

REPUBLIC OF KENYA

**NYERI COUNTY INTERGRATED
DEVELOPMENT PLAN 2018- 2022**

Towards a Competitive and Prosperous County

DEPARTMENT OF FINANCE AND ECONOMIC PLANNING

JANUARY, 2018

COUNTY VISION AND MISSION

COUNTY VISION

A wealthy county with happy, healthy and secure people.

COUNTY MISSION

To create and sustain an environment that unlocks potential of the people of Nyeri to achieve progressive socio-economic growth by running an open government

STRATEGIC OBJECTIVES

- Improve productivity in agriculture and overall food and nutrition security
- Promote shared economic growth and job creation
- Enhance good governance and active citizenry
- Enhance basic infrastructure for effective service delivery
- Promote sustainable use of natural resources
- Improve financial sustainability and resilience
- Provide accessible and quality health care services
- Scale up institutional development, transformation and innovation

CORE VALUES

- **Patriotism** - Our devotion to the county and its aspirations will be manifested in what we say and what we do
- **Innovativeness** – We nurture and support creativity and the development of new ideas, products and processes in delivery of services
- **Teamwork** We deliberately work together, collaboratively and across sectors to deliver services to the citizens of Nyeri and win their approval
- **Integrity** - We are open, honest and trustworthy in dealing with all our stakeholders and especially the citizenry at all times
- **Accountability** - We honor our commitments to our stakeholders by doing what we say we will do

CHAPTER ONE

COUNTY GENERAL INFORMATION

1.0 INTRODUCTION

This chapter gives the background information on the socio-economic and infrastructural aspects that has a bearing on the development of the county. The chapter provides a description of the county in terms of the location, size, physiographic and natural conditions, demographic profiles as well as the administrative and political units. In addition, it provides information on human development approach; infrastructural development; land and land use; employment; irrigation infrastructure and schemes; crop, livestock, fish production and value addition; mineral resources; tourism and wildlife; industry and trade; financial services; forestry, agro-forestry and value addition; environment and climate change; water and sanitation; health access and nutrition; education skills, literacy and infrastructure; sports, culture and creative arts; community organizations/non-state actors; security, law and order and blue economy.

1.1 County Overview

Nyeri County is home to 845,863 people (male - 49% and female - 51%), according to the projections by KNBS, 2018. Majority of the people living in Nyeri County are Kikuyus most of whom are predominantly farmers growing tea and coffee as cash crops alongside food crops such as maize, beans, assorted vegetables and sweet potatoes. Other communities living in the county include Luo, Meru, Kamba, Embu, Borana, Somali and virtually all Kenyan communities who are mostly engaged in own businesses or employed by the government.

Kikuyus traditionally believed in one god, called *Ngai* (the provider), living at the top of Mount Kenya. However, most of them have today abandoned their traditional beliefs for Christianity. Notable among Christian faiths are the Presbyterian, Methodist, Catholic, Anglicans, Pentecostals and *Akorino* denominations. There's a small number of residents, mainly found in major towns, who ascribe to Islam and Hindu religions.

The County lies between Mount Kenya and the Aberdare ranges with Agriculture as the main economic activity. The County is also renowned for horticultural farming. Other agricultural activities which act as a source of income include dairy farming and fish keeping. There are also a number of light industries, tea and coffee factories providing a market and employment to the locals. The County headquarter is located in Nyeri Town which is easily accessible from all the eight sub counties.

Some of the famous people who hail from Nyeri County include former President Mwai Kibaki, Nobel Peace Prize laureate the late Prof. Wangari Maathai and renowned Olympic (Boston and Chicago) marathon medalist Catherine Ndereba.

The county is easily accessible by road from Nairobi and other neighbouring towns. It takes about two hours to travel to Nyeri from Nairobi (150km), two hours from Nakuru (167km), 45 minutes from Nanyuki (60km) and one and a half hours from Nyahururu (100km). There is no regular

transport by air to Nyeri although there are three airstrips namely Mweiga on the Nyeri-Nyahururu highway, Nyaribo on the Nanyuki-Nairobi highway about 15km from Nyeri town and the Nanyuki near Nanyuki Town.

1.1 Position and Size

Nyeri County is one of the 47 counties in Kenya and is located in the central region of the country. It covers an area of 3,337.2 Km² and is situated between longitudes 36⁰38” east and 37⁰20” east and between the equator and latitude 0⁰ 38⁰ south. It borders Laikipia County to the north, Kirinyaga County to the east, Murang’a County to the south, Nyandarua County to the west and Meru County to the northeast.

Figure 1: Location of the County in Kenya

1.2 Physiographic and Natural Conditions

1.2.1 Physical and Topographic Features

The main physical features of the county are Mount Kenya (5,199m) to the east and the Aberdare ranges (3,999m) to the west. The western part of the county is flat, whereas further southwards, the topography is characterized by steep ridges and valleys, with a few hills such as Karima, Nyeri and Tumutumu. These hills affect the pattern of rainfall, thus influencing the mode of agricultural production in some localized areas.

The major rivers found in the county are Sagana, Ragati, Chania, Gura and Nairobi. If well tapped, these rivers and the numerous streams can make the county to be self-sufficient in surface and sub-surface water resources for domestic, agriculture and industrial development.

1.2.2 Ecological Conditions

The county has two forest eco-systems, namely Aberdare and Mt. Kenya. The county also has other isolated forested hills under the management of County Government such as Karima and Tumutumu. Apart from being a source of traditional forest products such as timber, fuel, fodder, herbal medicine among others, these forests play vital roles which include; maintenance of water cycle, wildlife habitat and are also repository of a wide range of biodiversity. Since soil conditions in the county are almost similar, agricultural productivity is influenced by rainfall intensity and temperature conditions.

1.2.3 Climatic Conditions

The county experiences equatorial rainfall due to its location within the highland zone of Kenya. The long rains occur from March to May while the short rains come in October to December, but occasionally this pattern is disrupted by abrupt and adverse changes in climatic conditions.

The annual rainfall ranges between 1,200mm-1,600mm during the long rains and 500mm-1,500mm during the short rains. In terms of altitude, the county lies between 3,076 meters and 5,199 meters above sea level and registers monthly mean temperature ranging from 12.8°C to 20.8°C.

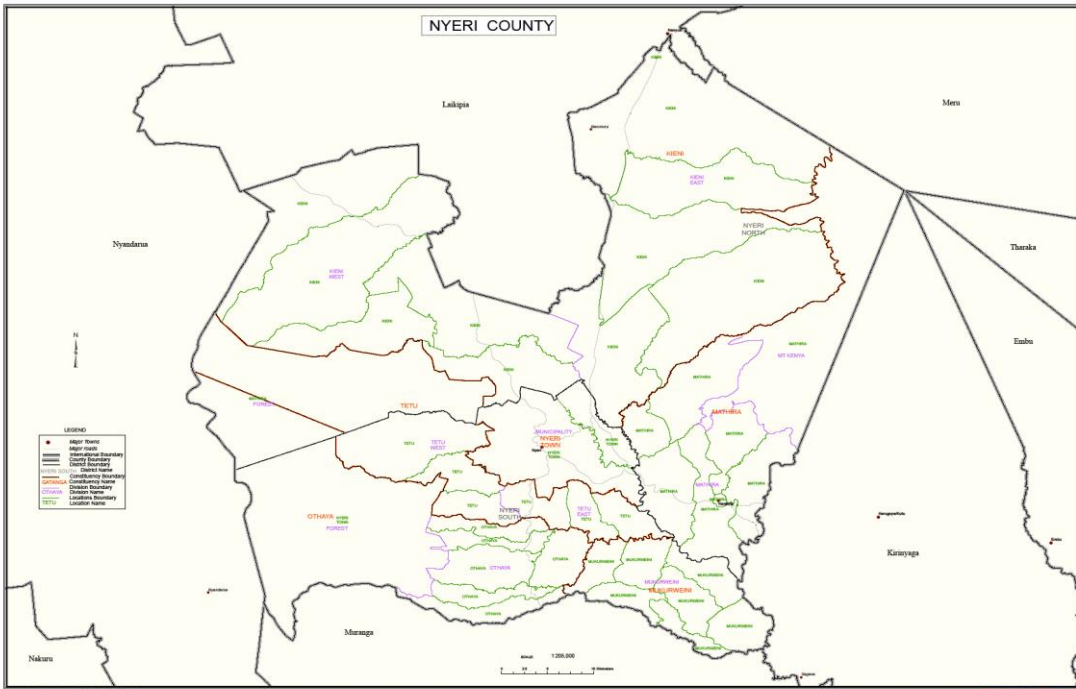

1.3 Administrative Units

Nyeri County is divided into various administrative units. The administrative units are crucial for the management and service delivery to the public.

1.3.1 Administrative Subdivisions

Nyeri County is divided into various administrative units. These units are the sub-counties, divisions, locations and sub-locations. This is illustrated by figure 2 and the table below.

Figure 2: Nyeri County Administrative Boundaries

Source: Kenya National Bureau of Statistics, 2010

The county is divided into eight administrative sub counties that includes; Kieni East, Kieni West, Mathira East, Mathira West, Nyeri Central, Mukurweini, Tetu and Nyeri South.

The Table 1 shows the area of the county by sub-counties. The county is further subdivided into 21 divisions, 69 locations and 256 sub-locations

Table 1: Area of the County by Administrative Sub-Counties

Sub County	Area (Km ²)	Divisions	Locations	Sub-locations
Mathira East	131	4	13	44
Mathira West	165.6	3	8	31
Kieni West	623.3	2	6	26
Kieni East	817.1	2	12	33
Tetu	217.5	2	8	35
Mukurwe-ini	178.6	4	7	32
Nyeri Town/Nyeri Central	167.8	1	4	26
Othaya/Nyeri South	174.5	3	11	29
TOTAL	*2,475.5	21	69	256

Source: County Commissioner’s Office, Nyeri, 2017

**The total area excludes Mt. Kenya and Aberdare Forests (861.7 Km²)*

Kieni East Sub County is the largest with a land size of 817.1 Km² while Mathira East is the smallest with an area of 131 Km². Mathira East has got the highest number of locations and sub locations while Nyeri Central, being a town, has got the least.

1.4 Political units

The Political units are represented by elected persons such as the members of national and county assembly. Table 2 shows political units in the county divided into constituencies and electoral wards. It further shows the distribution of electoral wards by constituency.

Table 2: County Electoral Wards by Constituency

Constituency	Electoral wards	Administrative Sub county	Ward Names
Mathira	6	Mathira West	Ruguru, Kirimukuyu
		Mathira East	Iriaini, Karatina, Magutu, Konyu
Kieni	8	Kieni East	Gakawa, Naromoru/ Kiamathaga, Thegu River
		Kieni West	Gatarakwa, Mugunda, Endarasha/Mwiyogo, Mweiga
Tetu	3	Tetu	Aguthi/Gaaki, Dedan Kimathi, Wamagana,
Mukurwe-ini	4	Mukurwe-ini	Rugi, Gikondi, Mukurwe-ini Central, Mukurwe-ini West
Nyeri town	5	Nyeri town	Kamakwa/Mukaro, Kiganjo/Mathari, Rware, Ruringu, Gatitu/Muruguru
Othaya	4	Othaya	Chinga, Mahiga, Iriaini, Karima
Total	30		

Source: Independent Electoral and Boundaries Commission, 2017

Kieni with eight wards has the highest number while Tetu with three has the lowest. This is attributed to the fact that Kieni is vast compared to other constituencies in the county.

1.4.1 Eligible and Registered Voters by Constituency

Table 3 below shows the number of eligible and registered voters for the six constituencies in the county. It provides the figures as per the 2009 population and housing census and the projection for the year 2012 and 2017.

Table 3: Registered Vs. Eligible Voters by Constituency

Constituency	Eligible voters (2009)	Eligible voters 2012	Eligible voters 2017	Number of registered voters(2017)	Proportion of registered voters to the eligible (2017) (%)
Nyeri Town	55,605	78,857	94,053	82,860	88.1
Tetu	36,513	49,281	58,777	51,716	88.0
Othaya	40,734	53,898	64,284	58,566	91.1
Mukurwe-ini	39,129	51,084	60,928	55,310	90.8
Mathira	69,392	94,565	112,788	99,496	88.2
Kieni	81,963	104,016	124,060	109,001	87.9
County	323,336	431,701	514,890	456,949	88.7

Source: Independent Electoral and Boundaries Commission, 2017

There are a total of 514,890 eligible voters in the county out of whom only 456,949 are registered representing 88.7 per cent. Kieni and Tetu have the highest and the lowest percentage of registered voters respectively. There is need to intensify civic education to ensure all the eligible voters are registered to enable them to actively participate in the democratic process.

1.5 Demographic Features

1.5.1 Population Size and Composition

Table 4 provides information on the county population projections by age cohorts with 2009 as the base year. The figures are given at the interval of two years for ease of analysis and planning purposes.

Table 4 : Population Projections by Age Cohort

Age Cohort	2009 (Census)			2018 (Projections)			2020(Projections)			2022 (projections)		
	M	F	T	M	F	T	M	F	T	M	F	T
0-4	39174	37164	76338	47,777	45,325	93,102	49,931	47,369	97,300	52,180	49,502	101,682

Source: Kenya National Bureau of Statistics, 2017

The population growth rate in the county is estimated at 2.2 per cent against the national average of 2.6 per cent. The county is estimated to have a population of 845,863 persons comprising of 414,329 males and 431,535 females in 2018 as projected from the 2009 population and housing census.

The highest and the lowest population for 2018 are the age cohort of 10-14 and 75-79 respectively. Ages 10-14 represent 11.4 per cent, while 75-79 comprise of just one per cent of the total population. Over 60 per cent of the population is below 30 years, portraying a youthful population which is more productive and thus the need to involve them in development activities.

Table 5 shows the population projection for selected age groups; under one year, under five years, 6-13 years, 14-17 years, 15-29 years, 15-49 years and 15-64 years. The figures are from the 2009 census and the projections for the year 2018, 2020 and 2022.

Table 5: Population Projection for Selected Age Group

Age Group	2009			2018			2020			2022		
	M	F	T	M	F	T	M	F	T	M	F	T

Source: Kenya National Bureau of Statistics, 2017

Under 1: The population below the age of one will be growing at a very low rate increasing insignificantly from 15,468 in 2009 to 18,865 by 2018, thus pressure on the county to provide for this age group will be minimal.

Age group 6 – 13: This is the primary school going age. This group is projected to increase to 154,690 by 2018 and is expected to rise to 168,947 by 2022. This means that the number of pupils enrolled in primary school will increase and thus there is need to create conducive environment for learners.

Age group 14 – 17: This is the secondary school going age. A total population of 68,649 is estimated to be attending secondary school in 2018 out of which 48.8 per cent are female and 51.2 per cent are male. This number is expected to rise gradually to about 74,976 in 2022. There is need to provide conducive learning environment in terms of well-equipped libraries, laboratories and other critical amenities.

Age group 15 – 49: This group comprises of the female reproductive age which is considered as critical for planning in the county. The total population of 180,482 in 2009 is projected to rise to 220,116 by 2018 and to 240,402 by 2022. With a total fertility rate of 3.8, which is lower than the national average of five, which means there is good uptake of family planning services in the county.

Age group 15 – 64 (Labour force): This is the productive population of the county. There will be a projected total labour force of 505,140 persons comprising of 48.8 per cent males and 51.2 per cent females of the total population in 2018. This number is expected to rise to 551,694 in 2022. There are more female than male in this category. There is need for affirmative action in employment and also increased availability of credit facility and financial literacy for women and youth to establish micro-enterprises.

A large proportion of this population mainly between 15 – 24 years consisting of 30.9 per cent of the labour force is either in secondary schools or at the tertiary level. The bulk of the labour force is either unskilled or semi – skilled and is mainly engaged in agricultural activities and there is need to equip and employ instructors for the youth polytechnics and other training institutes to impart the youth with necessary and marketable skills.

1.5.2 Urban Population

There is only one town in the county and five major urban centers. Table 6 shows the population distribution by urban centers as projected from the 2009 census report.

Table 6: Population Projections by Urban Centre

Urban Centre	2009			2018			2020			2022		
	Male	Female	Total	Male	Female	Total	Male	Female	Total	Male	Female	Total
Nyeri Town	31,885	31,741	63,626	38,887	38,711	77,598	40,641	40,457	81,098	42,471	42,279	84,750
Karatina	3,594	4,634	8,228	4,383	5,652	10,035	4,581	5,906	10,487	4,787	6,172	10,960
Naromoru	2,965	2,840	5,805	3,616	3,464	7,080	3,779	3,620	7,399	3,949	3,783	7,732
Endarasha	1,429	1,620	3,049	1,743	1,976	3,719	1,821	2,065	3,886	1,903	2,158	4,061
Mweiga	1,698	1,885	3,583	2,071	2,299	4,370	2,164	2,403	4,567	2,262	2,511	4,773
Othaya	2,385	2,752	5,137	2,909	3,356	6,265	3,040	3,508	6,548	3,177	3,666	6,842
TOTAL	43,956	45,472	89,428	53,609	55,458	109,066	56,026	57,959	113,985	58,549	60,569	119,118

Source: Kenya National Bureau of Statistics, 2017.

In Table 6, Nyeri Town has the highest population while Endarasha has the lowest. Karatina urban has a higher number of people during the day because it has the largest open-air market in the region and is expected to have a projected population of 10,035 persons by the year 2018. There is need for involvement of the department of physical planning in planning of urban centres and enhancement of service delivery especially solid waste management, provision of water and sewer services. Establishment of farm produce processing plants and cottage industries in other urban centers will curb migration to the Nyeri Town and other major urban areas.

1.5.3 Population Density and Distribution

Generally, there are two types of settlements in the county; clustered and scattered. Clustered settlement patterns are mainly found around towns and horticulture producing areas. Scattered settlement patterns are mainly found in Kieni Sub County which is semi-arid. This is mainly due to ecological factors since most people usually settle in fertile lands with adequate and reliable rainfall.

Table 7 shows population distribution and density by sub- County. It provides the data for 2009 census and projections up to the year 2022. The density is largely determined by the type of settlement in a particular sub county.

Table 7: Population Distribution and Density by Sub- Counties

Sub- County	2009		2018		2020		2022	
	Pop	Density (per Km ²)	pop	Density (per Km ²)	Pop	Density (per Km ²)	Pop	Density (per Km ²)
Tetu	78320	360	95,519	439	99,827	459	104,322	480

Kieni	175812	122	214,420	149	224,090	156	234,182	163
Mathira	148847	502	181,534	612	189,720	640	198,264	668
Mukurwe-ini	83932	470	102,363	573	106,980	599	111,797	626
Nyeri Town	119273	711	145,465	867	152,025	906	158,872	947
Othaya	87374	501	106,561	611	111,367	638	116,382	667
County	693558	280	845,863	342	884,009	357	923,819	373

Source: Kenya National Bureau of Statistics, 2017

As indicated in Table 7, majority of the population is found in the high potential areas of Mathira, Othaya, Nyeri Town and parts of Mukurwe-ini. This calls for massive investment in the social and physical infrastructure to support the high population in these areas. The low land areas of Kieni with low rainfall have lower population densities; the focus here will be on irrigated agriculture to support food security in the region. The population density for Nyeri County was 280 in 2009 and is projected to reach 342 in 2018 rising up to 373 by the year 2022. The table 8 below shows the population projections by Sub- County.

Table 8: Population Projections by Sub County

Sub County	2009			2018			2020			2022		
	Male	Female	Total	Male	Female	Total	Male	Female	Total	Male	Female	Total

Mathira	71,851	76,996	148,847	87,629	93,904	181,534	91,581	98,139	189,720	95,706	102,559	198,264
Mukurwe-ini	40,382	43,550	83,932	49,250	53,114	102,363	51,471	55,509	106,980	53,789	58,009	111,797
Nyeri Town	59,753	59,520	119,273	72,875	72,591	145,465	76,161	75,864	152,025	79,591	79,281	158,872
Othaya	41,696	45,678	87,374	50,852	55,709	106,561	53,146	58,221	111,367	55,539	60,843	116,382
Total	339,725	353,833	693,558	414,329	431,535	845,863	433,013	450,996	884,009	452,514	471,306	923,819

Source: Kenya National Bureau of Statistics, 2017

Kieni Sub County has the highest population, followed by Mathira Sub County. The Sub County with the lowest population is Tetu according to 2009 census. In 2018, the expected population for Kieni is projected to be 214,420 and for Tetu will be 95,519. Across the Sub Counties, the numbers of females are marginally higher than males. It is projected that the population will be 923,819 by 2022.

1.5.5 Demographic Dividend

Demographic dividend refers to the temporary opportunity to achieve a sustained faster economic development resulting from a decline in the fertility levels, a huge population of young persons, and strategic investments in health, education, economic, and governance sectors. This means that for a county to achieve a demographic dividend, the dependency ratio must decline over time while the number of workers increases. If the increasing number of workers are healthy, educated, skilled, and have adequate income and employment opportunities, then a county has the opportunity to increase its wealth and improve the quality of life for its citizens.

Table 10: County Demographic Dividend Potential

Category	2009*	2017(KNBS)	2018	2022	2030
Population Size	693,558	814,205	829,005	888,205	1,006,605
Population below 15 (%)	33.8%	33.8%	33.8%	33.8%	33.8%
Population 15-64 (%)	53.4%	53.4%	53.4%	53.4%	53.4%
Population above 65 (%)	3.5%	3.5%	3.5%	3.5%	3.5%
Dependency ratio	100:68	100:68	100:68	100:68	100:68
Fertility rate	2.7%	2.7%	2.7%	2.7%	2.7%

1.6 Human Development Approach

The Human Development Approach focuses on human development for every one now and in future. It starts with an account of the hopes and challenges of today's world, envisioning where humanity wants to go. Human development progress over the past 25 years has been impressive on many fronts. But the gains have not been universal. There are imbalances across countries; socioeconomic, ethnic and racial groups; urban and rural areas; and women and men. Millions of people are unable to reach their full potential in life because they suffer deprivations in multiple dimensions of human development.

The approach identifies the national policies and key strategies to ensure that every human being achieves at least basic human development and to sustain and protect the gains. It addresses the structural challenges of global institutions and presents options for reform. These policies and key strategies are compiled into a workable document known as Human Development Report (HDR). The latest HDR is of 2016 and introduces two experimental dashboards on life course on gender gap and on sustainable development.

It is important to note that national and international data can differ because international agencies standardize national data to allow comparability across countries and in some cases may not have access to the most recent national data. The County and other development stakeholders are

encouraged to explore the issues raised in the HDR with the most relevant and appropriate data from national and international sources.

1.6.1 Human Development Index

The HDI is a summary measure for assessing progress in three basic dimensions of human development: a long and healthy life, access to knowledge and a decent standard of living. A long and healthy life is measured by life expectancy at birth. Knowledge level is measured by mean years of education among the adult population, which is the average number of years of education received in a life-time by people aged 25 years and older; and access to learning and knowledge by expected years of schooling for children of school-entry age, which is the total number of years of schooling a child of school-entry age can expect to receive if prevailing patterns of age-specific enrolment rates stay the same throughout the child's life. The standard of living is measured by Gross National Income (GNI) per capita expressed in constant 2011 international dollars converted using purchasing power parity (PPP) conversion rates.

Kenya's HDI value for 2015 was 0.555—which put the country in the medium human development category—positioning it at 146 out of 188 countries and territories. Between 1990 and 2015, Kenya's HDI value increased from 0.473 to 0.555, an increase of 17.3 percent. Table 9 below reviews Kenya's progress in each of the HDI indicators. Between 1990 and 2015, Kenya's life expectancy at birth increased by 3.4 years, mean years of schooling increased by 2.6 years and expected years of schooling increased by 2.0 years. Kenya's GNI per capita increased by about 26.0 percent between 1990 and 2015.

Table 11: Kenya's HDI trends based on consistent time series data

Year	Life expectancy at birth	Expected years of schooling	Mean years of schooling	GNI per capita(2011 PPP\$)	HDI value
1990	58.8	9.1	3.7	2,287	0.473
1995	54.5	8.7	4.5	2,130	0.459
2000	50.8	8.4	5.3	2,138	0.447
2005	53.6	9.7	5.8	2,267	0.483
2010	58.8	11.1	6.1	2,529	0.53
2011	59.6	11.1	6.2	2,623	0.536
2012	60.3	11.1	6.2	2,662	0.541
2013	61	11.1	6.3	2,733	0.546
2014	61.6	11.1	6.3	2,800	0.55
2015	62.2	11.1	6.3	2,881	0.555

The HDI emphasizes that people and their capabilities should be the ultimate criteria for assessing the development of a country and not economic growth alone since two countries/regions with the same level of GNI per capita can end up with such different human development outcomes.

The Constitution of Kenya, 2010 in Article 27 recognizes that measures should be put in place to encourage affirmative action programmes and policies to address past inequalities. Economic and social rights to all are also recognized in Article 43. These include the right to health care services,

adequate housing and sanitation, adequate food of acceptable quality, clean and safe water and appropriate social security to vulnerable groups in the society.

The constitution also requires measures to be undertaken to ensure the youth access relevant education and training, have opportunities to participate in political, social, economic activities, and access to employment as well as protection from harmful cultural practices. The Gender Inequality Index (GII) shows the loss in potential human development due to inequality between female and male achievements in these dimensions. It varies between 0—when women and men fare equally—and 1, where one gender fares as poorly as possible in all measured dimensions.

Improving equity in gender issues and reducing gender disparities will benefit all sectors and thus contribute to sustainable economic growth, poverty reduction and social injustices.

1.7 Infrastructure Development

1.7.1 Road, Rail Network, Airports and Airstrips

The county currently has 3,092.73 Km of classified roads with 478.25 Km of bitumen, 2,492.85 Km gravel and 121.63 Km earth surface. The table below shows the categories of various roads by surface type since 2013 to date.

Table 12: Category of Road Surface by Type

Category of Road Surface by Type	2013	2014	2015	2016	2017
Bitumen	450	450	450	450	478.25
Gravel/Murram	1,390.59	1,619.97	1,871.95	2,332.20	2,492.85
Earth	1,252.14	1,022.76	770.78	310.53	121.63
TOTAL	3,092.73	3,092.73	3,092.73	3,092.73	3092.73

Source: County department of Transport, Public works, Infrastructure and Communication, 2017

In order for the roads to be fully utilized, bridges and culverts have been constructed at various crossing points. The county has three airstrips that hastens movement and enhances tourism. There are three railway stations which are not functional at Karatina, Kiganjo and Narumoro.

1.7.2 Information Communication and Technology

The county is fairly developed as a result of the advent of mobile telephony and internet hubs in the urban centers. The mobile phone coverage stands at 91 per cent and there are 384 cyber cafes. This has greatly revolutionized the way people communicate and improved efficiency in service delivery. There exist six Post Offices, 19 sub-post offices and 25 licensed stamp vendors. However, Post office faces stiff competition from 30 private courier services mainly G4S, Wells Fargo, 2NK Sacco, 4NTE etc.

The banking industry has enhanced use of ICT where most of the financial institutions are offering computerized banking services. Many government departments have embraced the use of modern

methods of communication through E-Government services by use of E-Mail and mobile phone technology. The county is expected to grow fast after connection of a fibre optic cable, which will greatly revolutionize communication and information sharing.

1.7.3 Energy access

The county has a total of 208 trading centers and 214 secondary schools connected with electricity. There are also 150 health facilities connected with electricity. The table below shows the electricity connectivity within the county.

Table 13: Electricity connectivity within the county

Category	2013	2015	2017
No. trading centres connected with electricity	112	208	208
No. of Health facilities connected with electricity	51	141	150
No. of secondary schools connected with electricity	170	214	214
No. of Primary schools connected with electricity		371	371
No. of Kilometers of street lighting	12	42	57
No. of High mast lighting	15	55	55
No. of households connected with electricity	52,263	86,000	

Source: County Department of Energy, 2016

1.7.4 Housing

The main types of houses in the county are individual, national and county government-owned. The cost of construction is very prohibitive leading to the presence of informal settlements among the low income earners in the county. There is need to sensitize the public and investors on alternative and cheap building materials to address the challenges of housing in the county.

1.8 Land and Land use

1.8.1 Land ownership categories/ classifications

Most of the land in the county is owned by individuals as freehold and mainly where subsistence farming practiced. The gazetted forest cover 26 percent of the county land surface while the county and national governments own few tracks of land where offices and social facilities and infrastructure are located.

1.8.2 Mean holding size

The county has a total area of 987.5 Km² and 758.5 Km² of arable and non-arable land respectively. The larger part of the land is used for food crop while the rest is used for cash crop farming, livestock rearing and farm forestry. The mean holding size is one hectare for majority of the small holders.

1.8.3 Percentage of Land with Title Deeds

Over 85 per cent of farmers have title deeds for their land as adjudication started early after independence. The main reason for lack of the title deeds by some farmers is domestic wrangles

while other landowners in settlement schemes have not cleared their loans. There are many colonial villages where the government will continue to plan and issue titles deeds.

1.8.4 Incidences of Landlessness

From the year 2013, the county has embarked planning of colonial villages. Thunguma, Rititi, Kiamwathi, Miiri, Ihwagi, Gitero, Gikomo / (mweiga), Gitathini, Chorongi, Kiarihiu and Kariki Villages have been surveyed and the exercise will extend to other areas. The county has also issued 269 title deed for Gatitu, Gitero, Riamukurwe, Muruguru, Kihuyo and Ithenguri to create ownership and reduce cases of landlessness.

1.8.5 Settlement Patterns

There are two types of settlements in the county; clustered and scattered. Clustered settlement patterns are mainly found around towns and horticulture producing areas. Scattered settlement patterns are mainly found in Kieni Sub County which is semi-arid and were formally colonial settlement area. Apart from the major towns the county has witnessed ribbon type of development along the major highways which possess a challenge in service delivery especially in waste management as the centres are poorly planned. Such urban centres include Kiawara, Chaka, and Nairutia among many others.

1.8.6 Type and Size of Land

The type of land in the County is either freehold in rural areas or lease holding in major urban centres. The small size land holding size is approximately one hectare, who are the majority, while the large is about for hectares. The county has a total area of 987.5 Km² and 758.5 Km² of arable and non-arable land respectively. The larger part of the land is used for food crop while the rest is used for cash crop farming, livestock rearing and farm forestry.

1.9 Employment

1.9.1 Wage earners

In the county, 92,205 persons are wage earners thus contributing 24 per cent of the household income. They are mainly employed by the national and county governments, learning institutions and the business community.

1.9.2 Self-employed

Rural self-employed persons in the county are 15,368 contributing 4 per cent of household income while urban self-employed persons are 4,444 and contribute 13 per cent of the household income. The wages are higher in urban areas than in the rural areas. The county will need to provide affordable credit for the establishment of micro enterprises to create more self-employment opportunities.

1.9.3 Labour force

By 2018 the population aged between 15 and 64 years in the county is projected at 505,141 comprising of 259,070 females and 246,072 males. This represents 59.7 per cent of the county population.

1.9.4 Unemployment levels

The unemployment level in the county is 17.5 per cent since out of the potential labor force of 421,298 persons, only 347,502 are employed. The dependency rate in the county therefore stands at 51 per cent of the total population. Apart from affordable credit, there is need of establishing cottage industries to add value on farm produce and hence create more employment.

1.10 Irrigation infrastructure and schemes

1.10.1 Irrigation potential

The current land under irrigation has challenges of water rationing and therefore agricultural production potential is not realized. To address this, there is a compressive plan to harness run off water experienced during rainy seasons either by excavating of water pans, constructing dams or abstracting water from aquifers. Efficient water utilization technologies should be promoted and more land be put under irrigation.

Total area under irrigation in the county is estimated at 2600 Ha and the total no. of households practicing irrigation is 10,400. The irrigation potential in the county is 20,620 Ha from 87 irrigation schemes which will benefit 80,600 households.

1.10.2 Irrigation schemes (small/ large scales)

There are 22 No. complete irrigation schemes namely GuraUgaciku, Kamoko, Kiruma Minor, Kiandego, Gaithuri, Kiirungi, ThihaSagana, Gikondi, Thiha Micro, ThihaKiruka, Njengu, EreriKiremia, Lamuria, Watuka, Endarasha, NdiritiAguthi, Nairobi, Sagana, Muteithia, Kariithi, Kihuri and NdathiMbiriri.

The county has been implementing small holder irrigation schemes that are farmer managed, operated and farmer owned.

1.11 Crop, Livestock, Fish Production and Value addition

1.11.1 Main crops produced

The main food crops grown in the county are maize, beans, Irish potatoes and vegetables whereas the major cash crops are coffee, tea, horticulture and cut flowers. Tea is grown in the upper zone next to Aberdare's and the Mt. Kenya forest while coffee is grown in the lower region. Cut flowers are mainly grown in Kieni Sub County where there are large land holding sizes.

1.11.2 Acreage under food and cash crops

Total area under food crop is 80,943 hectares while 18,521 hectares are under cash crop production. Food crops are mainly produced on small scale, which is due to the smallholding sizes as a result of population pressure. The area under cash crops is limited since economical production requires large parcels of land.

1.11.3 Average farm sizes

The average farm size is 0.7 hectares for small-scale farmers and 4 hectares for large-scale farmers. This is due to high population density though the farms are intensively utilized. Large-scale farms are mainly found in Kieni.

1.11.4 Main storage facilities

In the county, the main food storage facilities include; National Cereals and Produce Board in Kiganjo with a storage capacity of 100,000 metric tons; on farm storage granaries and in the farmers houses. Most farmers store their produce in their houses due to low production as a result of small parcels of land.

1.11.5 Agriculture extension, training, research and information services

The County has continued to offer extension services using different approaches such as farmer field schools, field days, group trainings, individual farm visits etc. Capacity building of both farmers and staff has been a priority and this has been done through residential courses and exchange tours. To enhance this the department has collaborated with research institutions such as KARLO Embu and ICIPE on farm trials for best agricultural husbandry practices. Demonstration plots have also been established for different technologies such as green house and drip irrigation. To enhance availability of clean planting materials, such as different types of fodders, sweet potato vines have been established in Kieni East, Kieni West, Mathira West and Wambugu ATC.

1.11.6 Main livestock breeds and facilities

The main livestock enterprise is dairy cattle. Other enterprises include poultry, pigs, goats, sheep and donkeys. The land carrying capacity (Livestock per hectare) is five. Bee keeping and other small stock such as rabbits; guinea pigs and quails are also on the increase.

Livestock	Breed
Dairy cattle	Friesian (53%) Ayrshire (32%), Guernsey (4%), Jersey (1%) and cross-breed 10%
Pigs	Large White and Landrace
Sheep	Choriadles, Dorper, Small African red Maasai, Merino breeds and Hampshire dawn
Goats	Germany alpine, crosses of Saneen and Toggenburg
Poultry	Indigenous upgraded Rainbow rooster, Sasso, Kenbro and Kroiler

Livestock facilities

Sub County	Livestock markets	Holding grounds	Cattle dips (operating/ Total)	Spray races	Disease control crush pens	Agro/ veterinary shops	Hides and skins bandas	Poultry hatcheries	Artificial insemination bull station	Slaughter slab/house (Operational/ total)
Nyeri central	0	0	1/19	1	45	51	7	3	0	4
Tetu	0	0	6/37	0	42	32	6	0	0	12
Mathira East	1	0	2/26	0	56	48	4	0	0	10
Mathira West	0	1	7/22	1	60	22	3	0	0	6
Mukutweini	2 (1 is for poultry)	0	0/39	0	39	38	3	0	0	7
Nyeri south	0	0	3/36	0	48	53	2	0	0	6

Kieni East	0	3	10/22	1	75	65	11	0	0	19
TOTAL	3	4	35/236	3	440	354	48	3	1	75/88

Source: Department of Agriculture, Livestock and Fisheries Development, 2017

1.11.7 Ranching

Given that the land holding per household is generally small, currently there are no ranches established in the county. However, there is potential to establish ranches in the expansive Kieni Sub County.

1.11.8 Main fishing activities, types of fish produced, landing sites

The main fisheries activities in the county are pond fish farming, dam and river line fisheries. There are a total of 2,343 households involved in the subsector with 2,488 fishponds spread across the county. The main fish species include tilapia, catfish, and trout.

1.11.9 Apiculture (bee keeping)

Bee hives in the county are as per the table below

Type of hive	No. of hives	No of farmers/groups
KTBH	9,360	5,067 farmers
Langstroth	3,076	1,956 farmers and 32 groups
Log hives	6,580	105 farmers
Others	226	7,128 farmer and 59 groups

1.12 Oil and Other Mineral Resources

1.12.1 Mineral potential

There is no potential for mining activities in the county other than the already existing ones whose production can be scaled up as their lifespan is more than 20 years. Currently there is a small ceramic processing plant in Mukurwe-ini sub-county which can be upgraded for optimum exploitation of the Kaoline deposits found at Rutune. The county should encourage an investor to setup a factory to exploit the deposit fully.

1.12.2 Ongoing mining and extraction activities (Quarry, sand harvesting, cement etc.)

In the county, the main mining activities are; clay,sand, aggregate, gravel and natural building stones mining in Mukurwe-ini ,Nyeri Town, Kieni East, Kieni West, and Mathira West Sub Counties. Gravel is the highest with 2.3 million tonnes mined per year and employing about 1,431 persons. Clay mining is the lowest at 2,555 tonnes employing 756 people.

1.13 Tourism and Wildlife

1.13.1 Main tourist attractions and activities

Nyeri County is a “hub of natural beauty” and a key player in the Central Tourism Circuit. The county is also endowed with the rich kikuyu culture. The County has increasingly become a popular destination for tourists to experience: Cultural, Adventure, Agro, Sport, Education, Business, leisure and Religious tourism.

Mt. Kenya and the Aberdares ecosystems has rich historical heritage and diversity in Flora and Fauna. Mt. Kenya has perfect topography for viewing Kenya's wildlife and also magnificent scenic views of inter-locking spurs ideal for film and photography. Heritage sites in the County include: Paxtu cottage at the Outspan Hotel which also a scout Museum, Baden Powell graves and Historical Gardens, Kimathi Trench at Kahigaini, MauMau caves in Naromoru, Italian War Memorial Church, Dedan Kimathi Tree Post Office among other attractions in addition to the rich kikuyu culture.

1.13.2 Classified / major hotels

There are three 4-star, four 3-star and one 2-star tourist class hotels. Nyeri County also has wide range of high quality and affordable hotels, lodges, guest houses, homestays and restaurants. The county is also the home to the treetops lodge (world famous where Queen Elizabeth 11 ascended The Aberdare as a Princess on 6th February, 1952 and descended as Queen upon the death of her father King George IV.

1.13.3 Main wildlife

Aberdares National park and Mt. Kenya has the following animal species: African Elephant, rare black leopard, spotted hyena, Olive baboon, black and white colombus monkey, sykes monkey, the cape buffalos, warthogs, common zebra, bushback, reedback and Lions among others.

1.13.4 Wildlife conservation areas (game parks, reserves, conservancies, game ranches)

The County has two National parks which are Mt. Kenya and the Aberdares. Mt. Kenya holds Mt. Kenya orphanage and Mt. Kenya game reserve. There is only one Wildlife conservancy managed by Dedan Kimathi University with 9 species of grazing mammals that include: wildbeest, warthogs, Grant's Gazelles, Impallas, Burchell's Zebras, Andean llamas among other flora and fauna.

1.13.5 Total number of tourists

In the year 2013, the county received a total of 79,118 tourists; 20,767 foreigners and 58,351 domestic. This however this reduced in 2014 to 59,216; 51,083 foreigners and 8,133 domestic.

1.14 Industry and Trade

1.14.1 Markets

The County has a total of 52 fresh produce markets where 35 were improved during the previous planning period (2013-2017) and the rest are proposed for improvement in the current planning period (2018-2022). 8 markets were developed under the Economic Stimulus Programme. The flagship markets are Chaka Wholesale Hub, Karatina market and Nyeri open air markets which are under construction and Kamukunji is the biggest second-hand clothes market in the county.

1.14.2 Industrial parks (including jua kali sheds)

Nyeri county has one Industrial park at Karatina and 8 Constituency Industrial Development Centres 6 of which are complete at Gakindu, Kiwaithanji, Kariko, Othaya, Endarasha, Karatina KIE site, Karatina light industries and 2 Juakali sites which have not been developed. The two are Mihuti and Mweiga which is planned for in period 2018-2022

1.14.3 Major industries

The major industries in the county are flour milling, soft drink processing and milk processing. These includes; Maisha Flour Mills, Cocacola, Highland, KCC, and Anchor Millers.

1.14.4 Types and number of businesses

According to department of trade, tourism and cooperative development, the county has the following types and number of businesses

Type of Business	No. of Businesses
Supermarkets	14
Large traders	976
Medium traders	7,326
Small traders	20,687
Kiosks	708
Wholesalers	76
Hawkers	2,542
Transport companies	125
Independent transport operator	70
Petrol stations	130
Storage facilities	109
Communication companies	345
Agricultural dealers	1,624
Large hotels	730
Medium hotels	396
Small hotels	3,137
Other catering & accommodation facilities	33
Butcheries	1,042
Bars	1,402

Professional services	700
Education - private facilities	484
Health - private facilities	780
Industrial plants	22
Workshops	1,033

1.14.5 Micro, Small and Medium Enterprise (MSME)

There are over 100,000 MSMEs in the County, with only a few registered under the registrar of companies and others have Business names. There are 20 Registered Juakali Associations with a membership of 2000. Other MSMEs are registered as self-help groups, SACCOs while others belong to merry-go rounds that are not registered.

1.15 The Blue Economy

1.15.1 Main fishing activities, types of fish produced and landing sites

The county has 1466 fish farmers with 1531 number of ponds according to the department of agriculture, livestock and fisheries as shown below;

	2013	2014	2015	2016	2017
No of farmers	2477	2513	2255	2343	1466
No of ponds	3011	2762	2519	2488	1531

1.16 Forestry, Agro Forestry and Value addition

1.16.1 Main Forest types and size of forests

The county has 2 gazetted forests (Aberdare ranges and Mt. Kenya) mainly of indigenous and plantation trees with a size of 861.7 Km². The ungazetted forests are 9 as shown below;

S.No	Forest	Area (Ha)
1	Karima Hill	108.50
2	Tumutumu Hill	110.0
3	Gachirichiri	7.3
4	Wagere	4.0
5	Karundu	6.0 Acres
6	Karindi	1.0 Acre
7	Thangathi	2.0 Acres
8	Ngamwa Hilltop	5.0 Acres
9	Gachuthe	1.0 Acre

1.16.2 Main Forest products

The main forest products are timber; poles and firewood found within the gazetted and non-gazetted forests. The firewood is mainly used as a source of energy while other materials are used in the building and construction industry. Forests are also important sources of herbal medicine and as home for wildlife.

Huge potential exist in the County in form of non-extractable forest products. They include bark, roots, tubers, corms, leaves, flowers, seeds, fruits, sap, resins, honey, and fungi. Forests also have

important intangible services which include; Water easements, recreational activities and climate amelioration

1.16.3 Agro-forestry

Most of the farmers practice subsistence farming in the county due to small land sizes. There is a major threat on water catchment areas due to population pressure and climate change. Inappropriate tree species namely eucalyptus has been planted along the riparian area and has contributed to drying up of most catchments. Further, inappropriate irrigation methods have also contributed to declining surface water resources To promote agro-forestry the county is doing the following: Encouraging farmers to plant friendly trees such as grevilliae robusta (mukima) within the farms; Distribution of tree seedlings to farmers and schools; Promotion of tree nurseries through distribution of certified seeds; Promotion of planting Water friendly species like bamboo and indigenous trees in riparian reserves and wetlands.

1.16.4 Value chain development of forestry products

a) Provision of Wood Fuel and Generation of Energy for Industries

Its' important to note that the six tea factories in the county rely on wood fuel as a source of energy for processing. They are a major source of firewood market for the farmers who grow trees as source of income. To ensure continuous supply of firewood some tea factories, notably Iria-ini in Othaya have planted own trees on leased land and whereby plantations are also been utilized for bee keeping.

b) Growing of Fruit Trees for both Nutrition Improvement and economic empowerment.

The county has taken an initiative to encourage our farmers to plant fruit trees in their farms i.eMacadamia, Mango grafted Avocados, grapes, tree tomatoes, oranges etc. which are sold in local markets especially in Karatina while the surplus can be sold to other markets. The county Government should identify an area to set a processing factory to encourage more farmers to engage in the fruits farming.

c) The county to promote croton megalocarpus (Mukinduri) growing through Public private partnership to establish a facility to produce cheap fuel.

d) The county in collaboration with KEFRI to promote growing of Giant Bamboo along the riparian and wetland areas and through Public private partnership establish a factory to process Bamboo products.

1.17 Financial services

1.17.1 Number of banks, Micro finance institutions, mobile money agents and SACCOs with FOSAs

The county has fairly distributed financial institutions which includes; 10 commercial banks, nine micro-finance institutions and 10 insurance companies with their branches in the county.

1.17.2 Distribution /coverage of financial services by sub-county

The county has various banks and Saccos distributed as follows;

Sub-County	Banks	SACCO (FOSA)
Nyeri Central	14	4
Mathira	7	2
Othaya	5	1
Mukurweini	2	1
Tetu	1	0
Kieni	5	0

1.18 Environment and Climate Change

1.18.1 Major degraded areas / hotspots and major contributions to environmental degradation

Environmental Degradation

The major challenge involves cultivation on fragile areas such as steep slopes, wetlands, riparian reserves and quarrying activities. This has led to landslides and soil erosion hence reduced productivity.

The other challenges are inadequate solid and liquid waste management facilities particularly in the urban and peri urban areas. This has led to blockage of drainage systems in urban centers causing flooding and destruction of property. Use of nylon and plastic paper bags which is on the increase is also a problem which has led to death of livestock upon consumption. The county needs to come up with a strategy on solid waste management by developing a policy on the use of plastics and nylon papers.

The county is prone to landslides in the hilly areas of Mukurwe-ini, Othaya and Tetu Sub Counties due to poor farming methods where riparian areas have been destroyed and rivers banks left bare. There is need to reclaim all the riparian areas and plant indigenous trees to protect further soil erosion. The following areas are very much degraded due to unsustainable quarrying and this is posing a great danger to the environment.

Area	Ward	Remarks
Witemere	Rware	Very steep grounds and no forest or grass cover
Kiawara	Rware	Very steep grounds and no forest or grass cover
Chania river banks	Rware	Very steep grounds and no forest or grass cover. Farmers encroaching and destroying the riparian areas
Mweiga	Mweiga	Quarrying
Maragima	Thegu river	Quarrying
Chaka	Thegu river	Quarrying
Nyaribo	Kiganjo/Mathari	Quarrying
kabiruini	Kiganjo/Mathari	Quarrying
Thunguma	Gatitu/ Muruguru	Quarrying
Karicheni	Thegu river	Quarrying
Tagwa	Thegu river	Quarrying
Mureru	Naromoru/Kiamathaga	Quarrying
Mwicuiri	Naromoru/Kiamathaga	Quarrying
Gathugu	Konyu	Quarrying

Area	Ward	Remarks
Milimani	Thigu River	Quarrying

Effects of Environmental Degradation

There has been general reduction of the natural resources ability to support the population e.g. reduced farm productivity due to soil erosion, over cultivation of the land, increased scarcity of resources such as water, grazing lands and arable area.

Climate Change Mitigation Measures and Adaption Strategies

Climate change mitigation measures include; conservation of existing natural forests, planting of trees to increase forest cover which act as carbon sink and adopting green economy and sustainable management of waste.

i. Payment for ecosystem services:

Policies should be enacted to encourage payment for ecosystem services such as medicinal plants and biodiversity.

ii. Pricing of natural resources:

Policies should be enacted for pricing of natural resources like trees which act as carbon sinks in the absorption of carbon dioxide.

1.18.2 Environmental threats

Uncontrolled logging is causing loss of biodiversity in our forests and threatening flora and fauna. Loss of tree cover is also affecting the rainfall patterns giving rise to unpredictable seasons. Due to lack of tree and grass cover floods are prevalent because of unchecked flow of surface runoff which also reduces the retention periodic table.

The following are a threat to the environment; industrial waste from coffee and tea factories, agricultural activities causing soil erosion, fertilizer and pesticide residue flow into the water bodies, solid and liquid waste from markets and urban centers, quarrying, oils and grease from garages and car wash.

Drought leads to loss of Biodiversity, drying up of Water bodies, Water pollution, Human Wildlife conflict, increased trekking distance to water points and Community conflicts

Areas Prone to Landslide and Flooding

	Area	Ward	Remarks
1	Kigathi	Rugi	Landslide due the topography of the area
2	Kiirungi	Gikondi	Landslide due the topography of the area
3	Giathugu	Rugi	Landslide due the topography of the area
4	Igutha	Gikondi	Landslide due the topography of the area
5	Gatumbiro Hill forest	Thegenge	Deforestation due illegal logging - Reafforestation in progress
6	Karima Hill forest	karima	Deforestation due illegal logging - Reafforestation in progress
7	Tumutumu Hill forest	Kirimukuyu	Deforestation due illegal logging- Reafforestation in progress
8	Gachirichiri forest	Mahiga	Illegal quarrying
9	Nyana Hill	Ruguru	Landslide due the topography of the area

	Area	Ward	Remarks
10	Kiamucheru Hill	Karatina	Landslide due the topography of the area
11	Karungai	Thigu river	Landslide due the topography of the area
12	Endarasha	Endarasha/ Mwiyogo	Landslide due the topography of the area
13	Mweiga	Mweiga	Flooding poor drainage system
14	Mutonga	Gikondi	Flooding poor drainage system
15	Kabuta	Rugi	Flooding poor drainage system
16	Kiuu	Mukurweini Central	Flooding poor drainage system
17	Ichagachumi	Mukurweini West	Flooding poor drainage system
18	Naromoru Town	Naromoru/K iamathaga	Flooding poor drainage system
19	Rutune	Rugi	Flooding poor drainage system
20	Nduiye river	Mahiga	Flooding poor drainage system
21	Chinga Dam	Chinga	Flooding due to topography of the area.
22	Gatumbiro	Dedan /Kimathi	Flooding due to topography of the area.
23	Kagati	Ruguru	Flooding poor drainage system
24	Kihuro	Karatina	Flooding poor drainage system

Areas Affected by Drought

	AREA	WARD
1	Githungo	Thigu river
2	karicheni	Thigu river
3	Maragima	Thigu river
4	Mathina	Thigu river
5	Thungari	Thigu river
6	Gatei	Thigu river
7	Kabati	Naromoru/Kiamathaga

37	Kibutio	Gikondi
38	Kaharo	Gikondi
39	Witima	Karima

1.18.3 High spatial and temporal variability of rainfall

Agricultural and livestock productivity is worsened by limited, unreliable and poorly distributed rainfall pattern. In recent years the rains have become erratic and unpredictable hence making it difficult to plan on farming.

1.18.4 Change in water levels or glacier

The major challenge is the high seasonal fluctuations between low and high river flows due to inadequate conservation and protection of water catchment areas especially in Mt. Kenya and the Aberdare ranges. The high temperatures caused by accumulation of Greenhouse gases (GHGs): CO₂, CH₄, N₂O, CFCs, and SO₂, between tropospheric and stratospheric layers in the atmosphere have caused glacier on our mountains to melt which has brought about low flows in our rivers during the dry spell. Over-abstraction in our existing rivers has also become a challenge as seen in the Nairobi, Gura, Chania and Ragati rivers to name but a few. Intervention by the Water River Users (WRUA) should be urgently enhanced to minimize conflicts

The county has a huge potential for irrigation but depleting water resources has hampered development of the sub-sector. Harnessing of flood waters by construction of dams and exploitation of underground water sources are opportunities for unlocking the great agricultural potential.

1.18.5 Solid waste management facilities

The county has a temporary dumpsite at the Asian Quarters in Nyeri town which poses a danger to the immediate estate. Plans are underway to purchase suitable land to relocate the dumpsite to an acceptable site. There is 1 dumpsite each in Karatina, and Othaya. However, the unit relies on hired plant equipment for dumpsite management. Medium market centers rely on the limited fleet of vehicles. This occasionally delays collection of solid waste. The ban on use of polythene papers

by the National government in October 2017 has significantly improved on solid waste management including clogging of drainage systems. Most of the solid waste is expected to be biodegradable essentially promoting clean environment.

The county is planning to explore modes of solid waste management such as landfills and recycling of waste materials.

1.19 Water and Sanitation

1.19.1 Water resources

The county's water resource comprises of both ground and surface water. Surface water consists of permanent rivers such as Nanyuki, Burguret, Naromoru, Thegu, UwasoNyiro, Karemeno, Rwarai, Gikira, Thuti, Kururu, Muthira, Sagana, Nairobi, Chania, Gura, Honi and Ragati among others.

The main catchment areas for these rivers are the two water towers i.e Aberdare Ranges and Mount Kenya. There are 49 permanent rivers, 77 water dams/ Pans, 72 boreholes and other various sources including roof catchment, Shallow wells and springs. The quality of the water is good and suitable for domestic, Wildlife, livestock and irrigation purposes.

There are uncoordinated Planning and Implementation of Projects. Currently, there exist different Acts of Parliament and policies that govern implementation of projects at the county level. This has resulted into difficulties in coordinating, project implementation, monitoring and evaluation. Consequently, resource wastage has arisen in some cases due to duplication of efforts. There is need for a County Development Co-coordinating Mechanism to be put in place.

1.19.2 Water supply schemes

There are five major supplies of water service providers and four small ones in the county namely; Nyeri Water and Sewerage Company, Tetu-Aberdare water and sanitation company, Mathira water and sanitation company, Othaya-Mukurwe-ini water services company, Naromoru water and sanitation company, Mutitu water and sanitation company, Mwiyoogo water users association, Zaina Muhoya water users association and Kinaini water users association There are also other Communities based projects and Individual water projects under the department of water and irrigation. A total of 124,886 households have access to piped water.

Growth or Trends in provision of piped water

Year	No. of Households with access to piped Water	No. of Households with access to Portable water
2013	98,125	78,520
2014	105,400	85,100
2015	111004	90,152
2016	115,852	96,732
2017	124,886	103,312

Source: Department of Water, Environment and Natural Resources, Nyeri County

1.19.3 Water sources and access

The county is adequately served with surface and underground water. The average distance to the nearest water point as per Ward is as tabulated below:

S/NO	WARDS	Kilometers
1	Ruguru	0.6
2	Kirimukuyu	0.7
3	Konyu	1.0
4	Iriani	0.3
5	Magutu	0.2
6	Karatina	0.6
7	Chinga	0.3
8	Karima	0.5
9	Mahiga	0.4
10	Iriaini (Othaya)	0.2
11	Rugi	1.0
12	Gikondi	1.2
13	Mukurweini central	0.5
14	Mukurweini West	1.0
15	Wamagana	0.5

S/NO	WARDS	Kilometers
16	Aguthi Gaaki	0.3
17	Dedan kimathi	1.0
18	Kamakwa Mukaro	0.0
19	Rware	0.0
20	Ruringu	0.0
21	Gatitu Muruguru	0.1
22	Mathari-Kiganjo	0.5
23	Thego river	0.65
24	Kabaru	0.35
25	Narumoru Kiamathaga	0.45
26	Gakawa	0.55
27	Mugunda	1.5
28	Gatarakwa	1.0
29	Endarasha Mwiyo	0.7
30	Mweiga	0.5

1.19.4 Water management

Water service providers are managed by well-appointed Board of Directors while the community water based projects are managed by elected committee members. Water service providers are guided through water service regulation rules while community based water projects are guided by their constitutions and by-laws. Water service providers are monitored by WASREB, TWSB and County Department of water while the community water projects are monitored by County Department of Social service.

1.19.5 Sanitation

The County has only three water and sewerage companies: namely Nyeri Water and Sewerage Company, Mathira water and Sanitation Company and Othaya-Mukurwe-ini water Services Company provide sanitation services. Human waste is well disposed with 97.68 per cent of the county population using covered pit latrines while 2.32 % use conventional waste disposal methods.

The peri-urban centers; Karatina, Mukurwe-ini, Chaka, Mweiga and NaroMoru have inadequate sewerage treatment facilities. This is a major challenge due to inadequate funding for construction of treatment plants. This has led to release of effluents into the environment causing pollution of water bodies.

1.20 Health Access and Nutrition

1.20.1 Health Access

The distribution of health facilities in 6 of the sub counties is reasonably fair according to World Health Organization standards. Most of the facilities in the 6 sub counties are within a radius of 1-5 kilometers. However in Kieni East and West Sub Counties which are post-colonial settlements, health facilities are far apart ranging between 5-15 kms. The two sub counties are not served by

any public level IV hospital except for Kieni west which is served by one FBO hospital (Mary Immaculate) located approximately 15km from Nyeri Town and may not be convenient for most of the residents in the two sub counties. Establishment of a level IV facility in Kieni East and West Sub Counties therefore remains a key priority for the County Government.

Health services in Nyeri County are organized across 5 levels of service delivery that includes 118 public health facilities, including a Beyond Zero mobile clinic and a Hospice for care of the terminally ill distributed as follows: 1 County referral Hospital (Level V); 4 County Hospitals (Level IV); 25 Health Centers (Level III); 88 Dispensaries (Level II); 251 Community Units (Level I).

The County also hosts several Private health facilities providing a wide range of health services and distributed as follows; 4 Private Level IV Hospitals; 1 Nursing Home; 3 Faith Based Organization Hospitals; 16 FBO Health Centre's and dispensaries; 224 private clinics

Health personnel and their distribution by Station

Work Station	No: of Staffs	budget spent on salaries Per Annum	Amount spent in %
County Health Office	57	71,852,352	3.2
Hospitals	924	1,252,925,460	56.1
Sub Counties MOH Facilities	645	738,361,644	33.1
Unskilled Casuals	736	83,906,722	3.8
Skilled Casuals(HCW)	124	47,616,000	2.1
Defunct Municipal Council Staffs	85	36,820,260	1.7
Nyeri Health Department	1,711	2,231,482,438	100

1.20.2 Morbidity

The five most common diseases in order of prevalence are as follows;

S/ No	Under 5yrs	S/ No	Over 5yrs
1	Diseases of Respiratory System	1	Diseases of Respiratory System
2	Diseases of the skin	2	Diseases of the skin
3	Diarrhea	3	Arthritis , Joint pains
4	Tonsillitis	4	Road traffic injuries and other injuries
5	Pneumonia	5	UTI (Urinary Tract Infection)

1.20.3 Nutritional status

According to KDHS 2014, Nyeri County Nutrition status were as follows; Stunting (15.1%), Underweight (2.5 %) and Wasting (2.4 %).

1.20.4 Immunization coverage

In 2017, immunization coverage was at 88.4% with 127 health facilities providing immunization services.

1.20.5 Maternal health care

Currently skilled deliveries stand at 88% with maternal mortality reported at 110 per 100,000 live births with 36 health facilities providing delivery services in the County.

1.20.6 Access to family planning services/Contraceptive prevalence

Access to family planning services/Contraceptive uptake is at 73% (KDHS 2014) with 211,878 women in the reproductive age group.

1.20.7 HIV/Aids prevalence rates and related services

The County HIV and AIDS prevalence rates stands at 4.3% (KAIS 2012) with 21,391 persons living with HIV and > 1300 new HIV infections being reported annually.

1.21 Education, Skills, Literacy and Infrastructure

1.21.1 Pre- School Education (Early Childhood Development Education)

The day care centers are meant to nurture children of less than three years of age, so that they are able to grow and develop physically, mentally, cognitively and socially. This will be done through collaborative efforts of county government and other stake holders.

The gross enrolment rate in pre-school education for the county stands at 59.2 per cent, indicating that there is a large number of children who are not in school despite having a total of 758 centers.

1.21.2 Primary Education

The county has a total enrolment of 141,243 comprising of 72,227 boys and 69,016 girls. Although the net enrolment rate is high at 99 per cent, the county will require additional investment for infrastructural improvement. The completion rate stands at 89.4 per cent while retention and transition stands at 91 and 85 per cent respectively.

1.21.3 Non formal Education

Non-formal education has not been formally rolled out in Nyeri. However, there is great need for the adoption of the same in order to provide education for Children who miss out school early in life. These include the children in the streets, Children with Disabilities and young mothers among others. The objectives of this is to develop literacy, numeracy, creativity and communication skills; enjoy learning and to develop desire to continue learning; develop ability for critical thinking and logical judgment; appreciate and respect the dignity of work; develop desirable social standards, moral/ethical and religious values; develop into self-disciplined, physically fit and healthy persons; develop aesthetic values and capacity to appreciate own and other people's

cultures and to develop awareness and appreciation of the environment to this group. This would prepare them for joining secondary education of enrollment into the vocational training

1.21.4 Youth polytechnics

There are 49 youth polytechnics with a total population of 3882 trainees. Plans are being put in place towards revitalizing and staffing of the polytechnics across the county and this is expected to enhance enrolment and offer quality courses in the institutions. There is need to introduce new training curriculum to youth polytechnics that are competitive in the job market. This includes entrepreneurial, agri-business, ICT courses among others.

1.21.5 Secondary Education

The county has a secondary school gross enrolment of 31,242 boys and 31,959 girls. The net enrolment rate stands at 95 per cent and it is noted that there is a negligible variance between boys and girls enrolment. The completion rate stands at 86.2 per cent while retention rate is 89 per cent.

1.21.6 Tertiary Education

There are two public universities, one Private university campus, three Public university campuses, one national polytechnic, one science and technology institute, nine other public colleges, one private accredited college and six private non-accredited colleges.

1.21.7 Adult and continuing Education

Currently the county has high literacy levels at 91.8 per cent. The adult education classes stand at 303 with a gross enrolment of 1,885 males and 1,811 females.

1.21.8 Technical, Vocational Education and Training

The Technical, Vocational Education and Training (TVET) in Nyeri County Consists of Public and Private Institutions. The Public TVET Institutions are one national polytechnic i.e. the Nyeri Polytechnic and two technical training Institutes namely Mathenge and Mukurweini. The national Government is setting up three new Institutions at Mathira, Tetu, and Kieni Constituences. The County hosts a number of Private/faithbased TVET institutins such as the Consolata Training Institute and Little Flowers Training Institute among others.

1.22 Sports, Culture and Creative Arts

1.22.1 Museums, Heritage and Cultural sites

Nyeri County has many unmapped resources which are mainly Museums, heritage and cultural sites. The Gazetted sites include Kariba Caves, Mau Mau flag site, and Dedan Kimathi Trench and Maumau Mass graves. Therefore, there is need to develop and promote these sites as a source of revenue and income and the preservation of the Mau Mau history.

1.22.2 Talent Academies

Currently the county has no talent academy. The department of trade, tourism and co-operative development is planning to establish an academy to nurture and harness the talents within the county.

1.22.3 Sports facilities

Sports facilities are an important component in sports development. Every sports discipline has an international standard that is achieved using a standard facility. Hence the necessity to ensure that sports facilities are in usable conditions and measure up to the required standards. It is through sports facilities that talents are identified and nurtured besides providing leisure spots. Nyeri County does not have standard outdoor sports facilities. However, it is important to mention that sports Kenya is partnering with the County Government of Nyeri to renovate Ruring'u Stadium to International standard. It is therefore imperative that the County should upgrade/build other sports facilities in order to enhance a sporting culture.

Sub-County	Sports Facility
Kieni East	Naromoru Stadium
Kieni West	Mweiga stadium
Tetu	Ihururu stadium
	Kinunga stadium
	Wamagana stadium
	Gichira stadium
Othaya	Othaya stadium
Mukurweini	Kiriti stadium
Mathira East	Karatina stadium
	Gikumbo stadium
Mathira West	Kaiyaba stadium
Nyeri Central	Ruringu stadium
	Dedan Kimathi Leisure Ground
	Kabiruini Show Ground
	Asian Quarters Ground

1.22.4 Information and Documentation Centres/ Citizen service centres

The County plans to establish and promote Libraries /information documentation centres/ Citizen service centres so as to encourage reading culture in the county and ease in dissemination of information.

1.22.5 Registered traditional herbalists and medicinemen

Kenya Constitution 2010 acknowledges the importance and promotion of Traditional Medical Practitioners therefore the county, in liason with the Ministry of Sports, Culture and the Arts plans to register, promote and regulate the industry. There are 36 registered Traditional Medical Practitioners in the Country.

1.23 Community Organizations/Non-State Actors

1.23.1 Cooperative Societies

The county has 143 active and 37 dormant cooperative societies. The major cooperative societies are coffee, dairy, urban SACCOs, rural SACCOs, housing, transport, fish farming, Horticulture farming, pig farming, pyrethrum, juakali, stone cutters, multipurpose and one union with a total registered members are 420,702.

The major types of societies in the county are: marketing (coffee and dairy); Savings and credit (SACCOs) which are further categorized as urban, rural and transport; housing/investment. The societies have the potential for value addition through vertical integration, enhancing quality and productivity, market development, trade financing, promotion to local and regional markets, establishment of horticulture and aquiculture cooperatives.

The distribution of the societies in the sub counties is as shown below;

Type	Mathira East		Nyeri central		Kieni east		Kieni west		Mathira west		Tetu		Mukurwe ini		Nyeri south		County Total	
	A	D	A	D	A	D	A	D	A	D	A	D	A	D	A	D	A	D
Coffee	6	0	3	0	0	0	0	0	3	0	6	0	4	0	1	0	23	0
Dairy	1	1	2	0	9	5	6	1	0	1	2	0	1	0	1	0	22	8
Rural Saccos	9	3	5	0	4	1	2	1	0	0	2	1	4	0	7	2	33	8
Urban Saccos	4	0	11	1	0	0	2	0	1	0	0	0	1	0	0	0	19	1
Transport Saccos	8	5	15	6	0	0	0	0	0	0	0	0	2	0	3	0	28	11
Housing/inv	2	1	5	1	0	0	0	0	0	0	1	0	4	1	4	0	16	3
Union	0	0	1	0	0	0	0	0	0	0	0	0	0	0	0	0	1	0
Fish	0	0			0	0	0	0	0	0	1	0	0	0	0	0	1	0
Horticulture	0	0	0	1	0	0	0	0	0	0	0	0	0	0	0	1	0	2
Pig	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0	1	0	1
Pyrethrum	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0	1	0	1
Jua Kali	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0	1	0	1
Stone Cutters	0	0	0	1	0	0	0	0	0	0	0	0	0	0	0	0	0	1
multipurpose											1	0	0	0	0	0	1	0
Total	30	10	42	10	13	6	10	2	4	1	13	1	16	1	16	6	143	37

NB: A' stands for active and 'D' for dormant.

1.23.2 Public Benefits Organizations (PBOs)

There are six main Non-Governmental Organizations which cut across the county namely; Caritas Nyeri, World Vision, Green Belt Movement, Child Fund Kenya, Kenya Red Cross and Farm Concern International. These NGOs are mainly involved in social and economic activities including provision of water in dry areas, promotion of planting of trees and support for the OVCs.

The county has 14,391 social development groups out of which 4,489 are women groups, 8,564 are self-help groups and 1,338 youth groups. The county has 80 and 3,795 persons benefiting from the Cash Transfer Programmes for the persons with severe disability and aged respectively.

1.23.3 Development partners

The County will continue engaging and collaborating with development partners, donors and other players in achieving the government agenda. Currently the County Government has received meaningful support from World Bank, UNDP and Danida in its activities including: Health services, Capacity building on civic education, PFM, monitoring and evaluation among others.

1.24 Security, Law and Order

1.24.1 Number of police stations and posts by Sub County

Sub- County	Police Station	Police/AP Posts
Mathira West	2	12
Othaya	1	12
Mathira East	1	10
Tetu	0	7
Kieni East	1	21
Kieni West	1	15
Nyeri Town	1	15
Mukurwe-ini	1	19

1.24.2 Types, trends and crime prone areas

Type of Crime	Trends	Crime Prone Areas
Breaking	33 case reported	Kiawarigi, Wariruta, Giगतिका, Kiangoma, Karurumo, Mutathini, Kaiguri, Ihururu, Kiawathanji, Wamagana, Kamuyu village, Kangemi, Kamakwa
Assaults	10 case reported	Kiawarigi, Wariruta, Giगतिका, Kiangoma
Rape	3 case reported	Kiawarigi, Wariruta, Giगतिका, Kiangoma
General stealing	19 case reported	Kiawarigi, Wariruta, Giगतिका, Kiangoma, Gatumbiro, Mutathini, Skuta, Game rock, Kamakwa,
Possession of dangerous drug	19 case reported	Kiawarigi, Wariruta, Giगतिका, Kiangoma, Mungaria, Kiagi, Gichira, Mukarara, Kariguini, Ihururu, Wamagana
Creating disturbances	56 case reported	Kiawarigi, Wariruta, Giगतिका, Kiangoma
Robbery with violence	3 case reported	Kiawarigi, Wariruta, Giगतिका, Kiangoma, Karatina town, Karindundu, Mutathini, Wamagana, Skuta, Ngaagariithi estate, Pembe tatu estate
Burglary	4 case reported	Kahuru, Itundu
House Breaking	2 case reported	Karindundu, Kiamambara
Drug abuse	6 case reported	Karindundu, Posta
Mugging	Occasional	Karatina town stage, Nyeri town Manjengo slum, Kiawara slum, Witemere slum, PGH area,
Theft of motor vehicle	Occasional	Karatina town, Giगतिका, Ihururu, Ithekahuno, Muthinga
Theft of stock	Past mid-night	Ihururu, Kaiguri, Mutathiini, Gatumbiro, Gatuanyaga, Birisha
Offences against morality	Occasional	Kaiguri, Mutathiini, Ihururu, Kagwathi
Illegal road blocks	Occasional	Tagwa junctuin on Chaka Kiamariga Kabaruru road, Burguret on Nyeri Nanyuki highway, Solio ranch stretch along Nyeri Nyahururu high way

Type of Crime	Trends	Crime Prone Areas
Armed robbery and burglary	Occasional	Ichuga
Illicit brew	Occasional	Kangemi/Chania river, Muringato river Game rock
Poaching	Occasional	Solio ranch

1.24.3 Types and number of courts

Sub- County	Type of court	Number
Mathira West	Nil	Nil
Othaya	Senior Residence Magistrate	1
Mathira East	Residence Magistrate	1
Tetu	Nil	Nil
Kieni East	Nil	Nil
Kieni West	Nil	Nil
Nyeri Town	Court of Appeal	1
	High Court	1
	Principal Magistrate Court	1
	Chief Magistrate Court	1
Mukurwe-ini	Residence Magistrate	19

1.24.4 Prisons and probation services

Sub- County	Prison/Probation office	Number
Mathira West	Nil	Nil
Othaya	Probation office	1
	Approved / Rehabilitation School	1
Mathira East	Probation office	1
Tetu	Nil	Nil
Kieni East	Nil	Nil
Kieni West	Nil	Nil
Nyeri Town	Probation office	1
	Prison	1
	Juvenile Remand home	1

1.24.5 Number of public prosecution offices

There are four public prosecution offices each in Nyeri Town, Othaya, Mukurweini and Mathira Sub-counties.

1.24.6 Number of prosecutions

Sub- County	Number of Public Prosecutions (2017)
Mathira West	116
Othaya	50
Mathira East	100
Tetu	93
Kieni East	83
Kieni West	150
Nyeri Town	50

1.24.7 Immigration facilities

The County has only one immigration office located in Nyeri town sub-county.

1.25 Social Protection

1.25.1 Number of Orphans and Vulnerable children (OVCs)

The number of known Orphans and Vulnerable Children currently stands at 1500 according to the department of Gender and Social Services.

1.25.2 Cases of Street children

The number of registered street children is currently stands at 500 in the county

1.25.3 Child care facilities and Institutions by sub-county

The County has several child care facilities and institution distributed per sub-county as follows: Kieni West (3), Kieni East (3), Othaya (3), Mathira East (2), Mathira West (2), Tetu (3), Mukurweini (3) and Nyeri Town (6).

1.25.4 Social net programmes

There are four major social net programmes in the county namely; Youth enterprise fund, Uwezo fund, Jiinue fund and Bima Afya.

CHAPTER TWO

LINKAGE WITH VISION 2030 AND OTHER PLANS

2.1 Overview

This chapter discusses the County Integrated Development Plan linkages with the Kenya Vision 2030, the Constitution of Kenya, 2010 and other long term planning and policy documents. A brief status of Sustainable Development Goals at the County level is also provided. Further, the linkage between the Big Four and county development agenda has been expounded.

2.2 Linkage of the CIDP with the Constitution of Kenya, 2010

The Constitution of Kenya, 2010 prescribes national values and principles of governance which include sharing and devolution of power. It creates a two-tier government: a national government and 47 county governments.

The Fourth Schedule delineates the functions of the national and county governments. A total of 14 functions have been devolved to the counties. The main ones include: county planning and development; agriculture; county health services; control of air pollution, noise pollution, other public nuisances and outdoor advertising; cultural activities, public entertainment and public amenities; county roads and transport; animal control and welfare; trade development and regulation; pre-primary education and village polytechnics; specific national government policies on natural resources and environmental conservation; county public works and services; firefighting services and disaster management; control of drugs and pornography. Emphasis is also made for the counties to ensure participatory development and capacities are developed at all community levels.

The county governments are required to prepare the County Integrated Development Plans to enable prioritization of socio-economic development issues at the local level. This is mandatory before the funding of county projects and programmes. The CIDP is anchored on the county functions as provided in the fourth schedule of the Constitution.

2.3 Linkage of the CIDP with the Kenya Vision 2030

Sessional Paper Number 10 of 2012 on Kenya Vision 2030 is the National Policy Economic Blueprint that entrenches Kenya Vision 2030 as the long term development strategy. The Vision aims to transform Kenya into a modern, globally competitive, middle income country providing a high quality of life to all its citizens. Kenya Vision 2030 is a product of highly participatory, consultative and inclusive stakeholder's process conducted throughout the country and in all sectors of the economy.

The Vision is anchored on three key pillars: economic; social; and political. The key sectors in economic pillar include: tourism, agriculture and livestock, manufacturing, wholesale and retail trade, Business Process Outsourcing (BPO), financial services, oil and mineral resources. The main sectors under the social pillar include education and training, health, water and irrigation, environment, housing and urbanization, gender, sports, youth and culture. The Political Pillar aims at realizing a democratic political system founded on issue based politics that respect the rule of law, and protects the fundamental rights and freedoms of every individual in the Kenyan society.

The three pillars are anchored on a number of foundations, which serve as enablers that create an environment that is geared towards the realization of Vision 2030. These include: macroeconomic stability; continuity in governance reforms; enhanced equity and wealth creation opportunities for the poor; infrastructure; energy; Science, Technology and Innovation; Land Reforms; Human Resource Development; Security and Public Sector Reforms. An additional enabler, national values and ethics, has been included following the passing of the Constitution of Kenya 2010.

2.4 Linkage of the CIDP with the Medium Term Plans

The Kenya Vision 2030 is planned to be implemented in successive five year Medium Term Plans. County governments therefore must integrate the aspiration of Kenya Vision 2030 and Medium Term Plans in preparing of County Integrated Development Plans. The CIDP is envisaged to support implementation of Vision 2030 and achievement of SDGs, through different projects and programmes identified at the county level.

The Third Plan will mark the third phase of Vision 2030 whose overarching objective is to transform Kenya into “an upper middle-income rapidly industrializing country offering all its citizens a high quality of life in a clean and safe environment” by the year 2030. It will endeavor to move the economy towards a higher growth trajectory by the end of the Plan. Since the implementation of Vision 2030 began in 2008, several milestones have been achieved. These are documented in the Annual Progress and Mid-Term Review Reports for the First and Second MTPs.

The Third MTP will build on gains made so far in key sectors of the economy including completing projects initiated during the Second MTP. It will target not only increasing the level of investment but also enhancing the productivity of investment, as well as raising productivity in all sectors of the economy. The plan will also place emphasis on structural transformation of the economy in terms of increasing the share of manufacturing and productive sectors and increasing the share of exports to GDP.

The MTP III will prioritize the development of infrastructure and create an enabling environment to develop the country’s oil, gas and other mineral resources sector. It will put in place measures to facilitate development of the Blue Economy, mainstream Sustainable Development Goals (SDGs), Africa’s Agenda 2063 and climate change among other regional and international development agenda and cooperation frameworks.

The County Government will ensure that all its development priorities are aligned to the National Development Agenda. Therefore, the County Integrated Development Plan will be aligned to the MTP III. It is therefore imperative that within a context of competing priorities, all resources are aligned towards achieving core priorities that will have broad based benefits for all.

2.5 Legislation on Integrated Planning in Kenya

Integrated development planning is defined as “a process through which efforts at national and devolved levels of government and other relevant public institutions are coordinated at local level,

and through which economic, social, environmental, legal and spatial aspects of development are brought together to produce a plan that meets the need and targets set for the benefit of local communities”.

2.5.1 The County Government Act, 2012

The County Government Act 2012, in fulfillment of constitutional requirement to legislate preparation of county plans, details the goals and procedures of “County Planning” (Part XI of the Act). County planners are required to prepare 5-year integrated development plans and the annual budgets to implement them.

Under Article 100(h) of the Act, county planning is expected “to provide a platform for unifying planning, budgeting, financing programmes, implementation, and performance review”. A county planning unit shall be responsible for “coordinated integrated development planning”. County plans will have the goal of promoting harmony with national and other county plans, land-use plans, urban planning and environmental conservation.

The County Government Act, 2012, section 104 (1), states that, “a county government shall plan for the county and no public funds shall be appropriated without a planning framework developed by the county executive committee and approved by the county assembly”. It also states that the county planning framework shall integrate economic, physical, social, environmental and spatial planning. In addition to an integrated development plan, each county is expected to have the following:

- i. A County Sectoral Plan;
- ii. A County Spatial Plan; and
- iii. A City and Urban Areas Plan.

These county plans (section 107(2)) “shall be the basis for all the budgeting and planning in a county”.

2.5.2 Public Finance Management Act (PFMA), 2012

The Public Finance Management Act (PFMA), 2012, emphasizes what the County Government Act states but puts a slightly different emphasis on planning. Whereas the County Government Act requires a “five-year County Integrated Development Plan”, the PFMA (Part IV (126) (1)) requires both a long-term and medium term plan. According to the PFMA, a budget process for the county government in any financial year shall consist of the following stages:

- i. Start with an integrated development planning process, which shall contain both short term and medium term plans.
- ii. Every county shall prepare a development plan as per Article 220 (2) of the constitution.
- iii. Budgets are to be based on projects and other expenditure contained in the plan.

2.5.3 Urban Areas and Cities Act, 2011

Urban Areas and Cities Act (2011) is also emphatic on the need for five-year integrated development planning and the need to align annual budgeting to the plan. These plans are separate from those of the county. In section 36(2) it states that “an integrated urban or city development plan shall bind, guide, and inform all planning for development and decision-making and ensure comprehensive inclusion of functions.”

2.6 Integration of the Sustainable Development Goals (SDGs) into the CIDP

On 25 September 2015, the Member States of the United Nations agreed on the 17 Sustainable Development Goals (SDGs) of the Post-2015 Development Agenda. The SDGs build on the Millennium Development Goals, the global agenda that was pursued from 2000 to 2015, and will guide global action on sustainable development until 2030. All of the SDGs have targets that are directly or indirectly related to the daily work of County Governments. County Governments are catalysts of change and are best-placed to link the global goals with local communities. Further, the County governments are the basic local governance units that can support localization, mainstreaming and implementation of Sustainable Development Goals.

The sustainable development goals agenda is a plan of action for **people, planet, peace, prosperity and partnership**. The 17 sustainable development goals and 169 targets seek to build on the millennium development goals, and complete what these did not achieve. They are integrated in the three dimensions of sustainable development: the economic, social and environmental. The goals and targets will stimulate action over the next fifteen years (up to 2030) in areas of critical importance for humanity and the planet:

- **People:** ending poverty and hunger, in all their forms and dimensions;
- **Planet:** protecting the planet from degradation, including through sustainable consumption and production;
- **Prosperity:** ensuring that all human beings can enjoy prosperous and fulfilling lives;
- **Peace:** fostering peaceful, just and inclusive societies which are free from fear and violence;
- **Partnership:** mobilizing the means required to implement this agenda through a revitalized global partnership for sustainable development.

The following are the Sustainable Development Goals (SDG's);

Goal 1: End poverty in all its forms everywhere

The County will identify people living in poverty at the grass-root level and to target resources and services to help them overcome deprivation and dehumanizing poverty. It will ensure that all men and women, particularly the poor and the vulnerable, have equal rights to economic resources, as well as access to basic services, ownership, and control over land and other forms of property, inheritance, natural resources, appropriate new technology, and financial services including microfinance.

As a result, this will build the resilience of the poor and those in vulnerable situations, and reduce their exposure and vulnerability to climate-related extreme events and other economic, social and environmental shocks and disasters.

Goal 2: End hunger, achieve food security and improved nutrition and promote sustainable agriculture

The county will continue to support agricultural production and local economic growth by strengthening extension service to farmers and by providing basic transport infrastructure and markets to promote good exchange in local food chains. Further through use of healthcare services and Early Childhood Centers (ECDs) to identify and tackle child malnutrition the county will ensure that everyone can enjoy a safe, nutritious diet, all year round.

Goal 3: Ensure healthy lives and promote well-being for all at all ages

The county has a huge responsibility of ensuring the local communities have access to good quality health care and live a healthy life.

Goal 4: Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all

The county is responsible for early childhood development (ECD) that form the basic foundation for education. As such, it will continue to identify and tackle the barriers to school attendance. It will also integrate technical and vocational training programmes into local economic development strategies, making sure training is valuable to labor market opportunities into account. The county will further reach out to vulnerable and marginalized individuals and communities and to ensure they have access to education and training that meet their needs.

Goal 5: Achieve gender equality and empower all women and girls

The county will continue to advocate for gender equality and the empowerment of women through non-discriminatory service provision to citizens and fair employment practices and mainstreaming of gender equality across all areas of their work in order to tackle the multiple barriers to women's empowerment.

Goal 6: Ensure availability and sustainable management of water and sanitation for all

The county is committed to ensuring access to clean water and sanitation through effective local governance, natural resource management, and local planning. Integrated water resources management will be enhanced through cooperation in planning and environmental policy between the County and National Government.

Goal 7: Ensure access to affordable, reliable, sustainable and modern energy for all

The county plans to identify gaps in access to affordable energy among vulnerable groups in the communities and address them thus contributing to energy efficiency directly by investing in energy efficient infrastructure, alternative and green energy sources.

Goal 8: Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all

The county will generate growth and employment from the bottom up through local economic development strategies that harness the unique resources and local opportunities.

Goal 9: Build resilient infrastructure, promote inclusive and sustainable industrialization and foster innovation

The county has continued to put more efforts in developing and maintaining infrastructure to serve local communities and link them up with their surrounding areas. This includes the promotion of small-scale industry and start-ups in their local economic development strategies, taking into account local resources, needs and markets based on the local competitive advantage.

Goal 10: Reduce inequality within and among countries

The county will build local capacities and tackle poverty and exclusion through political inclusion at local level.

Goal 11: Make cities and human settlements inclusive, safe, resilient and sustainable.

The county is in the process of developing strategic urban plans to prevent growth of new slums, and work with slum-dwellers to improve conditions and provide basic services where slums already exist.

Goal 12: Ensure sustainable consumption and production patterns.

The county will support short supply chains, thereby reducing transport and carbon emissions, through land management, infrastructure, urban planning, education and training, and public markets.

Goal 13: Take urgent action to combat climate change and its impacts.

The capacity of the county governments to deal with climate related hazards and natural disasters need to be strengthened through integration of climate change adaptation and mitigation into local planning to reduce the emissions of our cities and increase their resilience to environmental shocks.

Goal 14: Conserve and sustainably use the oceans, seas and marine resources for sustainable development

Urban sanitation and solid waste management are essential to reducing pollution in water bodies. There is therefore need for collaboration between County Government and relevant National Government Ministries, Departments and Agencies.

Goal 15: Protect, restore and promote sustainable use of terrestrial ecosystems, sustainably manage forests, combat desertification, and halt and reverse land degradation and halt biodiversity loss.

The County Governments' role as service providers (especially of water, sanitation, and solid waste management), coupled with our ability to incentives behavioral change in our communities, puts us in a unique position to protect natural resources and habitats.

Goal 16: Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels.

County governments should lead the way in experimenting with new forms of participatory decision making, such as participatory budgeting and planning. This goal calls on County Governments to expand these efforts and become even more responsive to community needs while ensuring transparent and accountable processes and making sure no group is excluded.

Goal 17: Strengthen the means of implementation and revitalize the global partnership for sustainable development.

There is need for local resource allocation to support SDGs implementation. It is therefore important that SDGs are mainstreamed into the County Integrated Development Plans to ensure budget allocation. It is at the local level that coherent policies can be developed to address the multiple challenges of poverty reduction and sustainable development.

The Sustainable Development Goals (SDG’s) in Nyeri County are being addressed within their respective sectors through different interventions as indicated in the development priorities and strategies.

Summary of County Function and the SDGs

FUNCTION	GOAL
Agriculture	Goal 1 and 2
County Health Services	Goals 3
Control of air pollution , noise pollution other public nuisance	Goal 3, 6 and 14
Cultural activities, public entertainment and public amenities	Goals 4 and 11
County transport	Goal 9 and 11
Animal control and welfare	Goal 2
Trade development and regulation	Goals 2,3,8,10 and 17
County planning and development	All
Pre-primary education, village polytechnics , home craft centres and childcare facilities	Goal 4
Implantation of specific national government policies and natural resources and environmental conservation	Goals 1, 6, 8, 9, 11, 12 13 and 17
County public works and services	Goals 9 and 11
Firefighting services and disaster management	Goals 1, 2, 11 and 13
Control of drugs and pornography	Goal 3
Ensuring and coordinating the participation of communities and locations in governance at the local level and assisting communities and locations to develop the administrative capacity for the effective exercise of the functions and powers and participation in governance at the local level	All

2.7 Linkage of the CIDP and the ‘Big Four’ Plan for Economic Development

"The Big four" plan for Kenya, is a print out of what the government plans to achieve for the next five years arising from the development needs of the people of Kenya. The government recognizes the fact that a jobless Kenyan is a desperate Kenyan; a hungry Kenyan is a negative Kenyan; a sick Kenyan is a weak Kenyan; and a homeless Kenyan is a person without hope.

Simply put, the Big Four are food security, affordable housing, manufacturing and affordable healthcare for all. "The Big Four are expected to create jobs, which will enable our people to meet their basic needs that will transform their lives to a new status of greater comfort and wellbeing.

Under manufacturing, the government will focus on boosting four manufacturing sub sectors namely the Blue Economy, Agro-Processing, Leather and Textiles. The fishing industry is expected to grow seven fold and a ready market of leather products will be guaranteed from government departments notably the armed forces and other agencies. Further, our tea, coffee, meat, fruits and vegetables will be processed locally to obtain more value from our produce, and create more jobs and wealth for Kenyans. The government will also make arrangements with expatriates in manufacturing to ensure Kenyans receive proper training and safeguard protection of intellectual property rights.

The government targets to ensure that half a million Kenyans will be able to own affordable and decent homes by 2022 by reducing mortgage and construction costs. Universal health care will be realized by policy and administrative reforms in the medical sector. The government will enforce collaboration between National Hospital Insurance Fund (NHIF) and private medical insurance providers so as to ensure wider coverage. On food security all idle arable land will be put to use where the Ministry of Agriculture and Irrigation will publish terms which commercial farmers can lease agricultural land owned by the government.

The County government will provide incentives, such as land, for establishment of processing factories for our farm produce. Further, tea and coffee factories will be supported to process their products for value addition. The county milk, collected through the cooperative societies, will be processed through the Green Lands Dairy Union that the government has been building over the years.

Through the department of Transport, Public Works, Infrastructure and Communication the general public and investors will be trained on manufacturing and use of low cost materials for construction of affordable houses. This will enable individuals to construct decent low cost houses. The county has an irrigation potential of 20,620 Ha and only 2,600 ha have been exploited and thus more funding need to be directed to this venture so as to move away from rain fed agriculture.

CHAPTER THREE:

REVIEW OF IMPLEMENTATION OF THE PREVIOUS CIDP

3.1 Introduction

This section provides a brief review on implementation of the previous County Integrated Development Plan for the period 2013-2017. It outlines the achievements for the various sectors in attaining the ultimate objectives as broken down by sector.

3.2 Status of Implementation of the Previous CIDP

The CIDP of the period 2013-2017 has been the guiding blue print for development in the county. Though much has been achieved, most of the proposed programmes were not implemented due to various factors which were beyond the control of the county government.

3.2.1 Analysis of the County Revenue Streams

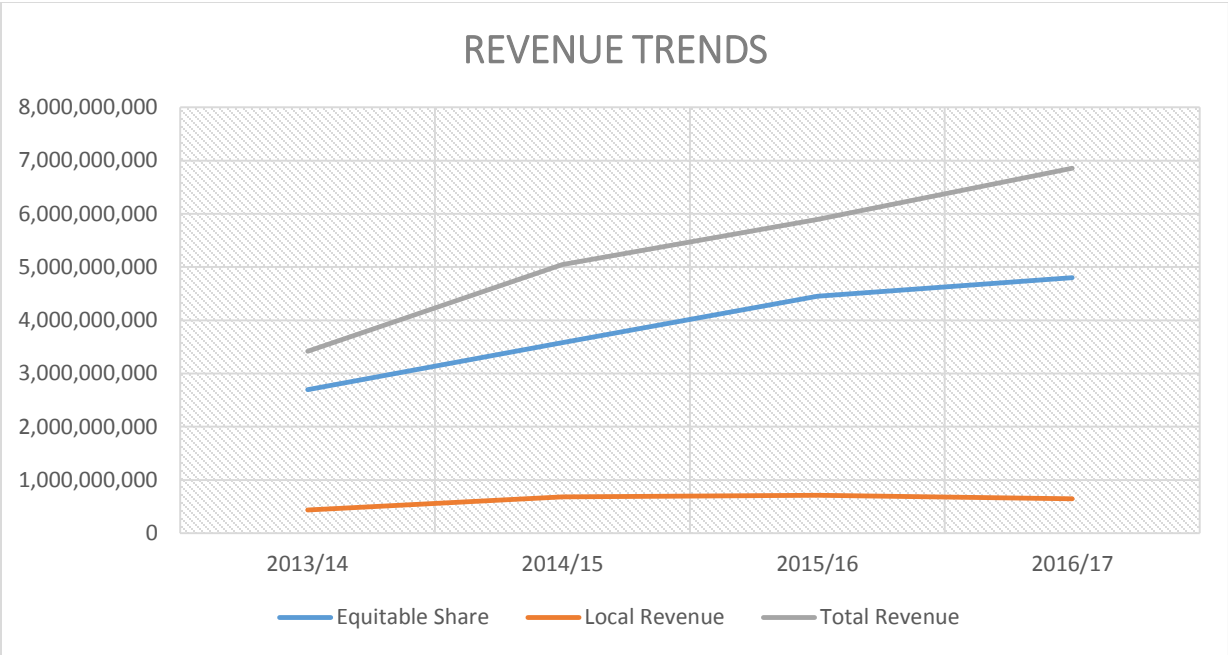

The county budget has been increasing from year to year as more resources are provided and demand for improved services continue to rise. The local revenue constitutes about 10 per cent of the county budget and much more needs to be done to enhance its mobilization so as to avail more resources for development. Table 14 shows the main sources of county revenue and their performance during the plan period.

Table 14: Electricity connectivity within the county

Revenue Sources and Expenditure	2013/2014		2014/2015		2015/2016		2016/2017	
	Budget Amount (Kshs.)	Actual Amount (Kshs.)	Budget Amount (Kshs.)	Actual Amount (Kshs.)	Budget Amount (Kshs.)	Actual Amount (Kshs.)	Budget Amount (Kshs.)	Actual Amount (Kshs.)
Balance B/F	130,000,000	289,224,084		54,209,031		5,664,988	693,000,176	693,000,176
Other transfers	305,060,819	0						
Advance by National treasury				300,000,000				
Refunds from the national Government					200,000,000	200,000,000		
Other refunds				162,507,905				
CILOR	54,754,000	0						
Equitable Share	3,636,303,976	2,697,434,462	3,882,059,730	3,582,449,453	4,449,219,647	4,449,219,647	4,800,764,767	4,800,764,767
Level V Hospital			197,575,455	197,575,455	368,620,571	368,620,571	388,439,306	388,439,306
Free Maternity					82,091,800	63,295,000	69,215,585	60,515,000
User fee foregone					16,166,813	16,166,813	14,347,664	14,347,664
Compensation for payment of nurses from Ministry of Health							104,874,000	141,861,000
Danida grant-Health Facilities			20,550,000	20,550,000	22,930,000	22,930,000	11,465,000	11,465,000
Road maintenance fuel levy fund				46,439,630	56,519,885	56,519,885	73,762,719	73,763,719
Coffee Cess							13,438,245	13,438,245
Tea Cess							17,994,512	18,290,322
Local Revenue	424,296,914	432,229,360	1,344,316,527	680,700,067	1,082,000,000	709,554,435	1,095,101,000	643,139,153
Total Revenue	4,550,415,709	3,418,887,906	5,444,501,712	5,044,431,541	6,277,548,716	5,891,971,339	7,282,402,974	6,859,024,352

Over the CIDP implementation period 2013- 2017, the county experienced a sustained increase in revenue collection and receipts. This can be attributed significantly to the equitable share which has had an upward trajectory throughout the period. The total actual revenue in the county grew by 50.15% between 2013/14 and 2016/17 financial years i.e. from Kshs. 3,418,887,906 to Kshs. 6,859,024,352.

Trends of Local revenue and equitable share from 2013 to 2017

From the above, in the financial year 2013/14, own revenue collection contributed 12.6 % of the total county’s revenue. During the same period, equitable share contributed a significant 78.9% of the budget. The difference was balance brought forward from the previous financial year. This however changed as equitable share outstripped local revenue in 2015/16. In the financial year 2016/2017, equitable share constituted 70% of the total actual revenue risen at Kshs. 6,859,024,352.

Key Revenue Streams

The Key revenue streams in the County are parking fees, Land rates, Single Business Permits, Liquor Licenses, Hospital services, Market Entrance/Stalls/Shop Rents and Cess. They were the dominant drivers of the local revenue, constituting 72.08%, 77.76%, 79.22% and 83.22% of County local revenue in Financial Years 2013/14, 2014/15, 2015/16 and 2016/17 respectively. The Single largest contributor to local revenue in the period under review was Hospital Services.

Performance of key local revenue streams 2013-2017

Revenue Stream	2013/2014		2014/2015		2015/2016		2016/2017	
	Target	Actual	Target	Actual	Target	Actual	Target	Actual
Liquor License	0	15,942,000	75,000,000	7,721,640	47,889,046	35,391,800	47,889,046	35,525,227
Business Permits	83,985,200	81,618,575	100,000,000	91,089,689	161,954,610	94,132,281	121,984,610	91,749,565
Hospital Services			330,600,000	208,849,349	278,859,938	205,117,487	308,859,938	198,329,811
Parking Fees	92,195,000	107,002,937	150,000,000	101,689,700	143,436,072	94,386,627	156,451,092	91,102,080
Land Rates	76,116,143	49,596,920	173,471,049	55,915,332	87,721,637	72,805,582	127,771,637	53,467,317
Market Entrance/ Stalls/Shop Rents	36,689,100	34,711,274	10,000,000	37,195,141	87,721,130	35,805,344	57,721,130	33,191,634
Quarry Cess	21,461,668	22,695,125	30,000,000	26,871,880	37,269,376	24,484,833	37,269,376	31,862,380

On average, the key revenue streams accounted for more than 70% of the total local revenue in the first four years of CIDP implementation. More investment is required so as to strengthen the above streams to increase the amount of local revenue.

Percentage contribution of Key Revenue Streams to total Local Revenues 2013-2017

As shown in figure above, hospital services contributed more than 25% of the total local revenue over the implementation period. In the first 3 years all the streams performed slightly low but the situation improved in the final year of the plan period.

3.2.2 County Expenditure Analysis

The county government spends its money on recurrent expenditure and development projects. Much of the government resources are spent on recurrent needs due to the huge wage bill leaving limited resource for development activities.

Table 15: Budget allocation and expenditure 2013-2017

FY		Recurrent Budget	Development Budget	Total Budget	Absorption of Total Budget (%)	Absorption of Recurrent Budget (%)	Absorption of Development Budget (%)
2013/2014					74.7	78.9	65.6
	Supplementary Budget	3,098,116,988	1,452,298,721	4,550,415,709			
	Actual Expenditure	2,444,183,180	952,843,894	3,397,027,074			
2014/2015	Approved Original Budget	3,809,115,053	1,635,386,659	5,444,501,712	91.1	101.9	64.6
	Supplementary Budget	3,866,948,836	1,577,552,876	5,444,501,712			
	Actual Expenditure	3,940,142,995	1,019,696,611	4,959,839,606			
2015/2016	Approved Original Budget	4,286,753,693	1,997,456,347	6,284,210,040	79.1	86.0	62.5
	Supplementary Budget	4,419,610,949	1,857,937,767	6,277,548,716			
	Actual Expenditure	3,801,475,552	1,161,269,008	4,962,744,560			
2016/2017	Approved Original Budget	4,640,955,030	1,823,606,011	6,464,561,041	78.0	90.0	52.2
	Supplementary Budget	4,977,493,117	2,304,909,857	7,282,402,974			
	Actual Expenditure	4,478,534,101	1,203,846,247	5,682,380,348			

During the plan period under review, the total approved budget amounted to Kshs. 22,743,688,502. However, this was revised through supplementary budgets to Kshs 23,554,869,111. The actual expenditure by end of the plan period amounted to Kshs. 19,001,991,588 where Kshs 14,664,335,828 was for recurrent representing 77.2%, and Kshs. 4,337,655,760 was for development representing 22.8%. The average absorption rate was 75% over the plan period with a high of 91% and a low of 74%. The absorption rate on recurrent budget was higher than on development expenditures meaning that development was sacrificed due to high expenditures on personal emoluments thereby hampering the rate of implementing development projects in the county.

Budget allocation and Absorption 2013-2017

3.3 Summary of key achievements versus planned targets focusing on

outcomes

Tremendous achievements were made in agriculture, during the previous planning period, spread throughout the county. To improve on dairy production, the department engaged a task force which came up with recommendations on how to commercialize the industry and therefore implementing the following recommendations; provision of Free AI services to farmers, federation of various milk cooperative societies to a dairy union(The Green Land), disease control through vaccinations of livestock against notifiable diseases like foot and mouth, improvement of cold supply chain through provision of bulk milk coolers to enhance value addition of the commodity and rehabilitation of 35 dips along the livestock routes.

To reduce the cost of production, mainly in coffee, the department provided subsidized fertilizers as a flagship project during the implementation period. To enhance food security farmers were provided with certified seeds. In addition, monosex fingerlings were provided to fish farmers to enhance fish production and diversify income generation at the farm level. Further, to impart knowledge on modern farming methods green houses have been constructed in all the 30 wards.

In trade, the entrepreneurs and business persons have access to affordable credit through creation of Enterprise Development Fund (EDF) that loans to businesses at 8 percent (Joint loans Board).

The county government has also graded and graveled over 2,000km of roads, installed culvert to improve drainage and constructed various bridges across the county so as to improve access in rural areas. This was implemented through 8Km Programme and affirmative action for Kieni. The County has also acquired four motor graders, two rollers, one low loaders, two excavators and three tippers to improve the state of the rural roads effectively and efficiently

During the previous planning period, the county has also achieved the lighting of major towns and trading centers through installation of high flood mast and street lights. By lighting the centers, security has improved and economic activities can now extend for longer hours.

In the water services subsector, the county government had planned expansion of water coverage through community based projects in the rural areas by 65% and 70% in urban areas through water service providers to benefit 22,510 H/H. In collaboration with communities, 200km of pipelines were constructed benefitting 25,960 persons. Construction of two water treatment plants for Tewasco and Naruwasco to improve quality of drinking water is still on-going.

There exists small dams and pans distributed within the county with a total capacity of 2,962,000m³. The department in collaboration with other actors managed to rehabilitate 36 dams/pans with a total capacity of 700,000 m³ which is 23.6%.

The county has got untapped underground water resource which requires to be exploited to supplement the surface water sources. There exists 72 No Boreholes distributed within the county with a production of capacity of 3,500m³per day. The Department had planned to drill 10 new boreholes and rehabilitate 4 No but did not manage to drill or rehabilitate any, but in collaboration with other actors managed to drill 9No new Boreholes and rehabilitated 5No.

The department intends to drill and equip 20 new boreholes, rehabilitate and equip 30 Boreholes which will lead to more households being served.

The County Government in collaboration with the Ministry of lands, Kenya Informal Settlement Program (KISIP) and the National land commission have seen through the resettlement of colonial villagers across the county. Through this, planning and Surveying of the following colonial villages has been achieved namely; Kiamwathi, Miiri, Ihwagi, Gitero, Gikomo (mweiga), Gitathini, Chorongi, Kiarihui and Kariki Villages.

In the previous planning period the County Government undertook various programmes impacting on lives of its citizens. The main achievement includes giving NHIF insurance cover to the elderly, orphans and vulnerable dubbed 'Bima Afya' where 5,977 citizens have benefited.

The county also rolled out a bursary fund dubbed 'Elimu Fund' which was disbursed to assist financially needy and bright students' access education and training. Over 25, 000 students benefitted from Kshs. 190 million allocated in the financial years' 2015/16 and 2016/17.

Education has also received major improvement through construction, equipping and staffing of ECDE and Vocation Training Centers. The sector identified and improved 8 YP's as centers of excellence to offer specialized courses.

On the health front the county government has increased the number health facilities by 22 from 98 to 120 in number, this has improved access especially in the hard to reach areas. General renovation and maintenance of 85 rural health facilities was carried out. During the period specialized services were started at county referral hospital which includes renal dialysis, MRI, ICU and HDU, theatre and diagnostic services were improved in two county hospital under the managed equipment services partnership with county government.

During the planning period, the county government operationalized 251 community health units enabling Nyeri resident to access basic health services at community level i.e., screening for NCDs condition and health promotion. A total of 8 community ambulances were procured in 2015 to assist in timely referral to health facilities from rural areas. Further the Beyond Zero program campaign vehicle has been used to carry out regular outreaches in hard to reach areas, this program includes screening for cervical cancers and other malignancies.

3.4 Challenges in the Implementation of the Plan.

Late and inadequate disbursements of funds

Late disbursement of funds by the National Treasury has been a challenge to the county. This cash flow challenge greatly affected the implementation of projects and programmes.

Local revenue collection

During the plan period the county was not able to meet the local revenue targets. The following factors affected local revenue collection;

a. Cash-less system underperforming:

Revenue collection services were partially automated through introduction of the cash-less system. However, the performance was not as expected due lack of capacity building on the staff, frequent network problems and avoidance of use of the system.

b. Weak inter departmental support in revenue mobilization/collection:

Most departments laid great emphasis on expenditure, without due concern on their responsibility on revenue collection. Inter departmental synergies that could have enhanced revenue collection were not exploited. The domiciling of the revenue directorate in the department of Public Administration and Communication exposed it to a lot of operational challenges, thus affecting revenue mobilization.

c. Court injunctions, legal challenges and objections

Since the enactment of the Revenue Administration Act, 2014, the County faced various legal hurdles which hampered operations and also revenue collection. These challenges were mainly on land rates, parking and Single Business Permits thus heavily affected county ability to raise funds.

d. Inadequate human and physical resources

The directorate faces the challenge of inadequate vehicles, tools and equipments; inadequate and/or inaccurate data; lack of enforcement unit; resistance from traders to pay fees and charges and inadequate personnel.

Unplanned settlement areas

Most County activities in the informal areas experienced huge insecurity challenges. Some activities such as disease surveillance and campaigns, vaccination, firefighting services are mostly affected due to this. Vandalism and encroachment is also prone in these areas and has always been a setback to county development. Encroachment of road reserves is also a major challenge hampering delivery of services.

Inadequate facilities

Most of county departments operate from rented offices which is very costly. This makes it tedious for members of the public moving from one office block to another to get services which could be served from a single point. However, there is provision in the budget to build a county office block to solve this problem.

Delay in processing of legal documents from collaborating institutions.

Various collaborating institutions including Water Resources Management Authority (WRMA), Kenya Forest Service (KFS) and Kenya Wildlife Service (KWS) have a lot of bureaucracy and take a lot of time to process the legal documents thus affecting implementation of water projects.

Lack of county physical and spatial plans

The county is yet to complete the process of preparation of these plans. Valuation roll has also not been done hindering the enhancement of the relevant revenue collection acts.

Ownership of quarries

Most quarries in the county are privately owned and owners were uncooperative towards rehabilitation.

Under-performance by staff

The capacity of the staff in resources management and mobilization, monitoring and evaluation and reporting was a hindrance to the development process. Other factors contributing to this include poor working conditions and mobility, lack of friendly working environment and inadequate working tools.

3.5 Lessons Learnt.

There is need for the government to continue building the capacity of the staff while enlisting the support of the national institutions in assessing the risk areas in project implementation. Should these risks materialize, the government should undertake appropriate measures to mitigate the impact on the budget. To address the issue of high wage bill, the county will limit recruitments to only areas of critical needs. Further the existing staff will be rationalized in order to improve productivity.

The weak local revenue performance, which has led to overreliance on fiscal transfers from the National Government, remains a major fiscal risk. There is also the risk of low resource absorption mainly caused by delays in enactment of budget related legislations and releasing of funds from the National Treasury as was the case in the FY 2016/17. It important therefore for the county to put in place appropriate measures possible to increase local revenue.

Timely disbursement of funds to projects is essential for timely implementaion. The National Treasury should release funds in time to help the counties manage its cash flows properly. There is also need to strengthen the M&E unit.

The county will continue seeking development partners (World Bank and UNDP) support in strengthening county taxation, constitutional implementation and revenue collection. Citizens' engagement and public participation will be improved to accelerate good working relations and minimize conflicts in county taxation and revenue collection, legislation and business. Therefore, there is need to enhance business activities, investment, revenue mobilization while focusing more on development agenda and cost reduction.

CHAPTER FOUR

COUNTY DEVELOPMENT PRIORITIES AND STRATEGIES

4.1 Introduction

The chapter discusses the spatial development framework, key county development priorities, strategies, programmes and projects as identified by stakeholders in the county.

4.2 Spatial Development Framework

The Spatial Development Framework (SDF) is a schematic plan that indicates the broad spatial intentions of the county. The precise details of the SDF are developed in subsequent Land Use Framework Plans and ultimately in Planning Schemes.

The framework will provide a wider perspective of spatial development challenges and interventions. This will inform the formulation of development proposals that indicate future desirable patterns of land use. The Spatial Development Framework is intended to provide an outline for public and private sector investment as well resource utilization.

The Spatial Development Framework seeks to serve the following purposes;

- i. Promote economic vibrancy within the county.
- ii. Provide a basis for provision of strategic infrastructure and services as well as social support facilities.
- iii. Facilitate the integration of social, economic, institutional and physical aspects of land development.
- iv. Optimize use of existing resources.
- v. Encourage environmental sustainability, preserve ecosystems and promote bio diversity.
- vi. Emerging spatial development challenges and opportunities in the County

Potential Growth Areas in the county: -

- i. The county has two major water towers namely; Aberdares and Mt. Kenya thus water supply in most parts of the county is consistent presenting an opportunity for support of human settlement, agricultural and industrial activities.
- ii. The county has forests which can be utilized to plant more trees to spur development through availability of construction materials.
- iii. The county has hard working farmers who are ready to grow trees for agro forestry.
- iv. The county has potential for exploiting the minerals available.
- v. The county has an able population to pay for services rendered by the water service providers.

The opportunities available includes; High Agricultural Potential; Proximity to Nairobi; Linkage to other counties; Existing Railway Line; Production of Raw Materials; Tourism Potential; Availability of Land; Entrepreneurship Acumen and Adequate Water Supply.

Ongoing activities to address the priority thematic areas:

- The county is transforming from reliance of rain fed agriculture to irrigated agriculture and improved water management through use of drip irrigation technology.
- The county is putting in place mechanisms to protect and conserve the catchment areas by planting indigenous trees.
- The county is developing new water infrastructure, rehabilitating and managing existing water supply systems to ensure efficient, reliable, adequate, accessible, safe, sustainable and environmentally friendly supply through use of green energy technology.
- The county is developing water systems to enhance industrialization

Table 16: County Spatial Development Strategies by Thematic Areas

Thematic Area	Overview/ Current Status	Policy Strategy	Potential Geographical Areas	Lead Agencies/ Departments
Environmental protection	<ul style="list-style-type: none"> • River banks and riparian have been degraded and encroached by the farmers • County forests have been deforested; • Poor waste management; 	<ul style="list-style-type: none"> • Plant indigenous trees and bamboo along the river line • Encourage reforestation and agro forestry; • Enhance regulation of solid and liquid waste disposal; 	<ul style="list-style-type: none"> • Along all the rivers in the county • All forests (gazetted and ungazetted) and farms • All major Towns and Markets 	Department of water, Environment and Natural Resources; KFS; NEMA; WARMA; WRUA; Public Health.; Agriculture; Lands; Public administration; Ministry of interior and coordination; Department of social services.
Water Supply	<ul style="list-style-type: none"> • Rural water supply stands at 65% but pipe system network is at 85% the challenge is lack of water in the systems. • We have several Boreholes but not functional due high operational costs. • Lack of storm water drainage system and interfering with the sewerage system 	<ul style="list-style-type: none"> • Promote water conservation through metering devices. • Construction of dam/pans and promoting roof harvesting at household level • Revitalize the Boreholes by enhancing green economy. • Separate the storm water and sewerage system 	Kieni East/Kieni West, Mukurweini, Mathira West and Mathira East Karatina Town	Department of water, Environment and Natural Resources; Tana and Athi River Development Authority; National Draught Management Authority; Physical planning; Department of health; Nation Government; Development partners
Irrigation	Irrigation coverage stands at 11%	<ul style="list-style-type: none"> • Water harvesting conservation strategies • Construction of dams/pans • Use of modern irrigation technology i.e. drip irrigation and green house technology • Roof catchment • Water Pans at household level 	Kieni East and West, Mathira East and West, Othaya, Mukurweini ,Tetu and Nyeri Central.	Department of water, Environment and Natural Resources; National Irrigation Board; Tana and Athi River Development Authority; Upper Tana Resource Management Authority; National Government

4.3 Natural Resource Assessment

Table 17: Natural Resource Assessment

Name of Natural Resource	Dependent Sectors	Status, Level of Utilization & Scenarios for future	Opportunities for optimal utilization	Constraints to optimal utilization	Sustainable Management strategies
Murram	Water, Housing, Roads and infrastructure,	Very high demand and limited deposits	It is at its optimum stage	In accessible roads and caving of areas	Build accessible roads.
Kaolin	Trade ,industrialization and tourism	Minimum exploitation, there is potential for improvements	Setting up a factory within the vicinity	Lack of awareness among opportunist entrepreneurs.	Market research.
Building stones	Water, Housing, Roads, and infrastructure,	Very high.	Miners to form cooperatives to avoid exploitation by middle men	The quarries are owned by individual farmers making it difficult to control	Train and assist the miners with blasting materials.
Forests	Water, Housing, roads and infrastructure,	Medium, requires reforestation	Encourage farmers to plant more trees	Lack of land and unreliable rainfall.	Sensitization to the public and institutions
Surface and Ground water	Water, Health, Agriculture,	Surface water highly exploited but ground water requires more exploitation for optimal utilization	Can support more food production through irrigation	Inadequate funds	Protection of catchment areas, river banks and water conservation measures like metering, water harvesting and modern irrigation technology. Equip Boreholes with solar power.
Land	All sectors	High potential areas well utilized but in low potential areas is underutilized.	Low potential areas can be well utilized through irrigation	Inadequate rainfall	Supply irrigation water
Wetlands	Water, Kenya wildlife service, Agriculture and fisheries	Degraded and encroached.	Reclaiming of the encroached areas.	Encroachment, applicable laws and enforcement	Sensitization of the surrounding community
Clay	Trade, Industrialization and Tourism	Minimum exploitation, there is potential for improvements	Setting up a factory within the vicinity	Lack of awareness among opportunist entrepreneurs.	Market research.

4.4 Development Priorities and Strategies

4.4.1 Office of the Governor

The Governors' Office is responsible for setting the County's Development Agenda (Policy and Strategic Direction) and ensuring that the agenda is clearly understood and owned by stakeholders (especially the citizenry) and implemented in an efficient, effective and responsive manner.

Vision

A well run and people centred county government

Mission

Create and Sustain governance arrangements that creates an enabling environment for economic growth and job creation, provides assistance to those who need it most, aid delivery of quality services to all residents and, most prominently provide services to citizens in a well governed and corruption free administration.

Strategic Direction

1. Agenda setting in both the legislative and executive functions
2. Effective and efficient management and administration of county affairs
3. Coordination of engagement with citizenry, including public communications and decentralization agenda.
4. Risks and disaster management (identification, mitigation, control and response)
5. Intergovernmental liaison and people representation at national and international levels.
6. Intra-governmental liaison (Relations between the two arms of the county government; and sectors coordination)
7. Coordination of service delivery Improvement agenda
8. Compliant service delivery agenda - Ensuring compliance with all legal requirements in its pursuit of progressive and sustainable service delivery.

Sector Programmes

Programme: Name Administration and Coordination									
Objective: To enhance coordination of County Executive Services									
Outcome: Enhanced Coordination in Service Delivery									
Sub Programme	Key Outcome	Baseline	Key performance Indicators	Planned Targets					Total Budget
				2018	2019	2020	2021	2022	
Improvement of Physical Infrastructure for Coordinated Governance	Improved work climate	N/A	% of staff in Governors and CS office housed under one roof			100%			500 M
			Number of residential houses constructed for state officers	1	1				200 M
Coordination of County Executive Committee Business (Cabinet Office)	Improved implementation of County Executive Committee Decisions	N/A	% of County Executive Committee Decisions Implemented	100%	100%	100%	100%	100%	20 M
Intergovernmental Relations	Improved relationship between the County Government, National Government, other County Governments and other Nations	N/A	Number of MoUs signed and implemented						150 M

Intra-governmental relations	Enhanced intra-governmental relations	N/A	No of joint forums held	4	4	4	4	4	30 M
County Government Brand Visibility	Enhanced County Government Visibility	N/A	Established Governors Press Services Unit	1					10 M
			Number of Media Briefings by the Governor	12	12	12	12	12	30 M
			Number of County Bulletins Developed and Released	4	4	4	4	4	30 M
Improved service delivery	Efficient and effective service delivery	N/A	% of departments with performance contracts signed and cascaded	100	100	100	100	100	10 M
			% of Reporting units submitting Performance reports on time	100	100	100	100	100	20 M
			% Level of satisfaction with Service Delivery (Citizens Satisfaction Survey)			60%		70%	20 M
Improved Legal Compliance	Strengthened Compliance with Legal requirements in Service Delivery	N/A	% of compliance matters raised in Audit Reports that are resolved		100%		100%		45 M
			% of bills drafted as per requests by county departments timely and processed to completion	100%	100%	100%	100%	100%	45 M
			% of outstanding cases resolved	20%	40%	60%	80%	100%	225 M
			Number of legal compliance audits	1	-	1	-	1	10 M
Community mobilization and sensitization	Enhanced Community mobilization and sensitization	N/A	Established and Functional Countywide Grassroots Mobilization System	1					100 M
			Annual Governors Forum Held	1	1	1	1	1	20 M
County Policing	Enhanced coordination on security matters between national and county government	N/A	% reduction in crime levels countywide						20 M

4.4.2 Finance and Economic Planning

The department consists of the following directorates: - Finance and Accounting; Economic Planning, Budgeting, Monitoring and Evaluation; Internal Audit; Revenue; and Procurement

Vision

A leading sector in the monitoring, evaluating and overseeing the management of public finances and economic affairs of the county

Mission

To provide overall leadership and policy direction in resource mobilization, management and accountability for quality public service delivery

Sector/ subsector Goal

1. Developing and implementing financial and economic policies in the county.
2. Coordinating implementation of the budget of the county
3. Mobilizing resources for funding budgetary requirements
4. Putting in place mechanisms to raise revenue and resources
5. Public debt management
6. Consolidating annual appropriation accounts and other financial statements.
7. Custodian of County Governments assets
8. Prudent management and control of finances
9. Promote efficient and effective use of county budgetary resources
10. Monitoring County Government entities for compliance and effective management of funds.
11. Developing capacity for efficient, effective and transparent financial management.
12. Monitoring and evaluating implementation of county budget.

Development Priorities and Strategies

1. Automation of local revenue collection system
2. Expansion of office space
3. Decentralization of operations at the County Treasury.
4. Automation of internal audit services.
5. Establish and equip information and documentation centres.
6. Formation and actualization of County Budget and Economic Forum and Audit Committee.
7. Increase staff capacity in terms of skills and numbers.
8. Broadening the revenue base.
9. Putting in place monitoring and evaluation framework

Sector Programmes

Programme Name - Revenue Mobilization and Administration									
Objective To improve efficiency in revenue collection									
Outcome: improved service delivery through budgetary support.									
Sub Programme	Key Outcome	Baseline	Key performance Indicators	Planned Targets					Total Budget
				2017/18	2018/19	2019/20	2020/21	2021/22	
Broadening the revenue base	Adequate resources for development	643M (2016/17)	Actual revenue collected	1 B	1.05 B	1.1 B	1.15 B	1.20 B	60 M
Programme Name - Financial Management									
Objective : Promote prudence in utilization of public funds									
Outcome : Improved service delivery									
Sub Programme	Key Outcome	Baseline	Key performance Indicators	Planned Targets					Total Budget
				2017/18	2018/19	2019/20	2020/21	2021/22	

Financial management and utilization	Improved service delivery	78.1% (End of year report)	% absorption	100%	100%	100%	100%	100%	10M
Enhancement of supply chain processes	Compliance to procurement regulations	76% (Report by PPOA)	100% compliance	100%	100%	100%	100%	100%	10M
Programme Name Economic Planning and Management									
Objective Effective Allocation of Resources									
Outcome: accelerated development in the County									
Participatory planning and Budgeting	Accelerated economic growth	4	Citizen participation forums held	6	5	5	5	6	100M
Monitoring and evaluation	Increased accountability	4	Number of M&E reports	4	4	4	4	4	10M
Programme Name : Risk and Compliance Assessment									
Objective : Minimizing wastage of resources									
Outcome: improved efficiency									
Auditing services	Improved efficiency in resource utilization	4	Number of Audit reports produced and disseminated	4	4	4	4	4	20M

Cross-sectoral impacts

Programme Name	Sector	Cross-sector Impact
		Synergies
Revenue mobilization and administration	Education, Science and Technology	Provide technical support on ICT
Financial management	All departments	Ensure efficient and effective utilization of funds
Economic planning and management	All departments	Adhere to planning and budget timelines
Risk and compliance assessment	All departments	Compliance with all laid down financial regulations

4.4.3 Lands, Physical Planning, Housing and Urbanization

The activities in this department affect the lives and livelihoods of the community by the way they utilize the land as a resource to realize their social economic and cultural goals. The subsectors include land and Survey, housing, physical planning and urbanization.

Vision

Functional human settlements that support economic prosperity and sustainable optimal land use

Mission

To promote efficient and optimal land use, through planning and sustainable development.

County Response to Sector Vision and Mission

The county government will partner with other stakeholders to provide affordable houses through several initiatives like PPP and slum upgrading. The Department will invest in research and

development of appropriate building materials and technologies to reduce the cost of construction and provide better standards of houses for the community.

The department will also prepare a county spatial plan and complete the Nyeri town integrated strategic urban development plan as well as develop a county base map.

Sector development Priorities

1. Advancement of affordable and suitable housing.
2. Controlled and sustainable land use.
3. Develop a GIS data based system.
4. Secure land tenure for public utilities.
5. Urban areas development program.

Sector Programmes

Programme Name : Advancement of affordable and suitable housing									
Objective: To provide affordable housing									
Outcome: Affordable and decent housing									
Sub Programme	Key Outcome	Baseline	Key performance Indicators	Planned Targets					Total Budget
				Year 1	Year 2	Year 3	Year 4	Year 5	
Housing of 13 state officers	Improved welfare for state officers in the county	0	% of state officers housed.	30%	23%	20%	15%	12%	100 M
Promotion of Alternative Building Technologies (ABT)	Adoption of alternative/modern building technologies	1 group trained, Model office constructed at County yard.	No. of technologies promoted	0	2	4	2	2	50 M
Management of County Housing	Orderly and improved management of county government houses	0	No.	0	7	7	7	7	5M
Refurbishment of county residential houses	Improved living conditions of tenants	2	No. of refurbished houses	0	50	50	50	50	100M
Programme Name : Urban renewal									
Objective: Achieve better utilization of land in the dilapidated estates									
Outcome: Improved livelihoods									
Sub Programme	Key Outcome	Baseline	Key performance Indicators	Planned Targets					Total Budget
				Year 1	Year 2	Year 3	Year 4	Year 5	
Redevelopment of county	Modern residential houses	0	No. of estates redeveloped.	0	1	1	1	1	50 Billion

government housing estates									
Programme Name : Controlled And Sustainable Land Use									
Objective: To ensure optimum utilization of land									
Outcome: Orderly land use and sustainable developments									
Sub Programme	Key Outcome	Baseline	Key performance Indicators	Planned Targets					Total Budget
				Year 1	Year 2	Year 3	Year 4	Year 5	
Development of spatial plans	Orderly developments and land use.	0	Number of spatial plans developed	11	10	11	10	10	350 Million
Develop a GIS data based system.	Efficient service delivery	0	Number of maps and plans digitized	20	50	200	200	200	100 Million
Programme Name : Secure land tenure for public utilities									
Objective: To ensure well defined boundaries and security of tenure									
Outcome: Enhanced infrastructure development									
Sub Programme	Key Outcome	Baseline	Key performance Indicators	Planned Targets					Total Budget
				Year 1	Year 2	Year 3	Year 4	Year 5	
Surveying	Improved livelihoods	30 Settlements	Number of settlements surveyed	10	10	10	15	15	450 Million
Programme Name: Urban areas development program.									
Objective: To achieve well managed towns.									
Outcome: Functional towns									
Sub Programme	Key Outcome	Baseline	Key performance Indicators	Planned Targets					Total Budget
				Year 1	Year 2	Year 3	Year 4	Year 5	
Effecting of Municipality and Town Management Committees	Functional towns	0	Municipality and Town Management Committees	0	5				

Cross- sectoral impacts

Programme Name	Sector	Cross-sector Impact		Measures to Harness or Mitigate the Impact
		Synergies	Adverse impact	
Housing of state officers	Roads and Infrastructure, County Assembly, Finance and Office of the Governor.	Collaboration in determining of sites and development process.	Enormous financial resources required.	Prioritization
Promotion of ABTs	Youth	Provision of skills and jobs for the youth	Low uptake	Intensive sensitization
Urban renewal	State departments of Housing, Directorates of public works and	Approval, financing and supervision of the projects	-Resistance from the affected tenants and Environmental issues	- Public participation Mitigation measures through EIA

	Finance NEMA, Non state actors			
Controlled and Sustainable Land Use	All the County departments	All the departmental programmes will be reflected in the plans	Objection from stakeholders e.g. developers	Cross sectoral approach - Interdepartmental technical committees to address issues touching on their relevant areas.
Secure land tenure for public utilities	All the County departments	Identification of physical boundaries for various project sites.	Displacement from encroached areas Disputes	Public sensitization Establishment of dispute resolution mechanisms

4.4.4 Health and Sanitation

The Department of Health Services and Sanitation is mandated to oversee and coordinate the overall health service delivery systems by all actors. They include County Public health systems, Private for profit and private not for profit players, Non-Governmental organizations and implementing and Development Partners.

The Department is focused on attaining the goal of “Health for all, by all” working with both the duty bearers and rights holders alike through a Primary Health Care (PHC) approach. This approach embraces curative and rehabilitative care concurrently with preventive and promotive care, a continuum of care through the populations’ life-cycle and a tiered and integrated people-centered health care system from households.

The broad mandate of the health sector articulated in Chapter 4 of the Constitution of Kenya under the Bill of Rights, which recognizes health as an economic and social right noting that: “Every person has the right to the highest attainable standards of health, which includes the right to health care services including reproductive health

Vision

An efficient and high quality health care system that is accessible, equitable and affordable for all.

Mission

To promote and provide quality integrated preventive, promotive, curative, rehabilitative and palliative services to all Nyeri county residents.

Sector Development Needs and Priorities

The department of health will focus at strengthening service delivery in the next 5 years with an emphasis to quality improvement and adherence to standards. To achieve this, medical equipment maintenance and repairs will be given top priority. Procurement of new equipment will be done after needs assessment and justification for the same. Specialized services such as cancer treatment, renal and dialysis, urology and orthopedic surgery have been identified as transformative services that require increased investment in relevant equipment given the

epidemiologic transition leading to increased prevalence of Non-communicable disease in the County.

The Department will endeavor to build a critical mass of adequate, motivated and skilled health work force for optimal service provision. Limited infrastructural works will be undertaken in high impact areas as well as completion of stalled projects. The following are the department's priorities in the next 5 years.

- i. Patient safety, customer care and quality improvement program
- ii. Recruitment, retention and capacity building of health workforce including training in specialized services (Urology, oncology, critical care, Neuro-surgery, emergency medicine.
- iii. Improved diagnostic services in 30 health centres to improve access and reduce referrals
- iv. Strengthened Health Management information systems through automation and connectivity of all County health facilities.
- v. Rehabilitation, refurbishment and expansion of existing hospital facilities to meet demand
- vi. Strengthened ambulance , emergency and referral services
- vii. Increased awareness, advocacy and early detection to reduce the incidence of non-communicable diseases
- viii. Improved health care and health financing through Public private partnership(PPP)

Sector Programmes

Programme 1: Health systems Planning and Support services									
Objective: To Strengthen health systems, general logistical and other support for efficient service delivery									
Outcome: efficient and effective health system									
Sub-Programme	Outcome	Baseline	Key Performance indicators	Planned Targets					
				Year 1	Year 2	Year 3	Year 4	Year 5	Total Budget
SP 1.1: Health systems planning, financing and support services	Efficient and effective health care system	3 (RHSP, CASP, M&E)	No. of planning document prepared (CIDP, CHSS&IP,ADP,AWP,PBB,Procurement plan	6	4	4	4	4	10,000,000

Cross sectional Programmes and Impacts

The department of health will work closely with other departments to leverage on cross sectoral collaboration. The ministry of education will be key in school health programs. The department of agriculture will mitigate on food security including quality of food amongst households in order to address stunted growth and malnutrition amongst children under 5years. Below find various cross-sectoral programs and impacts that the County department of health.

Programme Name	Sector	Cross-sector Impact		Measures to Harness or Mitigate the Impact
		Synergies	Adverse impact	
HIV Workplace programs and Policy	All Sectors	Departmental budgetary allocation for HIV prevention Advocacy on HIV/ AIDS	Stigma	Provision of IEC materials on HIV prevention to all County departments Dissemination of the HIV & AIDS plan(2015/16-18/19) Availability of stocked Condom dispensers in the various departments
Zoonotic Disease Surveillance	Veterinary	Joint zoonotic disease Surveillance and early warning systems	Competing priorities Zoonotic disease outbreaks	Provision of Personal protective Equipment Joint meetings between the health and veterinary departments Provision of anti-rabies vaccines in our health facilities Mass dog vaccination programs. Map out the rabies and other hotspots for zoonotic diseases. Improved laboratory capacity to diagnose zoonotic diseases.
Anti-Microbial Resistance	Agriculture, Veterinary, Fisheries	Surveillance for AMR Advocacy	Emergence of non- treatable infections	Establish one health/AMR program at the County level Joint surveillance for monitoring resistant pathogens for public health importance.

				Establish antibiotic stewardship programs.
School health programs	Education	Confirmation of immunization status before joining ECD's School health education Deworming School feeding programs(Balanced diet)	Inadequate funds Vaccine-preventable disease outbreaks.	Scheduled meetings between the health and education to monitor progress Sensitization of teachers and advocacy of Head teachers and Sub-County and County directors
Laboratory testing for Water and food at Wambugu Farm	Dept. of Water and Agriculture	Budgetary support Support in personnel(both technical and casuals	Aflatoxins outbreaks Water-borne disease outbreaks	Regular testing our water samples from across the County
Nutrition and food security	Agriculture NDMA	Provision of nutritional supplements Nutritional and food security	Malnutrition Stunting	Conduct a baseline County nutrition survey Procurement of food supplements and rations to selected marginalized communities.
Medical tourism	Tourism	Conduct specialized medical camps	Congestion of our wards	Hold annual specialized medical camps targeting patients/clients from across the country
Conduct an annual Health week Hold annual world health days (Diabetes, Cancer , Hand washing, AMR, etc	All Depts.	Medical check-up and screening for all staff Health education on various health issues/topics/conditions Vaccination	Competing priorities Late diagnosis of NCD's. Lost man-hours due to hospitalization and absenteeism	Medical camps to screen all County staff on NCD's Health promotion and education to all County staff Pre-employment medical check-ups
Drug and Alcohol Rehabilitation	Dept. of PAIC(Pubic Administration, Information & Communication NACADA	Budgetary and material support Advocacy campaigns	Political influence Stigma Drug and alcohol induced acute and chronic conditions	Departmental sensitization on the facility and the potential benefits to the community. Establishment of a second rehabilitation for females at Gathumbi NHIF accreditation of Rehabilitation units for sustainability.
Management of water-borne diseases including general Hygiene	Water and Environment	Water treatment	Unsafe and contaminated water leading to outbreak of diseases	Provision of water treatment supplies Inspection of premises that sell food and water
Solid waste management	Environment, Public works	Unclogging of drains Reclamation of quarries	Flooding due to clogged drains	Technical support from the dept. public works and
Reduce incidence of injuries and	Public Works and Infrastructure Sports	Available & Well designed walkways	Increased prevalence of injuries and lifestyle diseases	All roads to have well designed and lit pathways to encourage Set aside areas for

lifestyle Diseases				
Removal and disposal of asbestos roofing Repair of PGH Car Parks	Public Works and Infrastructure	Non-carcinogenic roofs	Increased cancer cases	Technical support to the Health department on the removal and disposal of asbestos.
Regulation of traditional medical practitioners	Trade, tourism and Co-operative	Clear guidelines Joint regulation	Misdiagnoses of various conditions leading to poor outcomes	Hold Joint support supervision Joint planning meetings
Automation and Expansion of electronic medical records	Dept of ICT	ICT infrastructure necessary for the automation Internet support	Poor internet support. Poor quality of care due to inaccurate data	Introduction of additional modules to the current EMR

4.2.5 Gender and Social Services

The department has the following directorates: Gender; Social services and Sports

Vision

To be the leading County in promotion of gender equality, equity, provision of efficient social services and sports for high quality of life

Mission

To formulate, co-ordinate and implement responsive policies and plans on gender, sports and social services for sustainable social economic development.

Goal

Improve Nyeri resident livelihoods through provision of customer focused services

Sector priorities and directions

- Promote and enhance social initiatives, gender empowerment and mainstreaming through involvement of donors and partners to fund these initiatives.
- Improve recreation services and promote sporting activities for the sportsmen/women, sport managers and staff in the county and advancement of infrastructure and sporting skills through trainings
- Enhancing child care and facilities including upgrading the children homes
- Enhance youth skills through innovative initiatives like talent academies to nurture sprouting talents, entrepreneurial and youth empowerment expertise.
- Ensure rapid response to disaster and calamities through improvement of disaster response infrastructure and equipment.

Sector Programmes

Programme Name – Social Welfare								
Objective - To provide assistance to the vulnerable members of the community								
Outcome: - Increased number of vulnerable people accessing medical care and girls retained in schools through social welfare initiatives								
Sub Programme	Key Outcome	Key performance Indicators	Planned Targets					Total Budget
			Year 1	Year 2	Year 3	Year 4	Year 5	
Social protection for the Elderly, PWDs and Orphans	Reduced dependence of the vulnerable groups	-No of people covered through Bima Afya programme	6000	7200	8700	10500	12,500	250M
	High transition rate for girls in primary schools	No of girls supplied with sanitary towels -No. of sanitary towels procured and distributed	10,000 50,000	12,500 62,500	13,200 66,000	13,400 67,000	13,800 69,000	15M
Programme Name – Community Empowerment								
Objective - To empower the community embrace gender inclusion for social economic sustainability								
Outcome: - Enhanced participation in planning and development.								
Sub Programme	Key Outcome	Key performance Indicators	Planned Targets					Total Budget
			Year 1	Year 2	Year 3	Year 4	Year 5	
Gender mainstreaming	Inclusivity in decision making	No of gender based trainings/sensitizations held.	16	30	30	30	38	195M
		No of people sensitized/trained	3200	6000	6000	6000	7600	
	Provide guidelines to mainstream gender at the community level	No of gender policies formulated	1					2M

	Ease of mobility	- No. of wheelchairs procured	12	20	30	35	45	15M
Programme Name – Disaster Management by fire-fighting, safety and Security								
Objective - To reduce harmful effects of hazards including disasters								
Outcome: - Prudent management of resources and responsibilities in dealing with humanitarian aspects of emergencies								
Sub Programme	Key Outcome	Key performance Indicators	Planned Targets					Total Budget
			Year 1	Year 2	Year 3	Year 4	Year 5	
Disaster Awareness, preparedness and Management	Improved preparedness, response, recovery and lessened impacts of disasters	% of incidences attended to	100	100	100	100	100	250M
Programme Name – Sports Development								
Objective – To harness sports talent and improve sports infrastructure								
Outcome: - Increased competitiveness in sports and recreational activities								
Sub Programme	Key Outcome	Key performance Indicators	Planned Targets					Total Budget
			Year 1	Year 2	Year 3	Year 4	Year 5	

County-wide competitions	Improved competitiveness	-No of competitions held	6	8	8	9	9	150M
		-No of teams that participated	30	32	35	38	40	
		-No of disciplines involved	5	6	6	8	10	
Sports talent academy	Increased competitiveness in sports and recreational activities	-No of youth whose talent has been identified and nurtured.	-	-	100	150	200	350M
Capacity building for sports officials	-Competent coaches, referees team managers umpires -Improved officiating of matches.	-No of coaches , referees, team manager and umpires trained	100	120	130	142	150	12M
Sports infrastructure development	Improved/upgraded stadia	No. of stadia upgraded	2	2	2	3	3	200M

Cross-sectoral impacts

Programme Name	Sector	Cross-sector Impact		Measures to Harness or Mitigate the Impact
		Synergies	Adverse impact	
Bima Afya Programme (NHIF)	Gender, Social Services and Sports	Health, Agriculture, the NHIF	Double registration in similar schemes, resulting in wastage and denying the needy the chance to benefit	Thorough verification of the beneficiaries

4.2.6 County Public Service, Administration and Youth Affairs

The department consists of the following directorates: Public Administration, Enforcement, Human Resource Management, Alcoholic Drinks Control and Management and Youth Affairs

Vision

A secure, just, cohesive, democratic, accountable, transparent and conducive environment for a prosperous County

Mission

To ensure effective and accountable leadership, promote a just, democratic environment and establish strong governance institutions to empower citizens for the achievement of social-economic and political development.

Strategic objectives

- To coordinate the provision of responsive and effective services to the public
- To prevent and control alcohol, drugs and substance abuse
- To ensure public participation as provided for in the Constitution of Kenya 2010
- To improve security and policing services under the County Policing Authority

- To ensure effective and efficient Public Service Management.
- To promote ethics and integrity in public service delivery.
- To coordinate the civic education activities.
- To ensure good working relationship between national and county government.

Sector Programmes

Programme Name: Public administration and management.								
Objective: To coordinate the provision of responsive and effective services to the public								
Outcome: Improved Service Delivery.								
Sub Programme	Key Outcome	Key performance Indicators	Planned Targets					Total Budget
			Year 1	Year 2	Year 3	Year 4	Year 5	
Citizen engagement and education	Increased participation in local governance	Number of public forums conducted	60 forums	60 Forums	60 forums	60 forums	60 forums	100M
	Increase in enlightened citizenry.	Number of TOTs trained and number of citizens sensitized	33 workshops	33 workshops	33 workshops	33 workshops	33 workshops	50M
Capacity building	Improved performance and service delivery.	No of trainings conducted.	200 staff	200 staff	200 staff	200 staff	200 staff	30M
Public administration Infrastructure development	Timely and satisfactory service delivery.	Number of offices constructed	7 offices	7 offices	7 offices	7 offices	7 offices	350M
		Number of motor vehicles purchased	6 vehicles	8 vehicles	8 vehicles	8 vehicles	8 vehicles	190M
Alcoholic drinks control and management	Improved Regulation of manufacture, sale and consumption of alcoholic drinks.	Percentage of premises operating that are licensed.	75%	80%	85%	90%	97%	74.5M
County Policing Authority.	Secure and cohesive society.	Percentage of reduction of crime rate in the County	75%	80%	85%	90%	97%	15M
Enforcement on compliance of County laws	To ensure 100% compliance to existing County laws.	Reduction in the number of defaulters/offenders	80% compliance	85% compliance	90% compliance	95% compliance	97% compliance	32.4M
Programme Name : county public service management								
Objective: To ensure effective and efficient Public Service Management.								
Outcome: improved employee performance and productivity.								
Sub Programme	Key Outcome	Key performance Indicators	Planned Targets					Total Budget

county public service management	Skilled, committed and motivated workforce.	Number of HR related policies/regulations formulated/reviced.	2	3	3	3	3	70M
----------------------------------	---	---	---	---	---	---	---	-----

4.2.7 Agriculture, Livestock and Fisheries Development

The department consists of the following directorates:-Agriculture, Livestock production, Veterinary services and Fisheries and Institutions (i.e.Wambugu Agricultural Training Centre and Agriculture Mechanization Services (AMS)- Narumoru)

Vision

To ensure food and nutrition security to the county citizen and job creation

Mission

To improve agricultural productivity through promotion of innovative competitive and sustainable Agriculture, Livestock and Fisheries production systems

Objectives

- To develop appropriate policy and legal framework to create enabling environment for the sector
- To increase agricultural production and productivity.
- To improve market access and value addition.
- To enhance access to affordable credit and inputs.
- To strengthen monitoring and evaluation unit

Key strategies

- Increase agricultural productivity through multi-sectoral approach and enhancing extension services.
- Embracing Public Private Partnerships (PPP) to enhance implementation of projects.
- Strengthen research extension farmer linkage to ensure that researchable issues are demand driven.
- Mainstream gender in agricultural activities.
- Monitoring and evaluation to ensure focused and sustainable implementation of departmental projects and programs.

Sector/subsector Development needs, Priorities and Strategies

- Upscaling and outscaling of artificial insemination
- Improvement of soil health
- Improvement of supply of cold chain
- Improvement of staff mobility
- Equipping AMS
- Construction of common user facility at Wambugu ATC
- Restocking of ponds and dams
- Increase of tree cover through provision of fruit tree seedlings

- Recruitment of staff
- Increase in hay production at AMS
- Bee keeping demonstrations
- Increases in storage facilities
- Demarcation of department land
- Enhancement of control of livestock and crops diseases through vaccinations

Sector Programmes Agriculture, Livestock and Fisheries

Programme Name : Agriculture Management									
Objective : Create enabling environment for improved and efficient service delivery									
Outcome: Improved service delivery									
Sub Program	Key Outcome	Baseline	Key performance indicator	Planned Targets					TOTAL
				Year 1	Year 2	Year 3	Year 4	Year 5	
County Agriculture, Livestock and Fisheries extension Program (CALFEP)	Increased productivity	42% house holds	% coverage	47%	55%	65%	70%	74%	2,529,500,000
Enhancement of Crop development	Improved crop productivity	20M kgs of coffee	% Increase in cherry production	2%	2%	2%	2%	2%	1,147,500,000
		55M kgs of tea leaves	% Increase in tea production	3%	3%	3%	3%	3%	
		190 000 MTs Irish potatoes	% Increase in Irish potatoes	10%	10%	10%	10%	10%

		2200kgs	% Increase in fish production in dams	1%	1%	1%	1%	1%	
Programme Name : Making Wambugu ATC a centre of excellence									
Objective: To provide quality agricultural training Services and facilities for enhancing agriculture development in Nyeri County and beyond.									
Farm development and Training	Improved capacity for service delivery		No. of trainings held	8.2m	12m	15m	17m	20m	120,000,562
Programme Name : Livestock production Management									
Objective: To increase livestock production by 25% for increased income									
Livestock Development	Improved Livestock productivity	8.7 lts of milk per cow per day	No. of litres per cow per day	9 lts	9.8 lts	10.6 lts	11.4 lts	12lts	1,530,000,000
Programme Name :Veterinary services									
Objective: To Manage and control pests and diseases in animals to safeguard human and animal health									

Breeding, Disease surveillance and control	Improved livestock productivity	20%	% Increase in AI coverage	5%	5%	5%	5%	5%	314,000,000
		4000	% increase in germ plasm multiplication	6%	6%	6%	6%	6%	
		25 outbreaks	% decrease in notifiable disease outbreak	4%	4%	4%	4%	4%	

Programme Name : Agriculture Mechanization services- Naromoru

Objective: To offer mechanization services to the Agricultural Sector.

Development of Agricultural land, water harvesting and conservation for crop and livestock production	Increased revenue collection	318,000	Amount of revenue collect	800,000	1,500,000	2,200,000	3,000,000	3,500,000	150,160,000
---	------------------------------	---------	---------------------------	---------	-----------	-----------	-----------	-----------	-------------

Cross-sectoral impacts

Programme Name	Sector	Cross-sector Impact		Measures to Harness or Mitigate the Impact
		Synergies	Adverse impact	
Improvement of crops productivity (Rehabilitation of coffee)	Agriculture directorate	-Incorporation of stakeholders	-Soil may become saline -Coffee cartels emergence	-Routine Soil testing to determine soil PH -Capacity building of cooperative officials
Improvement of dairy value chain	Livestock development	-Incorporation of strategic stakeholders -Liaison with private investors	-Emergence of unscrupulous actors in the VC -Milk glut in the market	-Develop a policy to regulate actors in the dairy value chain -Enhance value addition initiatives
Improvement of agricultural Extension services	Agriculture Livestock and fisheries	-Embrace PPP concept -Recruit technical staff for better succession management	-Emergence of unscrupulous actor's different agricultural value chains. -Increased wage bill	-Develop a policy to regulate actors in extension services -Broaden the department's revenue base (in collaboration with director revenue)
Enhancement of disease and pest surveillance and control	Veterinary services and agriculture directorates	-Embrace the PPP concept -Use of early warning systems	- Emergence of unscrupulous actors within the sector -misuse of the Agricultural chemicals and drugs	-Develop a policy to regulate actors in the sector -Training on safe and effective use of chemicals and drugs
Revamp the Fish value chain for increased productivity	Fisheries Directorate	Operationalization of the Wamagana Fish processing plant. -increase support for the Fish cooperative society	-Pollution of the environment through the disposal of the factory effluents -Emergence of the wrangling within the cooperatives	-Elaborate solid waste management plan to be developed and executed -Establish a management board to oversee the running of the processing plant.

4.4.8 Trade, Culture, Tourism and Cooperative Development

The department comprises of three (3) directorates:-Trade, Tourism and Culture and Cooperative development.

Vision

A globally competitive economy with sustainable and equitable socio-economic development where citizens operate freely

Mission

To promote, coordinate and implement integrated socio-economic policies and programmes for a rapidly industrializing economy.

Goal

To enhance economic growth of the local economy by developing trade and enterprises, informed cooperatives, promotion of investment and tourism while protecting consumers through fair trade practices.

Sector Development Priorities and Strategies

Sub-sector	Development priorities	Strategies
Trade	Development of Markets Management of market for efficient operations	Construction/Renovation/Upgrade of existing markets Payments of Market electricity and water bills and other services/utilities
Industrialization	Revitalization of industrial zones; Establishment of financing schemes; Improve micro enterprise regulatory framework.	Promote establishment of industries; Infrastructure development; Support research and innovation; Capacity building; Establish institutional policy and regulatory framework
Investments	To enhance investment promotions Branding, marketing and public relations programme Investment conferences, trade fairs and exhibitions	-Resource mapping, profiling of investment sites, investments leads, investments actualized, and investment after care/retention. -Building on the county image, creation and enhancing the County identity, positive image promotion, survey on the county image, marketing materials. Increase investment leads, promote investors' confidence local and regional engagements and lobbying. Establishment of County economic and social council, Formulate County investors guide,
Fair Trade Practices	Promotion of fair trade practices in the county	-Accurate verification equipment's. -Accurate equipment's thus promoting fair trade -Establishment of a laboratory and a workshop for verification of weights and calibration of equipment -Sensitization and training of traders on need to use verified and stamped weights and measures -Sensitization and training to the general public on need for rights weights and measures and how to report non-compliance

Enterprise Developments	Develop entrepreneurship skills, Increased number of sustainable businesses for the county	Training on business management, technical skills, internship and business establishment Increased access to affordable credit through Enterprise Development Fund and Joint loans board
Tourism	Promote and develop tourism sector in the county	Establish legal and regulatory framework, Develop Community sensitization programme, Develop new tourist products
Culture	Promotion of Cultural heritage	Construction of recreation centres, equipping the centres and talent centres as well as development of talents
Cooperative Developments	To strengthen cooperative movement to enhance governance	Legal frame work, policies for efficient operations of cooperative, Trainings of societies Training of management committees ,Organizing forums and exhibitions for cooperative ,Establish Unions for at least five sectors countywide, Developed cooperative chain and product link

Sector Programmes

Strategies for mainstreaming cross cutting issues in the sector

The sector will ensure that utilities and any repair works are done on time to ensure markets operate efficiently.

On mainstreaming of gender issues, women and youth will be involved in trade development by ensuring their representation on the County Joint Loans Board.

The department will also work with social services/health department to engage the society members to be enrolled for NHIF under Bima Afya initiatives.

The sector will also work in collaboration with the environment, water, Health sanitation sub-sector to ensure that the markets are clean and have water connections ,wastes are disposed properly at all the time.

4 4.9 Education, Science and Technology

The department consists of Youth Polytechnics (YPs) also known as Vocational Training Centres (VTCs), Early Childhood Development and Education (ECDE), and Information Communication Technology (ICT) subsectors. The County recognizes the role played by the Sector in promoting development and hence will continue to invest in the department.

Vision

A globally competitive education, training, ICT, research and innovation service for sustainable development.

Mission

To provide, promote and coordinate quality education and training, adoption and application of ICT and integration of science and technology for sustainable socio-economic development.

County Response to Sector Vision and Mission

The county will continue to construct and expand learning infrastructure particularly in YPs Workshops, Hostels, Classrooms, Administration blocks and Ablution blocks. In ECDEs, emphasis will be in Classrooms and Ablution blocks while in ICT concentration will be in ICT infrastructure architecture. E- Learning will also be encouraged in all learning institutions through provision of ICT equipment. At the same time emphasis will be placed on use of e-SBP. The resources for capacity development in ICT will be enhanced. This will also enable learners to access wider variety of learning materials.

The county will endeavor to rebrand training institutions to meet market needs. This will involve the provision of modern tools and equipment, recruitment of qualified and experienced instructors, regular capacity building of instructors and officers managing the YPs among other interventions. The institutions are also encouraged to seek alternative sources of energy and establish income generating activities to save on costs.

To ensure all children enroll and complete ECDE level of education, other intervention measures will include; provision of teaching and learning materials, outdoor play equipment, employment and retention of ECDE Teachers among others.

All learning institutions will be encouraged to embrace ICT in their operations. This will ensure effective and efficient management, communication and collaboration among stakeholders for better performance and reduced learners' disturbances.

To improve the quality of education, the county will continue to promote partnership and collaboration with County Education Board, National Government Ministries and Agencies and various development partners in all matters relating to education and training.

Sector Goal

The sector goal is to implement a five year program to provide, promote and coordinate quality education and training, integration of science and technology and innovative activities for sustainable socio-economic development.

Sector development direction/needs

Education and training Subsector

- i. Provision of Physical infrastructure support such as Workshops, Hostels, Ablution Blocks, Administration Blocks, ICT Laboratories, Leveling of play fields, fencing in Youth Polytechnics.
- ii. Ensure all public Youth Polytechnics are offering basic ICT skills to all trainees.
- iii. Provision of Teaching & learning materials and outdoor play equipment for ECDE
- iv. Provision of modern tools and equipment to the YPs
- v. Ensure that all YPs and ECDE Centres management boards are functional and efficient.
- vi. Enhance robust county assessment and effective quality assurance programmes.
- vii. Enforcement of all education policies, laws and regulations.
- viii. Engage stakeholders in resource mobilization.
- ix. Employ ECDE Teachers and Care givers
- x. Employ YPs Managers, Deputy Managers and Instructors
- xi. Strengthen the programmes in youth polytechnics and capacity-build the instructors and address their remuneration.
- xii. Strengthen partnership and communication with stakeholders such as NITA, TVETA, FBOs, CBOs, NGO's and national government to create awareness in the community on importance of ECDE and YPs.
- xiii. Advocate for full mainstreaming of ECDE
- xiv. Ensure 100% transition rate from Nursery to Primary level
- xv. Promote sports and recreation facilities in YPs
- xvi. Provide financial support to needy students

ICT subsector

- i. Develop a new strategic plans, policies and legal frameworks

- ii. Develop HR capacity within directorate
- iii. Conduct training on ICT for employees within other sectors to enhance adoption of technology
- iv. Identify and implement ICT systems to enhance government operational efficiency especially in assets management, human resource and performance management, collaboration/telephony, resource mapping systems, health and revenue management
- v. Identify and implement ICT systems to enhance service delivery to the public specifically revenue collection and a call center to enhanced interaction between citizens and government
- vi. Deploy security system to safeguard information systems (hardware, network, servers, data and software) and for general security/cctv.
- vii. Partner with relevant bodies to develop ICT as an industry especially the opportunities available online and in software development

Sub-sector Priorities, Constraints and Strategies: Education and training

Sub-sector	Priorities	Constraints	Strategies
Early Childhood and Development Education (ECDE)	School infrastructure and equipment improvement; Improved transitional rates and attainment of quality grades	Inadequate teaching staff in ECDE; High costs of putting up ECDE infrastructure and equipping; Dilapidated infrastructure. Cases of child being raped; Orphans	Resource mobilization; Training and recruitment of ECD teachers and care givers; Disability mainstreaming. More sensitization of ECDE Teachers and parents on safety of children
Youth Polytechnics/ Vocational Training Centres	Youth Polytechnics infrastructure, tools and equipment improvement;	Negative attitude towards vocational and technical training; Inadequate teaching staff in YPs; High costs of putting up YP infrastructure; Increase in learners indiscipline and infiltration of hard drugs in learning institutions	Resource mobilization; Recruitment and Training of youth polytechnic instructors; Sensitization on drugs and substance abuse; Disability mainstreaming; sensitizing community on importance of Technical skills; Designing short term courses; Partnerships
	Financial support	Inadequate funding	Sensitize parents and guardians on importance of paying fees; Ensure YPs have IGAs; Ensure prudent use of resources; County financial support; National government financial support
ICT	Adequate ICT infrastructure and automation of operations and services. ICT as an industry	High cost of ICT equipment and software; inadequate staff.	Engaging PPP; Capacity building; Automation of key government services and operations

Subsector Programmes

Programme Name: youth polytechnics management									
Objective: Improve the Physical infrastructure and Social learning environment for efficient service delivery in our institutions									
Outcome: Increased enrolment, improved retention and completion rates in the Youth Polytechnics									
Sub Programme	Key Outcome	Baseline	Key performance Indicators	Planned Targets					Total Budget
				Year 1	Year 2	Year 3	Year 4	Year 5	
Infrastructural development in Youth Polytechnics and Home Craft Centres	Availability of Adequate and skilled Technicians	9 YPs	Permanent buildings constructed; Tools and Equipment Provided Co-Curricular Facilities in Place Operational Home Craft Centres	43 YPs	43 YPs	43 YPs	43 YPs	43 YPs	973M
Human Resource Development	Availability of Adequate and skilled Technicians	34 YPs	Number of staff employed Training Reports Operational Boards of Management	43 YPs	43 YPs	43 YPs	43 YPs	43 YPs	125M
Youth Polytechnics Sustainability Mechanisms	Sustainable YPs	0	Number of Sustainable (IGAs) projects	8 YPs	8 YPs	8 YPs	8 YPs	8 YPs	170M
Programme Name: Early childhood development and education management									
Objective: Improve the Physical infrastructure and Social learning environment for efficient service delivery in Early Childhood Development And Education									
Outcome: Increased enrolment, improved retention and completion rates in the Early Childhood Development And Education									
Sub Programme	Key Outcome	Baseline	Key performance Indicators	Planned Targets					Total Budget
				Year 1	Year 2	Year 3	Year 4	Year 5	
Infrastructural development in ECDE Centres and Child Care Facilities	Quality Early Childhood Care and Development for the under 5	31 ECDE Centres	Permanent buildings constructed Teaching-learning materials and Equipment Provided Co-Curricular Facilities in Place Operational Child Care Centres	482 ECDE Centres	482 ECD Centres	482 ECDE Centres	482 ECDE Centres	482 ECDE Centres	970M
Human Resource Development	Enrolment and transition	3 ECDE Centres	Number of qualified Teachers and supervisory staff employed Training Reports	482 ECDE Centres	482 ECD Centres	482 ECDE Centres	482 ECDE Centres	482 ECDE Centres	980M

			Operational Boards of Management						
Feeding Programme in ECDE Centres and Child Care Centres	Increased Enrolment, Retention and Transition	120	Number of Children Fed	22,000 children	22,000 children	22,000 children	22,000 children	22,000 children	240 M
Elimu fund	Increased access Improved retention Improved completion Reduced drop out cases	13,000 beneficiaries	Lists of participants in public participation Records of beneficiaries Accounts numbers Bank transaction statements	13,000 beneficiaries	14,000 beneficiaries	15,000 beneficiaries	16,000 beneficiaries	17,000 beneficiaries	720 M
Programme Name: ICT Strategy, Policy and legal Framework									
Objective: Develop an ICT Strategic plan, ICT Policy and Legal Framework									
Outcome: Seamless implementation of the strategic plan and legal backing for automation									
Sub Programme	Key Outcome	Key performance Indicators	Planned Targets					Total Budget	
			Year 1	Year 2	Year 3	Year 4	Year 5		
Develop ICT Strategic Plan	Coordinated development ICT Sector -Adequate budgetary provision for ICT.	-Inception workshop report -Progress workshop report -Verification workshop report -validation (involve users) workshop report -County ICT strategic plan	Develop & Start implementation of the strategic plan	-	- Review the strategic plan	-	-		
Develop ICT policy	-Seamless Shared services implementation -Secure ICT systems -Smooth implementation of ICT strategy	-Inception workshop report -Progress workshop report -Verification workshop report -validation (involve users) workshop report -ICT policy	Develop the ICT policy	-	Review the ICT policy	-	-		

Develop a Legal Framework	Legal backing for use of technology	-Inception workshop report -Progress workshop report -Verification workshop report -validation (involve users) workshop report	-	- Development of a legal framework for Checking conformity of Acts with ICT. - Revision of existing acts	-	Review of the ICT legal Framework	-	
---------------------------	-------------------------------------	---	---	---	---	-----------------------------------	---	--

Programme Name: ICT for Operational Efficiency								
Objective: Implement systems that improve operational efficiency								
Outcome: Greater productivity and improved quality of information for decision making								
Sub Programme	Key Outcome	Key performance Indicators	Planned Targets					Total Budget
			Year 1	Year 2	Year 3	Year 4	Year 5	
Adequate staffing for ICT	- Quality implementation of ICT solutions -Easier acceptance of ICT solutions due to adequate support	- recruitment request -Periodic training of existing ICT staff members -Adequate staffing of ICT directorate	-recruit a Principal ICT officer and Webmaster - recruit 3 ICT officers	-recruit 7 ICT interns - training of ICT officers	- training of ICT officers	- training of ICT officers	- training of ICT officers	
ICT Users training (internal and external customers)	-Ease of adoption of technology	-Training Needs Ass. Report -Training Report	-Train on computer applications -Training on specific systems	-Train on computer applications -Training on specific systems	-Train on computer applications -Training on specific systems	-Train on computer applications - Training on specific systems	- Training on specific systems	
Expand network , Hardware and Software resource	-seamless access to shared	-ICT Needs	-ICT needs	-network expansion to cover	- centraliz ed	- renewal of	- renewal of	

in support to automation	resources (internet, printers etc) -Enhanced security (ICT and Physical security supported by CCTV) -Easier automation	assessment report done -Hardware requisition schedule -network infrastructure upgrade schedule done -	Assessment -Server room upgrade	all offices - centralized acquisition of h/w	licensing of security and System software	software & antivirus licenses	software licenses	
Implement revenue management system	a -efficient collection of revenue -Easier management of collected revenue - Availability of quality information for decision making	Needs Assessment report procurement of a vendor done -progress reports verification report -validation report	- procure and implement a RMS (All Structured revenue channels)	- procure and implement a RMS (All unstructured revenue channels)	- Review the RMS contract	- Review the RMS contract	- Review the RMS contract	
Health Management System	-Easier generation of bills -Efficient management of hospital records -Faster and quality services to the public -improved decision making due to quality information	- procurement done for the two systems - installation and testing reports - verification report -validation report	-	-Health management system rolled out in PGH/CRH	Health management system expanded to other level 4 hospitals	-HMS expanded to dispensaries	-	
Assets management system	-Reduced risk of loss -easier asset management -Easy identification	- procurement done for the systems - installation and testing reports	-	-fleet management	Inventory management	-	-	

	on of assets due for disposal	- verification report -validation report						
HR management system	-Efficient HR management -Leave management made easy	- procurement done for the systems - installation and testing reports - verification report -validation report						
Resource mapping systems	-Easier citing of resources -Easier enforcement		-map various tourist sites	- map all surveyed & Allocated land	-map all natural resources	-geotag businesses	-	

Programme Name: ICT for Efficient Service Delivery to the Public								
Objective: Implement systems that enhance service delivery to the public								
Outcome: Ease of accessibility to Government services and greater customer satisfaction								
Sub Programme	Key Outcome	Key performance Indicators	Planned Targets					Total Budget
			Year 1	Year 2	Year 3	Year 4	Year 5	
Conduct a needs assessment for automation of services to the public	- Coordinated automation of services offered to the public -Greater customer satisfaction	-Inception report -Progress report -Verification report -Validation report	Survey done and Automation needs established	-	-Review the needs	-	-	
Implement call centers	-ease of accessibility to government services -greater customer satisfaction	-contractor procured -installation works commissioned -verification report -validation report - call centre launched	- Repair and install telephone extensions in offices - Identify and activate all telephone lines in Departments	- CGN and PGH (CRH) call centers done.	-All level four hospital call center	- Other CGN institutions added to the	-	

			/ sub counties and hospitals			call center		
Design & Develop websites	-Ease of access to information -Greater customer satisfaction -control of communication going out to the general public	- Developer procured - Development commissioned - Progress reports - Website verified -Website validated -active social media accounts -Reliable email communication	- Redesign the county website -develop PGH/CRH website & staff portal -develop a website for each of the level four hospitals -Extend creation of official emails to remaining employees in CGN and in the hospitals	- Migrate emails to a more stable & user friendly platform - Configure social media accounts and for CGN department s and hospitals - Develop a staff portal for CGN and major CGN institutions / hospitals	- Website review and, maintenance	-	- website review and maintenance	
Install public wifi	-Easier access to service by residents -easier acceptance of government solution by the public - accelerated growth of ICT as an industry	-Public wifi Site Survey done -public wifi commissioned -public wifi launched	-	-	-conduct public wifi site survey	- inst all public wifi		
Programme Name: ICT as an industry								
Objective: Develop an ICT as an industry								
Outcome: Job creation through ICT based industry								
Sub Programme	Key Outcome	Key performance Indicators	Planned Targets					Total Budget
			Year 1	Year 2	Year 3	Year 4	Year 5	
Conduct a survey on growth areas	- Coordinated development of ICT as an industry	-Inception report -Progress report	-conduct survey	-	- Review Growth areas	-	-	

	-Job creation	-Verification report -validation report						
Develop a framework for collaborating with stakeholders	-Ease of engaging partners	-Inception report -Progress report -Verification report -validation report	-Develop frame work	-	- Review the framework	-	-	
Develop infrastructure in support of ICT as an industry	-ICT industry development centre per sub county	-Training of residents on opportunities available in ICT -identification of sites for development - Commissioning of the development -Launch of ICT industry Hubs	-Training of resident 2 nd civic hackthon	-Setup of 3 Innovation Hubs in key towns - 3 rd civic hackthon	Setup ICT innovation hubs in remaining sub counties - 4 th civic hackthon - Local/County Innovations exhibition	- 5 th civic hackthon - organize a symposium for ICT industry practitioners (inter county)	-6 th Civic Hackathon - organize national exhibition on ICT as an industry	

Cross-Sectoral Implementation Considerations

The sector will mainstream HIV and AIDS by encouraging the infected and affected to accept their status and not to be discriminated against. The schools management will continue to work together with the Children Department in targeting the needy cases to benefit from the OVC cash transfer program.

Gender issues will continue to be addressed by ensuring that girls, boys, men and women have an equal opportunity to join available places in schools, polytechnics and colleges. Schools management committees will strictly follow the one third gender rule in ensuring each gender is represented. In mainstreaming disability, schools will offer friendly facilities and services. There will be an affirmative action in bursary distribution and preference will be given to children and trainees in institutions that are devolved.

The sector will endeavor to fast track the use of ICT in schools and polytechnics by supporting functional computer labs. It will also endeavor to encourage, promote and support sports and

sporting activities in the learning institutions. Youth talent in learning institutions will be tapped and enhanced hence spur sustainable socio-economic development.

ICT has an impact in every other sector in term of creating operational efficiency by introducing performance enhancement tools like computers, telephony and internet. ICT will endeavor to provide technical support on implementation of systems in all departments. Such systems will enhance productivity and delivery of services to the public. Key areas targeted include health, revenue, communication to the general public etc.

Mitigating adverse Cross-sector impacts:

Some of the system might require massive capital outlay which if not achievable in one year can be implemented in phases. This might be the case for hospital systems when you consider system implementation from Hardware, to networks to software including collaboration tools and related training.

4.2.8 Water, Environment and Natural Resources

The sector is composed of three subsectors namely; Water Services, Irrigation services and Environment and Natural Resources

Vision:

Sustainable access to clean, safe and adequate water in a clean and secure environment.

Mission:

To promote, conserve, protect the environment and improve access to water for sustainable development.

Sector Goals:

- Increase forest cover
- Conservation of water catchment areas and flood flows.
- Increase water storage capacity.
- Exploitation of ground water potential
- Reduction of Non Revenue Water
- Extension of pipelines
- Inclusive of modern farming methods in the design for irrigation projects

Sectors development needs, priorities and strategies

The sector's priority shall include programmes to increase forest cover, conserving the natural forest and woodlands, enhancing participatory forest management and promoting agro forestry. There will be continuous sensitization on benefits of environment to the community. The water supply companies and community water projects have continued to expand the current surface coverage to provide water to the increased population. Increased urbanization has created a

challenge of liquid and solid waste management and the county will construct and expand sewer lines and solid waste management facilities.

Sector Development Direction

- To acquire land for four sewerage systems (Karatina, Mukurweini, Mweiga and Naro Moru towns) to address liquid waste management.
- Tree planting targeting 2.% cover in the entire county in farms, greening of towns and institutions
- Rehabilitation of 2 quarries.
- To promote green economy by use of solar/wind power energy in borehole pumping systems
- To rehabilitate 20 dams/Pans to increase water supply for domestic, irrigation and power generation.
- To construct 5No medium Dams
- To expand the water coverage from 65-80% for rural and 70- 95% for urban areas.
- To construct 4 water treatment plants (Mawasco, Teawasco, Naruwasco and Omwasco) to improve quality of drinking water.
- Exploitation of ground water by drilling (20No) and equipping 30 No boreholes in Kieni East Kieni West, Mathira West and East sub- counties.
- promote strong collaboration with National Government, Development partners, Communities and private sector.
- Transforming rain-fed agriculture to irrigated Agriculture by 20,620 hectares.
- promote usage of energy saving Jikos

Sub-sector Priorities, Constraints and Strategies

Sub-sector	Priorities	Constraints	Strategies
Water	Supply of adequate and safe water	High costs of setting up the water infrastructure	Phasing of project components; Identify alternative funding agencies; commercialization of water services; drilling of boreholes and dam construction.
	Increase water storage capacity	Land acquisition and way leaves: high costs of putting up the resevoirs	Public sensitization and compensation; Phasing of project components; resource mobilization
Sanitation	Construction of sewerage facilities	High costs of infrastructure	Resource mobilization and community sensitization
	Solid Waste management	Inappropriate solid waste management systems	Outsourcing/PPP; resource mobilization
Environment and Natural Resources	Rehabilitation of abandoned quarries	Inadequate law enforcement	Enforcement of Environmental Management Coordination Act (EMCA)

	Water shed and catchments protection	Limited awareness on the importance of catchments protection	Enforcement of EMCA
	Conservation of biodiversity	Limited capacity	Enhanced collaboration with corporate bodies; Empower the communities on legal and institutional reforms
Forestry and Wildlife	Increase tree cover	Limited capacity on tree management	Promote farm-agro and dry-land forestry; Formation of community forest associations and good governance
Climate change	Reduce county carbon foot print	Inadequate mechanism to respond	Support climate change policy, establishment of a climate change research unit, develop mechanism for attracting carbon offset schemes
Irrigation Development	Increase the area under irrigation.	Land subdivision, Inadequate water for irrigation, land terrain; High cost of irrigation infrastructure. Over reliance on rainfed agriculture by the community.	In collaboration with Lands department, come up with a policy on minimum acreage Promote green house technology and drip irrigation. Sensitization on communities neighboring existing dams on modern irrigation farming.

Sector Programmes

Programme Name: Water Management									
Objective 1: Extension of water services									
Objective 2: Improved irrigation activities									
Outcome:									
Sub Programme	Key Outcome	Baseline	Key performance Indicators	Planned Targets					Total Budget
				Year 1	Year 2	Year 3	Year 4	Year 5	
Water services	Increased access to water	145.1	Km of pipeline constructed	20	25	25	20	20	2.192Billion
		12	No. of intakes constructed	3	2	3	2	2	40million
		25	No of Dams/Pans rehabilitated	4	4	4	4	4	100million
		2	No of medium Dams constructed	Studies to be carried out and acquisition of all legal documents	1	1	1	2	150million

		2	No. of new boreholes Sunk and equipped	4	4	4	4	4	100million
	Increased water storage	52	No. of tanks constructed	4	3	5	4	5	60million
		22	No of Plastic Tanks purchased and issued (10m ³)	80	80	80	80	80	40million
	Improved water quality	2	No. of Water Treatment Works constructed	Acquisition of land	1	1	1	1	75million
	Increased sewerage coverage	0	No. of acres Procured for sewage treatment works	Studies on ideal sites	15	15	15	15	1.2billion
	Reduced cost of operations	1	Equipping of boreholes with renewable energy sources	6	6	6	6	6	60million
	Reduction of water network and commercial loses	0	No of consumer, sectional and master meters installed	2,000	2,000	2,000	2,000	2,000	60million
	Financial support	6	Promote strong collaborations with national government, donors, communities and private public partnership	6					
Irrigation services	Food security Improved	Irrigation coverage stands at 2,600 Hectares	No of Hectares under irrigation	2,880	3,200	3,520	4,020	4,370	8 billion
	Improved water use efficiency		No of Green houses and Drip Irrigation systems	8	8	8	8	8	10 million
Programme Name: Environment & Natural Resources									
Objective: Enhance county Greening and protection of water catchment areas									
Outcome: Enhanced Environmental Conservation									
Sub Programme	Key Outcome	Baseline	Key performance Indicators	Planned Targets					Total Budget
				Year 1	Year 2	Year 3	Year 4	Year 5	

Environment & Natural Resources	No. of tree seedlings planted	38.3%	Increased tree cover	38.6	39.1	40,1	40.2	40.3	44.5 million
	No. of institutions in greening program	240	Increased tree cover in schools	80	80	80	80	80	9 million
	No. of Towns beautified through greening	5	Clean and beautiful towns	10	10	10	10	10	2.5 million
	No. of Km conserved along river banks	5	Increased river flows	10	10	10	10	10	2.0m
	Reduced wood fuel usage	0	No of Energy saving Jikos issued in Institutions.	30	30	30	30	30	20million
	Rehabilitated quarries	0	No of rehabilitated quarries	Study of social Environmental impact	Study of social Environmental impact	1	0	1	5million

Cross sectoral Implementation considerations

Name of programme	Sector	Cross –sector impact		Measures to Harness or mitigate the Impact
		Synergies	Adverse impact	
Environment and Natural Resources Riparian conservation and protection County /school greening Climate change mitigation Beautification Noise and Air pollution control	WRMA Lands WRUA's NEMA Ministry of Interior and National co-ordination. Agriculture Trade Education Agriculture Kenya Forest Service NDMA Energy Public Administration	The department will work with Water resource users Associations to map out riparian area in collaboration with Agriculture and Lands. Water resource management authority to assist in water allocation and abstraction points. Look for market for baboo products Provide schools with enough space for tree planting and maintenance	Clear the riparian areas of all trees which are not water friendly and uprooting of arrowroots. Reduced water flows due to high evapotranspiration rates of exotic species.	Sensitize the riparian farmers and plant water friendly indigenous trees and Bamboos. Sensitize the farmers, Teachers and students on the need to plant trees. Sensitize the traders on the need to protect and maintain the flower beds

	Information and communication. Trade NEMA	Incurcate the culture of tree planting in our children. Assist farmers in Agroforestry Give technical support to the Department Promotion of Energy saving Jikos Enforcement of the county laws Allocation of flower beds. Assist in prosecution of Noise and Air pollution offenders.		
Water services	Kenya Forest Service Tourism Infrastructure Education Agriculture Health Physical planning NDMA	Issuance of Easements Supply adequate water to support Hotel industry Collaboration with the roads department since as much as we need the roads water is also important Our children will have more time to concentrate on education than fetching water. Farmers have ample time to work on the farms provision of data on areas prone to water borne diseases management of storm water	Loss of Biodiversity at Intakes, pipelines and Dams Damage to our water systems during road construction. Loading of sewerage treatments works	Reforestation Provide roads development plans in advance and also mapping out road extents encourage roof catchment Arrangements can be made well in advance to assist within house treatment methods policy on mandatory construction of drains
Irrigation services	Infrastructure NEMA WRMA WRUA NDMA Agriculture Trade Social services	Improved transportation of food product to markets. Issuance of licenses for the works. The department will work with Water resource users Associations and Water	Increased water conflicts	Community mobilization Regulation of flows Capacity building on Irrigation Water Management Monitoring of adherence to projects By-Laws

		<p>resource management authority to assist in water allocation and abstraction points.</p> <p>Capacity build the farmers on efficient and effective water use</p> <p>Value addition Look for market for Agricultural products</p> <p>Registration of irrigation water users Associations</p>

4.2.9 County Public Service Board

The functions of the County Public Service Board is to establish and abolish offices in the county public service and appoint persons to hold or act in those offices

Vision

To be a trend setting, ethical and dynamic institution that enables delivery of quality public service.

Mission

To support and enable Nyeri County Government deliver professional, ethical and efficient services through a transformed public service.

Goal

To establish a transformed and highly performing public service that is value and ethics driven.

Board Development Direction

- To establish and abolish offices in the county public service;
- Appoint persons to hold or act in offices of the county public service including in the Boards of cities and urban areas within the county and to confirm appointments;
- Exercise disciplinary control over, and remove, persons holding or acting in those offices as provided for under this Part;
- Prepare regular reports for submission to the county assembly on the execution of the functions of the Board;
- Promote in the county public service the values and principles referred to in Articles 10 and 232;
- Evaluate and report to the county assembly on the extent to which the values and principles referred to in Articles 10 and 232 are complied with in the county public service;

- Facilitate the development of coherent, integrated human resource planning and budgeting for personnel emoluments in counties;
- Advise the county government on human resource management and development;
- Advise county government on implementation and monitoring of the national performance management system in counties; [Rev. 2016] County Governments No. 17 of 2012 C43 - 37 [Issue 3]
- Make recommendations to the Salaries and Remuneration Commission, on behalf of the county government, on the remuneration, pensions and gratuities for county public service employees.

Sector Programmes

Programme Name: HR Management								
Objective effective and efficient HR Development and Management

		Operationalized strategic plan.	20%	80%				3m

4.2.10 Transport, Public Works, Infrastructure and Communication

The department consists of the following directorates:- Roads, Transport, Public Works, Energy and Communication

Vision

A world class provider of cost-effective physical infrastructural facilities and services

Mission

To provide efficient, affordable and reliable infrastructure through design, construction, maintenance and effective management for sustainable economic growth and development of Nyeri

County Response to Sector Vision and Mission

The department commits to provide quality service through provision of infrastructure by endeavoring to design, construct, maintain and rehabilitate roads through bituminization and gravelling to make them all weather. It will carry out enforcement of codes, laws and regulations in construction industry, apply relevant sections of the traffic act, county by laws and partner with national government bodies to manage the transport sector.

In the energy sector, the department will promote adoption of energy saving technologies, such as the promotion of use of renewable energy (solar, wind and biogas), and through the rural electrification programme ensure all trading centers and learning institutions are supplied with electricity.

Sector Development Direction

- Maintenance of existing road network county wide.
- Upgrading of existing roads to bitumen or gravel standards to make them all weather.
- Establishment of a County Roads Board and Fund.
- Ensure that all infrastructure including buildings are designed and constructed to standards through enforcement of codes, regular supervision and inspections.
- Develop transport policies, regulations and guidelines to ensure smooth flow of traffic.

- Achieve connectivity and smooth flow of motorized and non- motorized traffic.
- Provide paths for non motorized traffic in our major urban centre.
- Ensure all the trading centres, public health and education institutions are supplied with electricity.
- Provide adequate lighting along streets and estates in major urban areas.
- Promote production and utilization of energy from biodegradable waste materials in learning and health institutions.
- Research and exploit alternative and renewable sources of energy.

Sector Programmes

Programme : County Access and Feeder Roads									
Objective : Improve accessibility and movement from one place to another									
Outcome: Improved roads and Bus Parks									
Sub programme	Key outcome	Baseline	Key performance indicators	Planned Targets					
				Year 1	Year 2	Year 3	Year 4	Year 5	Total Budget
Roads Grading and Gravelling	Improved Roads	650KM	No. of Km Graded and Graveled	1038	1410	1790	2170	2550	3.8255Billion
Roads - tarmacking	Improved Roads	0KM	No. of Km Tarmacked	90	180	270	360	450	18 Billion
Maintenance and procurement of plants and equipments	Improved roads	-	No. of plant and equipment maintained	100M	200M	300M	350M	400M	500M
Programme : Transport Management and Safety									
Objective : Improve accessibility and movement from one place to another									
Outcome: Improved Bus Parks									
Sub programme	Key outcome	Baseline	Key performance indicators	Planned Targets					
				Year 1	Year 2	Year 3	Year 4	Year 5	Total Budget
Bus Park		0	No. of bus parks constructed	2	4	6	8	10	500 Million
Paths and Foot bridges for non motorized transport	Improved Non-motorized transport	6	No. of footbridges constructed	23	40	57	74	91	100 M
Employment of traffic marshals, training and sensitization on traffic rules and regulations	Controlled traffic flow	0	No. of traffic marshals trained	100	120	140	160	180	150 M

Programme: Building and Construction Services									
Objective : To facilitate movement of human, goods and services									
Outcome : Easy movement of Goods and Services									
Sub programme	Key out come	Baselin e	Key performanc e indicators	Planned Targets					
				Year 1	Year 2	Year 3	Year 4	Year 5	Total Budget
Bridges Construction	Improved connectivity Transport	0	No. of bridges constructed	10	20	30	40	50	500M
Buildings construction	Constructed/main tained buildings	0	No of buildings constructed /maintained	1	2	3	4	5	250M
Digitization of building plans approval	Efficient enforcement of codes and standards	20 building plans per month	No. of building plans approved	2M	1M	1M	0.5M	0.5M	5M
Programme: Rural Electrification Connectivity									
Objective : Improve access to Electricity connection in order to increase hours of business and improved security									
Outcome : Increased households connected to the national grid									
Sub programme	Key outcome	Baseline	Key performanc e indicators	Planned Targets					
				Yea r 1	Year 2	Yea r 3	Yea r 4	Yea r 5	Total Budget
Transformers Installation	Increased connectivity to the national grid	16 Transformers installed	No. of Transformer s installed	53	90	127	164	201	370 Million
Upgrading of Power Supply to Institution	Improved power supply to Institutions	1No. Institution done	No. of Connected Institutions	5	9	13	17	21	40Million
Programme: Street Lighting									
Objective : To improve security and to increase hours of doing business									
Outcome : Improved street lighting									
Sub programme	Key outcome	Baseline	Key performance indicators	Planned Targets					
				Yea r 1	Year 2	Year 3	Year 4	Year 5	Total Budget

Street Lighting	Well lit street and market	1750 poles	No. of street light poles installed	1816	1882	1948	2014	2080	33Million
Highmast programme	Well lit markets	61 Highmast Floodlights	No of Highmast Floodlights Installed	81	101	121	141	161	320 Million
Programme: Renewable Energy									
Objective : To Promote alternative sources of energy									
Outcome : Increased adoption of alternative sources of energy									
Sub programme	Key outcome	Baseline	Key performance indicators	Planned Targets					
				Year 1	Year 2	Year 3	Year 4	Year 5	Total Budget
Installation of solar street lights	Installation of solar street lights	0	No of solar street light poles installed	33	66	99	132	165	42 Million
Efficient use of renewable energy	Increased adoption of renewable energy	0	No of renewable energy projects supported	1	2	3	4	5	5 Million

4.3 County Flagship Projects

Project Name	Location	Objective	Output /Outcome	Performance indicators	Timeframe (Start-End)	Implementing Agencies	Cost (Ksh.)
Finance and Economic Planning							
Revenue Automation	County wide	To enhance revenue collection	Increase local revenue for improved service delivery	Amount of revenue collected Number of stream automated	2017- 2018	County Treasury and all departments	60M
Lands, Physical Planning, Housing and Urbanization							
Developing Housing Estates	Nyeri town	Achieve better utilization of land in the dilapidated settlements	Improved livelihoods	No. of redeveloped housing estates	2017-2022	Department of Land, Housing, Physical Planning and Urbanization and the State Department of Housing	50 Billion
Health, Public Health and Sanitation							
Cancer hospital	Dedan Kimathi University	To Improve cancer diagnosis and management.	Reduced deaths and disability due to cancer,	Hospital completed and operational	2018-2022	Belgium/ GOK	2 Billion

Project Name	Location	Objective	Output /Outcome	Performance indicators	Timeframe (Start-End)	Implementing Agencies	Cost (Ksh.)
Gender and Social services							
Nyeri County Talent Centre academy	Kieni	To tap and nurture young talent	- Employment creation -skills development -revenue generation	-acquisition of land -construction of facilities - No of youths trained in the centre	2018-2022	C.G.N	350M
Agriculture, livestock and Fisheries Development							
Milk Value Chain	County wide	To facilitate enforcement of Farm inputs quality	Improved quality of farm inputs	Increased milk production	2018-2022	Department of Agriculture, Livestock and Fisheries	20M
		To enhance animal husbandry practices and welfare.	Good animal husbandry practices adopted	Increased milk production	2018-2022	Department of Agriculture, Livestock and Fisheries	80M
		To improve milk Marketing systems	Improved efficient milk marketing systems	Increased milk intake by marketing agents	2018-2022	Department of Agriculture, Livestock and Fisheries	50M
		To enhance milk value addition	Reduce post harvest losses	Increase in milk marketed from the current 134 million liters per year to 196 million litres per year	2018-2022	Department of Agriculture, Livestock and Fisheries	150M
		To strengthen research in Livestock Production	Strengthened research extension liaison	Livestock packages developed and disseminated	2018-2022	Department of Agriculture, Livestock and Fisheries	20M
		Improvement of Feeds and feeding regime at the farm level	Improved livestock nutrition	Increased milk production from an average of 8 litres to 12 litres per cow per day	2018-2022	Department of Agriculture, Livestock and Fisheries	100M
		To enhance control of animal Disease	Improved animal health	Reduced incidences of diseases by 15%	2018-2022	Department of Agriculture, Livestock and Fisheries	200M
		To support Livestock insurance.	Reduced losses to dairy farmers	No of animals insured	2018-2022	Department of Agriculture, Livestock and Fisheries	100M

Project Name	Location	Objective	Output /Outcome	Performance indicators	Timeframe (Start-End)	Implementing Agencies	Cost (Ksh.)
Wambugu ATC Centre of Excellence	Serves County wide	To provide quality agricultural training Services and facilities	Increased number of courses held	No. Of farmers trained	2018-2022	Department of Agriculture, Livestock and Fisheries	120,000,562
Trade, Culture, Tourism and Cooperative Development							
Nyeri Convention Centre	Nyeri	To develop a high capacity conference facility	Developed Convention Centre	Complete Convention Centre	2018-2022	CGN/GOK/ Development partners	70 Million
Education, Science and Technology							
Capacity building on BPO	-Nyeri -Karatina -Othaya -Other sub county headquarters	-Provide jobs especially to the youth	-Reduce the rate of unemployment -Increase purchasing power which acts as a catalyst for attracting investors	-Number of people doing online jobs	2018 -2022	-CGN and Development partners	64,900,0000
Water, Environment and Natural Resources							
Karemenu Mega Dam	Endarasha/ Mwiyo, Gataragwa and Mugunda wards	Water harvesting and storage	Increase area under irrigation	No of acres under irrigation	2017-2022	National Government	13 Billion
Naromoru Mega Dam	Naromoru-Kiamathaga and Gakawa wards	Water harvesting and storage	Increase area under irrigation	No of acres under irrigation	2017-2022	National Government	17 Billion
Othaya /Mukurweini	Othaya and Mukurweini sub-counties	Provision of clean portable water and improved sanitation services	Reduced water borne diseases	Healthy citizens and reduction on hospital visits	2017-2022	CGN/National Government	303 million
Mathira water and sanitation company	Mathira West and East sub-counties	Provision of clean portable water and improved sanitation services	Reduced water borne diseases	Healthy citizens and reduction on hospital visits	2017-2022	CGN/National Government	1.6 Billion
County Water Boozers	County Hqs	Provision of clean portable water	Reduced water borne diseases	No. of water Boozers	2017-2022	National Government NDMA	30Million
TRANSPORT, PUBLIC WORKS, INFRASTRUCTURE AND COMMUNICATION							
Solid waste bio-digest	Nyeri Town	To improve waste Management	Clean and safe towns	Reduction in power bills	2018-2022	Transport, Public Works, Infrastructure and	300M

Project Name	Location	Objective	Output /Outcome	Performance indicators	Timeframe (Start-End)	Implementing Agencies	Cost (Ksh.)
						Communication	
GENDER AND SOCIAL SERVICES							
Bima Afya Programme (NHIF)	County wide	Ease of access to health care	-a healthy population -an improved social economic status through Agricultural and other businesses	-Improved quality of life -a health people able to feud for themselves -lists of beneficiaries -Payment documents	2018-2022	C.G.N NHIF	250m
Refurbishment /renovation of Social hall and library	Nyeri Town	-offer conference facilities -offer a conducive environment for learning	- Increased revenue after hire of hall -offer a conducive environment for learning	- a refurbished hall, fit to hold meetings in. - a renovated and stocked library -clean and conducive environment	2018-2022	C.G.N	50M
Fencing of whispers park	Nyeri Town	-Improve cleanliness and security in the park -Privacy for the park users -Improve revenue generation	-Increased revenue -a more clean and secure park -provide a conducive environment for social activities	-a fenced park -completion certificate -revenue generated	2018-2022	C.G.N	50M
Purchase of two fire engines	County wide	Effectively and efficiently fight fire outbreaks in the county	Manage disasters in a timely manner	- Response time will be reduced - less property will be lost in fires - sound fragmentation of fire stations	2018-2019	CGN	100M
Nyeri County Talent centre academy	Kieni	To tap and nurture young talent	-Employment creation -skills development -revenue generation	-acquisition of land -construction of facilities - No of youths trained in the centre	2018-2022	C.G.N	350M
Gender Mainstreaming	County wide	To empower our community both socially	-Increased revenue generation through entrepreneurship	-Training on entrepreneurship	2018-2010	C.G.N	200M

Project Name	Location	Objective	Output /Outcome	Performance indicators	Timeframe (Start-End)	Implementing Agencies	Cost (Ksh.)
		and economically	-Equitable distribution of resources -Gender friendly working environment -Offices etc	-No of gender based meetings held -No of people trained			
Renovation of Ruringu sports hostels	Nyeri Town	Provide accommodation for sportsmen and women undertaking training	Teams can use the hostels for indoor games; team cohesion and improved performance	- no of rooms renovated	2018 – 2020	CGN	2M
Perimeter wall fencing of Gichira stadium	Tetu	- secure the stadium and the facilities therein	Secured stadium and revenue generation	- Improve sports - improve physical fitness - nurture talents	2018-2022	CGN	13M
Perimeter wall fencing of Karatina stadium	Mathira		- Secured stadium - revenue generation			CGN	15M

CHAPTER FIVE

IMPLEMENTATION FRAMEWORK

5.1 Introduction

This chapter discusses the implementation framework which includes institutions responsible for the actualization of the plan, resource requirement and mobilization.

5.2 Institutional Framework

5.2.1 County Government functions

The county draws its roles and mandate from the Fourth Schedule of the Kenya Constitution, 2010 which states that county governments are responsible for;

1. Agriculture, including— crop and animal husbandry; livestock sale yards; county abattoirs; plant and animal disease control; and fisheries.
2. County health services, including, in particular— county health facilities and pharmacies; ambulance services; promotion of primary health care; licensing and control of undertakings that sell food to the public; veterinary services (excluding regulation of the profession); cemeteries, funeral parlours and crematoria; and refuse removal, refuse dumps and solid waste disposal.
3. Control of air pollution, noise pollution, other public nuisances and outdoor advertising.
4. Cultural activities, public entertainment and public amenities, including— betting, casinos and other forms of gambling; racing; liquor licensing; cinemas; video shows and hiring; libraries; museums; sports and cultural activities and facilities; and county parks, beaches and recreation facilities.
5. County transport, including— county roads; street lighting; traffic and parking; public road transport; and ferries and harbours, excluding the regulation of international and national shipping and matters related thereto.
6. Animal control and welfare, including— licensing of dogs; and facilities for the accommodation, care and burial of animals.
7. Trade development and regulation, including— markets; trade licenses (excluding regulation of professions); fair trading practices; local tourism; and cooperative societies.
8. County planning and development, including— statistics; land survey and mapping; boundaries and fencing; housing; and electricity and gas reticulation and energy regulation.
9. Pre-primary education, village polytechnics, homecraft centres and childcare facilities.
10. Implementation of specific national government policies on natural resources and environmental conservation, including— soil and water conservation; and forestry.
11. County public works and services, including— storm water management systems in built-up areas; and water and sanitation services.
12. Firefighting services and disaster management.
13. Control of drugs and pornography.
14. Ensuring and coordinating the participation of communities and locations in governance at the local level and assisting communities and locations to develop the administrative capacity for the effective exercise of the functions and powers and participation in governance at the local level.

5.2.2 County structure

Governor: The Governor is the chief executive of the county and will provide overall leadership in the county's economic, social and political governance and development; provide leadership to the county executive committee and administration based on the county policies and plans; promote democracy, good governance, unity and cohesion; promote peace and order; promote the competitiveness of the county; is accountable for the management and use of the county resources while promoting and facilitating citizen participation in the development of policies and plans, and delivery of services.

Deputy Governor: The Deputy Governor is the deputy chief executive of the county and shall deputize the governor in the execution of the executive functions. The deputy Governor may be assigned any other responsibility by the Governor as a member of the county executive committee.

County Secretary: The County Secretary is the head of the county public service; responsible for arranging the business, and keeping the minutes of the county executive committee subject to the directions of the executive committee; convey the decisions of the county executive committee to the appropriate persons or authorities and perform any other functions as directed by the county executive committee.

County Executive Committee: The County Executive Committee is comprised of 10 executive members appointed by the Governor and approved by the County Assembly. Each Executive member is responsible of the respective departments which are Finance and Economic Planning; Agriculture, Livestock Development and Fisheries; Health, Public Health and Sanitation Services; County Public Service, Administration and Youth Affairs; Water, Environment and Natural Resources; Trade, Culture, Tourism and Cooperative Development; Transport, Public Works, Infrastructure and Communication; Education, Science and Technology; Lands, Physical Planning, Housing and Urbanization; Gender and Social Services

The Executive Committee is responsible for supervising the administration and delivery of services in all decentralized units and agencies in the county. The committee will also perform any other functions conferred on it by the constitution or national legislation; carry out any function incidental to any of the assigned functions. The Committee has the power to determine its own programme of activities and every member of the committee will observe integrity and disclosure of interest in any matter before the committee.

County Chief Officer: The Chief Officer will be the Accounting and Authorized Officer for the Department assigned and will be responsible to the respective County Executive Member for the following: General administration and coordination of respective County Department; Initiation, development and implementation of policies and sector plans; Development and implementation of strategic plans; Promotion of National values and principles of governance in the County Public Service; Overseeing implementation and monitoring of performance management systems and any other duties as may be assigned by the Executive Committee Member or the County Secretary.

Directors: They deputize the Chief Officers in executing their functions in the county departments.

Sub-County Administrators: The Sub-County Administrator will be responsible to the County Executive Committee Member in charge of County Public Service, Administration and Youth Affairs for the following: Coordinating, managing and supervising the general administrative functions in the Sub County unit; Developing policies and Plans; Ensuring effective service delivery; Coordinating developmental activities to empower the community; Facilitating and coordinating citizen participation in the development of policies and delivery of Services; Exercising any functions and powers delegated by the County Executive Committee Member in charge of County Public Service, Administration and Youth Affairs or any other Authority.

Town Administrator: The Town Administrator will be responsible for implementing the decisions of the Town Management Committee; Coordinating, managing and supervising the general administrative functions of the town; Overseeing the affairs of the town; Developing policies, plans, strategies and programmes for better management of the town; Maintaining a comprehensive data base and information system of the town administration and providing public access to the same; Facilitating and coordinating citizens' participation in development of policies plans and delivery of services; Ensuring preparation and submission to the County Treasury for consideration and submission to the County Assembly for approval as part of the Annual County Appropriation Bill; Establishing, implementing, and monitoring performance management systems; Performing such other functions as delegated by the Town Committee; Exercising any functions and powers as may be delegated by the County Executive Committee Member in charge of County Public Service, Administration and Youth Affairs.

Ward Administrator: The Ward Administrator shall be responsible to the Sub-County Administrator for the following: Coordinating, managing and supervising the general administrative functions in the ward unit; Developing policies and Plans; Ensuring effective Service delivery; Establishing, implementing, and monitoring performance management systems; Coordinating developmental activities to empower the community; Facilitating and coordinating citizen participation in the development of policies and delivery of services; Exercising any functions and powers delegated by the County Executive Committee Member in charge of County Public Service, Administration and Youth Affairs or any other Authority.

Village Administrator: A village administrator shall coordinate, manage and supervise the general administrative functions in the village including: Ensuring and coordinating the participation of the village unit in governance; Assisting the village unit to develop the administrative capacity for the effective exercise of the functions and powers; Participation in governance at the local level and exercise any function and powers delegated by the County Executive Committee Member in charge of County Public Service, Administration and Youth Affairs.

Village Council: A village council shall be responsible for: Ensuring and coordinating the participation of the village unit in governance; Assisting the village unit to develop the administrative capacity for the effective exercise of the functions and powers; Participation in governance at the local level; Monitoring the implementation of policies at the village unit; Advising the ward administrator and sub-county administrator on matters pertaining to the village and any other function necessary for the better administration of the village unit.

Speaker: The Speaker is the head of the Legislative arm of the county government. The functions of the Speaker are: Presiding at any sitting of the County Assembly; Enforcing the Standing Orders; maintaining order in the House and chairing some committees and ensuring the integrity, independence and impartiality County Assembly.

Clerk of the County Assembly: The Clerk is the accounting officer of the County assembly and also plays the role of the administrative head of the county assembly. The Clerk is the secretary to the county assembly service board.

County Assembly: The County Assembly is comprised of 30 elected members representing the wards and 17 nominated members representing special interests. The legislative authority of the county is vested in, and exercised by, its county assembly. County assembly will make laws that are necessary for the effective performance of the county functions in the fourth schedule of Kenya Constitution 2010. County assembly will also exercise oversight over the county executive committee and any other county executive organ. County assembly will receive and approve plans and policies, approve financial bill, enact county appropriations, approve budget estimates and approve county government borrowing. The county assembly is organized in different standing committees.

Member of the County Assembly: A member of a county assembly is responsible for maintaining close contact with the electorate and consult them on issues before or under discussion in the county assembly; presenting views, opinions and proposals of the electorate to the county assembly; attending sessions of the county assembly and its committees; providing a linkage between the county assembly and the electorate on public service delivery; and extending professional knowledge, experience or specialized knowledge to any issue for discussion in the county assembly.

County Public Service Board (CPSB): The functions of the County Public Service Board shall be, on behalf of the county government: to establish and abolish offices; appoint persons to hold or act in offices; confirm appointments; exercise disciplinary control over, and remove, persons holding or acting in those offices as provided for under County Government Act, 2012; prepare regular reports for submission to the county assembly on the execution of the functions of the Board; promote in the county public service the values and principles referred to in Articles 10 and 232 of the Constitution; evaluate and report to the county assembly on the extent to which the values and principles referred to in Articles 10 and 232 of the constitution are complied with in

the county public service; facilitate the development of coherent, integrated human resource planning and budgeting for personnel emoluments in counties; advise the county government on human resource management and development; advise county government on implementation and monitoring of the national performance management system in counties; make recommendations to the Salaries and Remuneration Commission, on behalf of the county government, on the remuneration, pensions and gratuities for county public service employees.

County Assembly Service Board (CASB): The board is responsible for providing services and facilities to ensure the efficient and effective functioning of the county assembly; constituting offices in the county assembly service and appointing and supervising office holders; preparing annual estimates of expenditure of the county assembly service and submitting them to the county assembly for approval, and exercising budgetary control over the service; undertaking, singly or jointly with other relevant organizations, programmes to promote the ideals of county democracy; and performing other functions necessary for the well-being of the members and staff of the county assembly; or prescribed by national legislation.

5.3 Stakeholders in the County

Stakeholder	Role
County Executive Committee.	Policy formulation and implementation of the CIDP.
Management Committees of Devolved Funds.	Complementing funding various projects.
FBOs (Roman Catholic, PCEA, ACK, SUPKEM, etc)	Participate and contribute in development activities of the county.
Civil Society Organizations	Participate and contribute in development activities of the county advocacy and awareness creation.
Community	Provision of skilled/ unskilled labour; Participate in decision making on issues affecting them; Community policing, collaboration with security agents; Active participation in prioritization of projects, implementation and provide information and utilization of infrastructural facilities.
Development Committees	Provide leadership in development and mainstreaming cross cutting issues in projects and programmes.
Donors	Inject new resources in form of credit, grants material support and capacity buildings.
Farmers' Organizations	Extension services and community mobilization.
Finance Institutions	Avail credit, create awareness and train community on financial management.
Regulatory Boards	Regulation of processing and marketing of the produce
Kenya National Bureau of Statistics (KNBS)	Collection and dissemination of consumable data for planning purposes
National Aids Control Council (NACC)	Provide policy guidance on halting and the reversing the spread of HIV/AIDS; Support OVC's and People Living with HIV/AIDS.
National Council for Persons with Disability	Enhance capacity of disabled person's organizations, institutions and individuals; Support educational institutions for physically challenged
NEMA	Enforcement of EMCA.
Legislature	Deliberation and approve sector laws & policies and provision of conducive legal environment.
Private Sector	Partners in service provision; Employment creation; Promotion of private enterprises and competition and supplement government effort through PPP.

Stakeholder	Role
Red Cross	Support disaster response and implementation of development projects; capacity building on disaster management; Research on development.
Research Institution	Carrying out research and development.
Trade Unions	Promotion of labour relations and welfare of workers.
The National Government	Policy guidance, formulation of conducive laws and training on management skills, enforcement of laws, dispensation of justice, conducting of elections.
Tourists (domestic and international)	Contribute to revenue generation.
Transport Service Providers	Provide public transport services to all stakeholders Enhance economic growth by provision of access to markets by people and goods.
Commissions	Constitutional mandate implementation
County public service	Human resource management.

5.4 Resource Requirement by Sector

Indicate proposed budget for each sector as derived from the sector programmes.

Table 18: Summary of Proposed Budget by Sector

Sector	Amount (Kshs.)	% of Total Budget
Office of the Governor	1,485,000,000	2.3
Finance and Economic Planning	210,000,000	0.3
Lands, Physical Planning, Housing and Urbanization	1,205,000,000	1.9
Health, Public Health and Sanitation Services	3,471,181,977	5.3
Gender and Social Services	1,449,000,000	2.2
County Public Service, Administration and Youth Affairs	911,900,000	1.4
Agriculture, Livestock and Fisheries Development	11,802,321,124	18.2
Trade, Culture, Tourism and Cooperative Development	2,599,000,000	4.0
Education, Science and Technology	4,634,000,000	7.1
Water, Environment and Natural Resources	11,326,000,000	17.4
County Assembly	100,000,000	0.2
County Public Service Board	1,177,500,000	1.8
Transport, Public Works, Infrastructure and Communication	24,640,000,000	37.9
Total	65,010,903,101	100.0

5.5 Resource Mobilization Framework

5.5.1 Source of Revenues

Equitable share

This is from the shared national revenue as provided for in Article 202 and 203 of the constitution. The county receives part of the constitutionally approved share from the consolidated fund as proposed in the Budget Policy Statement, recommended by CRA and approved by The National Assembly.

Additional resources

In addition to the equitable share of revenue, the County Government is also expected to get additional resources from the following sources:

- *Conditional and unconditional* allocations from share of the national government as contemplated under Article 202(2) of the Constitution.
- *Own revenues* from specific county revenue raising measures through imposition of property taxes, entertainment taxes, as well as any other tax and user fees and charges as authorized to impose.
- *Borrowing* provided national government guarantee is obtained as well as the approval of the County Assembly. This will only occur if the funds will be applied to development activities.
- *Grants and donations* from development partners in accordance with section 138 and 139 of the Public Finance Management Act, 2012 and Public Finance Management Act (County Government) Regulations, 2015. There are other grants not channeled through the county revenue funds but helps the county to achieve its development objectives through collaborations e.g. Upper Tana Natural Resource Management Project.

5.5.2 County Government Expenditure

The county government is expected to spend its money for recurrent expenditure and development projects. Much of the government resources are spent on recurrent needs due to the huge wage bill leaving inadequate resource for development activities.

5.5.3 Assets and Financial Management

The National Treasury has designed and prescribed an efficient financial management tool for the national and county governments to ensure transparency and standard financial reporting as contemplated by Article 226 of the Constitution and The Public Finance Management Act, 2012 and its regulations.

The County Treasury will monitor, evaluate and oversee the management of public finances and economic affairs of the county government including developing and implementing financial and economic policies, preparing the annual budget, coordinating the implementation of the budget and mobilizing resources for funding. The county treasury is the custodian of all county government assets and liabilities.

5.5.4 Management of County Finances

The county is fully accountable to the public on the expenditure and utilization of all funds received by or on behalf of the county government. This is done through quarterly budget implementation and project and program status report as required under section 166(4) of the PFM Act, 2012. All financial management systems are required to comply with the requirements of all national and county legislations.

The process of managing the finances will be as follows: The county treasury shall prepare annual budget estimates and seek approval from the county executive committee and the county assembly. The controller of budget will authorize withdrawals from the county revenue funds. The

accounting officer is accountable to the county assembly for ensuring that the funds of the entity for which the officer is designated are used in a way that is lawful and authorized. The accounts of the county will be audited by the auditor-General and submit audit reports to the relevant county assembly committees. Internal audits will also be done continuously as a control measure.

5.5.5 Debt management

The main sources of debt to the county government are categorized into two namely;

- Pending bills.
- Inherited debt from defunct local authorities

Each year the county treasury prepares the Debt Management Strategy Paper in accordance with section 123 of PFM Act, 2012 which outlines: The total stock of debt as at the date of the statement; The sources of loans made to the county government; The principal risks associated with those loans; The assumptions underlying the debt management strategy; An analysis of the sustainability of the amount of debt, both actual and potential.

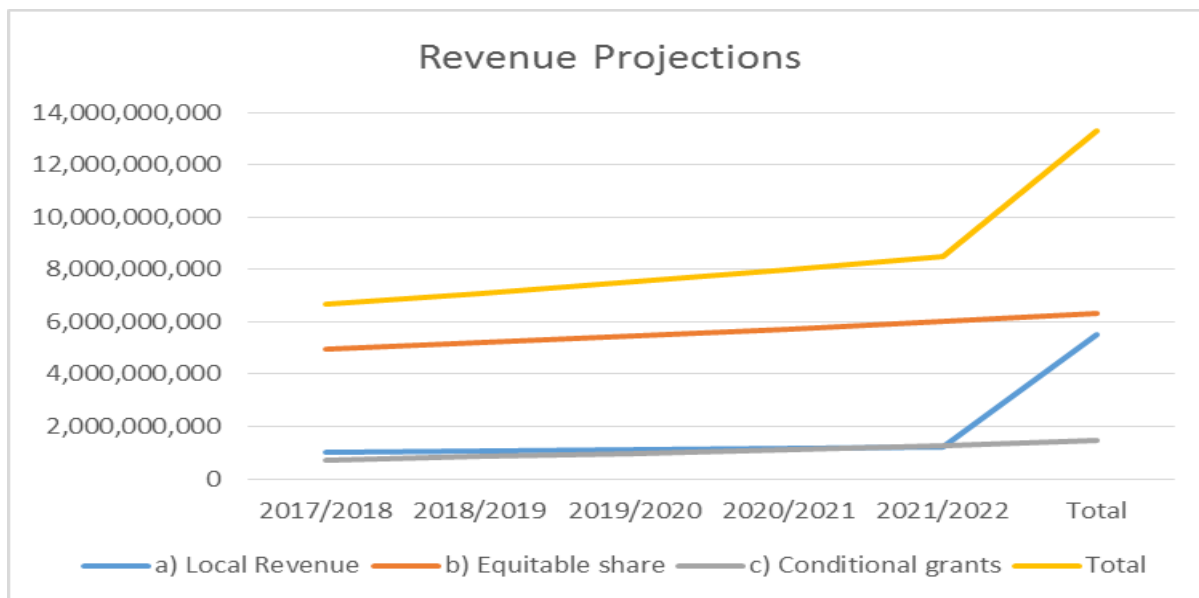

The county will put more emphasis in ensuring the sustainability of the current debt and establishment of necessary structures to facilitate future borrowing. However, it does not envisage any borrowing to finance the budget and will therefore focus on servicing of existing debt. With the current level of debt the county government may not be able to accommodate additional borrowing to finance its expenditures.

5.5.6 Capital financing and accountability.

Capital projects as contained in this plan will be funded through budgetary allocation from the county government revenue fund, grants and loans from development partners. Over the medium term it is expected that the county will spend not less than 30 percent of its revenue on development as required under section 107(2)(b) of the PFM Act, 2012.

Table 19: Revenue Projections

Type of Revenue	2017/2018	2018/2019	2019/2020	2020/2021	2021/2022	Total
a) Local Revenue	1,000,000,000	1,050,000,000	1,100,000,000	1,150,000,000	1,200,000,000	5,500,000,000
b) Equitable share	4,952,800,000	5,200,440,000	5,460,462,000	5,733,485,100	6,020,159,355	27,367,346,455
c) Conditional grants	729,038,193	838,393,922	964,153,010	1,108,775,962	1,275,092,356	4,915,453,443
d) Equalization fund						
e) Other sources (Specify)						
Total	6,681,838,193	7,088,833,922	7,524,615,010	7,992,261,062	8,495,251,711	37,782,799,898

5.6 Resource Gap and Measures to Address

In an attempt to bridge the resource gap by attracting potential investors, the county government will review its policies to significantly reduce the time and cost of doing business, thus improving the overall business environment.

In the health sector, the county will work closely with the national government to tap more funds from the national basket to finance its activities and programmes. In addition, the county will look for donors in the as USAID, World Bank, DANIDA among others to provide funds for projects and programmes (preventive, promotive, curative, rehabilitative and palliative) in form of grants supplementing the county sources.

In the infrastructural front, the county will explore Public Private Partnership (PPP) arrangement as well as engage the donors to cover the existing funding gap in road improvement and maintenance; construction of intakes, reservoir dams/ pans and distribution lines; construction of affordable housing in county estates and the Management of our solid waste. Donor support will also be required to bridge the gap in ICT infrastructure and improvement of vocational training centers. To finance its ICT infrastructure, the county government will also collaborate with the national government agencies e.g. the ICT authority to fund various activities either directly or through donor funds.

In agriculture, the county government will explore PPP in value addition of agricultural produce focusing on the agro processing industry that will brand our tea, coffee, cut flowers, and horticulture, dairy and fruit products. Donor support in improving the agricultural training centers and agricultural extension programmes to ensure food security. The above interventions will be considered in seeking to finance market chains and cooperative programmes to ease on the count's resource needs.

The county will explore all possible resource mobilization strategies to ensure the programmes in this blueprint are executed as planned.

CHAPTER SIX

MONITORING AND EVALUATION FRAMEWORK

6.1 Introduction

This chapter outlines the rationale for a robust county monitoring and evaluation system, as well as highlighting the key outcomes for the various sectors programs and the desired targets for the plan period. The county monitoring and evaluation framework is anchored on the fact that the county's policies, procedures and systems associated with the inter-related areas of performance management, monitoring, evaluation and reported have been progressively changing. The main changes have been driven by amongst others: the county government's imperative to deliver to the citizens of Nyeri County and meet the commitments made to various stakeholders; the need to for accurate, data rich information, and ongoing tracking of delivery, to support continuous and improved service delivery; the need to meaningfully engage with stakeholders regarding results; need to comply with legislative and regulatory requirements; and the need to respond to changes in county government's delivery model.

The county government is desirous of ensuring that there is linkage between this CIDP and the plans for performance at departmental and individual level. Therefore, the focus of county departments' indicators and targets and those cascaded to the individual through annual performance plans will be alignment to the County's long term direction. Monitoring and evaluation forms part of the Performance Management Framework, which encompasses setting performance indicators, measuring them over time, evaluating them periodically and finally, making course corrections as needed.

6.2 Rationale for County Monitoring and Evaluation Framework

The county monitoring and evaluation framework will facilitate the county government to know whether or not the county government policies, programs and projects are happening according to planning timelines and targets presented, in an efficient and effective manner. The M&E results when well documented and disseminated will be helpful in citizen engagement and resource allocation. Through the monitoring and evaluation system, the county aims to establish: a countywide understanding of monitoring and evaluation issues; create harmony in understanding expectations on results from various actors; enhance culture of focusing on results; clarify roles and responsibilities and also advance the institutionalization of monitoring and evaluation in service delivery. The county government is desirous that this framework will be translated into M&E practices that support public participation, planning, budgeting, delivery, policy development, oversight, reporting and other governance related processes. Further, the transparency and accountability agenda will be advanced through the generation of sound information – to be used in reporting, communication and the improvement of delivery.

6.3 Legal basis for the County Monitoring and Evaluation framework

The Constitution of Kenya 2010 requires that governments use monitoring and evaluation mechanisms as an integral part of developing and executing government policies, programmes and projects and in resource allocation and management at the two levels of governments.

The County Government Act 2012 requires the county executive committee to design performance management plan (with objective, measurable and time bound performance indicators) to evaluate performance of the county public service and the implementation of county policies. It also

requires that the County Integrated Development Plan should have key performance indicators and that the annual county budget be informed by the performance targets of the county. The CIDP should provide clear input, output and outcome performance indicators including but not limited to: the percentage of households with access to basic services Article 43 of the Bill of Rights of the constitution; the percentage of a county's capital budget actually spent on capital projects identified for a particular financial year in terms of the county's integrated development plan; the number of jobs created through any local economic development initiatives including capital projects; and financial viability of the integrated development plan in accordance with nationally applicable ratios.

These requirements are in line with those of the Public Financial Management Act 2012 that requires county governments to prepare annual development plans that detail programs to be delivered including measurable indicators of performance where feasible; and the Public Service (values and principles) Act 2015 that requires every public institution develop mechanisms for monitoring and evaluating the effectiveness of public service delivery.

6.4 Monitoring and Evaluation Outcome Indicators

The following table summarises the outcome indicators, based on sector priorities and programs. It also highlights the targets at midterm and end of term of the County Integrated Development Plan. These indicators are not comprehensive and the detailed list of indicators at inputs, processes, outputs, outcome levels of results measurement will be contained in sectoral plans for each of the county sectors.

Table 20: Summary of Monitoring and Evaluation

Sector	Programme	Outcome indicators	Baseline	Source of Data	Reporting Responsibility	Mid-term Target (2020)	End-term Target (2022)
Governance and Coordination of Service Delivery	Enhancing Coordination for Delivery of Services	% of staff in Governors and CS office housed under one roof		County Secretary's Office database	County Secretary	100%	100%
		Number of residential houses constructed for state officers (Governor and Deputy Governor)		County Secretary's Office database	County Secretary	2	2
		% of County Executive Committee Decisions Communicated and Implemented		Governors SDU	County Secretary	100%	100%
		% Level of satisfaction with Service Delivery (Citizens Satisfaction Survey)		Governors SDU	Governors SDU	60%	70%
		Number of Annual Governors Forum with Citizens Held		County Secretary	County Secretary	2	4
		% Sectors with Performance Contracts Signed, Implemented and Evaluated	0%	Governors SDU	Governor's SDU Head	100%	100%

Sector	Programme	Outcome indicators	Baseline	Source of Data	Reporting Responsibility	Mid-term Target (2020)	End-term Target (2022)
	Enhanced Intra and Intergovernmental Relations	Number of MoUs signed and implemented		County Secretary's Office database	County Secretary	5	10
		No of joint forums held between County Executive Committee and County Assembly		County Secretary's Office database	County Secretary	9	12
		Established County Policing Oversight Authority		County Secretary's Office database	County Secretary	1	1
Infrastructure, Transport, Energy and Communications	County Access and Feeder Roads	Number of Kms of earth roads gravelled	2493km (Ungravelled 650kms)	Department Database	CECM, Infrastructure	1790	2550
		Number of Kilometers of roads upgraded to Bitumen Standard	478.25km	Department Database	CECM, Infrastructure	270	450
		Number of roads maintenance heavy machines procured (graders, bulldozers, low loaders and compacters)		Department Database	CECM, Infrastructure		
	Improving Transport Management and Safety	Number of Bus Parks Established	0	Department Database	CECM, Infrastructure	6	10
		Number of footbridges constructed	6	Department Database	CECM, Infrastructure	57	91
		Number of County Traffic Marshalls in Force	0	Department Database	CECM, Infrastructure	140	180
		Number of motorable bridges constructed	0	Department Database	CECM, Infrastructure	30	50
		Number of building plans approved (through a digitised platform)	20 per month	Department Database	CECM, Infrastructure		
	Increased Access to Electricity to households and public institutions	Number of transformers installed	16	Department Database	CECM, Infrastructure	127	201
		Number of public institutions with upgraded power supply	1	Department Database	CECM, Infrastructure	13	21
	Increasing lighting for security and 24 hours business	Number of street light poles installed (for lighting streets and trading centres)	1750	Department Database	CECM, Infrastructure	1948	2080
		Number of highmasts installed	61	Department Database	CECM, Infrastructure	121	161
	Promoting renewable/alternative energy use	Number of solar light poles installed	0	Department Database	CECM, Infrastructure	99	165
		Number of alternative energy projects initiated/supported	0	Department Database	CECM, Infrastructure	3	5
	Finance and Economic Planning	Improving Revenue Mobilisation	Amount of Local Revenue in Millions collected across all sectors in the County as per expected Finance Act	643m	Annual Financial Report	CECM Finance and Economic Planning	1100million

Sector	Programme	Outcome indicators	Baseline	Source of Data	Reporting Responsibility	Mid-term Target (2020)	End-term Target (2022)	
	and Collection Efficiency	Percentage of Local Revenue collected through automated streams		Revenue Directorate Report	CECM Finance and Economic Planning	100%	100%	
	Prudent Public Financial Management	% Budgeted Funds Spent	78.10%	Annual Financial Report	CECM Finance and Economic Planning	100%	100%	
		Number of audit reports shared with Audit Committee and disseminated	4	Audit Unit Report	CECM Finance and Economic Planning	12	20	
		% Level of compliance with Public Procurement Regulations (Based on independent assessment by Public Procurement Regulatory Authority)	76%	PPRA Reports	CECM Finance and Economic Planning	100%	100%	
	Participatory Planning & Monitoring for Effective Resource Allocation and Development	Number of citizens participatory forums held	4	Department Database	CECM Finance and Economic Planning	16	27	
		Number of quarterly reports compiled on the status of Departments and Entities projects and programmes in the County	4	Department Database	CECM Finance and Economic Planning	12	16	
	Lands, Physical Planning and Housing	Advancement of affordable and suitable housing	No of Alternative Building Technologies (ABT) promoted	1	Department Database	CECM Lands	6	10
% of state officers housed.			13%	Department Database	CECM Lands	100%	100%	
Number of county residential houses renovated			2	Department Database	CECM Lands	100	200	
Improving utilization of land in the dilapidated county housing estates (urban renewal)		Number of county housing estates redeveloped	0	Department Database	CECM Lands	0	1	
Controlled and Sustainable Land use		Number of spatial plans developed	0	Department Database	CECM Lands	32	52	
		Number of maps and plans digitised (GIS database system)	0	Department Database	CECM Lands	270	670	
		Number of settlements planned, surveyed (including colonial villages)	30	Department Database	CECM Lands	30	50	
Improved management and development of urban areas in the county		Number of functional municipal and town management committees	0	Department Database	CECM Lands	5	5	
Health Services		Strengthen health systems for efficient and	% of hospital medical equipment with active service contract	30%	HMIS Database	CECM Health Services	45%	55%

Sector	Programme	Outcome indicators	Baseline	Source of Data	Reporting Responsibility	Mid-term Target (2020)	End-term Target (2022)
	effective service delivery	% of health facilities with functional health committee/hospital boards	90%	HMIS Database	CECM Health Services	100%	100%
		Level of client/service provider satisfaction	40%	Survey Report	CECM Health Services	60%	70%
		% of facilities reporting through HMIS	100%	HMIS Database	CECM Health Services	100%	100%
		Doctors/ Nurse to Population Ratio	1:7610/1:834	HMIS Database	CECM Health Services	1:7300/1:750	1:7000/1:650
		Number of specialists trained(oncologists etc)	30	HMIS Database	CECM Health Services	150	250
		Number of new functional specialized units (Oncology, Renal, ICU and HDU etc) at county hospitals	0	HMIS Database	CECM Health Services	6	12
		increase in Hospital user fee collection per year	280,000,000	HMIS	CECM Health Services		360,000,000
	Improving Preventive and Promotive Health Services	Under Five Mortality rate	52	KDHS 2014	CECM Health Services	40/1,000	30/1,000
		Infant mortality rate	39	KDHS	CECM Health Services	30/1000	25/1000
		Maternal mortality ratio	110/100,000	KDHS	CECM Health Services	85/100,000	70/100,000
		TB Cure rate	89.40%	HMIS Database	CECM Health Services	92	92
		HIV incidence rate	1300	HMIS Database	CECM Health Services	800	650
		Immunization coverage	85%	HMIS Database	CECM Health Services	92	95
		% of deliveries conducted by skilled health workers	88%	HMIS Database	CECM Health Services	92	95
		Family Planning Uptake	73%	HMIS Database	CECM Health Services	79	80
		% of pregnant women attending at least 4 Ante Natal Care visits	61%	HMIS Database	CECM Health Services	73	75
		% of health facilities providing maternal delivery services	30%	HMIS Database	CECM Health Services	60	70
		% of facilities screening for Non Communicable Diseases (NCDs)	24%	HMIS Database	CECM Health Services	60	80
		Facility mortality rate	5.7%	HMIS Database	CECM Health Services	5	4.7
		Number of persons screened for NCD	55,000	HMIS Database	CECM Health Services	80,000	100,000
% of Villages declared Open Declaration Free	98%	HMIS Database	CECM Health Services	99.70%	100%		

Sector	Programme	Outcome indicators	Baseline	Source of Data	Reporting Responsibility	Mid-term Target (2020)	End-term Target (2022)
		% of hospitals with access to safe health care waste management	20%	HMIS Database	CECM Health Services	60%	100%
		% of food premises certified safe	86%	HMIS Database	CECM Health Services	92%	100%
		Number of well managed dumpsites	0	HMIS Database	CECM Health Services	3	5
		Number of urban areas with efficient waste transportation system.	0	HMIS Database	CECM Health Services	3	5
		% of community units that are functional	251	HMIS Database	CECM Health Services	251	251
		Incidence of Under Five malnutrition	12%	HMIS Database	CECM Health Services	7%	5%
	Provide equitable clinical services emergency and referrals.	% of fully functional ambulances	50%	HMIS Database	CECM Health Services	90%	100%
		% of hospitals with functional emergency response teams	40%	HMIS Database	CECM Health Services	80%	100%
		Functional isolation unit	0	HMIS Database	CECM Health Services	1	1
		% of healthcare facilities reporting stock out of essential drugs and supplies	10%	HMIS Database	CECM Health Services	5%	2%
		% of healthcare facilities with laboratory services	50%	HMIS Database	CECM Health Services	70%	80%
		% of hospitals with specialized services	40%	HMIS Database	CECM Health Services	70%	100%
		% of facilities on Infection prevention and control program	10%	HMIS Database	CECM Health Services	50%	80%
		% of hospitals with a functional quality improvement and patient safety program	20%	HMIS Database	CECM Health Services	70%	100%
		Number of laboratories accredited	0	HMIS Database	CECM Health Services	1	2
Gender and Social Services	Social Protection for the Vulnerable Persons (Orphans, People Living with Disabilities, School Girls, Elderly Population)	Number of persons enrolled into the County Health Scheme for the vulnerable (Bima Afya)	3077	Department Database	CECM Gender and Social Services	8700	12500
		Number of School Girls Provided with Sanitary Towels All Year Round	10000	Department Database	CECM Gender and Social Services	13200	13800
		Number of disabled persons provided with assistive devices (including wheelchairs)		Department Database	CECM Gender and Social Services	62	142
	Disaster Preparedness,	% of disaster incidences reported and responded to		Department Database	CECM Gender and Social Services	100	100

Sector	Programme	Outcome indicators	Baseline	Source of Data	Reporting Responsibility	Mid-term Target (2020)	End-term Target (2022)	
	Management and Response	Number of functional fire engines		Department Database	CECM Gender and Social Services	2	4	
	Sports and Youth Empowerment	Number of sports academies established		Department Database	CECM Gender and Social Services	1	1	
		Number of sports stadia renovated and upgraded		Department Database	CECM Gender and Social Services	6	10	
		Number of ward based multidisciplinary sports tournaments held		Department Database	CECM Gender and Social Services	22	40	
Public Service and Administration	Public Administration for Responsive and Effective Service Delivery	Number of citizen engagement forums undertaken		Department Database	CECM Public Service and Administration	180	240	
		Number of civic education sessions delivered through an established Civic Education Unit		Department Database	CECM Public Service and Administration	99	165	
		Number of ward and subcounty offices constructed and functional		Department Database	CECM Public Service and Administration	21	34	
		Percentage of premises dealing with alcoholic drinks that are licenced	75%	Department Database	CECM Public Service and Administration	85%	100%	
	Enhancing County Public Service Effectiveness	% of staff completing appraisals		Department Database	CECM Public Service and Administration	100%	100%	
		% Citizens complaints responded to		Department Database	CECM Public Service and Administration	100%	100%	
		Proportion of Personnel Expenditure to total budget	44.50%	Department Database	CECM Public Service and Administration

		Number of tourists visiting sites in the County		Department Database	CECM Trade, Culture Tourism and Cooperatives			
		Functional Cultural and Talent Centres		Department Database	CECM Trade, Culture Tourism and Cooperatives	6	7	
	Promoting Fair Trade and Consumer Protection	% of equipment inspected and verified that is compliant		Department Database	CECM Trade, Culture Tourism and Cooperatives			
	Promoting investments and employment	Value of new investments in the county in KShs Billions		Department Database	CECM Trade, Culture Tourism and Cooperatives			
		Number of convention centres developed		Department Database	CECM Trade, Culture Tourism and Cooperatives			
		Number of Producer Business Groups established and linked to market		Department Database	CECM Trade, Culture Tourism and Cooperatives	3	5	
		Number of new jobs created		Department Database	CECM Trade, Culture Tourism and Cooperatives			
	Promoting Industrial and Entrepreneurship Development	Number new cottage industries established		Department Database	CECM Trade, Culture Tourism and Cooperatives			
	Cooperative Development	% of cooperatives with clean annual audited reports		Department Database	CECM Trade, Culture Tourism and Cooperatives		90%	
		Number of new cooperatives in selected sectors						
	Education Science and Technology	Early Childhood and Development Education (ECDE)	% of public ECDE Centres and Childcare Centres with qualified teachers and caregivers		Department Database	CECM Education, Science and technology		100%
			Enrolment in Public ECDE Centres and Childcare Centres		Department Database	CECM Education, Science and technology	22000	
% of children in public ECDE transitioning to Primary Schools				Department Database	CECM Education, Science and technology			

Sector	Programme	Outcome indicators	Baseline	Source of Data	Reporting Responsibility	Mid-term Target (2020)	End-term Target (2022)
	Youth Polytechnics/ Vocational Training Centres	Enrolment in Youth Polytechnics and Craft Centres		Department Database	CECM Education, Science and technology		
		% Youth Polytechnics Equipped to Standard (Instructors and Facilities as per norms)		Department Database	CECM Education, Science and technology		
		% of Youth Polytechnics with at least one Income Generating project		Department Database	CECM Education, Science and technology		
		% of Youth Polytechnics submitting Annual Report		Department Database	CECM Education, Science and technology		
	Educational Financial support to indigents	Number of beneficiaries from the County Educational Bursary Fund	13000	Department Database	CECM Education, Science and technology	15000	17000
Leveraging on Information Technology for efficiency and Jobs creation	% of County Government Management Systems Automated (Human Resources, Requisition and Disbursements, Resources Mapping, Revenue Management, Hospitals Information Management, Assets Management, Performance Management and Citizens Engagement)		Department Database	CECM Education, Science and technology		80%	
Water, Environment and Natural Resources	Extension of Water Supply for domestic consumption	% of households with access to portable water	XX % (103,312 household s)	Department Database	CECM Water Environment and Natural Resources		
		% of households with access to piped water	XX % (123,886 household s)	Department Database	CECM Water Environment and Natural Resources		
		Acreage under irrigation	2600Ha	Department Database	CECM Water Environment and Natural Resources	3520	4370
		Number of households practicing irrigation (Potential of 20,620 Ha and 80,600 households)	10400	Department Database	CECM Water Environment and Natural Resources		
		Number of dams/ pans rehabilitated	25	Department Database	CECM Water Environment and Natural Resources	37	45
		Number of medium dams constructed	2	Department Database	CECM Water Environment and Natural Resources	4	7

Sector	Programme	Outcome indicators	Baseline	Source of Data	Reporting Responsibility	Mid-term Target (2020)	End-term Target (2022)
		Number of boreholes drilled and equipped with solar power	2	Department Database	CECM Water Environment and Natural Resources	14	22
		Number of tanks constructed	52	Department Database	CECM Water Environment and Natural Resources	64	73
		Number of plastic tanks issued (1000 litres)	22	Department Database	CECM Water Environment and Natural Resources	262	422
		Number of new water treatment works constructed	2	Department Database	CECM Water Environment and Natural Resources	4	6
	Promoting environmental conservation and protection of water catchment areas	% area under tree cover	38.30%	Department Database	CECM Water Environment and Natural Resources	40.10%	40.30%
		Number of kilometers of river banks under conservation	5	Department Database	CECM Water Environment and Natural Resources	35	55
		Number of towns beautified	5	Department Database	CECM Water Environment and Natural Resources	35	55
		% reduction in Unaccounted for Water reported by Water Service Providers		Department Database	CECM Water Environment and Natural Resources	15 %	20%

ANNEX 1

SECTOR PROJECTS DERIVED FROM PROGRAMMES

7.1 Office of the Governor

7.1.1 Ongoing projects

Project Location	Name/	Objectives	Targets	Description of Activities (Key Outputs)	Green Economy considerations	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency
Electronic Performance Management System and Automated Dashboard		Improved Performance Management in Service Delivery	1	Design, installation, testing and implementation of an electronic performance management system based		24 million	County Government of Nyeri	April 2016-2018	County Secretary's Office
Main Gate to the County Headquarters		Enhanced security of the governors office	1	Completed and operational security gate			County Government of Nyeri		County secretary's office

7.1.2 New project proposals

Project Name/ Location	Objectives	Targets	Description of Activities (Key Outputs)	Green Economy considerations	Cost (Kshs.)	Source of funding	Time frame	Implementing Agency
Construction of office block County Headquarters	Provide conducive working environment	One office block	Office block constructed (Designing, construction and commissioning)	Provide natural sunlight and solar lighting	500 M	CGN	2018-2022	Office of the Governor
Construction of Governors and Deputy Governors' residence	Improved working conditions	One residence with all amenities	Governor's residence constructed (Designing, construction and commissioning)	Provide natural sunlight and solar lighting and heating	200 M	CGN	2018-2022	Office of the Governor

7.2 Finance and Economic Planning

7.2.1 On-going projects

Project Location*	Name/	Objectives	Targets	Description of Activities (Key Outputs)	Green Economy considerations	Cost (Kshs.)	Source of funding	Time frame	Implementing Agency
Refurbishment of treasury offices		Improve working conditions	Treasury office refurbished	Partitioning and painting	Natural lighting	20 M	CGN	2017/18-2018/19	County Treasury

7.2.2 New Project Proposals

Project Name/Location		Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency
Revenue automation	County Wide	To enhance revenue collection	System in place and use	Procurement and Installation of a revenue system Training	50 M	CGN	2018-2022	Finance and Economic Planning
Decentralization of IFMIS	County Wide	Improved service delivery	IFMIS decentralises in 13 departments	Installation of equipment and system Training of personnel	10 M	CGN	2018-2022	Finance and Economic Planning
Automation of internal audit	County Wide	Compliance with all laid down financial regulations	Internal audit system in place and use	Procurement and Installation of an Audit system Training	20 M	CGN	2018-2022	Finance and Economic Planning
Asset management	County Wide	Identification of county assets	100%	Asset tagging and valuation; Asset register	10M	CGN	2018-2022	Finance and Economic Planning
Construction of revenue offices	County Wide	Improvement of working conditions	Office block build	Construction of offices	20 M	CGN	2018-2022	Finance and Economic Planning

Project Name/Location		Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency
Institutional capacity building	County Wide	Improved service delivery	Offices trained	Training of staff	50 M	CGN	2018-2022	Finance and Economic Planning

7.3 Lands, Housing and Urbanisation

7.3.1 On-going projects

Project Location	Name/	Objectives	Targets	Description of Activities (Key Outputs)	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency
Planning and survey of colonial villages		To ensure Tenure security to the residents	KISIP Ngorano – Mathira West SC Ruruguti – Othaya SC, Giakaibii – Mathira West SC Njoguini - Tetu, SC Kanjora, - Tetu SC County Government -Kihome Othaya SC - warazo jet – Kieni East SC -Githiru – Nyeri town SC -Ngaini – Mathira West SC -Chieni – Mathira West SC -Gikoe – Othaya SC -Njigari – Othaya SC -Thunguma – Nyeri town SC - Uasonyiro – Kieni West SC -Witima – Othaya SC -Karundu- Mukurweini SC	Participatory planning, Development of the local physical development plan(LPDP), Surveying, Validation, Approval of the LPDP and survey plan	123 M	County Government of Nyeri and Kenya Informal settlements Improvement Project(KISIP),	12 months	CGN- Department of Land, Housing and Urbanisation. KISIP

7.3.2 New Project Proposals

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency
Planning & survey (Kiamwangi, Kahuru, Kiarathaiini, Itundu, Mbari ya Njagi-Thengeini, Gatondo)	Iriaini ward (Mathira)	To provide security of tenure		Planning & survey & issuance of title deeds	50M	GoK/ CGN	2018-2022	Lands, Housing Physical planning
Iria-ini Land Survey and Mapping Project	Iria-ini Ward (Othaya)	To provide security of tenure		Survey and mapping	5M	GoK/ CGN	2018-2022	Lands, Housing, Physical Planning and Urbanization
Refurbishment of 200 No. county government residential houses	County Wide	To provide modern affordable and decent housing.	Blue Valley, Karatina, Mweiga, NaroMoru, Mukurweini, Ruringu, Kimathi and Ringroad Estates.	Designing; Tendering; Implementation; Commission	100 Million	CGN	2018-2022	Lands, Physical Planning, Housing and Urbanization
Development of a housing bill and policy	County Wide	To provide a legal framework for administration of county government of Nyeri houses	An Act on Housing	Drafting stage; Public Participation; Legislation	Kshs. 1 Million	CGN	2018-2022	Lands, Physical Planning, Housing and Urbanization
Training of youth groups on Appropriate Building Technologies	County Wide	To establish ToTs on ABTs	Two groups per sub county	Identifying the groups; Training	Kshs. 10M	CGN	2018-2022	Lands, Physical Planning, Housing and Urbanization
Feasibility study	County Wide	To guide on project viability	Blue Valley, Karatina, Mweiga, NaroMoru, Mukurweini, Ruringu, Kimathi and	Develop TORs; Procurement; Report implementation	Kshs.30M	CGN	2018-2022	Lands, Physical Planning, Housing and Urbanization

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency
			Ringroad Estates.					
Establishment of a G.I.S laboratory	County Wide	Provide a modern facility for analysing spatial data	-Land records and plans.	Tendering for equipments; Purchasing of G.I.S equipment and softwares; Training of Staff	Kshs. 100 M	CGN	2018-2022	Lands, Physical Planning, Housing and Urbanization
Survey and processing of ownership documents for all commercial centres in the county	County Wide	To provide security of tenure	All unsurveyed public land.	Tendering; Participatory planning; Development of the local physical development plan(LPDP); Surveying, Approval of LPDP and Survey Plan.	Kshs. 250 M	CGN	2018-2022	Lands, Physical Planning, Housing and Urbanization
Preparation of a valuation roll	County Wide	Provide basis for charging land rates	All rateable areas in the county	Develop TORs; Procurement; Report implementation	Kshs. 200 M	CGN	2018-2022	Lands, Physical Planning, Housing and Urbanization
Development of a county spatial plan	County Wide	Provide basis for optimal land use.	countywide	Develop TORs; Procurement; Report implementation	Kshs. 250M	CGN	2018-2022	Lands, Physical Planning, Housing and Urbanization
Demarcation of public land- Dedan Kimathi Ward	County Wide	Security of tenure	All public land, Markets, Schools, Churches, Villages	Surveying and demarcating	20 Million	GoK / CGN	2018-2022	Lands, Physical Planning, Housing and Urbanization
Kiamutiga Public Land- Wamagana Ward	County Wide	Security of tenure	1 Village	Surveying and Planning	10 Million	GoK / CGN	2018-2022	Lands, Physical Planning, Housing and Urbanization
Ewasonyiro trading centre- Endarasha Mwiyo	County Wide	Security of tenure	1 Centre	Surveying and planning	10 Million	GoK/ CGN	2018-2022	Lands, Physical Planning, Housing and Urbanization
Demarcation of public land	Dedan Kimathi Ward	Security of tenure	All public land, Markets, Schools, Churches, Villages	Surveying and demarcating	10 Million	GoK / CGN	2018-2022	Lands, Physical Planning, Housing and Urbanization
Kiamutiga Public Land	Wamagana Ward	Security of tenure	1 Village	Surveying and Planning	10 Million	GoK / CGN	2018-2022	Lands, Physical Planning, Housing and Urbanization
Ewasonyiro trading centre	Endarasha Mwiyo	Security of tenure	1 Centre	Surveying and planning	10 Million	GoK/ CGN	2018-2022	Lands, Physical Planning, Housing and Urbanization
Pura Trading Centre	Endarasha Mwiyo	Security of tenure	1 Centre	Surveying and planning	10 Million	GoK/ CGN	2018-2022	Lands, Physical Planning, Housing and Urbanization

7.4 Health and Sanitation

7.4.1 On-going Projects

Project Name/Location	Objectives	Targets	Description of Activities(Key Outputs)	Green economy Considerations	Cost Kshs	Time frame	Implementing Agency
Upgrading of Othaya Level -4 hospital. Phase 1.	Upgrade the hospital to fully-fledged level 4, tier 3 county hospital with all facilities	Complete a fully-fledged level 4 hospital	Completion of Phase 1. Outpatients, wards, maternity, Theatre, departments.	Solar water heating system to be provided.	100,000,000	2018	GOK
Muthangira Dispensary	Improve Access to health care	Completing 12 room OPD block	Completion Of outpatient block	Use of natural lighting and solar	1,000,000	2019	County Government
Ruruguti Dispensary	Improve Access to health care	Complete One maternity Wing	Complete One maternity Wing with 12 beds	Use of natural lighting and solar	8,500,000	2018	County Government
Karaba Health Centre	Improve Access to health care	Installation one of X-ray unit	Install an x-ray unit	Use of natural lighting and solar	4,000,000	2018	County Government
Ichamara Dispensary	Improve Access to health care	Complete One maternity Wing	Complete One maternity Wing with 12 beds	Use of natural lighting and solar	7,500,000	2018	County Government
Wamagana Health Centre	Improve Access to health care	Completing 12 room OPD block	Completion Of outpatient block	Use of natural lighting and solar	7,500,000	2017	County Government
Kinyaiti Dispensary	Improve Access to health care	Completing 12 room OPD block	Completion Of outpatient block	Use of natural lighting and solar	500,000	2018	County Government
Kiambogo Dispensary	Improve Access to health care	Completing 12 room OPD block	Operationalization	Use of natural lighting and solar	1,000,000	2018	County Government
Ihwagi,Ragati,Kiawara colonial villages and Maragima	Improve Access to health care	Provision of 4 mobile health facilities	Construction of mobile clinics in selected sites	Use of natural lighting and solar	200,000	2018	GOK
Community health services	To enhance household health	Training and equipping 251	Training ,equipping and stipends	none	350,000,000	2018 to 2022	County Government

Project Name/Location	Objectives	Targets	Description of Activities(Key Outputs)	Green economy Considerations	Cost Kshs	Time frame	Implementing Agency
	and dissemination of health information	Community health units					
Capacity Development on specialized health skills	To upscale the level of skills	Train 40 health workers per year	In-service Training of health workers on critical skills.	None	15,000,000	2018-2022	County Government/ GOK
Solid waste Management Solid wastes management	Upscale refuse collection	Collect 35,000 tonnes of waste in Nyeri county	Sweeping, collection, disposal and dumpsite management..	Controlled tipping	175,000,000	2018-2022	County Government/ GOK
		Acquire 20 acres land	Procurement and development of land for dumpsite	Controlled tipping	30,000,000	2018	County Government/ GOK
		Purchase 3 cemeteries.	Procurement of cemetery		20,000,000	2018	
		Rehabilitation of dump sites in the urban centers	Rehabilitation of 5 dumpsites		30,000,000	2018	County Government/ GOK

7.4.2 New project proposals

Project Name	Location	Objectives	Targets	Description of Activities (Key Outputs)	Cost Kshs	Source of funding	Time frame	Implementing Agency
Upgrading of Othaya Level -4 hospital. Phase2	County Wide	Upgrade the hospital to fully-fledged level 4, tier 3 county hospital with all facilities	Complete a fully-fledged level 4 hospital	Construction of Radiology, kitchen /Laundry / Mtce unit, Admin block and mortuary.	500,000,000	GOK	2018-2022	Health and Sanitation Services
Upgrading of Othaya Level -4 hospital. Phase3	County Wide	Upgrade the hospital to fully-fledged level 4, tier 3 county hospital with all facilities	Complete a fully-fledged level 4 hospital with a training facility	Construction of am Medical college.	400,000,000	GOK	2018-2022	Health and Sanitation Services
Installation of ICT infrastructure to support EMR in all County health facilities, County & Sub-County Headquarters	County Wide	Improve medical records data capture and Financial Management (HMIS)	Install One(1)Electronic medical records system by 2019	Installation of electronic medical records system	20,000,000	CGN	2018-2022	Health and Sanitation Services
Installation of CCTV systems in our level IV hospitals	County Wide	Improve transparency and accountability	Functional CCTV system	4 functional CCTV systems	20,000,000	CGN	2018-2022	Health and Sanitation Services
Renovation and refurbishment of PGH Hospital and a car park	County Wide	Improve service delivery	Renovation of PGH hospital	Renovation of entire PGH hospital	500,000,000	CGN	2018-2022	Health and Sanitation Services
Nyeri CRH Hospital Mortuary	County Wide	Improve Mortuary services	Refurbishment and renovation Mortuary	Refurbishment and renovation Mortuary	20,000,000	CGN	2018-2022	Health and Sanitation Services
Nyeri CRH twin orthopedic ward	County Wide	Reduce congestion	Construction of a twin orthopedic ward		20,000,000	CGN	2018-2022	Health and Sanitation Services
Nyeri CRH palliative care unit	County Wide	Improve access to health service	Construction of a palliative care unit		20,000,000	CGN	2018-2022	Health and Sanitation Services

Project Name	Location	Objectives	Targets	Description of Activities (Key Outputs)	Cost Kshs	Source of funding	Time frame	Implementing Agency
Mukurweini Hospital	County Wide	Improve access to health service	Construction of outpatient and administration block	Construction of outpatient and administration block	50 Million	National, county and partners	2018-2022	Health and Sanitation Services
Mukurweini Hospital	County Wide	Improve maternal and neonatal outcomes	Construction of a maternity including new born unit	Construction of a maternity including new born unit	100 million	National, county and partners	2018-2022	Health and Sanitation Services

Contracted Professional Services	Assess employee level of job satisfaction; Ascertain conduciveness of working environment; Level of service delivery	County workforce; Working stations; County clients/ customers	Employee satisfaction survey; Work environment survey; Customer satisfaction survey	6,752,846	CGN	2017/18-2018/19	County Public Service, Administration and Youth Affairs
Construction of Buildings	Efficient and effective service delivery	Construct 6 Wards and Sub County offices	Construction of buildings	21,000,000	CGN	2017/18-2018/19	County Public Service, Administration and Youth Affairs

7.6.2 New Project Proposals

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency/ Department
36 sub county and ward offices	County wide	Improve Service delivery.	36 office blocks	Construction and equipping	350M	CGN	2018-2022	County Public Service, Administration and Youth Affairs
Construction of 38 notice boards	County wide	Disseminate information to citizens.	38 notice boards	Construction of the notice boards	1.9M	CGN/K DSP	2018-2022	County Public Service, Administration and Youth Affairs

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency/ Department
Capacity building	County wide	Improve staff performance.	200 Staff	Training staff and performance improvement programs.	30M	CGN	2018-2022	County Public Service, Administration and Youth Affairs
Pre-Feasibility, feasibility and appraisal on alcohol	County wide	Improve regulation of manufacturing, sale and consumption of alcohol.	8 Sub Counties.	Conducting research on effects of alcohol on the populace.	10M	CGN	2018-2022	County Public Service, Administration and Youth Affairs
Licensing	County wide	Improve regulation of manufacturing, sale and consumption of alcohol.	1700 alcoholic premises.	Licensing of alcoholic drinks premises,	25M	CGN	2018-2022	County Public Service, Administration and Youth Affairs
Digitisation of alcoholic drinks control and management records	County wide	Improve regulation of manufacturing, sale and consumption of alcohol.	1 database	Creating a database of all licensed premises.	7M	CGN	2018-2022	County Public Service, Administration and Youth Affairs
Digitization of H.R records	County wide	Improve records management	3,070 employees	Procurement of hardware, software and	7M	CGN	2018-2022	County Public Service, Administration and Youth Affairs
Human Resource Plan	County wide	Provide staffing levels in relation to strategic objectives of the county	1 validated HR Plan	Collection and analysis of information on employees and posts; Workload analysis; Analysis of CIDP vis a vis its human resource requirements	3M	CGN	2018-2022	County Public Service, Administration and Youth Affairs
Surveys	County wide	Establish levels of job satisfaction among employees and customer satisfaction.	3,070 employees.	Conduct employee and work environment survey; Conduct customer satisfaction survey.	6M	CGN	2018-2022	County Public Service, Administration and Youth Affairs
Staff welfare	County wide	Improve employee safety and work performance; Improve staff morale and development.	200 staff ; 3,070 staff	Purchase of staff uniform; Availing loan facilities for car and mortgage to staff at subsidised rate.	5M; 1 billion	CGN	2018-2022	County Public Service, Administration and Youth Affairs
Civic Education	County wide	Enlightened citizenry.	30 wards.	Conducting workshops, TOT training,	50M	CGN/M oDP	2018-2022	County Public Service, Administration and Youth Affairs
Public Participation	County wide	Increase participation in local governance	30 Wards	Mobilisation of citizens,	100M	CGN/M oDP	2018-2022	County Public Service, Administration and Youth Affairs
Purchase of enforcement vehicle	County wide	Reduction on compliance of county laws	6 vehicles	Purchase of motor vehicles	30M	CGN	2018-2022	County Public Service, Administration and Youth Affairs
Purchase of riot gear	County wide	Reduction on non-compliance of county laws	80 riot gears	Purchase of riot gears-helmets,	2.4M	CGN	2018-2022	County Public Service, Administration and Youth Affairs
Staff motivation	County wide	Enhance staff morale and productivity	3,070 staff	Team building, County staff sports day,End of year parties	20M	CGN	2018-2022	County Public Service, Administration and Youth Affairs
Wamagana Ward Offices	Wamagana Ward	Improve Service delivery.	1 Office block	Construction and Equipping	7M	GoK / CGN	2018-2022	County Public Service, Administration and Youth Affairs

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency/ Department
Ward office (Kiawamururu)	Mukurweini west Ward	Enhance service delivery	1 No. Office	construction and refurbishment	3M	CGN/GoK	2018-2022	County Public Service, Administration and Youth Affairs
Mahiga Ward Office	Mahiga Ward	To enhance service delivery	1 Ward Office	Construction and Equipping	7M	GOK/C GN	2018/2022	County Public Service, Administration and Youth Affairs

7.7 Agriculture Livestock and Fisheries Development

7.7.1 On- going Projects

Project Name/ location	objectives	Targets	Description of activities (key output)	Cost (Kshs.)	Source of funding	Time frame	Implementing Agency
County Agriculture, Livestock and Fisheries extension/county wide	To Increase agricultural production and productivity	By 5%	Capacity building of farmers through demos, field days FFS etc.; Recruitment of staff; Linking farmers to market organization through proposal writing; Procurement of motor cycles and vehicles; Enhancing research – extension linkage; Exhibiting in ASK Show; Organizing and facilitating of World food day	1.92B	Nyeri County Government SIVAP ASDSP KCSAP UTaNRMP	2018-2022	Agriculture, Livestock and Fisheries Development
Improvement of working environment	To improve working environment	To construct/ refurbishment of six sub-county offices	Procurement and implementation of building works	420m	County Government	2018-2022	Agriculture, Livestock and Fisheries Development
Transport of staff	To improve staff mobility	16	Procurement of 7 motor cycles and 16 vehicles	150m	County Government KVA National Government	2018-2022	Agriculture, Livestock and Fisheries Development
Dairy -Improvement of cold chain supply including milk coolers /Countywide	To improve milk quality	7%	Procurement and distribution of milk coolers	60M	CGN	2018-2022	Agriculture, Livestock and Fisheries Development
Clean fodder/pastures planting materials/ Countywide	To bulk and provide farmers with clean planting materials	1 acre per sub county	-Procurement and distribution of clean planting materials from research stations, ATC, ADC and existing sites	25m	County Government NDMA	2018-2022	Agriculture, Livestock and Fisheries Development
Bee keeping	To improve apiary production and productivity	5%	Capacity building of youth Procurement of hives and accessories	10m	County Government	2018-2022	Agriculture, Livestock and Fisheries Development
Breeding /Countywide	To improve livestock breeds	To increase No. of pedigree animals by 5% for the period	-Procurement of semen and A.I. equipment - provision of the AI Services	90m	County Government SIVAP	2018-2022	Agriculture, Livestock and Fisheries Development
Disease and pest control in livestock / Countywide	To reduce disease and pest infestation of livestock	To reduce disease and pest infestation by 25 % over the period	-Procurement and administering of vaccines to livestock -Disease surveillance in livestock -Capacity building of both staff and farmers	150m	County Government KVA National Government	2018-2022	Agriculture, Livestock and Fisheries Development

Project Name/ location	objectives	Targets	Description of activities (key output)	Cost (Kshs.)	Source of funding	Time frame	Implementing Agency
					NDMA		
Disease and pest control in crops / Countywide	To reduce disease and pest infestation of crops	To reduce disease and pest infestation by 30 % over the period	-Capacity building of staff and farmers -demonstrations -surveillance in both crops	10m	County Government National Government	2018-2022	Agriculture, Livestock and Fisheries Development
coffee value chain / Tetu, Othaya, Nyeri central, Mukurweini and Mathira East and West	To increase coffee production and productivity	To increase from the current 2kgs per bush to 8kgs per bush	-Capacity building of staff and farmers, - Top working of coffee trees	30m	County Government	2018-2022	Agriculture, Livestock and Fisheries Development
Horticulture crops / Kieni East and West	To reduce post-harvest losses	By 2% per year	Construction of storage accessories for farm produce, produce collection centers and other storage facilities	14M	County Government SIVAP	2018-2022	Agriculture, Livestock and Fisheries Development
Bulking of clean crop planting materials / Countywide	To provide farmers with clean planting materials	1.5 acre per sub county	-Procurement and distribution of clean planting materials from research stations, ATC, ADC and existing sites	50m	County Government	2018-2022	Agriculture, Livestock and Fisheries Development
Soil Health / Countywide	To increase crop production and productivity	15%	Procurement and distribution of lime	500M	County Government	2018-2022	Agriculture, Livestock and Fisheries Development
Fruit trees / Countywide	To improve food security	5%	-Capacity building of farmer- Procurement and distribution of fruit tree seedlings	250m	County Government	2018-2022	Agriculture, Livestock and Fisheries Development
Wamagana Processing plant /Tetu	To improve on fish keeping quality	100 tons per year	Maintenance of the plant -Collection of fish from sub county freezers -Marketing	10m	County Government	2018-2022	Agriculture, Livestock and Fisheries Development
Ponds and dams /Countywide	To increase fish production and productivity	By 30%	-Rehabilitation of dams and pods -Restocking of dams and ponds	90m	County Government	2018-2022	Agriculture, Livestock and Fisheries Development
Wambugu ATC/Nyeri Central	To provide quality agricultural training Services and facilities	To raise number of courses hosted by 20%	-Completion of hostel -Construction of a modern gate -Construction of a cottage industry -Expansion of the irrigated area	100m	County Government	2018-2022	Agriculture, Livestock and Fisheries Development
AMS Naromoru /Kieni East	To offer mechanization services to the Agricultural Sector	4M in revenue	Procurement of plant and equipment	150 M	County Government	2018-2022	Agriculture, Livestock and Fisheries Development

7.7.2 New Project Proposals

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency
Gakindu dairy milk	Mukurweini west Ward	To improve quality of milk	One of 3000 liters	Purchase of cooler, subsidised vaccination, I Services and clinic facility	4Million	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Kagarii coffee collection Centre	Mukurweini west Ward	To reduce post harvest losses	One of 3000 liters	Building of a coffee collection centre	6 Million	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Kagunyu dam	Mukurweini west Ward	To improve fish productivity	One of 3000 liters	Dredging, Fencing and purchase of fingerlings	10 Million	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency
Kaheho dam	Mukurweini west Ward	To improve fish productivity	One of 3000 liters	Dredging, Fencing and purchase of fingerlings	10 Million	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Kahigaini cattle watering point	Gikondi Ward	To improve livestock nutrition	One of 3000 liters	Construction of cattle watering point	200000	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Wakararu cattle watering point	Gikondi Ward	To improve livestock nutrition	One of 3000 liters	Construction of cattle watering point	200000	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
NgumaKahinga cattle watering point	Gikondi Ward	To improve livestock nutrition	One of 3000 liters	Construction of cattle watering point	200000	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
WanjikuMutahi cattle watering point	Gikondi Ward	To improve livestock nutrition	One of 3000 liters	Construction of cattle watering point	200000	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
KirurumokiaNyan ge cattle watering point	Gikondi Ward	To improve livestock nutrition	One of 3000 liters	Construction of cattle watering point	200000	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Kibutio milk cooling plant	Gikondi Ward	To improve milk quality	One of 3000 liters	Construction and Equipment	4M	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Karaba Milk cooling Plant	Gikondi Ward	To improve milk quality	One of 3000 liters	Construction, Equipment and installation	4m	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Kiharo Milk Cooling Plant	Gikondi Ward	To improve milk quality	One of 3000 liters	Construction, Equipment and installation	4m	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Gikondi Milk cooling Plant	Gikondi Ward	To improve milk quality	One of 3000 liters	Construction, Equipment and installation	4m	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Endarasha dairy Cooperative Society Feed mixture	Endarasha/ Mwiyo	To formulate quality feeds for farmers	1	Procurement and installation of the mixture	1m	CGN	2018-2022	Agriculture Livestock and Fisheries Development
Endarasha dairy Cooperative Society Digital weighing machines	Endarasha/ Mwiyo	To ensure accuracy in weighing milk	10	Procurement and distribution of the machines	1.2m	CGN	2018-2022	Agriculture Livestock and Fisheries Development
Endarasha dairy Cooperative Society Standby generator	Endarasha/ Mwiyo	To mitigate against power blackout	1	Procurement and installation	1m	CGN	2018-2022	Agriculture Livestock and Fisheries Development
Endarasha dairy Cooperative Society Nitrogen containers	Endarasha/ Mwiyo	To reduce AI cost services	5	Procurement and installation	1m	CGN	2018-2022	Agriculture Livestock and Fisheries Development
Endarasha dairy Cooperative Society Milk Chiller	Endarasha/ Mwiyo	To increase shelf life of milk	1	Procurement and installation	1.5m	CGN	2018-2022	Agriculture Livestock and Fisheries Development
Ndimaini, Kieni, Gathugu, Karindundu, Gatwe Cattle dips	Konyu Ward	To control diseases outbreak	5	rehabilitation	1M	GOK/CGN	2018-2022	Agriculture Livestock and Fisheries Development

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency
Kiganjo slaughter house	Kiganjo/Mat hari Ward	To improve food security	1	rehabilitation	0.2M	GOK/CGN	2018-2022	Agriculture Livestock and Fisheries Development
Kirimukuyu Green houses	Kirimukuyu Ward	To promote marketing	20	Construction & equipping	8M	GoK/CGN	2018-2022	Agriculture Livestock and Fisheries Development
Gaikundu agricultural research centre	Mukurweini West Ward	To enhance productivity	1 Centre	Construction and Equipping	5M	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Mutitu Factory Selection Sheds	Mukurweini Central Ward	To enhance productivity	1 Factory Sheds block	Construction and Equipping	0.8M	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Kanyagia Onion Store	Endarasha/Mwiyogo Ward	To promote productivity	1 Store	Construction and Equipping	3M	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Gura River Fish pond projects	Wamagana Ward	To promote productivity	20 Fish ponds	Construction and equipping	2M	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Kagumo River Fish ponds	Wamagana Ward	To promote productivity	20 Fish ponds	Construction and equipping	2M	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Ruirie Cattle Dip	Mugunda Ward	To control diseases outbreak	1 Cattle Dip	Construction and Equipping	0.2M	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Thungari Dam	Thegu River Ward	To improve food security	1 Dam	Disilting and Restocking of dams with fish fingerings	0.5M	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Kamiru Dam	Thegu River Ward	To improve food security	1 Dam	Disilting and Restocking of dams with fish fingerings	0.5M	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Mirera Dam	Thegu River Ward	To improve food security	1 Dam	Disilting and Restocking of dams with fish fingerings	0.5M	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Karicheni Dam	Thegu River Ward	To improve food security	1 Dam	Disilting and Restocking of dams with fish fingerings	0.5M	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Lusoi Dam	Thegu River Ward	To improve food security	1 Dam	Disilting and Restocking of dams with fish fingerings	0.5M	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Ams Dam	Thegu River Ward	To improve food security	1 Dam	Disilting and Restocking of dams with fish fingerings	0.5M	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Kamuhiuria dam	Thegu River Ward	To improve food security	1 Dam	Disilting and Restocking of dams with fish fingerings	0.5M	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Richardson Dam	Thegu River Ward	To improve food security	1 Dam	Disilting and Restocking of dams with fish fingerings	0.5M	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency
Gathathi-ini Dam	Thegu River Ward	To improve food security	1 Dam	Disilting and Restocking of dams with fish fingerings	0.5M	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Wamagana Milk Coolers	Wamagana Ward	To promote marketing	10 Milk Coolers	Installation and equipping	8M	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Muthuaini Milk Cooler	Kamakwa/Mukaro	To promote marketing	10 Milk Coolers	Installation and equipping	8M	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Lamuria Dairy Cooling Plant	Mugunda Ward	To promote marketing	1 Cooler	Installation and Equipping	0.8M	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Karicheni Cattle Dip	Thegu River Ward	To control diseases outbreak	1 Cattle Dip	Rehabilitation and equipping	0.2M	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Lusoi Cattle Dip	Thegu River Ward	To control diseases outbreak	1 Cattle Dip	Rehabilitation and equipping	0.2M	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Thung'ari Cattle Dip	Thegu River Ward	To control diseases outbreak	1 Cattle Dip	Rehabilitation and equipping	0.2M	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Tagwa Cattle Dip	Thegu River Ward	To control diseases outbreak	1 Cattle Dip	Rehabilitation and equipping	0.2M	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Maragima Cattle Dip	Thegu River Ward	To control diseases outbreak	1 Cattle Dip	Rehabilitation and equipping	0.2M	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Kagai Cattle Dip	Ruguru Ward	To control diseases outbreak	1 Cattle Dip	Renovation works and equipping	0.2M	GoK/CGN	2018-2022s	Agriculture Livestock and Fisheries Development
Iruri Cattle Dip	Ruguru Ward	To control diseases outbreak	1 Cattle Dip	Renovation and equipping	0.2M	GoK/CGN	2018-2022	Agriculture Livestock and Fisheries Development
Ruguru Dairy Cooperatives	Ruguru Ward	To control diseases outbreak	1 Dairy Co-operatives	Completion and installation of milk coolers	2M	GoK/CGN	2018-2022	Agriculture Livestock and Fisheries Development
Kureru Cattle Dip	Ruguru Ward	To control diseases outbreak	1 Cattle Dip	Renovation and equipping	0.2M	GoK/CGN	2018-2022	Agriculture Livestock and Fisheries Development
Hiriga Cattle Dip	Ruguru Ward	To control diseases outbreak	1 Cattle Dip	Renovation and equipping	0.2M	GoK/CGN	2018-2022	Agriculture Livestock and Fisheries Development
Kari-ini demonstration farm	Gikondi Ward	To educate farmers on new technologies	3 Acres	Hiring under contract	0.6M	CGN/GoK	2018-2022	Agriculture Livestock and Fisheries Development
Mahiga Dairy Milk Cooler	Mahiga Ward	To improve food security	1 Milk Cooler	Installation of Milk Cooler	0.8M	GOK/CGN	2018/2022	Agriculture Livestock and Fisheries Development

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency
Kagere Cattle Dip	Mahiga Ward	To control diseases outbreak	1 Cattle Dip	Renovation and equipping	0.2M	GOK/CGN	2018/2022	Agriculture Livestock and Fisheries Development

7.9.3 Stalled Projects

Project Name	Location	Description of activities	Reasons for stalling	Proposed measures
Workshop - Kianduiga YP	Iriaini (Mathira)	Construction	Waiting the next Phase of National Government Funding	Collaboation between County and National Govt for completion
Workshop and Hostel - Karatina YP	Karatina town	Construction	Waiting the next Phase of KIDDP Funding	Collaboation between County and KIDDP for completion

7.10 Water, Environment and Natural Resources

7.10.1 On-going projects

Project Name/ Location *	Objectives	Targets	Description of Activities (Key Outputs)	Green Economy considerations	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency
Ihuri Irrigation Project Ruguru Ward	To increase area under irrigation.	500Hh	Laying of distribution lines and infield systems.	Spur Economic growth through irrigation and agricultural development. Create employment for women and youth empowerment.	25m	CGN Community	2018-2019	Water, Environment & Natural Resources
Sagana Irrigation Project Ruguru Ward	To increase area under irrigation.	500Hh	Construction of 2No. 225m ³ masonry storage tank.	Sustainable food security Intensification of land through use of safe farm inputs and chemicals Introduction of drip irrigation for efficient use and water management	8m	CGN Community	2018-2019	Water, Environment & Natural Resources
Kariithi Irrigation Project Karatina/Kirimukuyu wards	To increase area under irrigation.	500Hh	Construction of 2No. 225m ³ masonry storage tank. Procurement of pipes & installation of distribution lines.	Intensification of land use through better land and water management.	15m	CGN Community	2018-2019	Water, Environment & Natural Resources
Muthira Water Project Ruguru Ward	To provide water for domestic use	8000 Hh	Construction of intake,tank& distribution Pipeline	Social Economics improvement. Poverty reduction Environmental improvement will be realized. Health standard will be improved Time used to fetch water will be reduced	20m	CGN Community	2018-2020	Water, Environment & Natural Resources
Lower Magutu Irrigation Project Karatina Ward	-To increase area under irrigation.	1000Hh	Construction of intake & Pipeline	The project will improve the livelihood of the community through: - Social interactions.	60m	CGN GOK	2018-2021	Water, Environment & Natural Resources

Project Name/ Location *	Objectives	Targets	Description of Activities (Key Outputs)	Green Economy considerations	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency
				Economical improvement Environmental improvement will be realized.		Community Donors		
Kaguyu/ Kienja-ini Irrigation Project Iria-ini Ward	-To increase area under irrigation.	800 Hh	Pipes for 13km main line & for 30km distribution lines.	Intensification of land through use of safe farm inputs and chemicals	40m	CGN GOK Community Donors	2018- 2021	Water, Environment & Natural Resources
Kanjuri water Project Magutu Ward	To provide water for domestic use.	300 Hh	Construction of Intake (common intake for 3 W/Ps) hydraulics features installations and L/V/Cs	Social Economics improvement. Poverty reduction Environmental improvement will be realized. Health standard will be improved Time used to fetch water will be reduced	15m	CGN Community	2017- 2018	Water, Environment & Natural Resources
Kagochi/Kahurathi Magutu Ward	To provide water for domestic use	130 Hh	Construction of intake(common Intake for 3 intakes) & tank, hydraulic fixtures installation and L/V/Cs	Social Economics improvement. Poverty reduction Environmental improvement will be realized. Health standard will be improved Time used to fetch water will be reduced	8m	CGN Community	2017- 2018	Water, Environment & Natural Resources
Ihwagi/Kahachu Magutu/Iriaini	To provide water for domestic use	250 Hh	Laying of main pipeline, distributions and intake construction	Social Economics improvement. Poverty reduction Environmental improvement will be realized. Health standard will be improved Time used to fetch water will be reduced	10m	CGN Community	2017- 2020	Water, Environment & Natural Resources
Karembu Konyu Ward	To provide water for domestic use	150 Hh	Construction of Pump House, Procure and install solar system, Tank rehabilitation, replacement & repair of sand filter media & Scooping of the Intake	Social Economics improvement. Poverty reduction Environmental improvement will be realized. Health standard will be improved Time used to fetch water will be reduced	7M	CGN Community	2017- 2018	Water, Environment & Natural Resources
Chehe water project Iriaini Ward	To provide water for domestic use	1500 Hh	Desilting of Intake, Trenching & Laying of pipeline and construction of 150m ³ masonry tank	Social Economics improvement. Poverty reduction Environmental improvement will be realized. Health standard will be improved Time used to fetch water will be reduced	27M	CGN Community	2017- 2022	Water, Environment & Natural Resources
West Magutu Magutu ward	To provide water for domestic use and minor Irrigation.	500 Hh	Construction of Intake & 150m ³ masonry tank Trenching & Laying of pipeline	Social Economics improvement. Poverty reduction Environmental improvement will be realized. Health standard will be improved	5m	CGN Community	2017- 2022	Water, Environment & Natural Resources

Project Name/ Location *	Objectives	Targets	Description of Activities (Key Outputs)	Green Economy considerations	Cost (Kshs.)	Source of fundi ng	Timefra me	Implementing Agency
				Time used to fetch water will be reduced				
Iria-ini Water Project Iria-ini Ward	To provide water for domestic use and minor Irrigation.	400Hh	Construction of 150m ³ masonry tank	Social Economics improvement. Poverty reduction Environmental improvement will be realized. Health standard will be improved Time used to fetch water will be reduced	2.5m	CGN Community	2017-2020	Water, Environment & Natural Resources
Kairia Water Project Iria-ini Ward	To provide water for domestic use and minor Irrigation.	600Hh	Construction of 150m ³ masonry tank	Social Economics improvement. Poverty reduction Environmental improvement will be realized. Health standard will be improved Time used to fetch water will be reduced	2.5m	CGN Community	2017-2018	Water, Environment & Natural Resources
Kanjuri Water Project Iria-ini Ward	To provide water for domestic use and minor Irrigation.	800Hh	Construction of 150m ³ masonry tank	Social Economics improvement. Poverty reduction Environmental improvement will be realized. Health standard will be improved Time used to fetch water will be reduced	2.5m	CGN Community	2017-2018	Water, Environment & Natural Resources
Mukore water project Konyu ward	To improve & increase water access	5 km	Piping	Social Economics improvement. Poverty reduction Environmental improvement will be realized. Health standard will be improved Time used to fetch water will be reduced	7m	CGN	2018-2022	Water, Environment & Natural Resources
Mbogoini springs Kirimukuyu Ward	To improve & increase water access	5 springs	Rehabilitation of springs at Giathathu, Iraguma, Kiangero, Giakibura and Gaburiri	Social Economics improvement. Poverty reduction Environmental improvement will be realized. Health standard will be improved Time used to fetch water will be reduced	2.5m	CGN	2018-2022	Water, Environment & Natural Resources
Mathira Water & Sanitation Company	To improve water & Sewerage services	2000 H/hs.	Procurement of pipes & installation of distribution lines. Rehabilitation of distribution lines & existing storage Tanks. Expansion of existing pipe lines, storage facilities, sewerage treatment plant & network. Construction of full treatment plants. Procurement of district master & Consumer meters	Health standard will be improved Social Economics improvement. Poverty reduction Environmental improvement will be realized. Time used to fetch water will be reduced	1.6Billion	CGN GOK Company Donors	2018-2022	Water, Environment & Natural Resources
Othaya Mukurweini Water	To improve water &	4000 H/hs	Rehabilitation of Othaya town reticulation system	Health standard will be improved	303 M	CGN GOK	2018-2022	Water, Environment &

Project Name/ Location *	Objectives	Targets	Description of Activities (Key Outputs)	Green Economy considerations	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency
Services Company Ltd	Sewerage services		Construction of treatment works, new intake at Gatango, Sludge drying beds, Masonarytank at Nduma& Pipeline. Replacement & relocation of pipeline. Decentralised sanitation facilities in various towns. Sewer lines extension for Othaya Procurement of district master & Consumer meters	Social Economics improvement. Poverty reduction Environmental improvement will be realized. Time used to fetch water will be reduced		Com pany Dono r		Natural Resources
Naromoru township water project Naromoru/Kiamath aga ward	To provide water for domestic use, improve water quality and Sanitation.	2200H H	Construction of pipeline , storage tanks, Sewerage system, Completion of Treatment Works, Drilling & equipping borehole Procurement of district master & Consumer meters	The project will improve the livelihood of the community through. -Social impact. -Economical improvement -Environmental improvement will be realized.	628 m	CGN GOK Com pany Dono rs	2018- 2022	Water, Environment & Natural Resources
Kaing'ore Hydrum project (Kirurumo Kianyange) Gikondi Ward	To Increase area under irrigation by 12.5 acres and increase food production.	100Hh s.	Construction of 1no reinforced Hydrum platform and extension of 0.5km pipeline system	Promote food production and wealthy creation as per vision 2030	0.65 M	CGN Com muni ty	2018- 2019 Financia l year.	Water, Environment & Natural Resources
Thiha Sagana Irrigation project in Rugi ward	To Increase area under irrigation by 75 acres and increase food production.	150Hh s.	Rehabilitation of intake works, fitting and extension of piping system to about 20Km	Promote food production and wealthy creation as per vision 2030	8m	CGN Com muni ty	2017- 2019 Financia l year.	Water, Environment & Natural Resources
Thiha Micro Irrigation project in Rugi ward	To Increase area under irrigation by 50 acres and increase food production.	100Hh s.	Rehabilitation of intake ,fitting and extension of piping system to about 25Km.	Promote food production and wealthy creation as per vision 2030	10m	CGN Com muni ty	2017- 2020	Water, Environment & Natural Resources
Mukurwe-ini Rural Water Project (Gathugu) Rugi Ward	To provide water for domestic use and minor Irrigation.	100Hh	Construction of 100m ³ masonry tank	Social Economics improvement. Poverty reduction Environmental improvement will be realized. Health standard will be improved Time used to fetch water will be reduced	2m	CGN Com muni ty	2017- 2018	Water, Environment & Natural Resources
Kamoko/ Mahiga Irrigation Project, phase 2 – Mahiga Ward	Increase area under irrigation	250 HHs	Laying of pipeline for 12kms	Water use efficiency strategies to increase water utilization in irrigation Sustainable crop production for food security Intensification of land use through better land and water management eg Use of soil and water conservation measures in irrigated land to reduce land degradation	11 M	TAR DA CGN CDF Com muni ty	2017- 2019	Water, Environment & Natural Resources
Changachicha /Kagongo irrigation project-Chinga Ward	Increase area under irrigation	800acr es (3200 HHs)	Construction of intake laying of pipeline for 120km of mainline and distribution network	Create employment for women and youth in green economy Sustainable food security and empower the resident economically and socially.	125 M	CGN Gok Com muni ty	2016- 2022	Water, Environment & Natural Resources

Project Name/ Location *	Objectives	Targets	Description of Activities (Key Outputs)	Green Economy considerations	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency
				Intensification of land use		Donors		
Kahuro-Kianjoro irrigation project- Karima ward	Increase area under irrigation	30acres (120 HHs)	laying of pipeline for the mainline and distribution network Installation of Hydrum and 100CM storage tank	Spur Economic growth through irrigation and development Create employment for women and youth in green economy Sustainable food security Intensification of land through use of safe farm inputs and chemicals Introduction of drip irrigation for efficient use of water	10m	CGN Community	2016-2020	Water, Environment & Natural Resources
Ichagethi irrigation project- Iria-ini ward, Othaya	Increase area under irrigation	260HHs	laying of pipeline for the mainline, distribution network and Construction of the Intake	Sustainable food security Intensification of land use Introduction of drip irrigation for efficient use of water	10m	CGN Community	2018-2021	Water, Environment & Natural Resources
Ihwa irrigation project Kamakwa/ Mukaro	Increase area under irrigation	35 ha	Construction of pipelines Ranging from 225-32 mm Ø upvc pipes total distance 10km construction of 2 No BPT and river crossings	The project will improve the livelihood of the community through:- -Social impact. -Economical improvement -Environmental improvement will be realized. Technological improvement within the community.	15m	CGN Community	2018-2022	Water, Environment & Natural Resources
Wangi Kanuna irrigation project Mathari Kiganjo (UTaNRMP, IFAD) (Donor)	Increase area under irrigation	70 ha	Construction of pipelines Ranging from 355-32 mm Ø upvc pipes total distance 33km & Rehabilitation of 1 No. Tank.	The project will improve the livelihood of the community through. -Social impact. -Economical improvement -Environmental improvement will be realized. Technological improvement within the community.	15m	IFAD CGN Community	2018	Water, Environment & Natural Resources
Kihuyo irrigation project Mathari Kiganjo	Increase area under irrigation	40 ha	Construction of pipelines Ranging from 225-32 mm Ø upvc pipes total distance 20km & Construction of 1 No 225 m ³ masonry tank	The project will improve the livelihood of the community through. -Social impact. -Economical improvement -Environmental improvement will be realized. Technological improvement within the community.	30m	CGN Community Donor	2018-2022	Water, Environment & Natural Resources
Njengu irrigation project Mathari Kiganjo	Increase area under irrigation	225 acres	Construction of pipelines ranging from 225-32mmØ upvc and GI pipes total distance about 25 km & construction of 2 No 225m ³ tanks	The project will improve the livelihood of the community through. -Social impact. -Economical improvement -Environmental improvement will be realized.	87m	CGN GOK Community Donors	2018-2022	Water, Environment & Natural Resources

Gura/ Ugachiku water project	Mahiga Ward	Increase access to water	Newly completed by NIB	Rehabilitation of pipeline	5M	GoK/ CGN	2018-2022	Water, Environment & Natural Resources
Kahuro / Kirai water project	Mahiga Ward	Increase access to water	wash out chambers	Construction of wash out chambers	10M	GoK/ CGN	2018-2022	Water, Environment & Natural Resources
Mbafu water spot	Mahiga Ward	Increase access to water	600HHs	Rehabilitation of the community water point	5M	GoK/ CGN	2018-2022	Water, Environment & Natural Resources
Miiri-ini water project	Mahiga Ward	Improved food security	3km	Laying of pipes for irrigation water	5M	GoK/ CGN	2018-2022	Water, Environment & Natural Resources
Kamumu water project	Mahiga Ward	Improved food security	3km	Laying of pipes for irrigation water	5M	GoK/ CGN	2018-2022	Water, Environment & Natural Resources
Njigari irrigation project	Mahiga Ward	Improved food security	800HHs	Excavation of a dam (njigari forest); Construction of intake and piping	10M	GoK/ CGN	2018-2022	Water, Environment & Natural Resources
Rukira irrigation project	Mahiga Ward	Improved food security	3km	Construction of intake and Laying of pipes	25M	GoK/ CGN	2018-2022	Water, Environment & Natural Resources
Kahuro irrigation project	Karima ward	Improved food security	3km	Laying of pipes	2M	GoK/ CGN	2018-2022	Water, Environment & Natural Resources
Unjiru dam	Karima ward	Increase water storage	1No. Dam	Levelling of the dam	1M	GoK/ CGN	2018-2022	Water, Environment & Natural Resources
Karathi irrigation project	Karima ward	Improved food security	3km	Laying of pipes	2M	GoK/ CGN	2018-2022	Water, Environment & Natural Resources
Kiandegu water project	Karima ward	Improved food security	1 No. intake	Construction of an intake	1M	GoK/ CGN	2018-2022	Water, Environment & Natural Resources
Gikeu water project	Karima ward	Improved food security	1 No. hydram	Construction of a hydram	1.5M	GoK/ CGN	2018-2022	Water, Environment & Natural Resources
Kinaiyu water project	Karima ward	Improved food security	1 No. hydram	Construction of a hydram	1.5M	GoK/ CGN	2018-2022	Water, Environment & Natural Resources
Kagongo water project	Karima ward	Improved food security	1 No. hydram	Construction of a hydram	1.5M	GoK/ CGN	2018-2022	Water, Environment & Natural Resources
Mbari ya Ngai water project	Karima ward	Improved food security	1 No. hydram	Construction of a hydram	1.5M	GoK/ CGN	2018-2022	Water, Environment & Natural Resources
Gura River Irrigation Scheme	Karima	Improved food security	1300HHs	Construction of intake and piping	5M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Thuti River Irrigation Scheme	Karima	Improved food security	1300HHs	Construction of intake and piping	5M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Karu Water Project	Ruguru Ward	Improved food security	1300HHs	Completion	5M	GOK/CGN	2018-2022	Water, Environment & Natural Resources

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency/ Department
Ruguru Water Project	Ruguru Ward	Improved food security	1300HHs	Completion	100M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Kianyange Dam	Ruguru ward	Increase water storage	1300HHs	Rehabilitation	8M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Kanyata Water Pan	Kirimukuyu Ward	Increase water storage	1300HHs	Rehabilitation	3M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Rimai Water Pan	Kirimukuyu Ward	Increase water storage	1300HHs	Rehabilitation	3M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Kianjogu water project	Kirimukuyu Ward	Increase water storage	1300HHs	Construction of water tank; Purchase of pipes	5M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Gatamuki water Pan	Kirimukuyu Ward	Increase water storage	1 No. Water Pan	Rehabilitation	3M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Galiba water pan	Kirimukuyu Ward	Increase water storage	1 No. Water Pan	Rehabilitation	3M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Giakabura Water Pan	Kirimukuyu Ward	Increase water storage	1 No. Water Pan	Rehabilitation	3M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Rwanda Water Pan	Kirimukuyu Ward	Increase water storage	1 No. Water Pan	Rehabilitation	3M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Kirimukuyu Community Water Project	Kirimukuyu Ward	Increase water storage	1500HHs	Completion	50M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Tumutumu Water Project	Kirimukuyu Ward	Increase water storage	1 No. Water intake	Construction of intake.	5M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Njima Dam	Kirimukuyu Ward	Increase water storage	1 Dam	Renovation (Digging and Fencing)	4M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Tumutumu Hill	Kirimukuyu Ward	Increase water storage	10km	Fencing and Guarding	3M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Githima Water Project	Kirimukuyu Ward	Increase access to water	1300HHs	Purchase of Water Tank; Piping	2.5M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Ruthagati Water Project	Kirimukuyu Ward	Increase access to water	1300HHs	Purchase of Water Tank; Piping	2.5M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Kiangi Water Project	Kirimukuyu Ward	Increase access to water	1300HHs	Purchase of Water Tank; Piping	2.5M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Konyu boreholes	Konyu Ward	Increase access to water	Four	Drilling of boreholes	20M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Gathugu/mukore water project	Konyu Ward	Increase access to water	One water project	Completion	4M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Karembu water project	Konyu Ward	Increase access to water	One water project	Completion	4M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Peter chira water project	Konyu Ward	Increase access to water	One water project	Completion	4M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Mutui water project	Konyu Ward	Increase access to water	One water project	Completion	4M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Kahara water project	Konyu Ward	Increase access to water	One water project	Completion	5M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Chania Tropical Rae water supply	Rware Ward	Increase access to water	3km	Piping	5M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Kiunyu Dam	Ruringu Ward	Increase water storage	1500 HHs	Rehabilitation and Fencing/ Fish farming	5M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Ithenguri Dam	Ruringu Ward	Increase water storage	1500 HHs	Rehabilitation and Fencing/ Fish farming	3M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Kanoga Dam	Ruringu Ward	Increase water storage	1500 HHs	Tree Nurseries/Fish farming	0.1M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Othaya Polytechnic water supply	Iriaini Ward (Othaya)	Increase access to water	1500 HHs	Supply of reliable water	5M	GOK/CGN	2018-2022	Water, Environment & Natural Resources

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency/ Department
Gitundu Primary	Iriaini Ward (Othaya)	Increase access to water	1 No. Borehole	Drilling of borehole	5M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Munaini Primary	Iriaini Ward (Othaya)	Increase access to water	1 No. Borehole	Drilling of borehole	5M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Kiandukia Water Project	Iriaini Ward (Othaya)	Increase access to water	1500 HHs	Purchase of pipes	8M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Gikurwe water project	Konyu Ward	Increase access to water	One water project	Completion	5M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Iriaini water project	Konyu Ward	Increase access to water	One water project	Completion	5M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Nguka water project	Konyu Ward	Increase access to water	One water project	Completion	5M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
West Magutu Water Project	Magutu Ward	Increase access to water	2500HHs	Rehabilitation and completion of projects, Building dams, Building of water pans and boreholes	20M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Upper Magutu Water Project	Magutu Ward	Increase access to water	2000HHs	Purchase of more pipes, Construction of intake.	5M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Kanoga Dam	Kamakwa/ Mukaro Ward	Increase water storage	1500HHs	Operationalize and Fencing	2M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Kamakwa-Mukaro / Huhoini Irrigation Project	Kamakwa/ Mukaro Ward	Increase access to water	2500HHs	Rehabilitation and equipping	20M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Chinga roof water harvesting	Chinga Ward	Increase water storage	24 schools	Construction of storage tanks and gutters	96M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Chinga Boreholes	Chinga Ward	Increase access to water	24 schools	Drilling Boreholes	120M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Gichami Water Project	Chinga Ward	Increase access to water	2km	Procurement and Laying of Pipes	1M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Kianda-ini Water Project	Chinga Ward	Increase access to water	2.5km	Procurement and Laying of Pipes	8M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Chinga Dam	Chinga Ward	Increase water storage	1 Dam	Fencing	5M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Ichamara Orthodox Community Tank	Mukurwe-ini Central	Increase water storage	1 No. Tank	Rehabilitation of the Tank	1M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Ngimaini Dam	Mukurwe-ini Central	Increase water storage	3km	Piping water, pumping, fish pond & tree nursery	2M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Ichamara Market Borehole	Mukurwe-ini Central	Increase access to water	1 Borehole	Drilling.	5M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Rwaarai River Irrigation Project	Mukurwe-ini Central	Improved food security		Construction and piping	40M	GOK/CGN	2018-2022	Water, Environment & Natural Resources
Gaturiri /Thung'ari boreholes	Thegu River ward	Increase access to water	2 No. boreholes	Equipping of Boreholes	4M	GoK/ CGN/ DONOR	2018-2022	Water, Environment & Natural Resources/NDMA
Naromoru/Kimathaga/ Gakawa boreholes	Naromoru/Kimathaga/ Gakawa wards	Increase access to water	3 No. boreholes	Drilling & equipping of borehole	6M	GoK/ CGN/ DONOR	2018-2022	Water, Environment & Natural Resources/NDMA

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency/ Department
Water Trucking project	All Kiini East Wards	Increase access to water	600 HHs	Provision of water to institutions with empty tanks	0.9 M	GoK/ CGN/ DONOR	2018-2022	Water, Environment & Natural Resources/NDMA
Water harvesting project	All Kiini East Wards	Increase water storage	600 HHs	Provision of water tanks to all institutions with gutted roof	0.65M	GoK/ CGN/ DONOR	2018-2022	Water, Environment & Natural Resources/NDMA
Kiini East dams	Gakawa/Thegu River/Naromoru Kiamathaga/ Kabaru wards	Increase water storage	1200 HHs	De-silting of Dams & Pans	80M	GoK/ CGN/ DONOR	2018-2022	Water, Environment & Natural Resources/NDMA
Kiini East Water Projects	All Kiini East Wards	Increase access to water	3000 HHs	Extension of Pipelines to water stressed areas	8.0M	GoK/ CGN/ DONOR	2018-2022	Water, Environment & Natural Resources/NDMA
Gatogo water project	Gataragwa ward	Increase water storage	800 HHs	Construction Of 225m ³ masonry tank	2.6 M	GoK/ CGN/ DONOR	2018-2022	Water, Environment & Natural Resources/NDMA
Hospital and Schools Roof water harvesting project	All Kiini Wards	Increase water storage	5000 people 800 HHs	Installation of Rain water harvesting systems(Gutters); No.10 M ³ Plastic water tanks and construction of tank platforms; Assist operational Boreholes with Fuel	5.5 M	GoK/ CGN/ DONOR	2018-2022	Water, Environment & Natural Resources/NDMA
Kamuihuria/ Gatuamba boreholes	Thegu River ward	Increase access to water	2 No. boreholes	Repair of Boreholes	1.0M	GoK/ CGN/ DONOR	2018-2022	Water, Environment & Natural Resources/NDMA
Zamua Irrigation Project	Dedan Kimathi Ward	Improved food security	1500HHs	Reservoir tank and distribution pipes	8M	GoK / CGN	2018-2022	Water, Environment and Natural Resources
Kahigaini/Kanjora Water Project	Dedan Kimathi Ward	Improved food security	1500HHs	Reservoir tank and distribution pipes	4M	GoK / CGN	2018-2022	Water, Environment and Natural Resources
Kiandongoro/ Gatumbiro Water Project	Dedan Kimathi Ward	Improved food security	1500HHs	Reservoir tank and distribution pipes	4M	GoK / CGN	2018-2022	Water, Environment and Natural Resources
Zaina Forest Project	Dedan Kimathi Ward	Increase tree cover	1500HHs	Planting of tree seedlings	0.5M	GoK / CGN	2018-2022	Water, Environment and Natural Resources
Kindongoro Forest project	Dedan Kimathi Ward	Increase tree cover	1500HHs	Planting of tree seedlings	0.5M	GoK / CGN	2018-2022	Water, Environment and Natural Resources
Kabage Forest project	Dedan Kimathi Ward	Increase tree cover	1500HHs	Planting of tree seedlings	0.5M	GoK / CGN	2018-2022	Water, Environment and Natural Resources
Ihithi Irrigation Project	Wamagana Ward	Improved food security	1500HHs	Intake, piping and reservoir tanks	8M	GoK / CGN	2018-2022	Water, Environment and Natural Resources
Tucha Irrigation Project	Wamagana Ward	Improved food security	1500HHs	Intake, piping and reservoir tanks	8M	GoK / CGN	2018-2022	Water, Environment and Natural Resources
Gura Irrigation Project	Wamagana Ward	Improved food security	1500HHs	Intake, piping and reservoir tanks	8M	GoK / CGN	2018-2022	Water, Environment and Natural Resources

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency/ Department
Gathuthi (Thiriku) Water Project	Wamagana Ward	Improved food security	1500HHs	Intake, piping and reservoir tanks	8M	GoK / CGN	2018-2022	Water, Environment and Natural Resources
Water harvesting Project	Mweiga Ward	Increase water storage	1500HHs	Construction of Micro Dams	20M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Kamatongu-Simbara Water Project	Mweiga Ward	Improved food security	1500HHs	Construction of tank and distribution pipes	25M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Samaki Borehole (Kamatongu)	Mweiga Ward	Increase access to water	1500HHs	Construction and electrification of a borehole	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Expanges Borehole	Mweiga Ward	Increase access to water	1500HHs	Construction and drilling of a borehole	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Mweiga Water Project	Mweiga Ward	Increase access to water	1500HHs	Construction of a water reservoir, Distribution to Mweiga Primary and Secondary Sch	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Amboni Water Projects	Mweiga Ward	Increase access to water	1500HHs	Distribution Pipes	30M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Bondeni Riru Water Project	Mweiga Ward	Increase access to water	1500HHs	Construction of tank	8M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Simbara-Bondeni Water Project	Mweiga Ward	Increase access to water	1500HHs	Completion of Intake and distribution pipes supply	25M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Karega Friends Water Project	Endarasha Mwiyo	Increase access to water	3.5 Km 2" pipes and 100m3 Tank	Piping and reservoir tank	3M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Nganyuthe Water Project	Endarasha Mwiyo	Increase access to water	2000HHs	Sinking boreholes	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Karaguriro Water Project	Endarasha Mwiyo	Increase access to water	1500HHs	Piping and reservoir tank	4M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Wendiga water Project	Endarasha Mwiyo	Increase access to water	3.5 Km 4" Pipes and 100m3 Tank	Piping and reservoir tank	4M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Wasongiro Water Pan	Endarasha Mwiyo	Increase water storage	1 Water pan	Desilting	4M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Karaguriro Dam	Endarasha Mwiyo	Increase water storage	1 Dam	Desilting and embankments enforcement	4M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Muthu-ini Dam	Endarasha Mwiyo	Increase water storage	1 Dam	Desilting	4M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Kiburuti Dam	Endarasha Mwiyo	Increase water storage	1 Dam	Desilting	4M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Kagiri Dam	Endarasha Mwiyo	Increase water storage	1 Dam	Desilting	4M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Kiburuti Borehole(Muthu-ini)	Endarasha Mwiyo	Increase access to water	1 Bore hole	Drilling of Borehole and Piping	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Kiburuti Water Project	Endarasha Mwiyo	Increase access to water	1500HHs	Piping and Water tank Construction	7M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Kanyiriri Water Project	Endarasha Mwiyo	Increase access to water	1 Bore hole	Drilling of Borehole and Piping	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Mahiga Cattle dip Borehole	Endarasha Mwiyo	Increase access to water	1 Bore hole	Drilling of Borehole and Piping	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency/ Department
Githunguri Borehole	Endarasha Mwiyo	Increase access to water	1 Bore hole	Rehabilitation, Sub-mersive pump and solar panels installation	3M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Karera Area	Endarasha Mwiyo	Increase access to water	1200HHs	Construction of reservoir tank and piping	1M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Kamune Borehole	Endarasha Mwiyo	Increase access to water	1 Bore hole	Rehabilitation, Sub-mersive pump and solar panels installation	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Thuruthuru River	Endarasha Mwiyo	Increase access to water	2000HHs	Intake construction and piping	3M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Kiburuti Borehole	Endarasha Mwiyo	Increase water storage	2000HHs	Rehabilitation and Construction of 100m ³ reservoir tank	3M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Mwihoko Water Project	Endarasha Mwiyo	Increase access to water	2000HHs	Piping and 100m ³ Tank reservoir tank	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Karima Water Tank	Endarasha Mwiyo	Increase access to water	2000HHs	Pipes for Service Line	4M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Honi Assistant Chief Borehole	Endarasha Mwiyo	Increase access to water	1 No. borehole	Drilling of Borehole and Piping	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Mburu Dam	Endarasha Mwiyo	Increase water storage	1 Dam	Rehabilitation	4M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Labura Twin Dam	Endarasha Mwiyo	Increase water storage	1 Dam	Desilting	4M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Rurii Dam	Endarasha Ewiyo	Increase water storage	1 Dam	Desilting	4M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Kimita Dam	Endarasha Mwiyo	Increase water storage	1 Dam	Desilting	4M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Mutongu Dam	Endarasha Mwiyo	Increase water storage	1 Dam	Desilting	4M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Kiburuti (Gitegi) Water Project	Gatarakwa Ward	Increase access to water	2000HHs	Piping and Reservoir tank	7M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Kaaga Gitegi Water projects	Gatarakwa Ward	Increase access to water	2000HHs	Drilling of borehole, Distribution pipes and reservoir tanks	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Kabati –Gitegi Water Project	Gatarakwa Ward	Increase water storage	2000HHs	Construction of reservoir tanks	6M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Kiria Water Project	Gatarakwa Ward	Increase access to water	2000HHs	Drilling of borehole, Distribution pipes and reservoir tanks	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Kimunyuru Water Project	Gatarakwa Ward	Increase access to water	800pipes -6"; 800 pipes – 3"	Drilling of borehole, Distribution pipes and reservoir tanks	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Endarasha Water Project	Gatarakwa Ward	Improved food security	400pieces 4" Pipes	Distribution pipes and reservoir tanks	15M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Charity Water Project (Kamocho)	Gatarakwa Ward	Improved food security	300 pieces 3" Pipes	Distribution pipes and reservoir tanks	0.7M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency/ Department
Embaringo Water Project	Gatarakwa Ward	Improved food security	700 pieces 6" pipes	Distribution pipes and reservoir tanks	4M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Treffos Kiburuti Water Projects	Gatarakwa Ward	Improved food security		Distribution pipes and reservoir tanks	20M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Kimunyuru Kwa Wamuriithi Water Project (Embaringo)	Gatarakwa Ward	Increase water storage	Reservoir Tanks - 2 ; 1500pipes - 6"; 400 pipes - 2"	Reservoir Tank- 225cc	8M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Gituchu – Gakanga	Gatarakwa Ward	Increase access to water	1.5km; 2 No. tanks	Distribution pipes and reservoir tanks	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Bamboo Water Project	Gatarakwa Ward	Increase access to water	1350 pipes – 4"; 2 No. tanks	Distribution pipes and reservoir tanks	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Watuka Water Project	Gatarakwa Ward	Increase access to water	2250 pipes – 4"; 1500 pipes – 3"; 5 No. tanks	Distribution pipes and reservoir tanks	8M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Mwiyogo Water Project (Kiahuria)	Gatarakwa Ward	Increase access to water	4 No. tanks	Distribution pipes and reservoir tanks	10M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Gatarakwa Water Harvesting	Gatarakwa Ward	Increase water storage	2000HHs	Water harvesting dams, waterpans, reservoir tanks and liners	20M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Wasonyiro River Conservation Project	Gatarakwa Ward	Riparian conservation	800HHs	Planting of bamboo trees	0.5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Mutitu B Water Project	Mugunda Ward	Increase access to water	1000HHs	Construction of intake and piping	25M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Lamuria Water Project	Mugunda Ward	Improved food security	1200HHs	Relocation of Intake	2.5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Muthangira/ Garumu Water Project (Tanyai, Ndiritui, Birisha)	Mugunda Ward	Increase water storage	3000HHs	Storage tank construction	4M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Kabendera Borehole Project	Mugunda Ward	Increase access to water	One Borehole	Drilling of borehole	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Gachuma Borehole Project	Mugunda Ward	Increase access to water	One Borehole	Drilling of borehole	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Kienjero Borehole Project	Mugunda Ward	Increase access to water	One Borehole	Drilling of borehole	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Ruai Borehole Project	Mugunda Ward	Increase access to water	One Borehole	Drilling of borehole	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Muthangira Borehole Project	Mugunda Ward	Increase access to water	One Borehole	Drilling of borehole	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Mugunda Water Dam/ Pans Project	Mugunda Ward	Increase water storage	2000HHs	Rehabilitation of Lamuria, Karemeno, Ruai, Birisha Water Dams/ Pans	25M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency/ Department
Muringa CFA (Berevue) Tree Planting Project	Mugunda Ward	Increase forest cover	2500HHs	Establishing tree nurseries	0.5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Gura Irrigation Project	Mukurweini west Ward	Improved food security	2800HHs	Purchase of pump,Construction of water tank and purchase of pipes	15M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Gatura Irrigation Project	Mukurweini west Ward	Increase access to water	1 No. borehole	Drilling & equipping of borehole; piping	3M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Gakindu Irrigation Project	Mukurweini west Ward	Increase access to water	1 No. borehole	Drilling & equipping of borehole; piping	5M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Wanjithi Irrigation Project	Mukurweini west Ward	Increase access to water	1 No. borehole	Drilling & equipping of borehole; piping	5M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Mbiyuini Irrigation Project	Mukurweini west Ward	Increase access to water	1 No. borehole	Drilling & equipping of borehole; piping	5M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Ruthanji Irrigation Project	Mukurweini west Ward	Increase access to water	1 No. borehole	Drilling & equipping of borehole; piping	5M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Njiruini Irrigation Project e	Mukurweini west Ward	Increase access to water	1 No. borehole	Drilling & equipping of borehole; piping	5M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Munyu(Kaheti) Irrigation Project	Mukurweini west Ward	Increase access to water	1 No. borehole	Drilling & equipping of borehole; piping	5M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Mutitu Borehole	Gikondi Ward	Increase access to water	1 No. borehole	Drilling and equipping	5M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Mukui water Tank	Gikondi Ward	Increase access to water	1 No. Tank	Construction and Piping	8M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Mbari ya Ituu dam	Gikondi Ward	Increase area under irrigation	1 Dam	Rehabilitation, construction and extension of pipes	2M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Kabi Dam	Gikondi Ward	Increase area under irrigation	1 Dam	Rehabilitation to provide water for irrigation	2M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Kiirungi irrigation scheme	Gikondi Ward	Increase area under irrigation	1000 HHs	Design, survey and Piping	3M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Ithemoigi dam	Gikondi Ward	Increase area under irrigation	1000 HHs	Fencing and construction of water pump station	2M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
KirumokiaNyan ge irrigation Scheme	Gikondi Ward	Increase area under irrigation	800 HHs	Upgrading, Design, survey and Piping	5M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Kanyiriri water project	Gikondi Ward	Increase area under irrigation	1200 HHs	Up grading and piping	5M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Kaguj Water Project	Gikondi Ward	Increase area under irrigation	700 HHs	Up grading and piping	5M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Rukira Irrigation Project	Mahiga Ward	Increase area under irrigation	1100 HHs	Laying of pipeline for 55kms &Construction of intake	66 M	CGN/GOK/Community/Donors	2018-2022	Water, Environment and Natural Resources
Mutoigo Irrigation	Wamagana Ward	Increase area under irrigation	800 Ha(1000 Hh)	Laying of pipeline for the mainline, distribution network	120M	CGN/GOK/Community/Donors	2018-2022	Water, Environment and Natural Resources

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency/ Department
				&Construction of intake				
Huhoini-Mukaro Irrigation	Dedan Kimathi Ward	Increase area under irrigation	300 Ha(2500 Hh)	Laying of pipeline for the 10Km mainline, distribution network &Construction of intake	100M	CGN/GOK/Community/Donors	2018-2022	Water, Environment and Natural Resources
KahigainiKanjora Irrigation	Dedan Kimathi Ward	Increase area under irrigation	50ha(400Hhs)	Laying of pipeline for the 50Km mainline, distribution network & Construction of intake	30M	CGN/GOK/Community/Donors	2018-2022	Water, Environment and Natural Resources
Lamuria Dam	Mugunda Ward	Increase water supply coverage & area under Irrigation	60,000m3	Prefeasibility studies, design & construction.	35m	CGN/GOK/Community/Donors/ NDMA	2018-2022	Water, Environment and Natural Resources
West Magutu Water Project	Magutu Ward	To enhance access to clean and safe water	1500HHs	Construction of Intake and laying of Pipes	5M	GOK/CGN	2018/2022	Water, Environment and Natural Resources
Upper Magutu Water Project	Magutu Ward	To enhance access to clean and safe water	1500HHs	Construction of Intake and laying of Pipes	5M	GOK/CGN	2018/2022	Water, Environment and Natural Resources
Muthira Gathirathiru Water Project	Magutu Ward	To enhance access to clean and safe water	1500HHs	Construction of Intake and laying of Pipes	5M	GOK/CGN	2018/2022	Water, Environment and Natural Resources
Kihuri Water Project	Magutu Ward	To enhance access to clean and safe water	1500HHs	Construction of Intake and laying of Pipes	5M	GOK/CGN	2018/2022	Water, Environment and Natural Resources
Kagochi Kahurathi Water Project	Magutu Ward	To enhance access to clean and safe water	1500HHs	Construction of Intake and laying of Pipes	5M	GOK/CGN	2018/2022	Water, Environment and Natural Resources
Tumutumu hill	Kirimukuyu Ward	To conserve the ecosystem	1 hill	Aforestation program	1M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Kaguyu/Kienjaini water project	Iriaini ward (Mathira)	To enhance access to clean and safe water	2000HHs	completion	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Wangi Kanuna water project	Kiganjo/Mathari Ward	To enhance access to clean and safe water	2000HHs	completion	5M	GOK/CGN	2018-2022	Water, Environment and Natural Resources
Kairia five water project	Iriaini ward (Mathira)	To enhance access to clean and safe water	1 tank	Completion of tank, piping network	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Kiria dam	Gatarakwa Ward	To enhance access to clean and safe water	1	construction	4M	GOK/CGN	2018-2022	Water, Environment and Natural Resources
Cheche water project	Iriaini ward (Mathira)	To enhance access to clean and safe water	2000HHs	Construction of a water reservoir network	4M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Gatundu Water project	Iriaini ward (Mathira)	To enhance access to clean and safe water	2000HHs	Construction of tanks	4M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Ereri Kirumia Water Project	Kiganjo/Mathari Ward	To enhance access to clean and safe water	2000HHs	Construction of Water Reservoir	4M	GOK/CGN	2018-2022	Water, Environment and Natural Resources
Cheru dam	Iriaini ward (Mathira)	To enhance access to clean and safe water	1 dam	Desilting of dam	4M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Gitero – Kabati Water project	Naromoru/Kiamathaga Ward	To enhance access to clean and safe water	1500HHs	Distribution pipes	6M	GOK/CGN	2018-2022	Water, Environment and Natural Resources

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency/ Department
Karage Bara Minor water project	Gatarakwa ward	To enhance access to clean and safe water	1500HHs	Distribution pipes (1000 pipes 4" 150 pipes 3"), 3 reservoir tanks	6M	GOK/CGN	2018-2022	Water, Environment and Natural Resources
Mutoigu water project	Ruringu ward	To enhance access to clean and safe water	1500HHs	Distribution pipes, reservoir tank etc	6M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Mukaro water project	Ruringu ward	To enhance access to clean and safe water	1500HHs	Distribution pipes, reservoir tank etc	6M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Kabuda water project	Naromoru/Ki amathaga Ward	To enhance access to clean and safe water	1	Drilling of borehole & equipping	3M	GOK/CGN	2018-2022	Water, Environment and Natural Resources
Gitwe water project	Naromoru/Ki amathaga Ward	To enhance access to clean and safe water	1	Drilling of borehole & equipping	3M	GOK/CGN	2018-2022	Water, Environment and Natural Resources
Kandara water project	Naromoru/Ki amathaga Ward	To enhance access to clean and safe water	1000HHs	Equipping with solar panel	3M	GOK/CGN	2018-2022	Water, Environment and Natural Resources
Kiawaiguru water project	Iriaini ward (Mathira)	To enhance access to clean and safe water	1000HHs	Intake & piping network	6M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Kiawaiguru water project (Ihwagi Location)	Iriaini ward (Mathira)	To enhance access to clean and safe water	1000HHs	Intake and pipes	6M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Kihuyo/ Nyarugumu water project	Kiganjo/Math ari Ward	To enhance access to clean and safe water	1000HHs	Pipes & construction of storage tank	6M	GOK/CGN	2018-2022	Water, Environment and Natural Resources
Njengu – Nyaribo water project	Kiganjo/Math ari Ward	To enhance access to clean and safe water	1000HHs	Pipes & construction of storage tank	6M	GOK/CGN	2018-2022	Water, Environment and Natural Resources
Kamburaini borehole	Naromoru/Ki amathaga Ward	To enhance access to clean and safe water	1	Rehabilitation	1M	GOK/CGN	2018-2022	Water, Environment and Natural Resources
Kiamwangi, Miiri & Kahuru	Iriaini ward (Mathira)	To enhance access to clean and safe water	3	Sinking of boreholes	9M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Chorongi factory wetmill	Ruringu ward	To enhance access to clean and safe water	1 borehole	Drilling and equipping	3M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Kigwandi factory wetmill	Ruringu ward	To enhance access to clean and safe water	1 borehole	Drilling and equipping	3M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Riagamuru water project	Gatitu/Murug uru Ward	To enhance access to clean and safe water	2000HHs	completion	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Aguthi Gaaki Irrigation Project	Aguthi Gaaki Ward	To enhance access to clean and safe water	2500HHs	Completion, Distribution pipes and reservoir tanks	5M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Ihwa Irrigation Project	Kamakwa/ Mukaro Ward	To enhance access to clean and safe water	2500HHs	Completion/ Distribution pipes	5M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Githiru irrigation project	Gatitu/Murug uru Ward	To enhance access to clean and safe water	2500HHs	Construction of a water reservoir	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Lower Kakuret Water Project	Thegu River Ward	To enhance access to clean and safe water	2000HHs	Construction, distribution pipes and equipping	5M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Thegenge Irrigation Water Project	Wamagana Ward	To enhance access to clean and safe water	2000HHs	Construction, distribution pipes and equipping	5M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency/ Department
Kaigonji Water Project	Wamagana Ward	To enhance access to clean and safe water	2000HHS	Construction, distribution pipes and equipping	5M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Wandwethi Water Project	Iria-ini Ward (Othaya)	To enhance access to clean and safe water	2000HHS	Distribution Pipes	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Gatei Village Bore Hole	Thegu River Ward	To enhance access to clean and safe water	1 Borehole	Drilling, distribution pipes and equipping	3M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Karicheni Borehole	Thegu River Ward	To enhance access to clean and safe water	1 Borehole	Drilling, distribution pipes and equipping	3M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Coffee Factories Borehole Projects	Aguthi Gaaki Ward	To enhance access to clean and safe water	6 Boreholes	Drilling, Distribution pipes and reservoir tanks	3M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Gachatha Borehole	Wamagana Ward	To enhance access to clean and safe water	1 Borehole	Drilling, piping and equipping	3M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Kaiguri Factory Borehole	Wamagana Ward	To enhance access to clean and safe water	1 Borehole	Drilling, piping and equipping	3M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Kiandu Coffee Factory Borehole	Wamagana Ward	To enhance access to clean and safe water	1 Borehole	Drilling, piping and equipping	3M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Giakanja Coffee Factory Borehole	Wamagana Ward	To enhance access to clean and safe water	1 Borehole	Drilling, piping and equipping	3M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Thiriku Coffee Factory Borehole	Wamagana Ward	To enhance access to clean and safe water	1 Borehole	Drilling, piping and equipping	3M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Gura River Fish pond projects	Wamagana Ward	To enhance food security	20 Fish ponds	Drilling, piping and equipping	3M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Kamuyu factory borehole	Kamakwa/ Mukaro Ward	To enhance access to clean and safe water	1 Borehole	Drilling, Piping and Equipping	3M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Muthua-ini Factory bore	Kamakwa/ Mukaro Ward	To enhance access to clean and safe water	1 Borehole	Drilling, Piping and Equipping	3M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Rurichu Borehole	Mugunda Ward	To enhance access to clean and safe water	1 Borehole	Drilling, Piping and Equipping	3M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Wangata Borehole	Mugunda Ward	To enhance access to clean and safe water	1 Borehole	Drilling, Piping and Equipping	3M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
New city Borehole	Mugunda Ward	To enhance access to clean and safe water	1 Borehole	Drilling, Piping and Equipping	3M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Karogoto river community water project	Kirimukuyu Ward	To enhance access to clean and safe water	1500HHS	land acquisition Hydrum pump Reservoir, Piping & Distribution	4M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Gathagana Gaiti community water project	Kirimukuyu Ward	To enhance access to clean and safe water	1500HHS	land acquisition Hydrump pump Reservoir, Piping & Distribution	4M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Hohwe dam community water project	Kirimukuyu Ward	To enhance access to clean and safe water	1500HHS	Pumping, Reservoir tank, Piping & Distribution	4M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency/ Department
Sindoro Forest	Thegu River Ward	To enhance food security	1 Forest	Rehabilitation and tree planting	2M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Tree Nurseries Project (Birisha, Belevue and Tanyai)	Mugunda Ward	To enhance food security	3 Areas	Rehabilitation and tree planting	2M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Hohwe dam	Kirimukuyu Ward	To enhance food security	2 Areas	rehabilitation, tree planting & nursery, fish pods	2M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Muteithia water project (Gachuiro)	Kirimukuyu Ward	To enhance food security	2 Areas	Reservoir tank, Piping & Distribution	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Iria-ini Tree planting and greening Project	Iria-ini Ward (Othaya)	To enhance food security	3 Areas	Tree planting	0.5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Tree Planting and rehabilitation (River Rongai, Gathogo Springs)	Thegu River Ward	To enhance food security	3 Rivers	Tree planting Project and river rehabilitation	0.5M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Othaya Sewerage Project	Iria-ini Ward (Othaya)	To promote cleanliness in towns	1 System	Upgrade	10M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Giakagiria Borehole	Magutu Ward	To enhance access to clean and safe water	1 borehole	Drilling and equipping	3M	GOK/CGN	2018-2022	Water, Environment and Natural Resources
Gitunduti Bore hole	Magutu Ward	To enhance access to clean and safe water	1 Borehole	Drilling and equipping	3M	GOK/CGN	2018-2022	Water, Environment and Natural Resources
Kagodii Borehole	Magutu Ward	To enhance access to clean and safe water	1 Borehole	Drilling and equipping	3M	GOK/CGN	2018-2022	Water, Environment and Natural Resources
Ihuri Water Project	Ruguru Ward	To enhance access to clean and safe water	1 Project	Completion, piping and reservoir tank	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Nyana Water Project	Ruguru Ward	To enhance access to clean and safe water	1 Project	Completion, piping and reservoir tank	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Sagana Irrigation and water Project	Ruguru Ward	To enhance access to clean and safe water	1 Project	Completion, piping and reservoir tanks	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Ruturu Water Project	Ruguru Ward	To enhance access to clean and safe water	1 Project	Completion, piping and reservoir tanks	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Kiamariga Town Water project	Ruguru Ward	To enhance access to clean and safe water	1 Project	Distribution	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Hika Water Project	Ruguru Ward	To enhance access to clean and safe water	1 Project	Completion, piping and reservoir tanks	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Hiriga secondary borehole project	Ruguru Ward	To enhance access to clean and safe water	1 Project	Drilling and Equipping	3M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Kiagenina-Gatung'ang'a water project	Ruguru Ward	To enhance access to clean and safe water	1 Project	Completion, piping and reservoir tanks	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Karurumo-Kiahia	Ruguru Ward	To enhance access to clean and safe water	1 Project	Completion, piping and reservoir tanks	5M	GoK/ CGN	2018-2022	Water, Environment and Natural Resources
Gitugi Kiwa Irrigation Water Project	Mahiga Ward	To enhance access to clean and safe water	1300HHS	Distribution pipes and Reservoir Tanks	5M	GOK/CGN	2018/2022	Water, Environment and Natural Resources

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency/ Department
Kihome Irrigation Scheme	Mahiga Ward	To enhance access to clean and safe water	1300HHs	Distribution pipes and Reservoir Tanks	5M	GOK/CGN	2018/2022	Water, Environment and Natural Resources
Kagonye Irrigation Water Project	Mahiga Ward	To enhance access to clean and safe water	1300HHs	Distribution pipes and Reservoir Tanks	5M	GOK/CGN	2018/2022	Water, Environment and Natural Resources
Rukira Irrigation Water Project	Mahiga Ward	To enhance access to clean and safe water	1300HHs	Distribution pipes and Reservoir Tanks	5M	GOK/CGN	2018/2022	Water, Environment and Natural Resources
Mbari ya Ngai Irrigation Water Project	Karima Ward	To enhance access to clean and safe water	1500HHs	Distribution pipes and Reservoir Tanks	5M	GOK/CGN	2018/2022	Water, Environment and Natural Resources
Kihugiru Irrigation Water Project	Karima Ward	To enhance access to clean and safe water	1500HHs	Distribution pipes and Reservoir Tanks	5M	GOK/CGN	2018/2022	Water, Environment and Natural Resources
Gura Irrigation Water Project	Karima Ward	To enhance access to clean and safe water	1500HHs	Distribution pipes and Reservoir Tanks	5M	GOK/CGN	2018/2022	Water, Environment and Natural Resources
Wachira Gituru Water Project	Karima Ward	To enhance access to clean and safe water	1500HHs	Distribution pipes and Reservoir Tanks	5M	GOK/CGN	2018/2022	Water, Environment and Natural Resources
Gataro hydram Pumps	Mukurwe-ini Central Ward	To enhance access to clean and safe water	1 Hydram	Construction and Equipping	3M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Githi hydram Pumps	Mukurwe-ini Central Ward	To enhance access to clean and safe water	1 Hydram	Construction and Equipping	3M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Githung'ung'u hydram Pumps	Mukurwe-ini Central Ward	To enhance access to clean and safe water	1 Hydram	Construction and Equipping	3M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Naromoru Water and Sewerage Company	Gakawa Ward	To enhance access to clean and safe water	1 treatment plant	Construction of water treatment plant	8M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Gakawa water project	Gakawa Ward	To enhance access to clean and safe water	1 treatment plant	Construction of water treatment plant	8M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Burguret/ Gathiuru Water project	Gakawa Ward	To enhance access to clean and safe water	1 treatment plant	Construction of water treatment plant	8M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Mukurweini Water and Sewerage Company	Mukurwe-ini Central Ward	To enhance access to clean and safe water	15 Villages	Distribution pipes	7M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Burguret Centre Borehole	Gakawa Ward	To enhance access to clean and safe water	1 Borehole	Drilling and Equipping	3M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Waruru Borehole	Gakawa Ward	To enhance access to clean and safe water	1 Borehole	Drilling and Equipping	3M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Kamangura Water Project	Gakawa Ward	To enhance access to clean and safe water	2 Boreholes	Drilling and Equipping	6M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Mikumbere Water Project	Gakawa Ward	To enhance access to clean and safe water	2 Boreholes	Drilling and Equipping	6M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Ragati Water Project	Gakawa Ward	To enhance access to clean and safe water	3 Boreholes	Drilling and Equipping	9M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Mururu Water Project	Gakawa Ward	To enhance access to clean and safe water	2 Boreholes	Drilling and Equipping	6M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
KWahuku Water Project	Gakawa Ward	To enhance access to clean and safe water	2 Boreholes	Drilling and Piping	6M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency/ Department
Mlima kenya water project	Gakawa Ward	To enhance access to clean and safe water	2 Boreholes	Drilling and Piping and Reservoir tank	6M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Ruai Water Project	Gakawa Ward	To enhance access to clean and safe water	2 Boreholes	Drilling and Piping and Reservoir tank	6M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Equator Village Borehole	Gakawa Ward	To enhance access to clean and safe water	1 Boreholes	Drilling and Piping and Reservoir tank	3M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Burguret Water Project	Gakawa Ward	To enhance access to clean and safe water	1000HHs	Reservoir tank and piping	3M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Naromoru Township Borehole	Naromoru/Ki amathaga Ward	To enhance access to clean and safe water	1 Boreholes	Drilling and Piping and Reservoir tank	3M	CGN/ GoK	2018-2022	Water, Environment and Natural Resources
Ithemugi dam	Gikondi Ward	To enhance access to clean and safe water	1 dam	De-silting & piping	2M	CGN/GoK	2018-2022	Water, Environment and Natural Resources
Karindi Borehole	Gikondi Ward	To enhance access to clean and safe water	1 borehole	Drilling and pipe installation	3M	CGN/GoK	2018-2022	Water, Environment and Natural Resources
Igutha/Kamutha nga/Miigwa/We ll/Gakira water project	Gikondi Ward	To enhance access to clean and safe water	800HHs	Piping	3M	CGN/GoK	2018-2022	Water, Environment and Natural Resources
Kirurumo Kia Nyange Hydrum Water	Gikondi Ward	To enhance access to clean and safe water	800HHs	Construction and equipping	3M	CGN/GoK	2018-2022	Water, Environment and Natural Resources

7.11.1 New Project Proposals

Project Name	Location	Objectives	Targets	Description of Activities (Key Outputs)	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency
Rationalization of staff (CARPS)	County wide	To establish optimal staffing levels	County wide 500 staff	Targeted Voluntary Early Retirement, (payment of incentive)	0.8 billion	GOK/County Government /donor agency	Two years	CPSB
Development of County HR Plan	County wide	To align HR requirements to county strategic objectives	Approved County HR Plan	Desk review, Comprehensive collection and analysis of data on employees and posts; Comprehensive work analysis; Stakeholders meetings, drafting of report; Validation meetings/conference	2 million	County government	1 year	CPSB
Formulation/ Domestication of policies and guidelines	County wide	To entrench National norms and standards	All policies issued by PSC & new ones	Policies review and customization	5 Million	County Government KDSP	Two years	CPSB
Training & Development and retooling	County wide	Improve productivity and service delivery	To fill identified gaps	Training needs analysis report	300M	County Government KDSP	5 years	CPSB
Change management	County wide	Institutional capacity building	Optimal approved staff	Review structures; Streamline processes to make them more efficient and effective	0.5 million	County Government KDSP	5 years	CPSB

Project Name	Location	Objectives	Targets	Description of Activities (Key Outputs)	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency
			establishment					
Promotion of values & principle	County wide	Sensitization of staff on regulations, policies	No of Staff sensitized	Baseline Survey on compliance of values and principle	15 million	GOK/County Government /donor agency	5 years	CPSB
Establish CPSB Offices	County wide	provision of adequate office space	Establish Board offices- 2000 sq metres	Create BQ ; Tender the work, construct office block/refurbish	10 million	County government	5 year	CPSB
Nyeri County School of Government	County wide	Development of transformative leadership	Annual Training of all the staff in the County to drive change management.	Feasibility study; Signed MOU with KSG & other training institutions; Development of training	10 million	GOK/County Government /donor agency	5 years	CPSB
Strengthening CPSB	County wide	Ensuring independence and succession management	Development of CPSB Act & enabling regulations	Drafting of the Act & regulations; Tabling of the same in the County Assembly; Debating & subsequent passing of the same; Signing of the Act by H.E the Governor; Operationalization of the Act	3M	County government/Donor		CPSB
Internship programme	County wide	To impart skills and capacity build 1,500 interns to be recruited for all departments	1,500 interns	Advertise, shortlist, interview and recruit	270 m	GOK/County Government /donor agency	5 years	CPSB

7.12 Transport, Public works, Infrastructure and Communication

7.12.1 New project proposals

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency/ Department
County waste bio-digest	County	To improve waste Management	Clean and safe towns	Reduction in power bills	300 M	CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Kabaru Ward roads	Kabaru Ward	Improve communication	100 Km	Grading and gravelling and culvert installation	1500 M	CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Thunguma Shopping Centre	Gatitu/ Muruguru Ward	Improve security and increase hours of doing business	1 High Mast Floodlight	Installation of High Mast Floodlights	3.2M	GOK/CGN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Micha Shopping Centre Electrification	Gatitu/ Muruguru Ward	Improve security and increase hours of doing business	1 High Mast Floodlight	Installation of High Mast Floodlights	3.2M	GOK/CGN	2018 - 2022	Transport, Public Works, Infrastructure and Communication

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs .)	Source of funding	Timeframe	Implementing Agency/ Department
Riamukurwe Shopping Centre Electrification	Gatitu/ Muruguru Ward	Improve security and increase hours of doing business	1 High Mast Floodlight	Installation of High Mast Floodlights	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Thuta Makutano Road Electrification	Gatitu/ Muruguru Ward	Improve security and increase hours of doing business	2km	Installation of Streetlights	1.5M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Gatitu – Kihuru Road Electrification	Gatitu/ Muruguru Ward	Improve security and increase hours of doing business	2km	Installation of Streetlights	1.5M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kamakwa/Mukaro Roads	Kamakwa/ Mukaro Ward	To improve access and open up new areas	50km	All Remaining Feeder Roads to be Completed; Maintenance of all murramed roads.	75M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kagumo –Githerere Bridge	Wamagana Ward	To improve access and open up new areas	1 Bridge	Bridge Construction	3M	GoK / CGN	2018- 2022	Transport, Public Works, Infrastructure and Communication
Gatumbiro - Wandumbi	Wamagana Ward	To improve access and open up new areas	1 Bridge	Bridge Construction	3M	GoK / CGN	2018- 2022	Transport, Public Works, Infrastructure and Communication
Kiangima Bridge	Gikondi Ward	To improve access and open up new areas	One Bridge	Bridge Construction	3M	CGN/ GoK	2018- 2022	Transport, Public Works, Infrastructure and Communication
Kabii Bridge	Gikondi Ward	To improve access and open up new areas	One Bridge	Bridge Construction	3M	CGN/ GoK	2018- 2022	Transport, Public Works, Infrastructure and Communication
Githangi Bridge	Gikondi Ward	To improve access and open up new areas	One Bridge	Bridge Construction	3M	CGN/ GoK	2018- 2022	Transport, Public Works, Infrastructure and Communication
Reuben Bridge	Gikondi Ward	To improve access and open up new areas	One Bridge	Bridge Construction	3M	CGN/ GoK	2018- 2022	Transport, Public Works, Infrastructure and Communication
Gathandi Bridge	Gikondi Ward	To improve access and open up new areas	One Bridge	Bridge Construction	3M	CGN/ GoK	2018- 2022	Transport, Public Works, Infrastructure and Communication
Gachie Muranga Bridge	Gikondi Ward	To improve access and open up new areas	One Bridge	Bridge Construction	3M	CGN/ GoK	2018- 2022	Transport, Public Works, Infrastructure and Communication
Kagwni Murang Bridge	Gikondi Ward	To improve access and open up new areas	One Bridge	Bridge Construction	3M	CGN/ GoK	2018- 2022	Transport, Public Works, Infrastructure

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs .)	Source of funding	Timeframe	Implementing Agency/ Department
								and Communication
Mathu Gachoka - Muranga	Gikondi Ward	To improve access and open up new areas	One Bridge	Bridge Construction	3M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure and Communication
Waithaka Ndani-Muthathara Bridge	Gikondi Ward	To improve access and open up new areas	One Bridge	Bridge Construction	3M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure and Communication
Njigua Chachi-Muranga Bridge	Gikondi Ward	To improve access and open up new areas	One Bridge	Bridge Construction	3M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure and Communication
Gitiri – Kibutio Bridge	Gikondi Ward	To improve access and open up new areas	One Bridge	Bridge Construction	3M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure and Communication
Kambogo – Gathuito Bridge	Gikondi Ward	To improve access and open up new areas	One Bridge	Bridge Construction	3M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure and Communication
Rurii- Kigathi Bridge	Gikondi Ward	To improve access and open up new areas	One Bridge	Bridge Construction	3M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure and Communication
Weru – Kigathi Bridge	Gikondi Ward	To improve access and open up new areas	One Bridge	Bridge Construction	3M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure and Communication
Gakira- Thukuma Bridge	Gikondi Ward	To improve access and open up new areas	One Bridge	Bridge Construction	3M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure and Communication
Gatura-Aguthii(ikiu) Bridge	Mukurweini west Ward	To improve access and open up new areas	One Bridge	Bridge repair and rehabilitation	3M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure and Communication
Gatura-Kahati Bridge(iguahare)	Mukurweini west Ward	To improve access and open up new areas	One Bridge	Bridge repair and rehabilitation	3M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure and Communication
Gaikundo-Kanunga Bridge	Mukurweini west Ward	To improve access and open up new areas	One Bridge	Bridge repair and rehabilitation	3M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure and Communication
Gatura-Migombeini Bridge	Mukurweini west Ward	To improve access and open up new areas	One Bridge	Bridge repair and rehabilitation	3M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure and Communication
Gatura- Gatitu Bridge	Mukurweini west Ward	To improve access and	One Bridge	Bridge repair and rehabilitation	3M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs .)	Source of funding	Timeframe	Implementing Agency/ Department
		open up new areas						and Communication
Nyaguathi-Kaheti Bridge	Mukurweini west Ward	To improve access and open up new areas	One Bridge	Bridge repair and rehabilitation	3M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure and Communication
Mbari ya Gathuri Thwani Bridge	Mukurweini west Ward	To improve access and open up new areas	One Bridge	Bridge repair and rehabilitation	3M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure and Communication
Gakindu Ichagachumi Wahundura Bridge	Mukurweini west Ward	To improve access and open up new areas	One Bridge	Bridge repair and rehabilitation	3M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure and Communication
Nyaguathi –Gatiki Bridge	Mukurweini west Ward	To improve access and open up new areas	One Bridge	Bridge repair and rehabilitation	3M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure and Communication
Karega- Kagumo Bridge	Mukurweini west Ward	To improve access and open up new areas	One Bridge	Bridge repair and rehabilitation	3M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure and Communication
Gathanji Karikoini(waiyas)	Mukurweini west Ward	To improve access and open up new areas	One Bridge	Bridge repair and rehabilitation	3M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure and Communication
Embassy Kabiruini Road	Mweiga Ward	To improve access and open up new areas	One Bridge	Bridge, Grading and Gravelling	3M	GoK/CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
South B – Thunguma Streetlighting	Gatitu/ Muruguru Ward	Improve security and increase hours of doing business	3km	Completion	4.5M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kahuho Access Road	Chinga Ward	To improve access and open up new areas	15km	Completion	22M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Chiki Power Project	Chinga Ward	Improve security and increase hours of doing business	2000HHs	Completion	25M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Ruguru bus terminus (near elephant castle)	Karatina Ward	Reduce congestion in town	One bus terminus	Construction	5M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
50KM road network	Magutu Ward	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kiragati Bridge	Magutu Ward	To improve access and	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs .)	Source of funding	Timeframe	Implementing Agency/ Department
		open up new areas						and Communication
Githaka Bridge (Mwanda – Gatura Road)	Iria-ini Ward (Mathira)	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Rianderu – Gitero Bridge	Kamakwa/ Mukaro Ward	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Gachuiro – Kiriti Bridge	Kamakwa/ Mukaro Ward	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kinunga – Kwa Kihatha Bridge	Kamakwa/ Mukaro Ward	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Wandahi – Gitathi-ini Bridge	Kamakwa/ Mukaro Ward	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kagundu-ini – Mutembe Bridge	Kamakwa/ Mukaro Ward	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kamuyu Village – Kamuyu Primary Bridge	Kamakwa/ Mukaro Ward	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kiharas Road – Kihatha Village Bridge	Kamakwa/ Mukaro Ward	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Mt. Kenya Salvation – Technical Bridge	Kamakwa/ Mukaro Ward	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
50 KM road network	Magutu Ward	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kiragati Bridge	Magutu Ward	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Githaka Bridge (Mwanda – Gatura Road)	Iria-ini Ward (Mathira)	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Rianderu – Gitero Bridge	Kamakwa/ Mukaro Ward	To improve access and	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs .)	Source of funding	Timeframe	Implementing Agency/ Department
		open up new areas						and Communication
Kinunga – Kwa Kihatha Bridge	Kamakwa/ Mukaro Ward	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Wandahi – Gitathini Bridge	Kamakwa/ Mukaro Ward	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kagundu-ini – Mutembei Bridge	Kamakwa/ Mukaro Ward	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kamuyu Village – Kamuyu Primary Bridge	Kamakwa/ Mukaro Ward	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kiharas Road – Kihatha Village Bridge	Kamakwa/ Mukaro Ward	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Mt. Kenya Salvation – Technical Bridge	Kamakwa/ Mukaro Ward	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Ha Kamune (Kiamuya) Bridge	Chinga Ward	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Gichiche Kianwe Bridge	Chinga Ward	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Muirungi – Kairo Bridge	Chinga Ward	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Giathaimu-Muirungi Bridge	Chinga Ward	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Gathanji – Kahutiri Bridge	Chinga Ward	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Thurumanda – Kiru Bridge	Chinga Ward	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Karuthi – Kirungu (Kiria-ini) Access Road Bridge	Chinga Ward	To improve access and	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs .)	Source of funding	Timeframe	Implementing Agency/ Department
		open up new areas						and Communication
Thambu – Gathabari Bridge	Chinga Ward	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kagongo – Thambu Bridge	Chinga Ward	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Ichamara – Ngimaini Bridge	Mukurwe-ini Central	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kiambogo Bridge (Kirerema)	Mukurwe-ini Central	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Ndugi-Mathira – Mukurwe-ini Bridge	Mukurwe-ini Central	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Gaichangari Bridge	Mukurwe-ini Central	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Miiri – Mururiini Road Bridge	Mukurwe-ini Central	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kiangombe – Gakuru Road Bridge	Mukurwe-ini Central	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Wandeto Farm Road Bridge	Mukurwe-ini Central	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Karobia Farm Road Bridge (Murunduini)	Mukurwe-ini Central	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Hospital – Mwariri Road Bridge	Mukurwe-ini Central	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kiawanjugu – Gikondi Road Bridge	Mukurwe-ini Central	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Karimururi – Kihate Road Bridge	Mukurwe-ini Central	To improve access and	1 Bridge	Construction	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs .)	Source of funding	Timeframe	Implementing Agency/ Department
		open up new areas						and Communication
Kihate – Kaheti Primary Bridge	Mukurwe-ini Central	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/CGN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Gikumbo – Ndia Bridge	Mukurwe-ini Central	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/CGN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Rutune – Muranga Bridge	Mukurwe-ini Central	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/CGN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kwa Njoni - Gakinia Bridge	Mukurwe-ini Central	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/CGN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kanguyo Bridge	Mukurwe-ini Central	To improve access and open up new areas	1 Bridge	Construction	3M	GOK/CGN	2018 - 2022	Transport, Public Works, Infrastructure and Communication

Expanges-Coffee Factory	Mweiga Ward	To improve access and open up new areas	1.5km	Grading and Gravelling	2.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Endarasha/Mwiyogo road network	Endarasha Mwiyo	To improve access and open up new areas	100 KM	Grading and Gravelling	150M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Mahiga – AIPCA to Rhino Hill Milk Point Road	Endarasha Mwiyo	To improve access and open up new areas	2km	Grading and Gravelling	3M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
E-Circle Sangare Gate Road	Endarasha Mwiyo	To improve access and open up new areas	2km	Grading and Gravelling	3M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Sangare Pump – Solio Junction Road	Endarasha Mwiyo	To improve access and open up new areas	2km	Grading and Gravelling	3M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Kamune Junction - Solio	Endarasha Mwiyo	To improve access and open up new areas	2km	Grading and Gravelling	3M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Kriungi-Mihuranguru Road	Endarasha Mwiyo	To improve access and open up new areas	2km	Grading and Gravelling	3M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Kagwai Junction-Muthondio Road	Endarasha Mwiyo	To improve access and open up new areas	2km	Grading and Gravelling	3M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Kimita Dam-Laikipia Junction	Endarasha Mwiyo	To improve access and open up new areas	2km	Grading and Gravelling	3M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Karuiyi Junction-William Laikipia Junction Road	Endarasha Mwiyo	To improve access and open up new areas	2km	Grading and Gravelling	3M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Kung'u Kung'u Kaburu Road	Endarasha Mwiyo	To improve access and open up new areas	2km	Grading and Gravelling	3M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Satima Village – Kanyagia-Endarasha Junction	Endarasha Mwiyo	To improve access and open up new areas	2km	Grading and Gravelling	3M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs .)	Source of funding	Timeframe	Implementing Agency/ Department
Satima – Rurii- U road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Waiti-ini Junction-Sammy Ground Road	Endarasha Mwiyo	To improve access and open up new areas	2km	Grading and Gravelling	3M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Honi River Gatogo Road	Endarasha Mwiyo	To improve access and open up new areas	2km	Grading and Gravelling	3M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Willie-Zero Zero Junction Road	Endarasha Mwiyo	To improve access and open up new areas	2km	Grading and Gravelling	3M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Mburu Milk Point-Kimata Junction-Equity Road	Endarasha Mwiyo	To improve access and open up new areas	2km	Grading and Gravelling	3M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Lower Muthu-ini-PCEA- Munene Kairu Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Losika Farm – Solio-New Babito Church Junction	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Labura Primary-Secondary Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Mahiga Primary/Secondary Service Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Honi Primary Service Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Karari Junction-Mburu Dam Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Ndegwa Can-Ndono Junction	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Mahiga Junction-Children Home Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs .)	Source of funding	Timeframe	Implementing Agency/ Department
Makutano-Milk Point-Meru Junction	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Makutano Junction - Mukurino Milk Point Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Makutano Junction-Geoffrey Garden Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Revered Kario Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Mwaniki Kware Junction- Munyingi Estate Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Muthinji Junction-Maingi Ngenye Junction	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Gitonga-Zero Zero Junction Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Gatina Forest Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Kiere-Society Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Catholic Road through Manane Kayu Junction	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Micah-Kagiri-Wanduta Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Paul Mwangi-Mbaaria Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Karuguriro Borehole-Kinyaiti Primary Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs .)	Source of funding	Timeframe	Implementing Agency/ Department
PCEA- Kinyaiti Junction Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Muturi –Muhihu-Kiama Karoki Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Kahura-Kinyaiti Catholic Church Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Wasonyiro Shopping Centre-Wasonyiro Cemetery Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Kamau Bahati-Muturi Muhihu-Sikai Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Mitero Primary Dr. Mwangi Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Kiogora-Jimmie Road(Wendiga)	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Ngorosaini – Majumba Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Mailo-Mama Ngima Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Gichaga Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Githaiga Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Muturanguru – Bachia Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Mwiyo Primary-Chief Lydia Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs .)	Source of funding	Timeframe	Implementing Agency/ Department
Waweru Mwema Roads	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Wendiga Dispensary – Mwema Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Kiruhi-Wainaina Maturanguru Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
John weru Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Mwigai – Henry Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Lis Mwangi – Gasho Road	Endarasha Mwiyo	To improve access and open up new areas	3km	Grading and Gravelling	4.5M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication

electrification project		of doing business						and Communication
Kiawarigi electrification project	Karatina Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of High mast flood light	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Itiati electrification project	Karatina Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of High mast flood light	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Giathugu electrification project	Karatina Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of High mast flood light	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Unjiru electrification project	Karatina Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of High mast flood light	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Githima electrification project	Karatina Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of High mast flood light	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Jamaica electrification project	Karatina Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of High mast flood light	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kiraha electrification project	Karatina Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of High mast flood light	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Ragati electrification project	Karatina Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of High mast flood light	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Mathaithi Electrification project	Karatina Ward	Improve security and increase hours of doing business	1 No.	Installation of High Mast flood light	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Gathumbi Electrification project	Karatina Ward	Improve security and increase hours of doing business	1 No.	Installation of High Mast flood light	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Ha Gutu Electrification	Karatina Ward	Improve security and increase hours of doing business	1 No.	Installation of High Mast flood light	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kihuro Electrification project	Karatina Ward	Improve security and increase hours of doing business	1 No.	Installation of High Mast flood light	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Unjiru Electrification project	Karatina Ward	Improve security and increase hours	1 No.	Installation of High Mast flood light	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs .)	Source of funding	Timeframe	Implementing Agency/ Department
		of doing business						and Communication
Ichuga Electrification project	Karatina Ward	Improve security and increase hours of doing business	1 No.	Installation of High Mast flood light	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Giakairu Electrification project	Karatina Ward	Improve security and increase hours of doing business	1 No.	Installation of High Mast flood light	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Saigon Electrification project	Karatina Ward	Improve security and increase hours of doing business	1 No.	Installation of High Mast flood light	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Gathugu Electrification project	Karatina Ward	Improve security and increase hours of doing business	1 No.	Installation of High Mast flood light	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Gwa China Electrification project	Karatina Ward	Improve security and increase hours of doing business	1 No.	Installation of High Mast flood light	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Highland Electrification project	Karatina Ward	Improve security and increase hours of doing business	1 No.	Installation of High Mast flood light	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Gatugi electrification project	Karima ward	Improve security and increase hours of doing business	1 No. flood light	Installation of high mast flood light	3.2M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Kagunduini coffee factory electrification project	Karima ward	Improve security and increase hours of doing business	1 No. flood light	Installation of high mast flood light	3.2M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Kamoini electrification project	Karima ward	Improve security and increase hours of doing business	1 No. flood light	Installation of high mast flood light	3.2M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Kagumo electrification project	Karima ward	Improve security and increase hours of doing business	1 No. flood light	Installation of high mast flood light	3.2M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Witima shopping centre electrification project	Karima ward	Improve security and increase hours of doing business	1 No. flood light	Installation of high mast flood light	3.2M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Equator Village electrification project	Gakawa Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of high mast flood lights	3.2M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Giachuma electrification project	Gakawa Ward	Improve security and increase hours	One High mast flood light	Installation of high mast flood lights	3.2M	GoK/ CGN	2018-2022	Transport, Public Works, Infrastructure

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs .)	Source of funding	Timeframe	Implementing Agency/ Department
		of doing business						and Communication
Ngaranga shopping center electrification project	Gakawa Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of high mast flood lights	3.2M	GoK/CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Ngandu shopping centre electrification	Kirimukuyu Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of high mast floodlight	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Blue Valley Electrification Project	Rware Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of high mast floodlight	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kingongo Nursery area Electrification Project	Rware Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of high mast floodlight	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Chania Tropical Nursery electrification Project	Rware Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of high mast floodlight	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kimathi area Electrification Project	Rware Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of high mast floodlight	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kandara Electrification Project	Rware Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of high mast floodlight	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Muringato Shopping Centre Electrification Project	Kiganjo/Mathari Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of high mast floodlight	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Embassy Shopping Centre Electrification Project	Kiganjo/Mathari Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of high mast floodlight	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kamundu Electrification Project	Rugi Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of High mast Floodlight	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kangurwe Electrification Project	Rugi Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of High mast Floodlight	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Gumba Electrification Project	Rugi Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of High mast Floodlight	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Ngamwa Electrification Project	Rugi Ward	Improve security and increase hours	One High mast flood light	Installation of High mast Floodlight	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs .)	Source of funding	Timeframe	Implementing Agency/ Department
		of doing business						and Communication
Mweru Electrification Project	Rugi Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of High mast Floodlight	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kamungare Electrification Project	Rugi Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of High mast Floodlight	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Giathugi Electrification Project	Rugi Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of High mast Floodlight	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kaaini Electrification Project	Rugi Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of High mast Floodlight	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Mihuti Electrification Project	Rugi Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of High mast Floodlight	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Muchatha Electrification Project	Rugi Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of High mast Floodlight	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Mihuti Electrification Project	Rugi Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of High mast Floodlight	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Ngamwa Electrification Project	Rugi Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of High mast Floodlight	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Mihuti Electrification Project	Rugi Ward	Improve security and increase hours of doing business	One High mast flood light	Installation of High mast Floodlight	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Ichamara Market Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	1 High Mast Floodlight	Installation of High Mast Floodlight.	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Thangathi Market Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	1 High Mast Floodlight	Installation of High Mast Floodlight.	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Maganjo Market Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	1 High Mast Floodlight	Installation of High Mast Floodlight.	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kiuu Market Electrification	Mukurwe-ini Central	Improve security and increase hours	1 High Mast Floodlight	Installation of High Mast Floodlight.	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs .)	Source of funding	Timeframe	Implementing Agency/ Department
		of doing business						and Communication
Maganjo Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	1 High Mast Floodlight	Installation of High Mast Floodlight.	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Ngoru Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	1 High Mast Floodlight	Installation of High Mast Floodlight.	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Mutwewathi Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	1 High Mast Floodlight	Installation of High Mast Floodlight.	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Mukurwe-ini Stadium Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	1 High Mast Floodlight	Installation of High Mast Floodlight.	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
PCEA Muhito Stage Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	1 High Mast Floodlight	Installation of High Mast Floodlight.	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Wamutitu Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	1 High Mast Floodlight	Installation of High Mast Floodlight.	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Ichamara Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	1 High Mast Floodlight	Installation of High Mast Floodlight.	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Githungungu Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	1 High Mast Floodlight	Installation of High Mast Floodlight.	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Karifonia Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	1 High Mast Floodlight	Installation of High Mast Floodlight.	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kiuu Shopping Centre Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	1 High Mast Floodlight	Installation of High Mast Floodlight.	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Ujamaa Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	1 High Mast Floodlight	Installation of High Mast Floodlight.	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Thangathi Shopping Centre Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	1 High Mast Floodlight	Installation of High Mast Floodlight.	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kihuti Shopping Centre Electrification	Mukurwe-ini Central	Improve security and increase hours	1 High Mast Floodlight	Installation of High Mast Floodlight.	3.2M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure

Gathinji Electrification Project	Mukurweini west Ward	Improve access to electricity	One Transformer	Installation of Transformer	2M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure and Communication
\Tambaya –Kiganjo Upgrading Electrifiaction Project	Mukurweini west Ward	Improve access to electricity	One Transformer	Installation of Transformer	2M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure and Communication
Kiawamururu Electrification Project	Mukurweini west Ward	Improve access to electricity	One Transformer	Installation of Transformer	2M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure and Communication
Gura –Migombeini Electrification Project	Mukurweini west Ward	Improve access to electricity	One Transformer	Installation of Transformer	2M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure and Communication
Kaaga electrification project	Gakawa Ward	Improve access to electricity	One Transformer	Installation of transformer and wiring at Mwea/Ngerima; Gakawa Health center; Munyaka; Kaaga ECDE; Toll center and Huku.	4M	GoK/CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Bondeni Electrification Project	Mweiga Ward	Improve access to electricity	3 Transformers	Installation of Transformer at nyagia, Gichuki and Kang'ara	6M	GoK/CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Gathiuru electrification project	Gakawa Ward	Improve access to electricity	5 No. transformer	Installation of transformers at Karandi Catholic Church; Gwa Kabethi; Ragati Dam; Kwa Muthamia; Toll Area)	6M	GoK/CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Tumbu Githinji Shopping centre Eletrification Project	Gikondi Ward	Improve security and increase hours of doing business		Intallation of transformer	3.2M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure and Communication

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs .)	Source of funding	Timeframe	Implementing Agency/ Department
Ciagumba - Irima Access Road	Chinga Ward	To improve road maintenance services	12 Km	Levelling	18M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Othaya town Bus parks	Iriaini Ward (Othaya)	To reduce congestion in town	3 No. bus parks	Opening up of 3 new bus parks	10M	GoK/ CGN	2018- 2022	Transport, Public Works, Infrastructure and Communication
Kagwathi Back Road	Wamagana Ward	To improve road maintenance services	One Transformer	Opening, Grading and gravelling, Tarmacking	3.2M	GoK / CGN	2018- 2022	Transport, Public Works, Infrastructure and Communication
Anglican – Family Bank Road	Rware Ward	To improve road maintenance services	2km	Recarpeting	20M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Osman Allu – Baden Powell Road	Rware Ward	To improve road maintenance services	2km	Recarpeting	20M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
St Mary’s – Mortuary Road	Rware Ward	To improve road maintenance services	2km	Recarpeting	20M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Baden Powell – Kianda	Rware Ward	To improve road maintenance services	2km	Recarpeting	20M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Lower Equity Bank - - Round About Road	Rware Ward	To improve road maintenance services	2km	Recarpeting	20M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Best Lady – I&M Bank Road	Rware Ward	To improve road maintenance services	2km	Recarpeting	20M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Temple Road	Rware Ward	To improve road maintenance services	2km	Recarpeting	20M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Muthua Estate roads	Karatina Ward	To improve road maintenance services	4km	Re-carpeting	40M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Railway – police station – members club – blue valley road	Karatina Ward	To improve road maintenance services	2km	Re-carpeting	3M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Karatina bus terminus	Karatina Ward	To improve road maintenance services	One bus terminus	Recarpeting and drainage Construction of new stalls	20M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs .)	Source of funding	Timeframe	Implementing Agency/ Department
Karatina Town Roads	Karatina Ward	To improve road maintenance services	10km	Recarpeting and tarmacking	15M	GOK/CGN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Ndarukomia Foot bridge	Gikondi Ward	To enhance access and connectivity	one bridge	Rehabilitation	3M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure and Communication
Kwa Muthungu Footbridge	Gikondi Ward	To enhance access and connectivity	one bridge	Rehabilitation	3M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure and Communication
Ndumbi Foot Bridge	Gikondi Ward	To enhance access and connectivity	one bridge	Rehabilitation	3M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure and Communication
Kibindu Foot Bridge(Rwara)	Gikondi Ward	To enhance access and connectivity	one bridge	Rehabilitation and upgrading	3M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure and Communication
Wanaoyu Francis Foot Bridge	Gikondi Ward	To enhance access and connectivity	one bridge	Rehabilitation and upgrading	3M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure and Communication
Maina Kariro Foot Bridge	Gikondi Ward	To enhance access and connectivity	one bridge	Rehabilitation and upgrading	3M	CGN/GoK	2018-2022	Transport, Public Works, Infrastructure and Communication
Endarsha Town	Endarasha Mwiyo	Improve security and increase hours of doing business	3km	Rehabilitation of Streetlights	0.5M	GoK/CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Chania River Foot Bridge	Kiganjo/Mathari Ward	To enhance access and connectivity	1 Bridge	Renovation	3M		2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kwa ngunu Wamarida	Wamagana Ward	To enhance access and connectivity	1 Bridge	Renovation of Bridge	3M	GoK / CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Mweiga Electrification Project	Mweiga Ward	Improve access to electricity	5km	Rural electrification	1M	GoK/CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Kamatongu Electrification Project	Mweiga Ward	Improve access to electricity	5km	Rural electrification	1M	GoK/CGN	2018-2022	Transport, Public Works, Infrastructure and Communication
Giakaibei Street lighting	Magutu Ward	Improve access to electricity	2km	Servicing	1M	GOK/CGN	2018 - 2022	Transport, Public Works, Infrastructure and Communication

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs .)	Source of funding	Timeframe	Implementing Agency/ Department
Giakaibei Street lighting	Magutu Ward	Improve access to electricity	2km	Servicing	1M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Gatugi Shopping Centre Electrification Project	Karima	Improve security and increase hours of doing business	2km	Street lighting	1.5M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Ndimaini Shopping centre Electrification Project	Konyu Ward	Improve security and increase hours of doing business	2km	Street Lighting	1.5M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Gatina Shopping centre Electrification Project	Konyu Ward	Improve security and increase hours of doing business	2km	Street Lighting	1.5M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kieni Shopping centre Electrification Project	Konyu Ward	Improve security and increase hours of doing business	2km	Street Lighting	1.5M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kiami Shopping centre Electrification Project	Konyu Ward	Improve security and increase hours of doing business	2km	Street Lighting	1.5M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Kiamabara Shopping centre Electrification Project	Konyu Ward	Improve security and increase hours of doing business	2km	Street Lighting	1.5M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Gathugu Shopping centre Electrification Project	Konyu Ward	Improve security and increase hours of doing business	2km	Street Lighting	1.5M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Gaturiri Shopping centre Electrification Project	Konyu Ward	Improve security and increase hours of doing business	2km	Street Lighting	1.5M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Gatwe Shopping centre Electrification Project	Konyu Ward	Improve security and increase hours of doing business	2km	Street Lighting	1.5M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Grogan Road Electrification Project	Rware Ward	Improve security and increase hours of doing business	2km	Street Lighting	1.5M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Parklane Road Electrification Project	Rware Ward	Improve security and increase hours of doing business	2km	Street Lighting	1.5M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
National Bank Road Electrification Project	Rware Ward	Improve security and increase hours of doing business	2km	Street Lighting	1.5M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs .)	Source of funding	Timeframe	Implementing Agency/ Department
Library Road Electrification Project	Rware Ward	Improve security and increase hours of doing business	2km	Street Lighting	1.5M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
St Mary – Muthurwa Road Electrification Project	Rware Ward	Improve security and increase hours of doing business	2km	Street Lighting	1.5M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
Pembe Tatu Electrification Project	Rware Ward	Improve security and increase hours of doing business	2km	Street Lighting	1.5M	GOK/C GN	2018 - 2022	Transport, Public Works, Infrastructure and Communication
