ANNEX 8- WATER, ENVIRONMENT AND NATURAL RESOURCES NOTES.....	57

VOTE TITLE: LANDS HOUSING AND URBAN DEVELOPMENT

A: Vision “To be the leading county in the realization of safe and quality road network in a well planned, affordable and sustainable human settlement for socio-economic development”

B: Mission ‘To construct, manage and maintain good road network; plan land resource and to provide infrastructural facilities within which environmental and socio-economic developmental activities co-exist’

C: Context and Strategy for Budget Intervention

This section describes the context for budgeting in four subsectors namely: physical planning & survey, housing, public works and roads.

1. Physical Planning & Survey

Laikipia County is dominantly rural. There are 2 main urban areas, 8 growing towns and 58 trading centres in the county. There are 43 ranches occupying over 50% of the entire land mass in the county. Of the 43 ranches, 13 are group ranches and the rest are privately owned. The planning of urban centres in county is inadequate. In 68 major centres, 31 have not been planned while the rest have obsolete, revised or draft plans. Previous budgetary allocations were inadequate in this sector. However, incremental funding for the subsector is to be maintained. Survey, mapping, spatial plan and valuation roll have been identified as a priority in land planning and management. This will provide for a county base map, accurate and up to date digital topographical maps and digital topographical layers for the county. This is in line with section 110 of the County Government Act, 2012.

2. Housing

The demand for housing still far outstrips supply due to high rate of urbanization. In addition, high poverty levels and escalation of housing costs and prices have made the provision of housing, infrastructure and community facilities a daunting challenge in the socio-economic development of the county. The subsector shall ensure that there exists a policy addressing fundamental issues of decent housing standards. In addition, research on low cost building materials and construction techniques shall continue as to provide viable guidance to the development of the housing sector. Impediments in the housing delivery system such as stringent planning regulations and high infrastructural standards shall also be looked into.

The budget period will focus on development of a county housing policy, renovation and upgrading of existing government houses to ensure decent living for the staff and updating of the government houses inventory within the entire county.

3. Public Works

The subsector will focus on construction, maintaining and managing government buildings and other public works for sustainable social economic development.

4. Roads

The total classified road network is 1,038.1 Km of which over 80 per cent are feeder roads. The bitumen surface in the county stands at 139.3 kilometres representing 13% of the road network; covering mainly the Nyeri-Nanyuki, Nyeri-Nyahururu, and Nyahururu-Kinamba-Rumuruti roads. The gravel surface accounts for 28 % of the road network while the earth surface at is the largest at 59% of the total road network. The rural areas and peri- urban zones are characterized by poor road communication network.

An improved road network would boost the returns from agriculture, accelerate commerce and boost development of small-scale industries. The allocation for this sub sector in the financial year 2014/2015 focused on grading and gravelling of roads throughout the county. This will also be the area of focus during the budget period.

D: Programmes and their Objectives

Subsector	Program	Sub Programmes	Objective
Physical Planning/Survey	Physical Planning Services	-Spatial Planning Services -Housing, Survey and Mapping -Valuation Roll Services	To have a well planned and sustainable human settlement
Housing	Housing Development	-Housing Improvement	Provide and improve adequate and affordable housing facilities
Public Works	Public Works Services Delivery Improvement	-County Building Construction Standards - Bridge Infrastructure Services	Increase and improve working space Provide all necessary public works service
Roads	Roads Network Improvement & Urban Development	-Roads Network Improvement - Urban Development	Create accessibility by improving road network in the county

Subsector	Program	Sub Programmes	Objective
		- Road Network Maintenance - Heavy equipment Maintenance -Mechanization Services	
Headquarter	Administration, Planning and Support Services	-Administration Services - Planning and Financial Management -Infrastructure Emergency Services	To improve co-ordination and administration

	infrastructure						
Programme 4: Administration, Planning and Support Services							
Outcome: Efficient service delivery to all							
Headquarters Administration Services	Department of infrastructure	Improved service delivery Draft Housing policy	No. of people and institutions served Hard and soft copy of a county Housing policy		All that enquire/visit 1	All that enquire/visit	All that enquire/visit
Planning and Financial Management	Department of infrastructure	Improved service delivery	No. of people and institutions served		All that enquire/visit	All that enquire/visit	All that enquire/visit
Infrastructure emergency Services	Department of infrastructure	Efficient response to infrastructural works in the county					

VOTE TITLE: PUBLIC SERVICE AND COUNTY ADMINISTRATION

A. Vision: A County with efficient service delivery

B. Mission: To provide overall leadership, policy direction, management and accountability for quality service delivery

Sector Objective: The sector aims at effective and efficient delivery of public services and goods through highly skilled manpower and co-ordination of decentralized services.

C. Performance Overview and Background for Programme(s) Funding

In the financial year 2013/2014- 14/15 the department achieved the following:-

1. The sector rolled out the IPPD for management of payroll and integrated the devolved function staff into the County Payroll.
2. Conducted the first head count of employees in the County under the guidance of Transition Authority and conducted right placement of staff.
3. Developed indents for recruitment of Directors, Sub County Administrators, Ward Administrators, County Secretary, Chief Officers and paramedics.
4. Established four (4) citizen service delivery centre (call centres).
5. Spearheaded the development of the County Strategic Plan 2014/15-17/18.
6. Purchased land for construction of police post at Umande and constructed unithuts at Wangwachi police post.
7. Initiated school feeding programme for schools not factored in the National Government School feeding programme and distributed relief food to needy and disaster stricken families.
8. Implemented CPSB decisions on absorption of ESP, CAPACITY KENYA and CHS programme staff.
9. Together with National Government undertook the CARPS programme
10. Ensured that staff have been put under various insurance schemes namely:- WIBA, GPA and GLA and medical scheme for state officers.

11. Embarked on the process of conducting Training Needs Assessment (TNA) in collaboration with Karatina University.

12. Developed proposal for absorption of contractual staff working as instructors in Youth Polytechnics.

Constraints and Challenges in Budget Implementation

During the period under review, the department faced several challenges namely:

1. Inadequate financial resources
2. Inadequate working space
3. Inadequate equipment and working tools
4. Lack of adequate skilled manpower
5. High wage bill in view of limited resources

Major Services/Outputs to be Provided in MTEF period 2015/16-17/18

The sector expects to deliver the following;

- i. Performance Appraisal System (PAS) implementation
- ii. Undertake capacity building of staff
- iii. Improve management of Integrated Payroll Personnel Database
- iv. Enhance management of records in the County
- v. Initiate policies to enhance Human Resource Management and Development
- vi. Enhance co-ordination and management of decentralized units
- vii. Enhance better Intra and Inter County Relations
- viii. Initiate strategies and programmes aimed at reducing incidences of insecurity
- ix. Enhance mechanisms to control alcohol, illicit brews, drug and substance abuse
- x. Enhance effective and efficient utilization of the county’s fleet
- xi. Initiate disaster preparedness mechanisms

D. Programme Objectives/Overall Outcome

Programme	Sub Programmes	Strategic Objective/Outcome
County Administration	-County Administration and Decentralized Services -County Administration Management	Efficiently and effectively co-ordinate intergovernmental relations and decentralized units
Human Resource Management and Development	-Human Resource Management and	Effectively and efficiently manage the HRM function

Programme	Sub Programmes	Strategic Objective/Outcome
	Development -County Public Service Board	
Security and Policing Support Services	- County Government Security Services -Urban Facility Services	To reduce incidences of insecurity
Public Safety and Logistics	-Disaster Reduction Management -Fire Services	Ensure public safety and efficient fleet management
County Executive Committee Support Services	-Executive Support Services -Legal Services	To implement legislation; manage and coordinate functions of the county administration and its departments
Inter Governmental Relations	-Grants and transfers to county government entities	To implement, manage and coordinate functions of the county administration and its entities

VOTE TITLE: EDUCATION ICT AND SOCIAL SERVICES

A. Vision: To be a leading facilitator in technical skills, early childhood development, ICT services, social services, sports, culture and children care.

B. Mission: To offer quality education to the youth, children and promote social-cultural services for improved welfare of the citizens in Laikipia.

Sector Objective: To promote social, cultural, sports and recreational activities in the county and manage stand alone programmes for youth, children, women and persons living with disabilities. To promote enabling environment for access, retention and transition rates for trainees in technical skills, early childhood development and enhance efficiency in service delivery.

Part C: Performance Overview and Background for Programmes Funding

In the financial year 2012/2013 polytechnic sub sector had not been fully devolved and had an allocation of Ksh. 5,000,000 for infrastructural development. Four infrastructural projects were initiated and at 40 percent completion rate in two projects and 30 percent completion rate in the other two projects. Installation of Fiber Optic Cables was completed in Nanyuki Headquarter Offices as well as Marmanet Town Hall in 2013/14.

During the financial year 2014 /15, Ksh. 17,000,000 was allocated to ECDE subsector. Seven projects have been completed while nine projects are in progress. In addition to completion of the four projects, funds were allocated to initiate six infrastructural projects and equipping six institutions at polytechnic subsector. Installation of County Connectivity Project and cabling was done in Nanyuki Headquarter Offices and Nyahururu Town Hall and at 40% complete. Re-designation of the county website was also done and at 60% complete.

In the past two years, the social sector has managed to achieve the following;

1. The department of sport Upgraded Nyahururu Stadium
2. Completion of Sports Office Block is at advanced levels.
3. Training of team officials and facilitation of teams to participate in tournaments/leagues.
4. Renovation of Nyahururu social hall while that of Nanyuki social hall is ongoing

5. Sensitization of Women, Youth and PWDs on the various devolved funds and procurement procedures.
6. Admission of 100 street children to Laikipia Rescue and Rehabilitation Centre and re-integration of 25 children back to the community.

Constraints and Challenges in Budget Implementation

The department faced several constraints as listed:-

1. Inadequate resource allocation
2. Inadequate training personnel and equipment at the polytechnics
3. Traditional practices like female genital mutilation and early marriages
4. Inadequate entrepreneurial skills by majority of the youth

To address the challenges highlighted, the sector is in the process of formulating a County Social Protection Bill which will address poverty and vulnerability of the population from socio-economic and natural shocks. In order to promote sports effectively, the department will formulate and implement a sports policy and a sports bill.

Major Services/Outputs to be Provided in MTEF Period 2015/16 – 2017/18

- i. Improved infrastructure in the learning institutions
- ii. Recruiting and upgrading of trainers, ECDE teachers and ICT staff
- iii. Equipping of learning institutions
- iv. Increased Connectivity & Communication
- v. Increased Information Security Policies
- vi. Increased ICT Capacity & Training
- vii. Enhanced social services to the communities

VOTE TITLE: TRADE, TOURISM, ENTERPRISE & CO-OPERATIVES

A. Vision: Development of robust, diversified and competitive manufacturing, trade, wealth and employment creation in the county.

B. Mission: To ensure increased industrial, trade, co-operative and tourism growth through capacity development, innovativeness & marketing.

Sector Objective: The sector's key objective is to promote private sector development through enterprise development, provision of conducive environment for doing business, promote active investment climate, promote tourism development for the county's economic growth.

C. Performance Overview and Background for Programme(s) Funding

There are a total of 195 registered co-operative societies of which 106 are active and 89 dormant. In the 2014/2015 budget, the amount allocated to supportive co-operative movement was minimal thus increased funding is required. Two Miss Tourism beauty pageants events were successfully held towards promoting the county's vast tourism potential. 41 bodaboda sheds across the county were also earmarked to provide a conducive environment for the operators. Rehabilitation of the Nanyuki open air market and the Nyahururu wholesale markets are at preliminary levels. Verification and calibration of about 1,000 traders' weighing and measuring equipment was carried out within the county.

The major challenges faced by the sector are inadequate budgetary allocation, inadequate staff levels and mobility issues. To counter this, the sector has collaborated and partnered with various players in the sector to ensure achievement of its goals. The sector also aims at recruiting officers to ensure quality service delivery across the entire county. The sector has been able to put in place legal framework to ensure efficient and effective service delivery in the current governance system. Some of the Acts the sector has facilitated included: Co-operative Revolving Fund Act, Enterprise Development Fund Act, Trade Development and Regulation Act and Investment Authority Act.

Part D: Programme Objectives/Overall Outcome

Programmes	Sub Programme	Strategic Objective
Administration, Planning and Support Services	- Administration Services - Personnel Services - Finance Services	Improve the sector's capacity for quality service delivery
Tourism Development and Promotion	- Tourism Promotion and Marketing - Tourism Infrastructure Development	Promote Laikipia county as a world class tourist destination
Trade Development and Promotion	- Local Markets Development - Enterprise development fund - County Trade and Export Market Product Development - Metrological laboratory/Weights & Measures	Improve business environment and promote enterprise and entrepreneurship development
Co-operative Development	- Co-operative Development and Promotion - Co-operative Revolving Fund	To ensure a robust and competitive co-operative movement to drive the county's economy

VOTE TITLE: AGRICULTURE, LIVESTOCK & FISHERIES DEVELOPMENT

A. Vision: To be the leading agent in food security, employment creation and poverty reduction for all.

B. Mission: To improve livelihood by promoting competitive agriculture through creating an enabling environment, provision of effective support services and ensuring sustainable natural resource management.

Sub Sector Objectives:

Agriculture: The objective of the subsector is to promote an enabling environment for improved agricultural production, marketing and value chains improvement.

Livestock: The objective of the subsector is to promote an enabling environment for improved livestock production, marketing and value chains improvement for a sustainable and prosperous livestock sector.

Veterinary services: The objective of the subsector is to manage, control and eradicate animal diseases and pests including zoonoses, laboratory diagnostics services and disease surveillance.

Fisheries: The objective of the subsector is to facilitate sustainable management and development of fishery resources and products for accelerated socio-economic development.

Part C. Performance Overview and Background for Programme(s) Funding.

The following programmes were carried out in the last two years;

Programme	Project Name	Ward	Status
Animal Health and Disease Management and Control	Koija, Arjijo, Mirera, Losogwa cattle dips	Mukogodo West, Mukogodo East, Tigithi, Igwamiti	Complete
	Acaricides and vaccination equipment	Countywide	Completed
	Cattle Vaccination against FMD and dogs against Rabbits	County wide	20,000 cattle vaccinated
Livestock Products Value Addition and Marketing	Rumuruti, Chumvi ,Sipili and Doldol slaughter houses	Rumuruti, Mukogodo East, Ol Moran	Rumuruti is ongoing
	Carrying out EIA for the four slaughter slabs	Rumuruti, Chumvi, Dol Dol and Sipili	Completed
	Sale yards rehabilitation	Sipili, Rumuruti, Olmoran	Complete
	Milk coolants and premises (Winyitie, Muhotetu, Ng'arua, Matanya -)	Ngobit, Githiga, Tigithi, Marmanet	95% complete

Programme	Project Name	Ward	Status
Livestock Production and Management	Laikipia north range rehabilitation	Laikipia North	Ongoing
Land and Crop Productivity Enhancement and Management	Soil testing targeting 180 samples	Igwamiti, Salama, Marmanet, Githiga, Rumuruti, Olmoran, Mukogodo East, Nanyuki, Umande, Thingithu, Tigithi, Ngobit.	Completed
Irrigation Development and Management	Mutaro and Jikaze Water projects pipework extension	Ngobit, Nanyuki	Completed
Fisheries Development and Management	Institutional pond lining and feeds	Ngobit, Umande, Githiga, Rumuruti, Igwamiti, Salama, Thingithu	Completed in 10 institutions

D. Programmes and their Objectives/Overall Outcomes

Subsector	Programme	Sub-Programme	Objective
Sector Headquarter	Administration, Planning and Support Services	Administration Services Finance Services	Improve Sector Service Delivery
Agriculture	Crop Development and Management	Land and Crop Productivity Enhancement and Management Irrigation Development and Management Strategic Food Security Service	Increase agricultural productivity
Livestock/ Veterinary	Livestock Resources Management and Development	Livestock Production and Management Livestock Products Value Addition and Marketing Animal Health and Disease Management and Control	Improve livestock productivity
Fisheries	Fisheries Development and Management	Aqua Culture Development	Improve households livelihoods

Part H. Summary of the Programme Key Outputs and Performance Indicators for FY 2015/16

Programme	Delivery Unit	Key Output(KOs)	Key Performance Indicators(KPIs)	Target (Baseline) 14/15	Target 15/16	Target 16/17	Target 17/18
Programme 1: Administration, Planning and Support Services							
Outcome: Improved service delivery in the agriculture sector							
1.1:Administration Services	CECM& Chief Officer Offices	Staff appraisal	Performance contracts				
1.2: Finance Services	CECM& Chief Officer Offices	Support services provision	Sector support services				
Programme 2: Crop Development and Management							
Outcome : Improved land productivity and household incomes							
2.1 Land and Crop Productivity Enhancement and Management	Crop Resource Development	Tested soil samples	No. of soil samples tested	500 samples	600	700	800
		Drought escaping crops	No. of seedlings purchased; No. of farmers trained	6,000 seeds 300 farmers	7,000 400	8,000 500	9,000 600
		Assorted fertilizer supplied	No of bags purchased	1,500 bags of assorted fertilizers	1,750	2,000	2,250
		Improved Agriculture technology	No of farmers brought on board; No of equipments bought.	45 farmers; 15 protective gears; 15 jab planters; 1 shallow weeder.	60 20;20;1	75 20;20;1	90 20;20;1
		Assorted seeds supplied	No. of seedlings purchased	10,000 packets of assorted seeds	10,000	10,000	10,000
2.2Irrigation Development and Management	Crop Resource Development	Operational 680 water pans	No of water pans constructed; No of acres irrigated; No of beneficiaries	680 water pans; 50 acres irrigated; 100 farmers benefitting	20 50 100	20 50 100	20 50 100
2.3Strategic Food Security Service	Crop Resource Development	Operational agriculture produce warehouses	No of warehouses constructed Volume of produce stocked	3 warehouses; 100 Tonnes	1 100	1 100	1 100
Programme 3 :Livestock Resources Management and Development							
Outcome: Improved livestock productivity and household incomes							
3.1 Livestock Production and Management	Livestock production	Bales of hays produced;	No. of bales produced; No of machinery purchased	25,000 bales; 1 tractor and bailer	4,000	4,000	4,000
3.2 Livestock Products Value	Livestock production	Operational auction and	No. of sales and auction yard	3 sales and auction yard	3	4	6

Programme	Delivery Unit	Key Output(KOs)	Key Performance Indicators(KPIs)	Target (Baseline) 14/15	Target 15/16	Target 16/17	Target 17/18
Addition and Marketing		sales yard;	constructed;	constructed;	1	-	-
		Operational milk coolers	No of milk coolers constructed	3 milk coolers constructed.	1	1	1
		Operational slaughter houses	No of slaughterhouses constructed/ rehabilitated	4 new ones and 4 rehabilitated	1	1	1
		Improved livestock products	No. of stakeholders trained;	500 farmers	15	20	25
		Easily identifiable livestock	No of production and marketing groups formed; No. of cottage industries established No of livestock registered and certified; No. of stakeholders trained on traceability; No. of livestock fitted with electronic and mechanical branding.	10 groups 3 industries 260,000 herds of cattle branded	15 1 20,000	20 1 20,000	25 1 20,000
3.3 Animal Health and Disease Management and Control	Veterinary	Livestock vaccinated against FMD, LSD, PPR	No. of vaccines purchased; No of livestock vaccinated.	200,000 cattle	20,000	20,000	20,000
		Authorized movement of livestock	No. of livestock authorized to move in or out of the county	Cattle 9750 Sheep/ goats 34, 500 300 camel Pig 450 Poultry 1,125	10,000 35,000 500 1,200	10,000 35,000 500 1,200	10,000 35,000 500 1,200
		Operational cattle dips	No. of cattle dips constructed/ rehabilitated; No. of livestock using the dips.	10 cattle dips	3	3	4
		Healthy Livestock	No. of surveillance done No of diseases treated	25 surveillances	8	8	9
		Efficient services offered	No. of farmers reached	1,500 farmers	1,500	1,500	1,500

Programme	Delivery Unit	Key Output(KOs)	Key Performance Indicators(KPIs)	Target (Baseline) 14/15	Target 15/16	Target 16/17	Target 17/18
		Disease Free Zone established	Percentage of survey done; No. of livestock traders trained; No of stakeholders trained	100%; 20.	35%	35%	30%
		Improved livestock products	No. of stakeholders trained; No. of production and marketing groups formed; No. of cottage industries established	500 farmers 10 groups 3 industries	500 10 1	500 10 1	500 10 1
Programme 4: Fisheries Development and Management							
Outcome: Increased household incomes							
4.1 Aqua Culture Development	Fisheries	Well stocked fish farms	No. of fish ponds constructed	200	60	60	80

VOTE TITLE: FINANCE AND ECONOMIC PLANNING

A. Vision: A leading sector in fiscal and economic policy formulation, coordination, supervision and prudent resource management.

B. Mission: Provide overall leadership and policy direction in resource mobilisation, management and accountability for quality public service delivery.

Sector Objectives

The sector objective is to provide adequate and quality services in relation to economic and financial legal framework. The specific objectives include: enhancing resource mobilization, ensuring prudent utilization of financial resources, providing leadership in budgeting processes, ensuring participatory planning and development processes among others.

C. Performance Overview and Background for Programmes Funding

In the past two financial years the sector engaged projects that were in line with the sector's set targets as follows:

1. The economic planning provided leadership in participatory planning processes such as CIDP 2013-2017. In addition policy dissemination meetings were carried out on Kenya Vision 2030 and MTP II.
2. The sector prepared and finalized ICT Concept Paper, Finance Act 2013 and 2014, and county laws (Ward Development Fund, Development Authority, Revenue Board)
3. Monitoring and evaluation of development programmes was done on CDTF programmes, County first RRI developmental projects and programmes and social sectors in Laikipia North.
4. The sector provided leadership in the budgetary processes and finalization of the 2014 and 2015 County Fiscal Strategy Papers, 2014 and 2015 County Debt Management Strategy Papers and the 2014/15 and 2015/16 Annual Development Plans.

Performance Expenditure Review 2013/14– 2014/15

This section presents the expenditure performance review of the sector programmes and sub-programmes by economic classification as shown in Table below;

Expenditure by Economic Classification

Expenditure classification	Approved Budgetary Provision	Actual Budgetary Expenditure
Recurrent Expenditure	422,392,309.5	109,797,848
Capital Expenditure	323,658,018	54,500,000
Total expenditure of Vote	746,050,327.5	164,297,848

Constraints and challenges in Budget Implementation:

The sector faced a number of challenges key among them being; Delays in exchequer releases, inadequate personnel and lengthy procurement procedures.

Major Services/Outputs to be Provided in MTEF Period 2015/16

The sector will provide the following outputs in 2015/16: procurement of goods, services and works, periodic internal audit reports, enhanced revenue collection, economic planning and policy formulation, and monitoring and evaluation reports.

D. Programme Objectives/Overall Outcome

S/No.	Programme	Sub Programmes	Strategic Objective/outcome
1.	Administration, Planning and Support Service	Headquarter Administration Infrastructural facilities	To ensure efficient and effective delivery of services
2.	Financial Services	Supply Chain Management Accounting and Reporting Services Internal Audit Services Budget Management County Treasury Administration Services Revenue Collection Services Financial Systems and Automation Laikipia County Emergency Fund	To ensure efficient and effective delivery of financial services
3.	Economic Planning Services	Integrated Planning Services Research, Statistics and Documentation Services County Development Authority Household Economic Empowerment Ward Development Fund Laikipia Revenue Board	To ensure participatory planning and effective tracking of development projects

VOTE TITLE: HEALTH

A. Vision: A healthy and productive county population

B. Mission: To build a responsive, client centered and evidence based health system for accelerated attainment of highest standards of health to all in Laikipia County.

Sector Objective: To provide equitable, affordable, quality health services at the highest attainable standards.

C. Performance Overview and Background for Programme(s) Funding

The health infrastructure consists of 67 public facilities and 44 private facilities. Of the 67 public facilities, 2 are county hospitals while 3 are sub county hospitals. In addition, there are 8 health centres and 54 dispensaries.

The sector has continued support hospitals, health centers and dispensaries with medicines and essential medical supplies. Operations at health centres gazetted before December 2012 have also been directly supported by DANIDA and World Bank funding partnerships. Nanyuki, Nyahururu, Rumuruti, Ndindika and Doldol hospitals have been supported through rehabilitation of laboratory, rehabilitation of water pipeline, completion of maternity block, installation of a generator, and equipping of maternity respectively in the last two years.

Part D: Programme Objectives/Overall Outcome

The health sector will be involved in the implementation of 3 main programmes consisting of 15 sub programmes.

Programme	Sub Programme	Strategic Objectives
Curative and Preventive Health Program	Health Products and Technologies Support Services Ultra modern Maternity infrastructure Health Infrastructure Improvement Services Strategic Health Interventions	Provide essential health services addressing elimination of communicable diseases, halting the rising burden of non-communicable conditions; and reducing the burden of violence and injuries.
General Administrative and Planning Services	Administration, Project Planning and Implementation Services Human Resources for Health Management and Development Standards and Quality Assurance	Strengthen collaboration with health related sectors to improve health and wellbeing.

VOTE TITLE: WATER ENVIRONMENT AND NATURAL RESOURCES

A. Vision: A lead county in water services provision, waste water treatment and natural resource management.

B: Mission: To provide clean and safe water in adequate quantities and sanitation services in a sustainable natural environment.

C. Performance Overview and Background for Programmes Funding

The county has inadequate supply of water under the management of Water Services and Sanitation Companies in Nanyuki, Rumuruti, Wiyumiririe and Nyahururu. There are 10 old irrigation schemes in the southern and western parts established through government and donor support. During the budget period, focus will be on rural water schemes through pipe laying, springs development, rehabilitation of earth dams and boreholes. There are 78,930 households (77%) with access to basic sanitation (latrines). In the previous budget period, there was inadequate allocation to finance sanitation and waste management programmes. The sector will continue to seek a larger share of the budgetary allocations for the future periods to ensure access to sanitation and safe environment for all.

D: Programmes and their Objectives

Sub Sector	Programme	Sub Programmes	Objective
Water	Water Supply Management	Strategic Project Monitoring and Intervention Water Supply Services Water Supply Projects	To increase provision of water for domestic and other uses
Sanitation	Sanitation Enhancement Services	Solid Waste Management	Improve levels of sanitation
Environment and Natural Resources	Human Animal Conflict Mitigation - Infrastructure Program	Electric Fence Installation Initiative	Ensure safety of the residents
Headquarter	General Administrative Services	Administration and Planning Services	Improve co-ordination and administration

	Magadi water project	4,000,000
	Nagum Dam rehabilitation	2,000,000
	Narok Borehole rehabilitation	2,000,000
	Kirimon water project	2,000,000
	Chumvi water project	4,000,000
	Ngarendare water project	2,000,000
	Lokusero water project	2,000,000
	Soit Naibor water project	2,000,000
	Naiperere Water pan	2,000,000
	Wangwachi water project	2,000,000
	Githiga water project	2,000,000
	Rehabilitation of Rumuruti water supply	2,000,000
Pesi water project	2,000,000	
Environment and natural resources	Solid waste management	10,000,000
	Garbage collection trucks	10,000,000
	Marmanet forest fencing	22,000,000
	Rumuruti forest fencing	23,000,000

VOTE TITLE: COUNTY ASSEMBLY OF LAIKIPIA

VOTE NUMBER: 331

Part A.

Vision: A model County Assembly that fulfils its Constitutional mandate to the people of Laikipia County

Part B.

Mission: To facilitate political, economic, social and cultural growth of the County through effective Legislation, oversight and representation.

Part C. Context for Budget Intervention

- Targets; statistical data
 1. All seventy four staff and twenty four members of the assembly trained in parliamentary procedures.
 2. The assembly chamber refurbished and equipped with current communication equipments
 3. Production of annual assembly report and Hansard report
- Expenditure trends;
 1. There has been great reduction in recurrent expenditure as per the CRA ceilings guidelines while the development expenditure has increased due to refurbishment of chamber
- Major Achievements during the period 2014/2015
 1. Facilitation of members in their legislation, oversight and representation roles
 2. Passing over various bills that operationalise the county operations
 3. Training of staff in the assembly for smooth operations
 4. Good public participation in the legislation process.
- **Challenges and constraints**
 1. Late disbursement of funds by the national government causing cash flow challenges.
 2. A challenge with IFMIS system.
 3. Constrained operations due to reduced operation cost due to CRA ceilings
 4. Constrained Assembly ceilings imposed on County assemblies

Major services and Outputs of the budget

Part D. Programme objectives/overall outcomes

1. Programme1: General administration support services

Objective: To facilitate the members of staff and members of the assembly in carrying out their roles.

2. Programme 2: Legislative and oversight

Objective: To facilitate MCAs in carrying out their legislation, oversight and representation mandates.

3. Programme: County Assembly Infrastructure improvement

Objective: To improve infrastructure for efficient legislative process
