partners	Need based
Construction of Machinery Shade for AMC	For improved service of the machineries	1	Preparation of BQs, tendering, and construction	3	CGB/ Partners	5 years	CGB/ Partners	Need based
Purchase of Motor cycles and Motor Vehicle for AMC	To improve service delivery	1	Preparation of BQs, tendering, and construction	10	CGB/ Partners	5 years	CGB/ Partners	Need based
Up-scaling Tractor hire services to 45 tractors	To enhance accessibility of the service	45	Proper Management	380	CGB/ Partners	5 years	CGB/ Partners	Need based

Project Name/ Location*	Objectives	Targets	Key Description of Activities	Green Economy considerations	Cost in ('ooo)	Source of fundi ng	Time- frame	Implementing Agency
Promotion of Soil Rehabilitation and protection	To improve soil productivity	1	Soil Testing System Upgrade	10	CGB/ Partners	5 years	CGB/ Partners	Need based
Construction of Soil samples storage facility and Mobile Soil Lab Shades	To reduce losses, wear and tear	3	Construction materials and construction of storage facility and shades	4	CGB/ Partners	5 years	CGB/ Partners	Need based
Hosting of farmer trainings/ Field, days/ Workshops/ Demonstrations	To enhance knowledge transfer to farmers	5000	Mobilization meetings Transporting farmers Farmer trainings	10	CGB/ Partners	5 year	CGB/ Partners	Need based
Establishment of Recirculating aquaculture system(RAS) for Chwele fish farm	To enhance production of fingerlings	1	Preparation of BQs Procurement and installation of the RAS	10	CGB/ Partners	5 years	CGB/ Partners	Need based
Production of monosex tilapia seed, catfish and ornamental fish seed at Chwele fish farm	To enhance food security and nutrition	50M	Production and distribution of seed	12	CGB/ Partners	5 years	CGB/ Partners	Need based
Procurement brood stock for Chwele fish farm	To enhance production of fingerlings	100000	Procurement of brood stock and stocking of fish ponds	50	CGB/ Partners	5 years	CGB/ Partners	Need based
Construction and equipping of a Labouratory at Chwele fish farm	To promote learning	1	Procurement of civil works and equipment	12	CGB/ Partners	5 years	CGB/ Partners	Need based
Construction and furnishing of hostel facility at Chwele fish farm	To provide boarding facility	2	Procurement of civil works and furnishing	5	CGB/ Partners	5 years	CGB/ Partners	Need based

Project Name/ Location*	Objectives	Targets	Key Description of Activities	Green Economy considerations	Cost in ('ooo)	Source of fundi ng	Time- frame	Implementing Agency
Construction and installation of a Feed mill at Chwele fish farm	To provide fish feed	1	Procurement of civil works and equipment	7	CGB/ Partners	5 years	CGB/ Partners	Need based
Construction of catering facility at Chwele fish farm	To enhance hospitality service delivery	1	Procurement of civil works and equipment	5	CGB/ Partners	5 years	CGB/ Partners	Need based
Drilling and equipping of a borehole at Chwele fish farm	To provide water	1	Procurement of civil works and equipment	3	CGBnt / Partners	5 years	CGBnt / Partners	Need based
Construction and furnishing of training hall at Chwele fish farm	To provide training facility	2	Procurement of civil works, furnishing and equipment	5	CGBnt / Partners	5 years	CGBnt / Partners	Need based
Landscaping of the institution at Chwele fish farm	To improve conducivenes s of the institution	1	Procurement of civil works, furnishing and equipment	2				Need based
Rehabilitation and maintenance of Fish Ponds at Chwele fish farm	To improve production	12	Procurement of civil works, furnishing and equipment	15	CGB/ Partners	5 years	CGBnt / Partners	Need based
Construction of Feed store	To provide storage for feeds	1	Preparation of BQs and tendering Construction of the facility	Compliant	1	CGB/ Partn ers	5 years	CGB./Partn ers
Rehabilitation of fish ponds	To provide suitable farming environment	10	Preparation of BQs Rehabilitation of the ponds	Compliant	1.5	CGB/ Partn ers	5 years	CGB./Partn ers
Restocking of Ponds	To increase fish production	10	Procurement of brood stock	Compliant	10	CGB/ Partn ers	5 years	CGB./Partn ers

Project Name/ Location*	Objectives	Targets	Key Description of Activities	Green Economy considerations	Cost in ('ooo)	Source of fundi ng	Time- frame	Implementing Agency
Farm input provision in the whole County.	To improve on fish production	1	provide fish fingerlings, fish feeds, pond liners, seine nets, gill nets	.2	CGB/ Donor partners	5 years	Fisherie s office	Need based
Extension service and innovation in 45 wards	To improve on fish production	4,500	Train farmers, staff on new 3 Donor office technologies partners		Need based			
Aquaculture production in the whole County	To improve on fish production	2	Cage farming, 10 CGB/ 5 years Fisherie s training, Establish Donor partners field school		Need based			
Marketing	To improve on fish market	55	Form fish farmer 5 CGB/NG 5 years Fisherie s office Form fish monger coop Sensitization			Need based		
Post-harvest management and storage	To reduce post- harvest losses	2	Construct cold storage facilities Establish processing plants	100	CGB / partners /	5 years	Fisherie s office	Need based
Inspection and quality assurance in whole County	To improve on fish standards	1			Fisherie s office	Need based		
Aqua-business development in the whole County	Improve on market	1	1		Fisherie s office	Need based		
Planning and Policy development at Headquarters	To provide legal framework for operation	1	Making, presentation and enactment of the draft policies	2	CGB / partners	5 years	Fisherie s office	At roll-out stage

Project Name/ Location*	Objectives	Targets	Key Description of Activities	Green Economy considerations	Cost in ('ooo)	Source of fundi ng	Time- frame	Implementing Agency
Promotion of value addition and processing in the whole County	To improve on value of products	5	Workshops on value addition Strengthen value chains	2.5	CGB / partners /	5 years	Fisherie s office	At roll-out stage
Data management at H/Q	To improve on decision making	1	Mapping of fish ponds; Inputting data on a GPS; Purchase of data management equipment			At roll-out stage		
Small scale irrigation and value addition project	To improve food production	ward	Procurement of civil works, furnishing and equipment	50	CGB/NG /ADB/G AFSP	5 years	CGB/PP	Need based
Soil and water conservation project	To improve soil productivity	Sub- County	Procurement of 15 civil works, furnishing and equipment		CGB/NG /ADB/G AFSP	5 years	CGB/PP	Need based
County food and nutrition security programme	To promote food and nutrition security	wards	Procurement of civil works, furnishing and equipment	30	CGB/NG /PPP	5 years	CGB/PP	Need based
Small holder productivity programme	To promote food and nutrition security	wards	1 1		CGB/PP	Need based		
Food cost-reduction programme	To enhance food accessibility to all	Countywide	Regulation formulation	5	CGB/NG /PPP	5 years	CGB/PP	Need based
Agricultural technology development programme	To diversify agriculture	Sub- County	Procurement of civil works, furnishing and equipment	15	CGB/NG /PPP	5 years	CGB/PP	Need based
